2016-05-11	13:33	POPJES, KENT	<p>2016-05-31 1400 CO POPJES attended a s.22 and spoke with a male who identified himself as s.22 s.22, stated the following:</p> <ul style="list-style-type: none"><li>-he had been living in the home fo s.22</li><li>-he was concerned for the bears as they were hungry</li><li>-he was mad at his neighbors for leaving garbage out the day before pick-up which bears have accessed</li><li>-bears had accessed his bird feeder in the past</li><li>-he felt the COS should plant fruit trees high on the mountain to feed the bears</li></ul> <p>CO POPJES advisec s.22 that leaving attractants out for bears and/or feeding bears is an offence. CO offered a ' bear aware' brochure to s.22, he declined. CO advised a ticket could be issued to any resident leaving garbage out the day prior to pick-up and encouraged s.22 to call in violations. s.22 had a lot to say and it appeared he was very concerned for the ' hungry' bears. Very difficult residence to monitor for intentional feeding of bears. Further follow up if additional complaints received.</p>
