Hi Katie,  
The Minister will have time to meet while he's up in Prince George.  
Eveline will be heading up with the Minister, so I'm going to leave this with her to follow up with you in the new year.  
Caelie

Hi Caelie

I hope you are getting a wonderful break over the holiday season.

I'm writing to inquire if Minister Heyman is taking meetings during the Resource Forum in January - in Prince George.

The CEO of Petronas Canada will be speaking at the event and would appreciate an opportunity to meet with the Minister in regards to their CleanBC associated initiatives.

If you could let me know if this may be possible I will follow up with an official email meeting request to the Minister.

Thank you!

Katie

Hello hello Caelie - s.22

Hello Eveline - would you be available Thursday for a meeting on the 5 TTHs? Items to discuss include:

- Minister's agenda and interest/availability to conduct TTHs in Vancouver when the house is not in session
- Scheduling of briefing sessions for Minister
- Suggestions for guests for TTHs (this was done for the Child Care TTHs and was very helpful)
- Contacts within the MoE that will be working on this project (briefing binders with talking points, regionalized opening/closing remarks)
- Role of MAs
- Do you have a Parliamentary Secretary? If yes, do you want this person to have a role?
- other items TBD

Because of the holiday break, I am not sure we will be ready to conduct the first TTH Jan 24. I need to connect with the company that is providing the technical services and with GCPE folks that will put in place the promotion for public sign-ups for the TTH meetings - this allows us to reach beyond households with landlines. Hope to know more by end of day tomorrow.

Looking forward to working with you two on this project. Great opportunity to engage the public on the CleanBC program!

Jane

Hello and happy 2019 to you! Hope you had a good break in your winter wonderland.

I am happy to be helping out on the CleanBC TTHs coming up. My role will be to work with your office, GCPE and your CleanBC ministry folks to coordinate the project.

I would like to set up a meeting as soon as you are available to talk about the process and get your feedback on the timeline and tasks ahead.

Let me know when you are available and I will pop over to see you.

Best,  
Jane
