Requesting a call back from the WLAP RO regarding sewage spill.

Notification :

14:15 - Paged WLAP

14:15 - Briefed WLAP Harold Riedler. Harold will call him right away.

14:16 - Faxed WLAP Surrey

Shawn informed Harold Riedler that there is no public access in the area impacted by the sewage spill. Shawn reconfirmed that the majority of spilled sewage was cleaned-up. The cause of the blockage in the line is unclear, as the vacuum & flush truck removed the blockage without the ability to check the contents within the blocked line. HR
