Good afternoon,

On behalf of the Ambulance Paramedics and Emergency Dispatchers of BC, I am pleased to inform you that paramedics and dispatchers from across British Columbia will be coming to Victoria on May 9th for an advocacy day at the Legislative Assembly.

Please save the date in your calendar!

The Ambulance Paramedics and Emergency Dispatchers of BC invite you to meet with a delegation of paramedics from your region to discuss issues of concern to the profession including the ongoing opioid crisis and how we can more effectively deliver healthcare in our communities. The role of paramedicine is changing and our members are looking forward to telling you about the challenges that they face on a daily basis.

Our over four thousand (4,000) paramedics are the sole Paramedic service providers and our emergency dispatchers service almost the entire province. Our Police and Fire call takers/dispatchers provide services for 37 different agencies and take over 1 million 911 calls per year throughout the province. This year alone, our members have fielded over 550,000 calls already, making us the largest and busiest Paramedic service in Canada and one of the largest in the world. Our Police and Fire call takers and dispatchers provide service for 37 different agencies and take over 1 million 911 calls per year throughout the province.

For many years, the Ambulance Paramedics and Emergency Dispatchers of BC have worked with decision-makers to improve paramedicine in British Columbia through constructive engagement and collaboration.

Representatives from Ambulance Paramedics and Emergency Dispatchers of BC will follow up with your office with a meeting request in the coming weeks. We hope that your schedule is amenable and you are able to accept this invitation. Meetings can also be proactively coordinated with Alik Angaladian at 613-235-1400 x 249 or via email at aangaladian@summa.ca or via Meredith Logan who can be reached at 613-235-1400 x 237 or by email at mlogan@summa.ca.

If you have any questions or require any further information, please do not hesitate to contact us. We are confident that by working together we can develop pragmatic solutions to the challenges that our province's paramedics currently face. Thank you in advance for your consideration.

Sincerely,

Hello Leah,

My name is Sean Condon, I am the social enterprise development advisor with Vancity Community Foundation. I was hoping to set up a meeting with Minister Simpson to talk about the province's approach toward social enterprise and how it can be an important tool to help with the province's poverty reduction strategy.

Vancity has been a leader in this sector for two decades and works with social enterprises to help develop their business model and increase their social and environmental impact. We have been developing some new approaches in our work in order to both increase the market opportunities for social enterprises and improve the capacity of the organizations and skill sets of social entrepreneurs.

There are a lot of exciting opportunities for the province to examine and invest in – and some great examples of how other governments are deepening their relationship in this sector.

It would be a great honour to discuss with Minister Simpson some of the ways that Vancity Community Foundation is working in this field and some of the opportunities to partner with the province.

Please let me know if you require any additional information and thank you for your time.

Sincerely,

Sean Condon

Hi Leah and Casey – there will be another Cabinet meeting scheduled for the afternoon
of June 6 (rescheduling the May 17 meeting that was cancelled) – probably 1-5pm.
This will impact the June 6 CCSI meeting.

What would work for MSS's schedule? We could move SI to that evening, but it would
be a very long day for everyone. Other options are June 5 (currently nothing else
scheduled that day) or the morning of June 7. (We will also be rescheduling the HWG

meeting and will make sure those two don't overlap).

If you could let me know at your earliest convenience that would be great. Thanks!
