

In response to a Freedom of Information request, this report summarizes deaths that have identified as having been reported to the BC Coroners Service between January 1, 2010 and July 20, 2015 and where injury and/or death occurred at the address below.

The BCCS operates in a live database environment. The data are considered preliminary until all investigations have been completed. Data are subject to change, and are not directly comparable to published counts from previous years.

Address	# of cases reported 2010-2015	Avg # of days between DOD and CNO*	Min # of days between DOD and CNO*	Max # of days between DOD and CNO*
