Hours

Total Time Spent (hours): 9.5 Hours**Narrative:**

2020-07-04 13:31 CO ANDERSON called COM. COM is s.22 COM saw medium sized brown coloured bear intrested in the gut bucket. No fresh fish on site. Scared away to yelling and light. Fled first to near RV cover then out the bear trail behind RV. CO ANDERSON has done 3 proactive sites visits to s.22 since May. Most recently on July 3rd. Each time provided safety and attractant advise. Bears active in the area are primarily grizzly. Advised call if bear returns and advise call centre if it's a grizzly.

2020-07-03 23:12 Update 2 CO got ECC to patch thru to COM. COM advised that she was outside and saw 2 large. grizzly cubs trying to sneak into the yard from the trail behind the RV. That they have fish in the tub and that she was able to scare them away. CO did not see a sow with the cubs.

2020-07-11 04:01 Update 3 recorded by ECC as "BB is back wandering around in their area. No further action at time CO reviewed.

2020-07-17 01:04 Update 4 received by ECC of collared BB, no bb in area and CO ANDERSON and CO KOPP were on shift trying to track category 1 collard grizzly boar. Attended. Bear not in site but heard in the bushes behind trailer. Bear did no present in view again. Safety and attractant advise given again to s.22
