Hi Don. Shane Simpson here. Understand David is not included on the economic recovery call for Cabinet. He should be. We are the delivery agent for much of the plan. He will help if any questions get too detailed. Thanks.

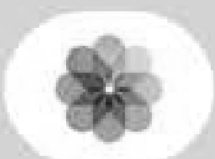

Minister, David will be able to participate via TEAMS.

Thanks.

CRD just voted unanimously to explore with BC Housing and Island Health the possibility of using this facility (at no lease cost to the Province) for temporary housing for the homeless as well as for potential COVID wave 2 space if needed. Space will be available a of end of August.

When TC writer wanted me to take a swing at the premier this is pretty much what I said:

Like all of us in public office leading through a global health pandemic I'm sure he gets frustrated sometimes - just like I do! He and his government are doing a tremendous job and we look forward to continuing to work with them.

Thanks

Not sure if you've seen this. MRF was asked a question out of the blue in an Education scrum. His answer was fine (I have the recording) but Rob Shaw is caught on this idea that numbers are increasing and that folks from Topaz/Pandora have all just moved to Beacon Hill.

Wed, Jul 8, 8:49 PM

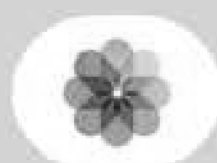

Let's get confirmation on the number of people who are still in housing. Where is he talking about it?

Just on Twitter

To clarify, Rob Shaw on Twitter. Rob Fleming was just at the blue curtain, I got the audio from his MA.

"Hi Alissa, I've been swamped with the Strathcona Park file (and other things) - please pass an apology on to Shane re the lack of communication on my part. We are a bit on our knees at parks, to be honest, re homelessness and specifically tent cities/protest encampments. If Shane has time for a brief call with me this week I would certainly appreciate it. Please let me know? Many thanks, Camil Dumont."

FYI political staff are meeting with Vanessa and PO on this at 2:45

Is there some suggestion she is bringing 115 people?

That's the rumour. Most folks are very skeptical that that many people would move over.

Lisa Helps has a call with her at 5.

Give me a call about the statement

Ok! Just wrapping up call with Vanessa and PO about Chrissy, will call you right after

Update from Alison: "Mayor called Chrissy. Chrissy claims she is not bringing anyone from strathcona, but is bringing the Wetsuweten youth. Is asking for services to be set up in the park (!). Claims she is arriving tomorrow or Sunday."
