I created log 195179 for a letter from the PO responding to s.22 and CC'd to MSS, but I realized the letter should live with log 193997 as that log contains the initial incoming.

Hi Casey,

Have you seen the attached letter come into the MO at all? Premier's office is asking what action we might be taking on it. If you haven't received it, I can also let them know that.

In reading it, appears to be mostly a health issue. She does say she's applied for and been denied disability so I suppose that side of it would fall under us.

Any info you have on whether we are responding would be super helpful too if it's over there.

Thanks!

Hi Tanera,

That time works. We can hold it in our MO if that works for you. No ministry staff needed. Our MAs will be providing your MAs with some briefing material.

Thanks,

-Casey

Hi Casey,

MDE is free from 5:30-6 on the 8th. Can I ask what this is regarding and will we require ministry staff to attend?

Thanks,

Hi Tanera,

Minister Simpson would like to arrange a short (30 min.) meeting with Minister Eby once the house returns in May. Could you let me know what's available in Minister Eby's schedule? MSS has openings from 4:30-7 on May 8, or after QP on May 10. Would either of those times work?

Thanks,
