Chris are you available to put down a bear in PoCo? It got hit and sounds immobile. I can head there otherwise but would be about an hour

Chris Miller

Yup just got home. Are the cops with it now?

Thank you would hate for that bear to suffer!

Yes I'll call dispatch back and give your number

Tell the cop to shoot it

They aren't comfortable with it

They don't know how

Have the reports in that area been two together?

I think so! Pretty sure that's where that pair is

But we were also getting reports of a single one around there like 2 weeks ago
