Alissa Brandt

Alissa here. I wasn't able to be on the briefing call this morning for tomorrow's event. I understand that folks thought Mable was emceeing. I don't know if we actually knew she would be back <sup>s.22</sup> [REDACTED] for this (I checked with James) so if you could emcee, that would be fantastic. And we will still try to get Mable there if she is around as it would be great to have her there. Sorry about the confusion.

4:25 p.m.

Me

Since there is no one on the 5 call I assume its not happening

5:06 p.m.
