Hi Ray,

The establishment has since changed the name to Shakerz Show Lounge. A third party operator application was received on October 16. The third party operator named in the application is 0952041 BC Ltd. The corporate structure for this legal entity has not been entered in Posse. The application is showing status with LindaDawn Lane.

Around the time of our previous correspondence, I spoke to s.22 and advised him that the 3<sup>rd</sup> party operator could not operate the establishment until such time the application is approved by the Branch.

My last inspection was on the night of October 19 – they have changed all staff at the bar. Some are new and some who worked there years ago and have returned. I did not see s.22 on site.

Hi Neelam,

I'm following this up as I was going over some old emails.

Are there any activities on the premises regarding transfers or third party applications?

Do you know if s.22 is still interested in running the premises?

We are assessing whether we will commence a F&P on the existing owner in determining any nexus between the management of the establishment and s.15

Can you let me know in regards to any information you may have on this premises?

Thanks

Hi Ray,

Rupi has asked me to email you this information....

I spoke to the third party applicant, s.22 yesterday and have advised him that he cannot operate the establishment prior to the application being approved.

I also spoke to the licensee's son, s.22 today and informed him that the third party cannot operate the establishment until such time the application has been approved. He stated that s.22 will work for them as manager in the mean time and that they will hire him under the numbered company.

s.22 stated he is the main contact for the establishment and that he will ensure s.22 is aware of the policy re third party operator.

Please let me know if there is anything else of concern.

Ms. GILL,

Please find attached a copy of a LPC Ticket issued to T-Barz Exotic Showroom on 2005-11-25. There is also a copy of our report on the matter. The original will be forwarded through the regular mail but I hope that this will afford you an opportunity to be aware of the situation.

You will note that this LPC bears that word warning on the front. I have issued this as a last and written warning to T-Barz. I have spoken to the manager and the owner about the situation and they have been informed that any further infractions will result in LPC's being issued.

No enforcement action is being requested at this time.

If you have any questions please do not hesitate to contact me.

Thank you in advance

RE: Section 45 (2)  
Liquor Control & Licensing Regulations  
Failure to Request Identification (as required by legislation)

This is to advise that on Friday, 2003Feb07, agents employed by the Liquor Control & Licensing Branch were employed to determine the level of compliance with the above regulation within your establishment. These agents are all between the ages of 19-25 and all appear to be under the age of 25. They all carried the required 2 pieces of approved identification and were under the supervision of a Liquor Inspector.

The result of this inspection showed that your establishment was not in compliance with Section 45 (2) LCL Regs. (copy attached), in that the agents were either asked for no identification at all or were not asked for the required 2 pieces of approved identification. In all of these inspections anywhere from 2 to 3 agents entered your establishment during the inspection and they were able to enter and /or purchase alcohol within your establishment.

You will find enclosed a Contravention Notice which details the alleged contravention. You will be contacted by a Liquor Inspector within 30 days advising of any further action deemed necessary by the Branch. This will include attendance at a mandatory Compliance Meeting.

I must remind you that the Branch takes the issue of access by minors to alcohol as a serious public safety issue. The attached regulations require the **mandatory** ID check on all persons who appear to be under 25, every time they enter the premises. We expect that you will take immediate steps to come into compliance, as these inspections will be carried out on a continuous basis.
