Just talked to MLA Isaacs. She didn't know that we were up for the 25th or for how many hours. She is going to send me a list of 4 or 5 topics that she wants to focus on. She is also thinking about whether other Liberal MLAs will ask questions or if she will compile their questions and ask them herself.

Did you get it?

Sorry. Was just on a Teams call, using my phone. Testing it now!

It's perfect.
