### RE: Welcome Message – Wildlife Symposium

Dear Premier Clark:

As you know, the Guide Outfitters Association of British Columbia (GOABC) hosted its first International Wildlife Management Symposium, *Managing Wildlife in the Next Century*, in 2011. Many government staff attended the event, and we received very positive feedback from all attendees.

The GOABC would like to invite you to provide opening words at the second International Wildlife Management Symposium on June 18, 2014 in Richmond, BC. The 2014 Symposium, *Stewardship in Action*, will build on the lessons learned in the first event, reviewing existing conservation projects in other jurisdictions and gleaned from their knowledge and experience. There will also be a special focus on building partnerships and managing competing interests on the land base.

Please call 604-541-6332 or email [ellis@goabc.org](mailto:ellis@goabc.org) if you have any questions.

Sincerely,

Mark Werner  
President

Scott Ellis  
Executive Director

### RE: Invitation to Meat Donation Delivery

Dear Premier Clark:

Thank you for your continued support of the guide outfitting industry in British Columbia. As you may be aware the Guide Outfitters Association of BC (GOABC) and its members also support local communities through game meat donations to food banks, soup kitchens, shelters and First Nations. This December the GOABC will be making a donation of game meat to the Kelowna Salvation to support their emergency hamper and "In From The Cold" meal services.

We would like to invite you to join us in making the meat delivery on either December 16 or 17, 2013. We have also invited Minister Steve Thomson and MLA Norm Letnick to join us as well.

Our Executive Director, Scott Ellis, will be calling your office shortly to follow up on this request.

Sincerely,

Mark Werner  
President

### **RE: Meeting Request**

Dear Premier Clark:

Thank you for your continued support of the guide outfitting industry in British Columbia. We were glad to see Steve Thomson receive the portfolio of Forests, Lands and Natural Resource Operations (FLNRO). We also appreciate that the guide outfitting industry was included in the June 10, 2013 mandate letter for FLNRO.

We would like to meeting with you sometime in July to discuss our vision for the future of the guide outfitting industry. We are flexible to accommodate this meeting when your schedule permits.

Our Executive Director, Scott Ellis, will be calling your office shortly to follow up on this request.

Sincerely,

Mark Werner  
President
