Subject: Juan de Fuca Trail Funds

Hi Reamick,

Thank you for chatting with me just now. The question that we received from a constituent is how much funding is going into or has been put into the Juan de Fuca provincial Park (the trail in particular). Thus far he has been unable to get an exact number, I believe he was looking broadly at the last 5 years or so.

Any information about the park's funding would be greatly appreciated.

Thank you and I look forward to hearing from you.

All the best,
