It would be great if MGH could introduce them in the house as well; I can put some speaking notes together or he can use his own wording. FYI – some of the staff listed below have not been in the leg before or have attended QP so they are very much looking forward to this.

Hi Caelie and Kirsten –

Could I please get your help to identify whether there are any possible slots for a 30-45 minute meeting for MGH and MLA Weaver in the afternoon of May 30?

If that's a no-go, please let me know if there are possibilities that could work for both DM Plecas and MGH after that date. Please give me a call if you have any questions.

Thanks,

This is actually a duplicate request, please disregard it. It is the same BC Parks Treaty Settlement pre brief already scheduled for May 24 at 1:00pm. Due to some miscommunication on our end the request was sent twice with a different title.

Sorry!!

Do you know if this is a request they have already made, and they are referencing previous communications with the MO? Or is this a request they will be presenting at the upcoming meeting?
