impact on permitting

ly 24

IJC

↓ Lake Champlain Richelieu referral
(\$14M) (flood, not strictly a technical study)

s.16

"question is really important"
↳ Federal discussion

↳ GAC should be consulting before a referral.

↳ This may be a unique referral/question
↳ Trust will be built through transparency

s.16

- could be an evolution in how we do things

K) (next steps)

- we have provided ^{our views} to Fed gov't
- ball is in their court
- refine it to 2 point where it is acceptable to both ^{national} governments

Planning Question.
[Important to have 2 termination date?]

Science of Governance
