Yes	Harris, Samuel	2022-03-14 2145 CO HARRIS attended the 22 and located a juvenile black bear sleeping under a large converyor belt. Belt was shut down, CO HARRIS snare poled the cub and captured inside steel kennel. CO HARRIS sent information regarding age, health and weight to supervisors. CO HARRIS stored cub in secure kennel over night while awaiting direction. 2022-03-15 CO HARRIS was instructed to dispatch cub by OIC Omineca region, as it was cub from last year, not a candidate for rehab, and no food available due to snow cover. CO HARRIS dispatched with \$15 in remote location, \$15 in carcass returned to nature. 2022-04-04 10:57 ASGT McArthur reviewed file.	Destroyed by COS	2022-03-15	5 BLACK BEAR			1						
		2022-04-05 1230 hrs CO HARRIS attended the property and spoke to COM. COM decribed an adult bear which continues to come to the property, bear is coming onto the small porch and smelling around everywhere. Bear put its face against the												
		window to try to smell a hanging plant through the glass. COM scared it away and bear left. Bear has been coming around for about 4 days, but is not getting into any attractants. COS aware of problem bear with similar behaviour from last year. COM stated the bear shows little signs of fear of people. CO HARRIS provided BSA, and demonstrated how to use bear spray. COM												
		does not want the bear destroyed and is willing to attempt to scare the bear away. Behaviour described is a greater concern, but no ATB or attractant issues at this time. cell number provided to come and RAPP line. COM will keep COS updated if the bear returns or if issues persist. 2022-04-05 18:56hrs COM called CO HARRIS directly. Bear came back for the second time today. Attempted to enter through front door. Left went around back. Tried a window. Tried back door. Tried kitchen window.												
		Com bear sprayed bear and it left. Increasing activity/ aggressiveness. This is the fifth time itÆs been back in four days. No attractants visible. Clean property. No garbage down embankment etc. CO HARRIS attends and sets LBT behind COM's house where bear is attempting to break into home. COM to monitor. Cat 1 BB, ATB, attempting repeatedly to enter occupied												
		dwelling, to be removed from population as poses a significant public safety risk. 2022-05-05 10:00 CO CAITHNESS attends location and removes LBT with mature adult bear inside. Bear euthanized in trap are Cat 1 mature male bear, estimated 250lbs, very skinny, CO Caithness observed bloodshot eyes, likely from bear spray, so appears to
