Scene Walk/But Opening Comments Thoughts

- 1) In the middle of the most stunning time
- 2) Fragments of scene, technology & music
 - detail looks to challenge climate change
 - Correlation, movement & social media
 - How have - career - mystery - often
- 3) Technology on a credit worthy - local discussion about smart and material capital. Causality. No wonder but a craft - about ideas
- 4) ~~4~~ Give like need to be about the advancement of scene, technology & music. But really about the effort and movement
- 5) The wide of scene world and the early focus of some evidence. The reality of the world.
- 6) Trying to be part of it.
