Dear Minister Simpson,

It was a pleasure to meet with you at the Not for Profit Dental Clinic Workshop in February. I was extremely excited when I received the initial email from your communications & public engagement person, Lenore, yesterday, asking me if I would speak for 2 minutes on March 20<sup>th</sup> at the news release about what the Ministry funding will do to help children from low income homes have better access to oral health care through our City Care Dental program. This request left me with the impression we received the funding to run our program! s.22

s.22

I found out today we are receiving \$150,000 and I feel torn between feelings of gratitude and disappointment. It is wonderful to be awarded \$150,000, s.17

s.17

s.17 Nevertheless, if we could use this funding for both operational and capital expenses, we could start our program in the fall and bring it to at least 10 of the 32 designated inner-city schools.

s.17

If you have any questions or concerns, I would welcome the opportunity discuss any part of this program in more detail.

Kind Regards,

Dr. Wendy Gaudet

**Subject:** Agenda for SI April 8

Good afternoon Leah,

Please find attached the final agenda for SI April 8 for Minister Simpson's approval. Please let me know when MSS has approved the agenda, and Cab Ops will circulate the meeting materials to members early next week.

For the two SDPR decision items, it is the standard that Minister Conroy would chair the discussion as Vice Chair, to allow MSS to fully engage in the discussion. Cab Ops will contact Minister Conroy's office to ensure she is aware.

Thank you,

Daphna
