I'm hoping you've had a chance to read the mla Isaacs responses. I would like to send them to her now. Let me know if you haven't read them and want me to hold off until you have.

On another call. Want to talk before our call?

If possible.

May be able after 3 when I can put this call on mute for 10 minutes. If you get a private caller answer.

We can talk after if needed.

Is soon before tomorrow?

I'm trying to find out. My understanding is that the response is drafted and is working it it's way through the approval process.
