Rebecca B. Tunnacliffe

Chief Executive Officer

BC Recreation and Parks Association

Email: rtunnacliffe@bcrpa.bc.ca

Dear Ms. Tunnacliffe:

Thank you for your email of November 28, 2017, and the invitation to attend the Parks Spring Training Conference with the BC Recreation and Parks Association on February 28, 2018. I apologize for the delay in my response.

I appreciate the invite to your conference and for taking the time to meet with me last October. Please accept my regrets that I cannot attend the upcoming conference due to my schedule, but I am open to requests to meet again in the future.

With regard to your request for Mr. Standen to speak at the conference, he also is unable to attend; however, Ms. Jennie Aikman, BC Parks Regional Director for the South Coast Region would be happy to represent BC Parks. Please contact Ms. Aikman directly at Jennie.Aikman@gov.bc.ca regarding her attendance at the conference.

Thank you again for the invitation. Have a successful conference!

Sincerely,

George Heyman

Minister

Cool. Free lots is fast half hour charge. Let me know address if meeting so I know how close. FYI - MSF seemed surprised I was going. But it will probably help him to have a second minister in resource area

Thanks Mark, this is what happens when I scan a doc in 2 mins before caucus - misread the rec. I approve the option presented and expect that we'll monitor Activity to keep to minimum

Hi – I asked for an option with less than 11+ ha to be presented as the full amount likely not needed and I'd rather ensure minimal removal and deal with any unexpected extra margin if it occurs (the project is expected to impact less than 2 ha)

Hi Minister,

Attached materials need your review and approval, it is regarding the Maquinna Protected Area Boundary Adjustment Stage 2.

Once approved, I will apply your e-sig, and pass it on to the DMO.

Cheers,

Hi Kirsten and Corinne,

Please see attached docs. This was verbally approved by MGH in December, but was never actually signed. Could you please ask him to sign the DN and send back to the DMO (please cc Sarah) so we can complete the process on our end?

Thanks very much,

Ari
