Hi Alyssa

Is it possible to arrange a quick call between the two of them tomorrow just to clarify the topic? At Mark's request please.

If you could suggest some options that would be great!

Thanks

Good afternoon Sylvie,

I hope you had a great weekend! As a follow-up to the below email, I would like to clarify that this engagement is a request for a presentation by Mr. Carney, followed by a discussion with Cabinet ministers. I recall that you had asked for clarity during our phone call; please let me know if you have any further questions.

As such, Premier John Horgan's chief of staff has asked if Mr. Carney would be able to provide some brief overview materials in advance of June 16<sup>th</sup> so that Cabinet members can adequately prepare for the discussion?

Below I've repeated this meeting's confirmation, but with a few more details:

**Mr. Mark Carney & British Columbia Cabinet**

**Date:** Wednesday, June 16

**Time:** 12:00-1:00 PM PDT / 3:00-4:00 PM EDT (60 minutes)

**Location:** Virtual – link to come

**Details:** A presentation by Mr. Carney and discussion

Thanks very much,

Hello again, Sylvie. Thanks so much for the call – I'm happy to confirm the following time:

**Date:** Wednesday, June 16

**Time:** 12:00-1:00 PM PDT / 3:00-4:00 PM EDT (60 minutes)

In terms of the link to connect Mr. Carney virtually, I will ensure you receive this as soon as possible. As well, if Mr. Carney's schedule sees any cancellations and we are able to extend the above to 90 minutes, we would be very grateful. Of course, we recognize that he has a very busy schedule and this may not be possible.

I've also included Kelly Sather on this email who can speak more to the details of the engagement.

Hello Alyssa,  
No need to apologize, the things is when they agree to something without looking at how busy they are first 😊  
I will really need to go back to him since he confirmed that he will now be in London that week plus not sure about the rules of quarantine yet. Of course, it will have to be virtual.  
Please leave it with me to ask him and I will let you know.  
Thank you for your patience!

Okay, that's good to know. It sounds like Minister Heyman and Mr. Carney had spoken about the week of June 21<sup>st</sup>, is it possible that he has a 90 minute window that could work amongst his other obligations? We are happy to accommodate any timing.  
Apologies for the confusion!

Hello Alyssa,

I actually don't mind speaking over the phone but it's not clear if Mr. Carney can do it before Fall and event then.

Unfortunately his diary is currently heavily committed until then. He is travelling in June and July then it's **s.22**

Is there any options in the Fall that I can bring to his attention?

Thank you!

Hello Sylvie,

Kelly asked me to follow up with you regarding the week of June 21<sup>st</sup> to find a time that is suitable for Mr. Carney. Would it be easiest to do so here by email or by phone? Please feel free to give me a call at 778-974-6047 to discuss, otherwise I'm happy to take a look at what options work well on your end if you'd rather send those by email.

Dear Kelly,

I hope you had a lovely long weekend.

Mr. Carney is not available on June 11 nor the 25. I am very sorry about that. Are there other dates that will work?

Thank you!

Hi Kelly,

Thanks for trying to accommodate his schedule, June 16 is indeed not possible and June 18th would be 12:30 EST and he is speaking that precise time and booked solid that day as well.

I am very sorry about that.

Thank you!

Hi Sylvie,

Thanks for helping to arrange the call earlier this week. The outcome was Mr. Carney accepting the request to speak to cabinet, but he indicated that June 16 didn't work for his calendar.

Our other option is a Friday morning - perhaps a 9:30 Pacific time start - in June. Does June 18th work on your end?

Thank you,  
Kelly

Dear Sylvie,

Thank you for taking the time to return my call today.

As mentioned, I am reaching out on behalf of Minister George Heyman in Victoria, BC. As Minister of Environment and Climate Change Strategy, Minister Heyman is responsible for the CleanBC, the province's environment and economic plan.

Minister Heyman would like to have a conversation with Mr. Carney about the relationship between financial investment trends and climate plans like CleanBC, and on behalf of Premier Horgan would like to explore if he would be willing to speak to our executive council at an upcoming cabinet meeting.

I have copied our administrative coordinator Alyssa Hrenyk to help find some time for a short conversation. Thank you for following up with us, and thanks to Mr. Carney for reviewing our request.

Thank you,  
Kelly
