Importance: High

Good afternoon Andrew,
Just a reminder for this... are we still on track to swap over for her device? October 31st....
Is the plan still to use the Classic BB?
Any questions/issues or assistance required don't hesitate to contact.
David

Subject: Legacy Blackberry Service Retirement

<< OLE Object: Picture (Device Independent Bitmap) >>

To: iStore Preparers

Legacy Blackberry Service Retirement

Effective October 31, 2015, the Office of the Chief Information Officer (OCIO) will retire the Legacy BlackBerry Enterprise Service. This retirement is necessary to reduce the cost of maintaining aging infrastructure and to align with new smartphone technology. This will require clients with legacy BlackBerry devices to upgrade their existing devices.

The OCIO is advising clients currently using a legacy BlackBerry device to replace their device with one of the OCIO approved smartphones prior to October 31, 2015

Clients needing to cancel 10 (ten) or more users at once can now submit an iStore Workstation Services Project request, instead of creating individual iStore Mobile Enterprise services cancellation orders. There will be no cost to the client organization for the project.

The steps required for submitting an iStore Workstation Services Project order can be found in the [iStore Workstations Preparer's Guide](#). As part of your request, submit a list of users for whom the service will be cancelled (specify "Legacy BlackBerry Enterprise Service" or "Mobile Device Access Service").

For more information regarding this procedure please see [Service Bulletin #727](#)

Questions?

Please contact the [Shared Services BC Service Desk](#) online, by e-mail at 77000@gov.bc.ca or call 7-7000 (toll-free 1 866-660-0811), Option 1.

Thank you,
iStore Communications

PCC assigned a project to me this morning – you might have been with her when she called me. I have a very good selection of materials that I hope to show her next week so we can be sure I am on the right track.

If you spot a ten minute slot in her time next week, alert me and I will come running over with the materials I have managed to acquire already.

Thanks Andrew.

Subject: ELIZABETH MAY

I crafted a separate letter for Elizabeth as a Party Leader and a BCer; are you okay with this:

Dear Elizabeth:

Congratulations on your re-election as the Member of Parliament for Saanich-Gulf Islands. I know this is a great honour for you and you are looking forward to working closely with the new Federal Government.

I also want to commend the many Green Party candidates who put their names forward and stood for election. One of the great things about our democracy is that it enables citizens to really think about issues and concerns, and it gives them the opportunity to choose a candidate that they feel best represents their values and their vision. As Canadians, we are blessed to live in a country where people's voices are not only heard, but respected, and where we enjoy a political system that values democracy in all levels of government.

I have written to each of the Green Party candidates who ran in BC ridings. I wanted to laud them for their willingness to stand for public office, to serve their constituents and to bring forward the Green Party vision for our country.

Again, congratulations and best wishes to you as you represent all the citizens of Saanich-Gulf Islands in the years ahead.

s.22 but see no problem in getting the whole 'candidates who did not win' project completed for the Premier to see/sign Wednesday.]

Also, with the Orca plane tomorrow, they have changed the aircraft we normally use (King Air - what we normally use, is in for maintenance and wasn't ready in time), so they are using a Piper Navajo. This is a non-pressurized cabin, so it will be a little louder and also adds about 15min additional time to/from YVR

I've adjusted all times accordingly - **please note revised flight times - 10am departure instead of 10:15 from YVR

**Also still waiting for the pilots names/cell #'s and will put in cal and send once I receive them

Thanks,
Tamara

Thanks Brian, this is very helpful and detailed.

Do you have the following:

1. Comparison by province of public sector wages - how BC has improved it's position vis a vis others.
2. Net increase re mandates - our roadmap re wage negotiations over the past 15 years

From: Menzies, Brian FIN:EX
Sent: Thursday, October 22, 2015 10:33 AM
To: Southern, Evan PREM:EX
Cc: Cadario, Michele PREM:EX; Henderson, Kim N FIN:EX; Edwardson, Jamie GCPE:EX
Subject: FW: here's what i have

Evan, here is what we have. Standing by for further clarification.

Do you have BC's GDP forecast numbers?

We have controlled costs.

For example, salaries represent 60% of direct operating costs. Between 2010 and 2014, we reached agreements with our public service that saw no additional taxpayer dollars added to compensation. Under the current

bargaining mandate, our employers have achieved labour stability by negotiating longer-term agreements within a fixed fiscal envelope of 5.5% over five years.

In addition to these modest increases, the mandate also provides public sector employees with the opportunity to participate in the Province's economic growth through the Economic Stability Dividend.

Between 2001 and 2013 average Provincial Government wages in B.C. have grown by 11.2%. This compares with 22.6% in Ontario, 50.0% in Alberta and 33.2% for Federal Government Employees across all provinces.

During the past 10 years we have invested \$35 billion on taxpayer supported infrastructure and plan \$11.4 billion over the three years fiscal plan (to 2017/18)

On cost control we have controlled our expenditures to an average of 2.56% growth over the three year fiscal plan - health care is our largest expense we now have the cost curve to an average of about 3% per cent over the three years of our fiscal plan.

We have lowest smoking rates in Canada and one of the best outcomes for certain cancer rates. * Need fact checking on specifics.

By maintaining fiscal discipline and controlling spending, government has achieved surpluses for the last two fiscal years and we are forecasting modest surpluses over the fiscal plan period.

- BC's key debt affordability metrics are continuing their improving trend: debt to GDP is forecast to be 17.2% at the end of this year, declining to 16.2% by 2017/18, and debt to revenue at 92.5% and falling to 91.5% over the same period. This is compared to debt to GDP ratios of approximately 40% in Ontario, 50% in Quebec, and over 35% for Canada.
- On the current track, government expects direct operating debt will be eliminated by 2019/20; the first time this has been the case since 1975/76.
- Since November 2004, we've seen 7 credit rating upgrades for BC – and we maintain the highest credit rating possible with Moody's, Standard & Poor's, and Fitch.
- Standard & Poor's has once again affirmed our AAA credit rating – citing "very strong financial management, exceptional liquidity", and "very strong and wealthy economy." They went on: "We view [BC's] financial disclosures as transparent, comprehensive, and timely. Its financial practices are the best among the Canadian provinces." (source, June 3rd, 2015 S&P report)
- In BC we have a diverse, free enterprise economy – not dependent on any one sector. A diversified economy and export market serves BC well. Less 50% of our economy is dependent upon trade from USA, close to 45% is trade Asia.
- We've done all this while maintaining some of the lowest taxes in Canada.
- No wonder a net 12,500 Canadians chose to move to BC in 2014.

- The Federal CIT for 27.5 MPTA of LNG produced (i.e. 2 medium and 2 small plants) would be between \$ \$100 million and \$ 500 million ... annually starting in 2031..(if the facilities are operational by 2020). \$29 million dollars would be generated to the federal government by these small and medium size projects between 2024 and 2045

TAXES

- B.C. families generally have one of the lowest overall tax burdens in Canada, including income taxes, consumption taxes, property taxes, health care premiums and payroll taxes.
- B.C. currently has the lowest provincial personal income taxes in Canada for individuals earning up to \$122,000 a year.
- Provincial personal income taxes for most taxpayers have been reduced by 37 per cent or more since 2001, and today an additional 400,000 people no longer pay any B.C. income tax.
- The general corporate income tax rate has been cut by 33% since 2001, and is the lowest in Canada. (11%) British Columbia's combined federal-provincial rate is among the lowest in G7 countries.
- B.C. has a competitive small business corporate income tax rate of 2.5%, a reduction of 44% since 2001 and the third lowest in the country (behind Manitoba at 0% and Saskatchewan at 2%).

We have to leave around 1145, so I could grab the Mac Air from the harbour air or helijet in the morning, would have to be a flight that arrives before 1015 so I would have enough time. She has her ipad already, believe she's keen it being a computer.

Good evening Andrew,
I am working on wiping and reinstalling our mac laptop air and could get it ready and fly it over.
OR
Could have an iPad ready and couriered over on seaplane
What time do you leave?

Hey, Netty,

PCC is asking us to put together a certificate/proclamation type of document for a Mr and Mrs. Yuk- full names- Mr. Kwok Cheung Yuk and Mrs. Laam Wu, for thanking them for their contributions, philanthropy and service to the Provinces of British Columbia. She is hoping we can complete this as soon as possible and send it over to our staff in China. We can frame it on that side for the presentation later in the trip.

Thanks,

Subject: RE: Departure Scenario

Hi Kelly,

There won't be a media event, so we will go through normally and I would assume S.15 will let you know how many bags for check in when I pick up the Premier. We have planned to do a few calls from the s.15 In terms of timing, I am picking her up at 1145, and it's about a 20 min drive so we should be fine. Let me know if you need anything else from me.

Andrew

Kelly

From: Gossen, Kelly L MIT:EX
Sent: Wednesday, October 28, 2015 3:41 PM
To: McPhee, Jordan PREM:EX
Cc: Jordan, Annette MIT:EX
Subject: Departure Scenario

Hi Jordan,

If there is no media event at YVR Annette and I will do our usual thing – we will check the premier and Andrew in ahead of time – I will ask Andrew to email me number of bags when they are on their way. We will meet her curbside and she can go with AC staff through security. The latest she can be there is 1230 pm according to AC staff. (If there is a media event we will still pre-check them in)

However we have been advised that the Acting Consul General Mr. Fan would like to see the Premier off and attend a media event if there is one.

Is this ok? We could direct him to the area close to the Security date for a quick farewell if this is ok with you. He will likely see Minister Wat off earlier.

Hi David,

I hope all is well. Wondering if I can ask you for some help?

Our most senior Executive in Canada and a global influencer..... Managing Director of Canada David Hodge would appreciate the opportunity to meet with quickly with Christy Clark on November 9th when he is with me in Victoria & Vancouver. Mr. Hodge would like to offer Executive support at the highest level in an effort to ensure that The Government of the Province of BC achieves your goals and desired outcomes with data security and privacy. Our BlackBerry story is now focused around protection and privacy of critical Government data.

Your feedback on a meeting time with Mr. Hodge would be appreciated, thank you very for your time.

Jeff Hamilton

Subject: Call for Records OOP-2015-53340

Please let me know by Nov 9th whether or not you have any records responsive to the following request:

All records, excluding media clippings and press releases, related to the activities of Premier Christy Clark on Oct. 22, 2015 including e-mails, briefing notes, reports, agenda entries and other records.

(Date Range for Record Search: From 10/21/2015 To 10/22/2015)

If you think that the search for records will take you over 3 hours and/or the total volume of records will exceed 200 pages, please let me know as soon as possible.

Sarah, please check with the Chief of Staff.

Thank you all for your assistance with this request!

To: Dolan, Chelsea PREM:EX
Subject: SAMI

Hi Chelsea,

As discussed – KM's on the SAMI initiative. This will be helpful for the Mental Health and Substance Use category, if desired. Thanks,

- Our government is committed to providing the best supports for people facing challenges with mental illness and/or substance use, and recently invested more than \$25 million for an action plan to address the needs of people with severe addictions and mental illness.
- Since 2013, this funding has supported new assertive community treatment teams, new beds and new services that are designed to better meet the needs of a specific subset of patients with the most complex form of addiction or mental illness.
- This has included establishment of eight additional Assertive Community Treatment (ACT) teams and six Intensive Case Management Teams across the province and development of an Assertive Outreach Team in Vancouver.
- These teams have been enormously successful.
- Within the first year of implementation, clients receiving treatment from an ACT team in Vancouver had a 70% reduction in emergency department visits, a 61% reduction in criminal justice involvement, and a 23% reduction in incidents of victimization.

- The Vancouver Police Department recently reported a 50% decrease in Mental Health Act apprehensions, a 51% reduction in violent offences and 71% reduction in street disorder for those receiving ACT team supports.
- For Assertive Outreach clients, they saw a 90% reduction in Mental Health Act apprehensions, an 85% decrease in negative police contact, and a 77% decrease in violent offences.

Here is the draft MA Linda

Matt – Tofino council has been shortened this morning so will last 10-1045 a.m. today – so the chamber could be available (we would need to double check but should be good) from 11-12 if we want to hold the availability there.

We have notified the mayor that the media availability has been postponed.

Let me know once we have a time and we can plug into the MA and then get final confirmation on location (which will hinge on the time).

Thanks,
Andy

To: De Wit, Antoinette PREM:EX
Subject: Re: LETTERS TO NEW PM AND BC MPS

Hi Netty,

I've given her the books. The premier would also like us to do letter for those who lost their seats and then letter for all those who ran (from the major parties) lib, cons, ndp and greens.

Thanks,

Andrew Ives
Executive Assistant to Premier Christy Clark
Office of Premier

We are working on this project; do you know if PCC called our new PM to congratulate him? did she maybe call some of the newly elected BC victors?
If yes, we can reference that in the congrats letter that is being prepared.
Thanks Andrew. I am working with IGR and Exec and hope to have a collection of letters ready for signature tomorrow evening.

As a result, the authors conclude that, in the current reporting state, a large extent of information on greenhouse gas emissions is not being disclosed, and that the current approach to reporting has created the possibility of misleadingly presenting emissions data in a way that is not transparent, if not outright misleading. The authors also identify four measures that companies could undertake to improve the quality of their greenhouse gas reporting, and suggest that the current reporting system is not fit for purpose.

Hi Sam

I understand you are taking over Ben Chin's spot on the Mission. I have attached the application form – will need you to complete and return to me with a photo and your passport. I am going to the Visa office

Tuesday to pick up PCC and others so can drop yours off then. It will take a few days to get it back. I am next door to VPO in Suite 730.

I will take care of your hotels and Annette Jordan will be in contact about flights.

For the itinerary portion in the Visa you can put the following:

Beijing – October 31 – Nov3 - S.15
Guangzhou Nov 3 – 6 = S.15
Shenzhen Nov 6 = S.15
Hong Kong Nov 6 – 7 = I

For inviter from China – please leave blank

If you have any questions please let me know.

Subject: Pending Approvals Notification

Be advised that there are Time or Leave transactions that may require your approval. If you are an alternate approver/expense authority, please confirm with the primary before taking action.

As a Leave Approver, please logon to Time and Leave to approve your employee's leave requests.

As a Time Approver/Expense Authority, please logon to Time and Leave to approve your employees' time or exceptions to pay. Please note that Expense Authority must be applied no later than 5:00 p.m. Monday in order to process within the current pay period.

Time and Leave Website: <https://chips.gov.bc.ca:7002/psp/CHIPSBC/EMPLOYEE/HRMS/h/?tab=DEFAULT>

At this time, you should also adjust your personal timesheet and/or leave requests if you have any exceptions to report such as overtime or leave during this pay period.

If you require assistance or have any questions that affect your approval, please call MyHR at 250-952-6000 or 1-877-277-0772 (Press "3" for Time and Leave support) or use AskMyHR to submit an online service request.

Sent: Tuesday, October 20, 2015 3:50 PM
To: 'Jonathan Hamel'
Subject: RE: Premier Clark speech for Jean Charest

Hello Jonathan,

We don't have the Premier's speech recorded. I sent Mr. Charest the bullets below. Please let me know if you need anything specific.

LNG in BRITISH COLUMBIA:

- British Columbia has a unique opportunity to build a globally competitive new industry for Canada, creating thousands of new jobs and facilitating positive environmental change with the world's cleanest burning fossil fuel.
- Investments and opportunities are increasing as B.C. LNG prospects grow with the global market demanding new energy sources. To date, the British Columbia Government estimates over \$12.5 billion has been invested by industry to further B.C.'s LNG opportunity.
- British Columbia has built strong business relationships with Asia and attracted major investments to build this new export industry – for B.C. and Canada. A lot is happening to further growth prospects and create certainty for industry. Some highlights are below:
 - o The province has taken action to secure investment and growth by passing the B.C. LNG Income Tax Act and Liquefied Natural Gas Agreements Act. The latter Act enables Project Development Agreements (PDAs) which lay the groundwork for Final Investment Decisions - creating greater cost certainty for LNG proponents. The first agreement has been signed with Pacific NorthWest LNG who have since announced a preliminary final investment decision.
 - o The process for environmental reviews has made strides with the introduction of the substitution tool, introduced by the Canadian Environmental Assessment Act in 2012. Under substitution, there can be a single review process (the provincial one) and two decisions (federal and provincial). In other cases, assessments can be co-ordinated to limit unnecessary duplication between federal and provincial information requirements. The substitution process has already supported certification for the LNG Canada proposal.
 - o B.C. is making sizeable training investments through their Skills for Jobs Blueprint. The Blueprint realigns nearly \$3 billion in funding over the next 10 years so British Columbians/Canadians have the skills they need to capitalize on high-paying LNG jobs.
 - o B.C. has been working with organized labour, LNG Proponents, First Nations and other industry stakeholders since September 2013 to line up job opportunities in the sector with the province's labour pool.

- o B.C. also recently launched the 14th installment of the Infrastructure Royalty Credit Program, offering \$115 million in royalty deductions to facilitate the construction of new resource roads and pipelines, creating jobs and facilitating development to support the LNG opportunity.
- British Columbia now has 20 LNG export proposals at this time and more are possible, including new domestic LNG operations.
- For further information you can also visit: www.lnginbc.ca

The exclusive dinner for the Premier and Asian business leaders is scheduled for Thursday , February 25th 6-8 pm.

In addition we would like her attendance as the EVP at the ABLAC council meeting on Friday , February 26th. This is all day including the closing dinner where we would like the Premier to join a panel with other Leaders to speak to the Council. The all day agenda is likely more interesting in the morning.

Many thanks

Subject: RE: Premier Clark speech for Jean Charest

Hi Jonathan,

I only have the list of projects that are proposed in BC, which can be found at: <http://engage.gov.bc.ca/Inginbc/Ing-projects/>

I will double check with our officials.

Thanks Barinder, it's appreciated!

I am trying to list every LNG projects in the country, but the web page of Natural Resources Canada hasn't been updated since 2014. Do you have that list or/and a map of those projects? I want M. Charest to tell them we actually have a problem with natural gas since we have only one foreign customer: the US, but we have many projects/solutions to solve this issue.

Thanks!

Jonathan

Hello Jonathan,

We don't have the Premier's speech recorded. I sent Mr. Charest the bullets below. Please let me know if you need anything specific.

LNG in BRITISH COLUMBIA:

- British Columbia has a unique opportunity to build a globally competitive new industry for Canada, creating thousands of new jobs and facilitating positive environmental change with the world's cleanest burning fossil fuel.
- Investments and opportunities are increasing as B.C. LNG prospects grow with the global market demanding new energy sources. To date, the British Columbia Government estimates over \$12.5 billion has been invested by industry to further B.C.'s LNG opportunity.
- British Columbia has built strong business relationships with Asia and attracted major investments to build this new export industry – for B.C. and Canada. A lot is happening to further growth prospects and create certainty for industry. Some highlights are below:
 - o The province has taken action to secure investment and growth by passing the B.C. LNG Income Tax Act and Liquefied Natural Gas Agreements Act. The latter Act enables Project Development Agreements (PDAs) which lay the groundwork for Final Investment Decisions - creating greater cost certainty for LNG proponents. The first agreement has been signed with Pacific NorthWest LNG who have since announced a preliminary final investment decision.
 - o The process for environmental reviews has made strides with the introduction of the substitution tool, introduced by the Canadian Environmental Assessment Act in 2012. Under substitution, there can be a single review process (the provincial one) and two decisions (federal and provincial). In other cases, assessments can be co-ordinated to limit unnecessary duplication between federal and provincial information requirements. The substitution process has already supported certification for the LNG Canada proposal.
 - o B.C. is making sizeable training investments through their Skills for Jobs Blueprint. The Blueprint realigns nearly \$3 billion in funding over the next 10 years so British Columbians/Canadians have the skills they need to capitalize on high-paying LNG jobs.
 - o B.C. has been working with organized labour, LNG Proponents, First Nations and other industry stakeholders since September 2013 to line up job opportunities in the sector with the province's labour pool.
 - o B.C. also recently launched the 14th installment of the Infrastructure Royalty Credit Program, offering \$115 million in royalty deductions to facilitate the construction of new resource roads and pipelines, creating jobs and facilitating development to support the LNG opportunity.
- British Columbia now has 20 LNG export proposals at this time and more are possible, including new domestic LNG operations.

- For further information you can also visit: www.lnginbc.ca

Mr. Bhullar,

I hope this email finds you well.

I work for Jean Charest and I am trying to find the speech Premier Clark has given at the Third Annual International LNG around October 15th.

Could you please give the link to a copy of that speech?

Thanks,

Jonathan

Subject: Pending Approvals Notification

Be advised that there are Time or Leave transactions that may require your approval. If you are an alternate approver/expense authority, please confirm with the primary before taking action.

As a Leave Approver, please logon to Time and Leave to approve your employee's leave requests.

As a Time Approver/Expense Authority, please logon to Time and Leave to approve your employees' time or exceptions to pay. Please note that Expense Authority must be applied no later than 5:00 p.m. Monday in order to process within the current pay period.

Time and Leave Website: <https://chips.gov.bc.ca:7002/psp/CHIPSBC/EMPLOYEE/HRMS/h/?tab=DEFAULT>

At this time, you should also adjust your personal timesheet and/or leave requests if you have any exceptions to report such as overtime or leave during this pay period.

If you require assistance or have any questions that affect your approval, please call MyHR at 250-952-6000 or 1-877-277-0772 (Press "3" for Time and Leave support) or use AskMyHR to submit an online service request.

Gov. Gregoire,

It was a pleasure to speak with you yesterday, thank you very much for your time.

I have passed on your regards to the Premier and she is looking forward to the opportunity to meet with you again. Can you please advise if you have any travel plans to Vancouver or British Columbia? The Premier will be in China from October 30 – November 8.

Also as follow up to our conversation I am sending you my complete contact details, which are listed below. If I can be of any assistance at any time – please do not hesitate to contact me.

Look forward to hearing from you soon.

Regards,
Barinder

East Meets West: New Brunswick Premier Brian Gallant seeks economic opportunities

Monday, October 26, 2015 7:15 AM

The Honourable Brian Gallant, Premier, The Province of New Brunswick
[Add to Outlook Calendar](#)

The Honourable Brian
Gallant

REGISTER NOW >

Join The Vancouver Board of Trade for a keynote address by the Honourable Brian Gallant, Premier of New Brunswick.

In his address to B.C.'s business community, Gallant will share insights on how New Brunswick is working to create jobs, help families, address financial challenges, and seize economic opportunities. Gallant will discuss how his government is working to spur economic growth, diversify energy exports, reach new global markets overseas, and chart a new path forward with the newly elected government in Ottawa — themes that are just as relevant here on the West Coast as they are on the East Coast.

Subject: So good to meet you

Barinder,

Thank you for taking the time to say hello yesterday, can only imagine how in demand your time is at such events.

As I believe Jamie has shared with you, I am incredibly interested in advancing discussions around housing and affordability in the province and specifically in the metro areas of Vancouver, Kelowna and Victoria. The increasing focus on the media on housing prices is something that I pay particular attention to and have put quite a bit of thought into how we bridge the gap between the current understanding of the market and the insights needed (specifically on investor participation, home ownership intention etc.) I personally believe that there are opportunities through data analytics to start enabling greater insights into this aspect of the market.

Any time you might be able to provide in order to continue this discussion would be most appreciated and happy to meet you at our Langley offices or come to you.

Be well,

Jenn

Good morning,

You recently received the below email inviting you to join the Premier's Trade Mission to China 2015. In addition to the information in the invite, attached you will find an itinerary of all public events during the Mission. More specifically, the following events pertain specifically to the Clean Technology sector and provide an excellent opportunity to connect with Chinese companies, government officials, and decision makers working in the sector.

Monday, Nov 2 – Beijing – Clean Energy Lunch
Weds, Nov 4 – Guangzhou – Clean Energy Lunch
Weds, Nov 4 – Guangzhou – BC- Guangdong Tech & Innovation Seminar
Friday Nov 6 – Shenzhen – Luncheon with the Shenzhen business community

*Note: In regards to logistics – Air Canada and JAL have offered flight discounts to our business delegation, as have the Beijing Rosewood Hotel and the Guangzhou Four Seasons (where most events are taking place). Chinese visa applications take 3-4 days but there is an option to rush the process.

If you are interested in attending or for more information, please contact Rebecca MacLoed at 604 775 2237 or Rebecca.MacLoed@gov.bc.ca

Premier's Trade Mission to China 2015

Premier Christy Clark will lead a trade mission to the priority market of China from Oct. 30 to Nov. 7, 2015, accompanied by the Minister of International Trade, the Honourable Teresa Wat. Minister Wat will then continue on a trade Mission to Vietnam from November 7th - 10th.

The Premier and Minister will travel to Beijing, Guangzhou, Shenzhen, and Hong Kong for face-to-face meetings with key business and government officials in order to strengthen trade and investment relationships.

A highlight of the mission will be a series of special events in Guangzhou to commemorate the 20th Anniversary of the British Columbia Guangdong Sister Province Relationship. Over two days in Guangzhou, the program will feature several museum exhibition openings and other networking events to celebrate the rich legacy of cultural ties between B.C. and Guangdong.

A series of other business workshops, seminars and other matchmaking sessions will be organized throughout the trade mission to promote British Columbia's resources and technology to a diverse range of stakeholders. The focus will be on several priority sectors including information and communications technology, digital entertainment, clean technology, and liquefied natural gas.

If you are interested in joining the trade mission and you would like more information, please [click here](#).

Please click the link below to register and submit your expression of interest by October 23, 2015.

When October 30th, 2015 - November 7th, 2015

Where Beijing, Guangzhou, Shenzhen, Hong Kong
China

Registration Deadline: Friday, October 23, 2015

Please respond by clicking one of the buttons below.

Subject: Invitation to East Meets West: New Brunswick Premier Brian Gallant talks economic opportunities on Monday, October 26th

Dear Michelle, Barinder and Wade,

We are pleased to be hosting **The Honourable Brian Gallant**, Premier, The Province of New Brunswick this Monday, October 26th at the Coast Coal Harbour. Premier Gallant will speak about how New Brunswick is working to create jobs, help families, address financial challenges, and seize economic opportunities. Gallant will discuss how his government is working to spur economic growth, diversify energy exports, reach new global markets overseas, and chart a new path forward with the newly elected government in Ottawa.

I know how busy each of you are, but if your schedule permits, we love it if you could attend the breakfast as our guests.

DATE: Monday, October 26th, 2015

LOCATION: Coast Coal Harbour Hotel (1180 W Hastings St. Vancouver)

BREAKFAST AND PROGRAM:

Coal Harbour Ballroom (2nd Floor)
Registration and Breakfast: 7:15 a.m.
Program: 8:00 – 9:00 a.m.

RSVP Required: Please RSVP by replying to this email or calling 604 640-5456, referencing this invitation to confirm your complimentary attendance.

Best regards,

Rob

Hi Barinder,

Princess Astrid and Ministers from across the three regions of Brussels. Cross-sectoral delegation with interests in energy, life sciences, ICT, film, aerospace, transportation, engineering, agriculture, etc. 228 delegates total in delegation, but dinner is for the Official group only and set at 30 max (15 from Belgium, 15 from BC).

We are missing energy representatives, but we have Advantage BC, APF, Methanex (TBC), FortisBC (TBC), CDRD, Creative BC present. Agriculture isn't represented, but they are really interested in importing their products in this area.

Hi Barinder,

I just wanted to run this one by you.

PCC will be out of the Country and unable to attend. It seems more like it's an FYI. Is this something we should be calling regrets to?

Please advise.

Thanks,
Kara

Hello Christy Clark,

I am writing to you regarding this event that is being held at the Sikh Temple on Nov 1 from 6-8pm. This is a candle vigil that we have organized regarding the current situation in Punjab. Above, is the attached link, its a request please help us spread the word. It would be a great honor if you could be at this event, and help us in our goal, which is to raise awareness, as media coverage is lacked.

Thanks so much,

Puneet Mann

Subject: RE: Your IDIR password will expire in 6 days

Good morning Barinder,

A reminder that the your IDIR password will soon expire. We are letting you know to ensure you do not get locked out on the iPad/iPhone/Android/Blackberry and PC.

If logged on to a standard workstation, please change password through the usual process.

If using a device other than a standard workstation, go to <https://www.pwchange.gov.bc.ca/> to change your IDIR password. Now updated, you will need to change it on your mobile devices (iPhone/iPad/Android/Blackberry/Windows Phone). There are normally a few locations the IDIR password needs to be changed:

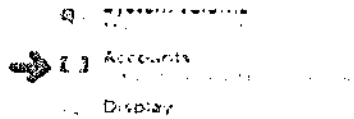

- **Active sync (iPhone/iPad/Android*/Blackberry 10 devices/Windows Phone):** this is for email/calendar/contacts/tasks. **See below.**
- **WiFi (iPhone/iPad/Android*/Blackberry 10 devices/Windows Phone):** if connected to Government WiFi (BCNGN). **See below.**
- **PDF Expert (iPad):** if used this is for SharePoint documents - there may be a few SharePoint sites that need to be changed. **See below.**
- **Microsoft Lync (iPhone/Android):** if used

If any issues or questions please Contact:

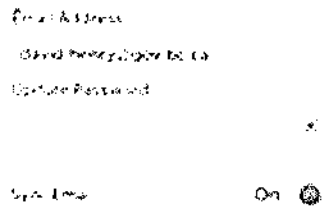

VIP Services Tel:5.17

Updating IDIR Password on BlackBerry 10

1. Swipe down from the top of the screen and choose 'Settings'.

2. Select '**Accounts**'.
3. Select your '**Government**' account.
4. Type your new password in the '**Update Password**' field.

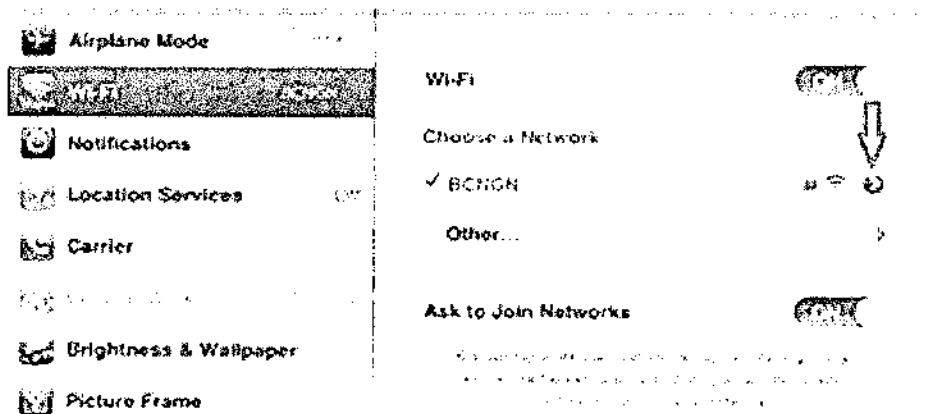

5. Press the '**Save**' button (top right).

Updating IDIR Password on iPad/iPhone

1. On the iPad/iPhone Screen, Tap **Settings**
2. Click on Wi-Fi on the Top Left. If you are inside a Government building, look to see if BCNGN is ticked. Click on it and it should prompt you for a Username and Password. Enter with new IDIR password.

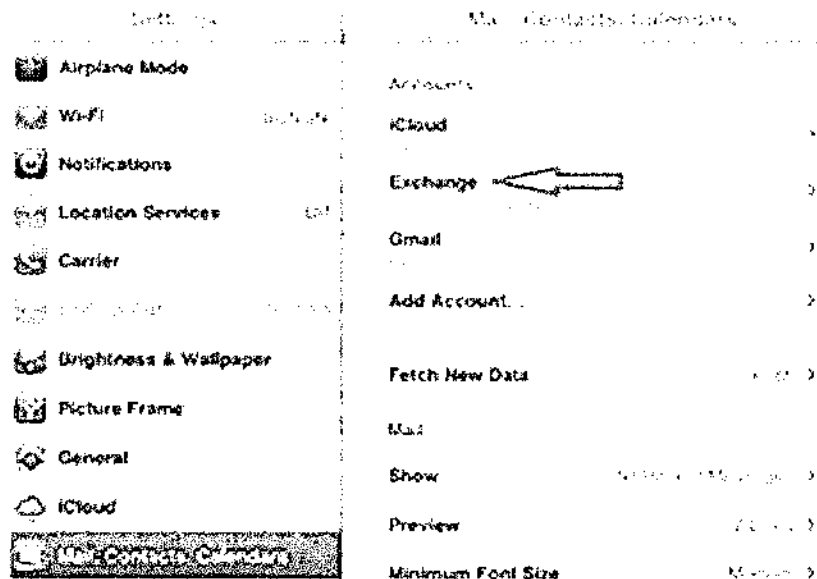

3. You should now have the active fan in the top left corner of the iPad.  and go to **Step 5**.
4. If the Wireless does **not** prompt you for a Username and/or Password then you will need to Forget Network and reconnect.

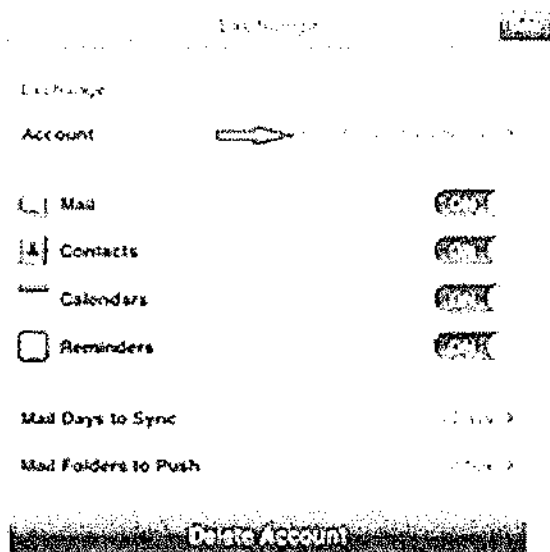

Click on the **Blue Arrow**. Choose "Forget Network" at the top. Close the window and then click on the BCNGN to reconnect entering: **IDIR|username** and Password. If BCNGN is not available, then go to **step 5**.

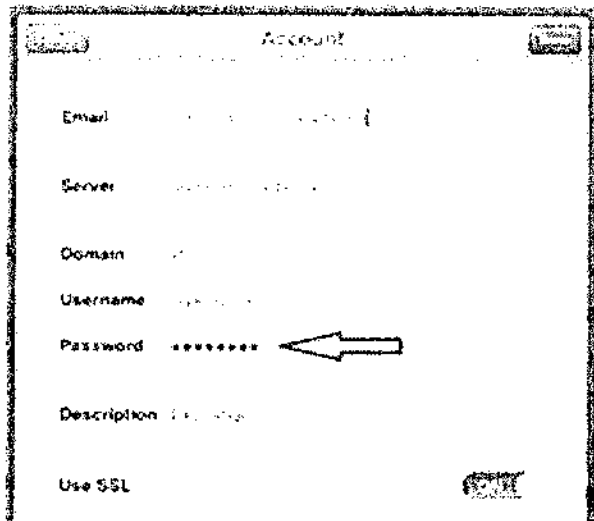

5. In **Settings** tap **Mail, Contacts and Calendars**. On the right tap on **Exchange**.

6. This will bring up the Exchange information window. Tap your **Email Address**.

7. This will bring up your Exchange Details. Tap **Password** to bring up the keyboard. Delete old password and type in new one.

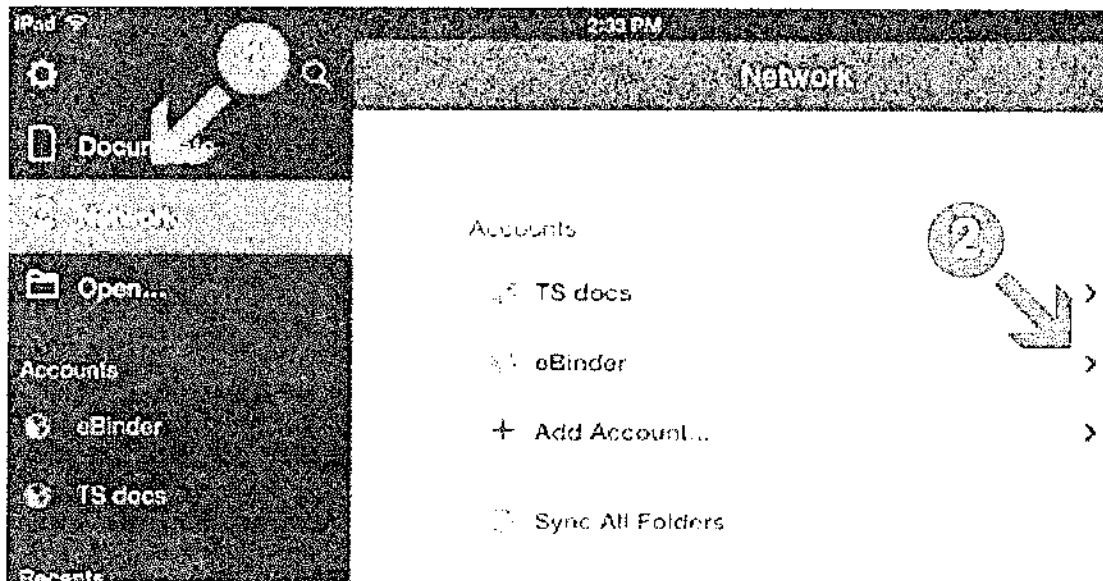

Tap **Done** and then tap Home button  to exit.

UPDATE password in PDF Expert

There may be one or more locations IDIR password needs resetting in PDF Expert – if used. See below on how to make this change.

1. In PDF Expert, tap on “Network” in the left column.

2. Tap on the **little arrow** to right of the **account name** account. (i.e. eBinder or eOIC)
3. Change the password to your newly changed IDIR password.
4. Then, tap on the **"Save"** button in top right.
5. Do this for each entry under accounts.

**** NEVER go to your folders or files under network OR Accounts or syncing will not work!

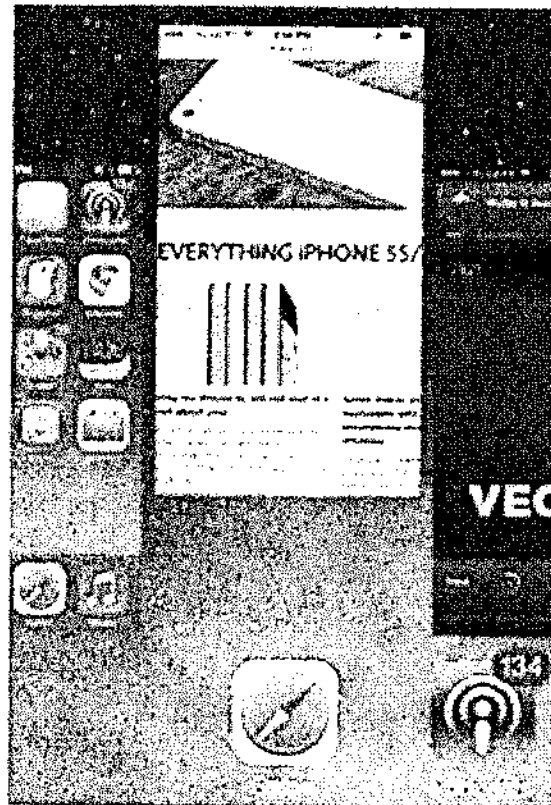

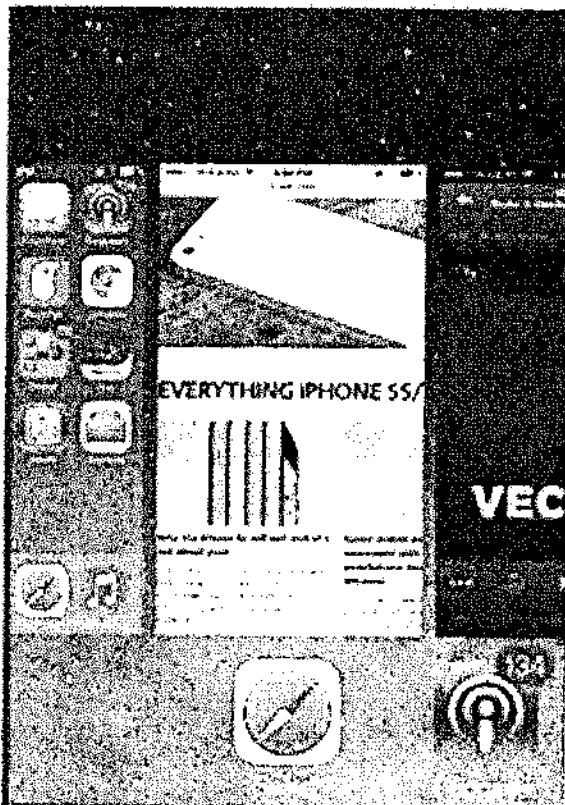

6. Tap **Documents** in top left and sync/access your files and folders there.

Other Troubleshooting Tips

If you are have an Exchange Password pop-up that you can't get out of see below to close all the apps. Then Hold down power button at top of iPad for 5 seconds until the prompt to Power Off appears. Power off wait for a few seconds and press and hold on-off button again to restart. Then proceed to Step 4.

- 1> On your iPad Click the Home button 2 times quickly to show all the running applications.

Then swipe up from bottom of app screen to close each app.

If any issues or questions please Contact:

Subject: INVITATION - Vimy Ridge Foundation Event with the Lieutenant Governor

I would like to invite you and a guest to the following event on November 10th, the evening before Remembrance Day. There is no cost to attend.

It is an opportunity to enjoy an evening together in remembrance of the 100th anniversary of World War One (1914-1918) and Canada's role.

For more information on this worthwhile cause and historical event see: <https://www.vimyfoundation.ca/>

Please rsvp as per below. Thank you for your consideration.

Byng

On behalf of The Vimy Foundation
we invite you to attend a reception with

The Honourable Judith Guichon, OBC
Lieutenant Governor of British Columbia

Date: Tuesday, November 10th at 5:00PM-7:00PM

Location: Shangri-La Hotel Vancouver (1128 West Georgia Street, Vancouver, BC)

*The mission of The Vimy Foundation is to preserve and promote Canada's First World War legacy
as symbolized with the victory at Vimy Ridge in April 1917, a milestone where Canada came of age
and was then recognized on the world stage.*

For further information please contact Marian Ngo S.22

Subject: Mandate letter - India Strategy

Hi Barinder,

As I am sure you are aware, Minister Wat has in her mandate letter the requirement that we develop an India market strategy. The more we move forward with the strategy, the more we see government-to-government work as critical to the success of long-term economic objectives. We chatted with Stewart last week and then with Fazil this week and both times your name came up. Would it be possible to grab 30 minutes

of your time early next week to run through where we are at and the types of people we will need in market going forward? S.12

Hope things are good,
Hayden

Subject: BC Lions Skills for Life Status Report - Oct 22
Importance: High

Hi there – We just got off a call with the BC Lions about their “Skills for Life” event. It will be held on **Sunday, Nov 8th**. (Agenda attached)
The Grey Cup game which many of the participants attend is on Saturday this year.

Minister Bond/Minister Fassbender and Minister Bernier are attending. Waiting to see if PCC is attending too. While the event seems well-organized, seeking direction about GCPE event assistance given that 3 ministers are now attending and possibility PCC.

Hi Jordan,

Hope this finds you well.

Not sure if you recall, we invited Premier Clark to our open house last October (see correspondence below), she wasn't able to attend, but when I ran into her at Zahra Mamdani's dinner, the premier promised to try and make our event this year. Last year's event was a huge success, we had Minister Andrew Wilkinson as guest speaker and really wanted Premier Clark to be part of the celebration of our tech community in BC.

This year, we're inviting Minister Amrik Virk, a few other dignitaries and about 200 business leaders / executives from the tech and financial communities, we would absolutely love to have Premier Clark join us and address the crowd. Can you make it happen?? The event is planned for Thursday November 26th from 6 to 9 pm, even a brief appearance would be amazing!!

I look forward to hearing from you.

Kind regards,
Faiz

Subject: For direction: Draft Mission NR

Attached are two draft NRs for mission.

I'd particularly like to know if we are on the right track for the departure NR in terms of content. I feel it is too long; perhaps we should chop the cultural/gold exhibit theme in the interest of keeping it more focused. (FYI: We also need the green light from Guangdong that this will be signed and they are ok with it being announced ahead of the signing.)

I'm attaching the Terry Fox NR for approval.

I should be sending you a Poly Cultural head office one shortly; it's in ministry approvals.

RBCM assures me that they will be sending their Gold Exhibit NR soon and I'll share that when I see it.

Kind regards, Carolyn

the first plaque - the brushed goldish brass.
Placed in the centre of the box.

Cheers,

Colette

Hi Kelly,

Yes, can do... Are you just needing a plate to go on an item? or the **wooden plaque** that the plate goes on -also? *A few options are below of colored plates and plaques.*

Color plate options: 1) Gold plate with black writing, 2) Silver plate with black writing, 3) Black plate with gold writing, 4) Black plate with silver writing...

(plates come with a double sided tape , you peel off and place on the item)

<image003.jpg>

<image009.jpg>
<image010.png>
<image011.jpg>
Plaques:

I would just need the coding you wish to use, and the size of the plate, and the color of the plate and we can get this done...ASAP.

Coding required in red : Customer number: Min: response: Service
line: STOB: project:

Thank you,

Jacquie

To: McPhee, Jordan PREM:EX; Dolan, Chelsea PREM:EX; Chin, Ben PREM:EX
Cc: Kay, Maclean PREM:EX
Subject: For direction: Draft Mission NR

Attached are two draft NRs for mission.

I'd particularly like to know if we are on the right track for the departure NR in terms of content. I feel it is too long; perhaps we should chop the cultural/gold exhibit theme in the interest of keeping it more focused. (FYI: We also need the green light from Guangdong that this will be signed and they are ok with it being announced ahead of the signing.)

I'm attaching the Terry Fox NR for approval.

I should be sending you a Poly Cultural head office one shortly; it's in ministry approvals.

RBCM assures me that they will be sending their Gold Exhibit NR soon and I'll share that when I see it.

Kind regards, Carolyn

To: McPhee, Jordan PREM:EX; Roberts, Clark MIT:EX
Subject: two additional points

Related to consideration of the BoC with Governor of Hebei, and Mayor of Z, based on BCSRA meetings this morning:

- Minister of Finance reminds us that Bank of China is part of their working group as they discuss the on-shore 'Panda bond' issue, working with HSBC; also issue of BoC moving head office operations to BC, of course. Clark is part of these discussions with Finance and can expand
- DestinationBC reminds us that they have been using the occasion of the announcement of Beijing Winter Olympics 2022 to do a big marketing push on inviting Chinese skiers to BC to learn this exciting new winter sport – another opportunity for discussion.

Subject: RE: Remembrance Day in Kelowna

Hi Tamara/Jordan,

Here are the events that are happening in PCC riding over Remembrance Day. The Kelowna ceremony is downtown which is for sure in her riding as well as the Bertram Street location but the Parkinson Recreation Centre is not. The downtown ceremony will be bigger, complete with parade but will be a mix of all 3 mla constituents attending.

West Kelowna ceremony and gathering at Lions Hall will be all her constituents but not a lot from the downtown portion of the riding as they will most likely be at the City Park one, unless of course they know she will be there and may make the trip. The Royal LePage one is always full, arena holds approx. 1500 in seats as well as approx. 150-200 on the rink service participating in the ceremony. PCC would be on the rink service in chairs with the other dignitaries waiting to place the wreath.

Kelowna - City Park Cenotaph Organized by the Royal Canadian Legion, Kelowna Branch #26

At approximately 10:25 a.m. a parade of participating organizations and the Colour Party will march from Kerry Park (Mill Street) along Abbott Street to the Cenotaph in City Park for the ceremony.

Following the ceremony, participating youth groups are invited to the Legion Branch, 1380 Bertram Street for lunch. A period of social remembrance will be held in the Parkinson Recreation Centre, 1800 Parkinson Way from 1:00 p.m. to 3:30 p.m.

West Kelowna Royal LePage Place, 2760 Cameron Road, West Kelowna Organized by the Royal Canadian Legion, Westbank Branch #288

Please arrive by 10:30 a.m. as a parade involving participating organizations and the Colour Party precede the 11:00 a.m. ceremony. Following the ceremony, lunch will be served at the Westbank Lions Community Hall, 2466 Main Street.

Let me know if you need any further information.

Mingyu, Clark Roberts, our Assistant Deputy Minister from International Trade would also like to join. I will share the call in details with him if that is alright.

My cell is S.17 if there are any issues.

Thanks Miklos for connecting.

Dear Jordan,

It is exciting that the delegation is coming to China soon! As Miklos mentioned, I recently transferred to our Vancouver office but will be in China and join the delegation. Given McKinsey is very well established here, I would love to find an opportunity to discuss with you and explore what could be ways we can support in order to maximize the time you are all

in China.

The formats and ways can be very different as Miklos mentioned already and we are very flexible on that front. It will be great if you could suggest a good slot to talk to you in coming days so we can jointly figure out some plan during the busy week in China.

Very much look forward to hear from you and to our conversation.

Cheers,
MG

Subject: Mission to China

Dear Jordan,

It was great to meet you today! As agreed, I am connecting you with Mingyu Guan, our Vancouver partner from (and still in) China. As discussed, it may make sense for you to discuss some possible areas of cooperation regarding the Trade Mission but also potentially following it, such as

- us helping you in connecting in important to see the Premier in one of the group events
- McK sharing some relevant research (e.g. China Insights reports, articles, book on the next billion customers, etc) so you can select from them possible prereads for the mission team
- if there is interest, connecting in senior McKinsey colleagues who can give insights on how businesses can be successful in China
- connecting people to relevant Chinese business leaders
- any other logistical details

We are more than happy to help. Mingyu has already signed up to be part of the delegation, would be amazing if he could join the team, he can add valuable perspectives

Have a safe trip to Victoria

Miklos

Cc: Copage, Caitlin ENV:EX
Subject: RE: Paris Hotels

Currently, we've have a booking at the s.15 most delegations, including the other PTs and the Canadian federal government, have made bookings s.15 and there will be a regular shuttle service for delegates from this area (similar arrangement we just used in Lima).

All room reservations need to be prepaid. We made some early reservations in order to ensure we wouldn't be left sleeping on a bench in a park and we took the best guess we could in terms of the dates. Rooms that we have currently prepaid on my EA's purchase card are as follows (as of August 13):

- Seven rooms booked in total:
 - Four rooms x five nights - December 5 to December 10 (tentatively, Minister, Martina, DM and Susanna)
 - Three rooms x four nights - December 6 to December 10 (tentatively, Premier and two staff)

Shannon will try to change or amend this booking as required if she has confirmation on check in / check out dates. We will be charged for cancellation full price for cancellations unless they will be able to rebook the rooms but the system is what it is.

As you know, we have been conscious that the PO might want to make their own reservations. The COP 21 booking service is called B-Network: s.15

The website is currently showing availabilities for four- and five-star hotels in most areas. If the Premier's office would like to book directly with a B-Network, they can contact Orithie Fur, a project manager with this organization, by email at orithie.fur@b-network.com. If they do, would really appreciate if they could let us know and we'll manage the cancellations at our end.

Thanks,
Susanna

Hi Kelly,

Yes, can do... Are you just needing a plate to go on an item? or the **wooden plaque** that the plate goes on -also? *A few options are below of colored plates and plaques.*

Color plate options: 1) Gold plate with black writing, 2) Silver plate with black writing, 3) Black plate with gold writing, 4) Black plate with silver writing...

(plates come with a double sided tape , you peel off and place on the item)

I would just need the coding you wish to use, and the size of the plate, and the color of the plate and we can get this done...ASAP.

Coding required in red : Customer number: Min: response: Service
line: STOB: project:

Thank you,

Jacquie

Thanks Miklos for connecting.

Dear Jordan,

It is exciting that the delegation is coming to China soon! As Miklos mentioned, I recently transferred to our Vancouver office but will be in China and join the delegation. Given McKinsey is very well established here, I would love to find an opportunity to discuss with you and explore what could be ways we can support in order to maximize the time you are all in China.

The formats and ways can be very different as Miklos mentioned already and we are very flexible on that front. It will be great if you could suggest a good slot to talk to you in coming days so we can jointly figure out some plan during the busy week in China.

Very much look forward to hear from you and to our conversation.

Cheers,
MG

Dear Jordan,

It was great to meet you today! As agreed, I am connecting you with Mingyu Guam, our Vancouver partner from (and still in) China. As discussed, it may make sense for you to discuss some possible areas of cooperation regarding the Trade Mission but also potentially following it, such as

- us helping you in connecting in important to see the Premier in one of the group events
- McK sharing some relevant research (e.g. China Insights reports, articles, book on the next billion customers, etc) so you can select from them possible prereads for the mission team
- if there is interest, connecting in senior McKinsey colleagues who can give insights on how businesses can be successful in China
- connecting people to relevant Chinese business leaders
- any other logistical details

We are more than happy to help. Mingyu has already signed up to be part of the delegation, would be amazing if he could join the team, he can add valuable perspectives

Have a safe trip to Victoria

Miklos

Hi Jordan,

We'll be in touch this week to plan things out before you head off to China. What we were thinking was a 9 am start with a 1/2 hour meeting in ours.15 with Fortis Inc. Chairman Barry Perry from Newfoundland and Michael Mulcahy, FortisBC President and CEO. They would put on PPE and proceed outside the building for a photo op with the press around 9:30. Wrap up around 10. We'll scout out places to get the new construction in the backdrop.

Regards,

Dave

Hi Jordan,

MLA Tegart advised that s.15,s.22
s.15 So, I suggest:

NVIT from 11:15 to 11:55 am

Drive to Florentine 11:55 to noon
Florentine from noon to 12:25 pm

Drive to s.15 12:25 to 12:35
s.15 (order ahead) 12:35 to 12:55

Drive to BioEnergy 12:55 to 1:00 pm

...

If that sounds okay on your end I will make arrangements to visit the Florentine Seniors Retirement Home. I can also pre order and reserve at the s.15 if you would like.

Cheers,
Lori

To: McPhee, Jordan PREM:EX <Jordan.McPhee@gov.bc.ca>
Subject: Re: Oct 23rd

The seniors center and a s.15 is close to NVIT. The s.15 has a buffet so it should be quick, however the s.15 is somewhat private and s.15 most people would be tourist I think. There is a more visible restaurant called s.15 on the way to the bioenergy plant. I am wondering if it might be better to go to the seniors center right after NVIT, and grab a quick lunch on the way to the bio energy plant? Your thoughts?

I am in the office at 11 if you want to chat firsthand about our options. 250 453-9726

Hi Jordan,

MLA Tegart forwarded your email to me as I am helping to plan another event if possible, or a lunch at a more public place. I understand that the Premier will be at the BioEnergy Facility from 1:00 to 2:00, s.15 from 2:00 to 3:00.

I don't know, however, when the Premier will be arriving and leaving NVIT. Could you please advise.

Thanks!

Lori

Hi Jackie,

I hope you are enjoying your break week, although I know it's not a break for MLA's it just means they are back in the riding working even harder. Tim mentioned you were hoping to have the Premier stop by a seniors residence on the way to the bio mass facility. I love the idea of trying to fit in another event or two but am just concerned about the amount of time the Premier will have on the ground.

The more I think about it the more I think it might be best to not have the Premier stay at NVIT for the lunch. It will just limit the amount she is able to do in your riding. If you think they might be offended I have no issues with our office taking the lead to reach out to them to explain that the Premier's time is limited and that she will not be able to stay. We find that organizations are very understanding of the demands on her schedule and are grateful for her attendance even if she can't stay for the whole event.

That way we will be able to fit in another event or two or even just a lunch in a public place in the riding. Thoughts?

Subject: Capasiti Report - For the Premier's Attention

Hi Jordan

I hope you are well.

The PTC has been concerned for some time that the value of exports from BC's tech sector is being undercounted. In part this happens because many of the tech sector's revenues come from software and services, which can be difficult to track.

To address this issue, the PTC commissioned research from Capasiti Consulting. Capasiti received information from 266 BC companies, representing 3% of the 9,000 tech sector companies in BC, 37% of the tech sector's employees and 20% of the sector's revenues.

The research shows that:

- BC's tech sector revenues are largely service driven, with 71% of total revenues coming from software and software services;
- Data from BC Stats shows that export revenues of the tech sector amounted to \$4.4 billion in 2013. However, the Capasiti research for the PTC indicates that tech sector export revenues range between \$7 billion and \$11.7 billion.
- Export revenues of \$11.7 billion amount to 55.7% of tech sector revenues, suggesting that BC's tech sector export performance is comparable to the 53% of export revenues enjoyed by all of BC's manufacturing businesses.

I am pleased to attach a copy of the Capasiti report for the Premier's attention.

We will be sharing this research within government, with copies being circulated to MTICS, JTST, MIT, HQ Vancouver and BCIC this time next week (the 26th of October).

Please let me know if the Premier would like us to provide more information.

Best wishes,

Louise

Please go with the below.

October 6, 2015

Mayor Leslie Baird
Village of Cumberland
Box 340
Cumberland, BC V0R 1S0

Dear Mayor Baird:

It was great to see you at the 2015 UBCM Convention last month. These occasions are important, as they present a better opportunity to discuss and better understand the issues most important to you.

It was also a perfect opportunity for me to recognize the Village of Cumberland as the first community to adopt social procurement policies in BC. Congratulations and thank you for all of the important work you are doing in your community.

I wish you all the best in the year ahead.

Sincerely,

Jordan McPhee | Manager of Operations

Hi Jordan,

As discussed, the shop reached out to Camosun and has been advised that President, Sherri Bell, and Board Chair Russ Lazaruk are both available on these dates:

February 4, 5, 9, 11, 12, 15-18, 23, 25, 26.

Please advise if one of these dates works for PCC and if so next steps you'd like me to take with shop.

Kind regards,
Carlee

Hi Jordan,

MLA Tegart advised that S.15, S.22
S.15 So, I suggest:

NVIT from 11:15 to 11:55 am

Drive to Florentine 11:55 to noon
Florentine from noon to 12:25 pm

Drive to S.15 12:25 to 12:35
S.15 (order ahead) 12:35 to 12:55

Drive to BioEnergy 12:55 to 1:00 pm

...

If that sounds okay on your end I will make arrangements to visit the Florentine Seniors Retirement Home. I can also pre order and reserve at the S.15 if you would like.

Cheers,
Lori

Jordan

I'm attaching a comms tracking sheet that provides an easier snap shot of the four mission NR we have in the works along with a couple of third party releases.

I am hoping you will see draft NR for the Departure (clean energy/Guangdong MOU), Poly Culture, and Terry Fox run very soon. They're all drafted and in approvals at our end. Or, do you want to look at them before to ensure we're on the right track?

Still waiting for museum to send their releases on the Gold Mountain exhibit.

If we're off target in any way, please advise.

Hi Jordan,

When you had Chinese business cards made for trade missions, was it traditional or simplified Chinese?
And was it Chinese on both sides?

Please and thanks!

Is this something I should push for the Nanaimo Economic development thingy on Wednesday? Would get more coverage for telus as well so they might be happy to let PCC say it first.

From:
Subject: For MO approval - Quote in Telus Hwy 4 NR (also checking on quote for for Telus release is Osoyoos

Hi there – attached is an NR with a draft MAV quote that Telus would like to issue this Friday in Port Alberni - \$500,000 to build a new wireless site along Highway 4, bringing wireless service to approximately 6 kilometers of highway between Cameron Lake and Port Alberni. The site is now live.

Subject: Sign the 2015 Earth Flag

Good Afternoon Premier Clark,

Earth Day Canada reached out to you on Sep 23 to ask you, Parliament members and your constituents to sign the 2015 Earth Flag. The campaign is coming to a close very quickly. We want to encourage you to engage as many people as possible to sign the Flag before Oct. 22 to be included on the larger Flag that is going to Paris for COP 21. To help you with this we have included some social media sample posts below.

We also want to let you know that our office has changed and we have a new address in which to mail your Flags to. Find the address in the image below. Please get your flag back to us as quickly as possible to ensure that your municipality is represented.

If you have any more questions feel free to get in touch with me, have a great day.

Best Regards,
Fattaneh

(Twitter)

Get your signature to Paris to show Canada cares about climate change. Sign before Oct. 22 #EarthFlag15 <https://earthday.ca/add-your-signature/>

Be a part of Charles Pachters' public art for climate change and sign #EarthFlag15 by Oct. 22 <https://earthday.ca/add-your-signature/>

You have until Oct. 22 to take 30 seconds to show Canada cares about climate change. Sign #EarthFlag15 <https://earthday.ca/add-your-signature/>

Look at how many signatures we've collected for #EarthFlag15 (Include a photo of your Flag!)

(Facebook)

Join us and thousands of Canadians by taking 30 seconds to show that Canada cares about climate change. Signatures will be incorporated on the 2015 Earth Flag being designed now by Canadian renowned contemporary artist Charles Pachter and taken to Paris for the climate conference COP 21 in December. To sign, click here: <http://bit.ly/1cQmzSQ> (include photo attached)

Sent: Wednesday, October 14, 2015 2:16 PM
To: Brubacher, Kelly IGRS:EX
Subject: RE: CC Briefing - Nov 4

Hi Kelly,

This is the information I have been sending out to the other Ministers that we are requesting to attend and provide briefings. For MNL the expectations would be for him to host the lunch, provide a briefing (likely at the lunch), introductions of the Consular Corps in Legislature, and provide welcoming remarks and introduction of Ministers during the afternoon briefings (for as long as possible).

The BC Government will provide briefings for members of the BC Consular Corps in Victoria on **Wednesday, Nov. 4th**. We will also host a luncheon for the Consular Corps, at which the Premier and/or designate will provide remarks. The BC Consular Corps, based mainly in Vancouver, consists of Consular Officers (Consuls General, Consuls, Vice-Consuls and Consular Agents) resident in the Province, representing 82 countries.

In preparation for the briefings, the Ministers noted below have been identified by the Office of the Premier to provide relevant information and messaging regarding current BC priorities.

Nov. 4th - Consular Corps Luncheon & Briefing – Parliament Buildings, Victoria

Luncheon hosted by the Government of British Columbia

1200 - Opening Remarks by Minister Letnick

1205 – Premier and/or designate addresses the Consular Corps

1210 – Dean of the Consular Corp replies

1215 – Lunch served

1245 – Briefing by Hon. Norm Letnick, Minister of Agriculture. Topics: TPP & CETA, Agri-food and seafood exports

1330 – Introduction of the Consular Corps in the Legislative Assembly

Briefings

1430 – Welcome remarks by Minister Letnick

1435 (TBC) - Briefing by Hon. Mary Polak, Minister of Environment. Topics: BC Approach to Climate Change leading up to COP21 in Paris

1500 (TBC) – Briefing by Hon. Bill Bennett, Minister of Energy and Mines. Topics: BC Energy Industry, Site C Dam

1530 (TBC) – Briefing by **Hon. Michael de Jong**, Minister of Finance. Topics: BC economy and issuance of bonds on the international market (China RMB, India Rupee, etc.)

1600 (TBC) – Briefing by Hon. John Rustad, Minister of Aboriginal Relations and Reconciliation. Topics: First Nations Relations and impact on economic development in BC

1630 – Briefings Conclude

Francis,

Yes, I am certainly be there at 8:00 am on Sunday.

I also wonder if I can meet the Mayor for a few minutes before or after? I don't need to attend Premier Clark and Minister Wat's meeting with the Mayor.

Chak

Francis,

I have been suggested by Raymond Zhu to contact you.

Since I am joining the Premier and Minister Wat to Beijing, a task that I have is to deliver an official invitation letter on behalf of our City to the Mayor of Zhangjiakuo for the opening of The Olympic Experience at Richmond Olympic Oval on Nov. 20.

I understand that Premier Clark and Minister Wat are going to meet the Mayor of Zhangjiakuo on Sunday morning (Nov. 1). I wonder if this can be the opportunity for me to hand the letter to him.

Or do you have other suggestions? Thanks!

Chak Au
Councillor, City of Richmond

Duncan, we have a dinner scheduled the Sunday night for delegates (close to the hotel). We don't have any formal plans for sightseeing on the 1st as the Premier may have a couple meetings taking place that day.

If any cultural activities do come together they would be confirmed closer to the date. I can be sure to keep you in the loop.

To: McPhee, Jordan PREM:EX
Cc: Jordan, Annette MIT:EX
Subject: Departure Scenario

Hi Jordan,

If there is no media event at YVR Annette and I will do our usual thing – we will check the premier and Andrew in ahead of time – I will ask Andrew to email me number of bags when they are on their way. We will meet her curbside and she can go with AC staff through security. The latest she can be there is 1230 pm according to AC staff. (If there is a media event we will still pre-check them in)

However we have been advised that the Acting Consul General Mr. Fan would like to see the Premier off and attend a media event if there is one.

Is this ok? We could direct him to the area close to the Security date for a quick farewell if this is ok with you. He will likely see Minister Wat off earlier.

Let's chat about this today.

Sam Oliphant
Press Secretary
Office of the Premier

Begin forwarded message:

From: Amanda Munro <amunro@cloverpoint.com>
Date: October 25, 2015 at 10:01:43 PM PDT
To: Sam.Oliphant@gov.bc.ca
Subject: Chief Karen Ogen meeting request re: China Trade Mission

Hi Sam,

I hope you're well.

I'm writing on behalf of Chief Karen Ogen of the Wet'suwet'en First Nation as I work closely with the Chief in a strategic communications capacity.

The Chief was invited, and has been approved, to join the Trade Mission leaving this Friday to China. Since the confirmation of her participation is coming in quite late in the planning process, we want to make sure that opportunities still exist for her involvement, and if there is a plan that would be useful for the Chief to be aware of.

We were hoping to connect with someone from the Premier's office in the next few days who will be organizing the trip, to ensure the Chief is able to be apart of key meetings and to discuss strategic opportunities in regards to LNG.

We may be doing some PR around this opportunity and it would also be quite advantageous to ensure our messaging lines up. I'd be very interested in speaking to the comms lead on this, if possible.

As you no doubt can appreciate, time is of the essence and we truly appreciate your attention on this request - even if it's simply connecting me with the right person to speak with.

Kind regards,
Amanda Munro

Jane,

Laura, Jimmy and I would like to invite you to a very special Boys Club Network Event at the Hotel Georgia November 25th. We would like you to attend as our guest so please do not purchase a ticket. This is an invitation only event and will include many of British Columbia's most influential business leaders, politicians, educators and more. The event is being organized by Frank Giustra, John MacKay, Matt Wood, Jeff McCord, Bruce Langeres and Laura Neubert. We would love it if you could also discuss this event with the Premier. Clearly, she would

be welcome to join us as our guest! As a single mother of a boy I know she will find our message compelling, and our work inspiring. We would really like to have her come out and make that connection with the Boys Club Network. The evening will include a standing dinner, a presentation of our one act play, 'Man Up!' and a few short but inspiring testimonials from some of our boys.

We really do hope you can join us Jane. Please respond to the attached invitation at your earliest convenience.

Thank you, as always, for your encouragement and support. We truly do appreciate it.

Walter, Laura and Jimmy

Subject: RE: Terry Fox Run in Hong Kong

s.22
Hi

It is great to hear about all the work you are doing with the 2015 Terry Fox run. Premier Clark is already planning to participate in the run on Saturday November 7th. How big is your team expected to be? I can make sure the Premier has a chance to meet your team and maybe take a photo with them depending on how big it is.

Unfortunately, given the Premier's busy schedule on this trade mission a visit to your school will not be possible.

Regards,

Jordan

Subject: Terry Fox Run in Hong Kong

Hello Mr McPhee,

My name is s.22 s.22 Andrew Wilkinson, regarding the Terry Fox Run in Hong Kong. s.22 s.22 and we're promoting participation by our school community in the 2015 Terry Fox Run here in Hong Kong. We are encouraging students, their families and staff to get involved by organising a team from the CDNIS community who will be participating in the Run. This year the run is being held at Renaissance College in Kowloon on Saturday November 7th. We are organising transportation to the event, and hoping for a great turnout at this important family event for the Canadian community in Hong Kong

We would be honoured if Premier Clark would join the Canadian International School community at this event that is so important and respected by all Canadians.

Please let us know if this is possible, as we would be very excited to welcome her graciously. If Premier Clark has any time in her schedule to visit the school and meet some students, we would of course, love to arrange that. The school is located in Aberdeen, on the south side of Hong Kong island.

Thanks very much for your time and we hope to hear from you soon.

October 20, 2015

Prime Minister-designate Justin Trudeau
Langevin Block
Parliament Hill
Ottawa, ON K1A 0A3

Dear Prime Minister-designate:

On behalf of the Government of British Columbia, let me once again congratulate you on your tremendous electoral win and extend my personal best wishes to you.

This election marks a new beginning, and I look forward to working closely with you on issues of importance to British Columbia and Canada.

I am delighted by your commitment to meet with Premiers, and your vision of bringing provinces, territories, and the federal government together in a new era of cooperation on areas of common interest.

For British Columbians, there are many issues that will benefit from closer cooperation and partnership between our two governments.

My government has five key priorities for this partnership.

- 1) Softwood Lumber: renewal of the Softwood Lumber Agreement is urgently important. As you know, this agreement has only ever been settled in the past through direct contact between the Prime Minister and the President of the United States of America. Ottawa needs to put its full focus and resources on engagement and negotiations with the United States to support and protect our forest sector and the thousands of jobs it creates.
- 2) LNG: I am looking forward to your clear support of LNG development, a new sector in Canada that will help us fight global climate change and create tens of thousands of jobs. My government has worked prodigiously to clear the runway for development in this sector; we look forward to a similar focus from Ottawa through completion of the CEEA process. This new industry will also make a very significant contribution to the federal treasury. We are eager to see B.C. make a larger contribution to building a stronger Canada.
- 3) Trade: I welcome your commitment to trade, I am confident we have a shared priority in increasing support for export-related Pacific Gateway infrastructure. Growing our national economy depends on being able to get our goods to market. Vancouver Port is the busiest in Canada and continues to grow quickly as Canada's exports to Asia and

.../2

Premier

Mailing Address:
World Trade Centre
740 - 999 Canada Place
Vancouver BC V6C 3E1

India also grow. BC is already investing in more infrastructure than any other previous government. Your Government's increased support in this area will be very timely.

- 4) Immigration: Canada has been blessed by millions of immigrants since our founding. A thriving Canada depends on our ability to welcome many more who can join us in building our economic future. I look forward to working with you to establish stronger policies on immigration that will re-establish Canada's role in the world.
- 5) First Nations: British Columbia is home to 203 First Nations, the majority of which have never concluded treaties with Canada. In this context our government has developed strong expertise in consulting and accommodating First Nations. We are determined to ensure that First Nations are finally, fully included in our larger economy. We welcome your increased engagement at treaty and other negotiating tables. Your commitment will help us reach this goal as well as create certainty on our land base.

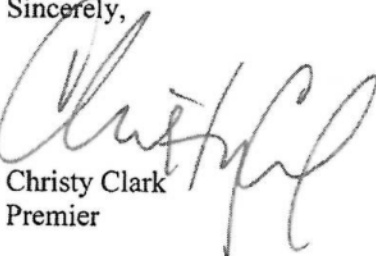

Together, these priorities will unleash economic growth and opportunity in British Columbia and support our shared agenda for new jobs.

Last, I am looking forward to working with you to ensure Canada is making a bigger contribution to the global fight against climate change. For the last eight years, B.C. has had in place the most successful carbon pricing in North America. Use of fossil fuels covered by the tax has dropped while our economy has grown. We are building on that with new climate policies to keep us at the forefront of the climate fight. We are also pursuing the opportunity to export Canadian natural gas to Asian markets, enabling them to reduce their reliance on coal and oil.

British Columbia and Canada are stronger when we work together. I plan to visit Ottawa in the near future and hope to have the opportunity to meet with you in person to discuss how British Columbia can support your government's goals.

Once again, I look forward to working with you and your entire B.C. caucus. I wish you all the best on an exciting new future for Canada.

Sincerely,

Christy Clark
Premier

*Greet to Chat with
you today. Looking forward
to a new beginning!

Speech from last night

Page 17 to/à Page 18

Withheld pursuant to/removed as

s.13

With no formal training other than flying kites, he designed and built the first Canadian airplane – engine and all – using local parts.

And just seven years after the Wright Brothers, the first flight in Canada's history was launched from Mount Tolmie.

That's one. Just north of here off Campbell River, lies Seymour Narrows. If you've ever piloted a boat through it, you know the currents can be powerful.

But it used to be much worse. 114 people drowned there in 119 shipwrecks. It was considered impassable.

After a few failed attempts, they tried an ambitious plan – drilling deep underground, and using 1,400 tons of explosives to cause the largest non-nuclear blast in history up to that point.

Can you imagine trying to get that done today? But here's the thing – they did it responsibly. Careful study. Close monitoring of marine life – all accounted for after the blast.

THAT is a bold vision to open up Campbell River and the inside passage.

I take a few lessons from these:

bold risk takers

First, Islanders have always been bold and innovative.

Second, you have to stick to your vision. Gibson was ridiculed in 1910 – Victorians would flap their arms to mock the "Birdman." Until he flew.

And third, you have to strike a balance between preserving our pristine environment and economic development. But they can both happen.

These lessons are more important today than ever.

LEADING THE RIGHT WAY FROM THE LEFT COAST

Because unfortunately – Canada isn't firing on all cylinders right now. Ontario has the largest sub-sovereign debt in the world.

BC stands alone. Not just against Ontario – but all provinces.

- We're going to lead the country in economic growth.
- Three consecutive balanced budgets.
- A unique approach to public sector wages, tying increases to ^{private} ~~public~~ sector growth.
- In four years, we're eliminating BC's operating debt for the first time in 40 years.
- Since the launch of the BC Jobs Plan, BC has the biggest decrease in the unemployment rate of any province.

11.5 ~~to~~ each year/3yr

- And we're investing record amounts of infrastructure - \$7 billion worth of projects right now without going into deficit. I want to return to this point later.

None of this happened by accident. We got here because of hardworking British Columbians – and because we have a plan.

A goal to expand forestry, LNG, tech, tourism, film, agriculture – all the sectors that make up BC's diverse economy.

That means a government that gets out of your way when we can – but also creating an environment where you can succeed. Let me give you ~~four~~ examples:

~~FIVE~~
First, tax regimes that work for you.

Last year, we made Greater Victoria eligible for the distant location regional film tax credit. Since then, the island has seen 26 productions worth almost \$100 million.

Second, trade offices to help pitch your products and grow exports.

Viking Air recently announced a \$30 million deal to sell five Twin Otter floatplanes to a company in China – thanks in part to the work of BC Trade and Investment Offices in China.

They're not alone – just ask the folks at Natural Glacial Waters, Terapeak, or Shelter Point Distillery – all of whom have capitalized on new Asian connections.

Third, having the infrastructure in place so that communities are ready for growth.

Last week, BC Hydro completed a \$56 million project that more than doubles capacity in Tofino and Ucluelet, where demand was outstripping supply. There are another four active projects worth \$1.35 billion, creating 495 jobs on the island.

All to create the foundation you will build on to create jobs.

It's not just Hydro. The number of people working to build new hospitals in Comox and Campbell River surpassed 500 this summer.

Fourth, attracting investors. Encouraging startups and innovation.

This has had a huge impact on tech – an industry that has exploded on the island.

Part of that is that people want to work and live here. But it's also because programs like the Venture Acceleration Program.

In Victoria, tech is the no#1 industry, with an economic impact of over \$4 billion, and 23,000 employees. Here in Nanaimo, it's responsible for almost \$200 million, and more than 2,700 jobs.

But innovation is not restricted to new industries like tech.

IN FOREST :
I know Clint Parcher is here from Coastland Industries a great Nanaimo company.

They're a veneer plant. The cores of the peeled logs used to be waste - now, they make over 40 products from those cores.

Now, they're running seven days a week, and just increased production by 50 per cent. That means jobs here in Nanaimo.

It's not just Coastland. Last week, Sidney's International Composting Corporation announced they're going to build a \$100 million biomass power plant in England - powering 3,600 homes, and creating more opportunities here.

And in June, Western Forest Products announced they were investing \$30 million to modernize their mills in Nanaimo, Chemainus, and Ladysmith.

That's innovation on the island. William Gibson would be proud.

But I think the bold men and women behind the Ripple Rock explosion – a decision that would be difficult to make today – would recognize bold ideas on the Island today.

Like two projects to capitalize on the LNG opportunity – in Port Alberni, and Steelhead LNG in Pat Bay, which received its federal export license earlier this month.

And like the Fisheries officials ensuring marine life was unharmed, BC's LNG facilities will be the cleanest in the world – with the highest GHG benchmarks.

That's not a suggestion, or wishful thinking. It's the law.

Steelhead and Port Alberni are 2 of 20 active LNG projects. Not all of them will be built.

*Cleanest in the world - development +
Balance between environment + growth*

But like the officials who made what must have been a risky decision to make Seymour Narrows safe for shipping – we have to work to get to yes.

ANNOUNCEMENTS

Government has a role to play in development is respectful, safe, and sustainable. And it also has a role to play in ensuring the Island is ready for growth.

That starts with transportation infrastructure.

We're taking the next step towards resolving Vancouver Island's biggest infrastructure bottleneck – the McKenzie Interchange in Greater Victoria.

~~We're moving forward with public consultation – hearing from the people who will be using it every day.~~

BC is continuing to invest in making Vancouver Island's roads and highways safer - just today we announced 8 safety improvement projects worth over \$1.1 million.

Investing in the future is also about investing in people. And when projects like Steelhead and Port Alberni LNG get up and running...

They're going to need people - preferably Islanders.

That's why we're providing Vancouver Island University with \$100,000 for the business cases for a new health centre, and a new automotive/marine repair facility.

We're also providing VIU with an additional \$1 million to modernize their IT infrastructure, increase bandwidth - and keep themselves on the cutting edge.

Finally, Don McRae, Michelle Stilwell and I are going to continue to work with the people who know Vancouver Island best.

The 5th investment part must make to allow you to grow is in people.

Invest in education so that people have the skills they need - 3B\$ -

But! As the jobs grow let's bring BC in. Islanders home.

with Michele + Don, will work.

I know George Hanson and his team at the Vancouver Island Economic Alliance have been working on a ~~comprehensive list of recommendations~~ to continue growing and diversifying the Island's economy.

And I'm here to say: George, I'm looking forward to reading their report tomorrow. But I'm really excited to see the positive changes in people's lives that will come from more opportunities on the Island, from Port Hardy to downtown Victoria.

CONCLUSION

They say it takes an Islander to see the mainland clearly. And on Vancouver Island – from homemade airplanes, to literally moving undersea mountains...

You've always set your own path to economic development:

It starts with being innovative. Responsible. And bold.

Growing the economy takes vision. But it also takes leadership to act on that vision.

Let's keep working – together – to make it happen. Thank you.

There is only one way to grow an economy. A vision, a plan, investments in people + infrastructure. That build a foundation for you to grow

Those who believe:

~~to grow~~ in growing govt vs growing economy.

Govt ~~also~~ creates wealth
We know it's the private sector

Poverty.

Hi all,

Effective immediately, this is the new process for how we handle FOI requests directed to the Executive Branch. The Deputy Minister Office will be sending you an email that contains the wording of the request plus a date range by which you are to respond back to them with either records pertaining to that request or a 'no records response'.

If you have any questions on this process, please don't hesitate to ask either myself or Michelle Leamy.

Thank you
Evan

Ok, when you are able to confirm connections, we can tweak those particular letters, or she can just add a handwritten note on the hard copy that she will be signing. Thanks Andrew.

October 26, 2015

Murray Rankin
MP-elect, Victoria
c/o NDP Caucus
House of Commons
Ottawa, ON K1A 0A3

Dear Murray:

On behalf of the Government of British Columbia, I would like to extend congratulations and my best wishes to you on being elected a Member of Canada's 42nd Parliament.

You have been elected to represent the interests of British Columbians in Ottawa, on local, regional and provincial issues. My government looks forward to working closely with you and the other elected Members of Parliament from British Columbia on issues of importance to our province. My government strongly believes that effective partnerships are essential tools for shaping Canada's future.

There are many important issues in our province that will benefit from close cooperation and partnership between my government and federally-elected representatives. Our key priorities for a stronger British Columbia and Canada include:

- **Softwood Lumber Agreement** – Successful renewal of this vital agreement. It is time for the federal government to put its full focus on negotiations with the United States;
- **Liquefied Natural Gas (LNG)** – Continued federal commitment to the development of BC's LNG sector. As you are no doubt aware, my government has addressed every need of this emerging sector for investment certainty. Completion of the federal CEAA process is all that is required for some key projects to proceed, and to unleash considerable economic growth to benefit British Columbia and Canada;
- **Infrastructure** – Increased support for the Pacific Gateway transportation network, to accommodate increased resources development and trade with Asia. The need for export infrastructure is even more acute now with the success of negotiations for the Trans-Pacific Partnership trade agreement;
- **Labour Mobility and Immigration** – Increased immigration levels, pathways to permanency, and action on BC's sector-specific concerns around immigration. We are committed to ensuring British Columbians and Canadian's are at the front of the line for every emerging opportunity in our province. But we also know that, even with the

success of our Blueprint to re-engineer education and training, we will simply not have enough British Columbians for the job opportunities of the coming decade.

Other issues of concern to British Columbians and my government include:

- **Health Care** – British Columbia would like the federal government to either increase health care funding through the Canada Health Transfer, or demographically adjust the allocation formula to account for increased health care costs associated with aging. Health care costs increased dramatically with age, and the percentage of seniors in the population is set to increase significantly. The existing allocation formula for federal funding fails to account for the demographic differences among provinces and territories. It also fails to reward British Columbia for achieving cost-effective service delivery, and achievement that has enabled us to provide some of the best health care outcomes in the country at comparatively low rates per capita expenditure.
- **Climate Action** – BC would like the federal government to engage and collaborate with the provinces and territories on climate action initiatives. This is a particularly pressing need as we prepare to engage multi-nationally at COP in December.
- **Aboriginal Relations** – BC would like to engage with both the federal government and Aboriginal leaders on Aboriginal issues, including initiatives related to Aboriginal children, youth and families. It is critically important for the federal government to identify meaningful measures that will improve economic, social and health care outcomes among First Nations communities.
- **Trade** – BC would like the federal government to work with BC on continuing to achieve secure, competitive access to key international markets. As well, BC urges the federal government to remove its own domestic trade barriers.

I look forward to working with you and all other B.C. Members of Parliament, and building on the strong relationship between British Columbia and Canada.

Sincerely,

Christy Clark
Premier

VANCOUVER INTERNATIONAL SOUTH ASIAN FILM FESTIVAL.

Hon. Christy Clark,

I am excited to have you attend and participate in our event - "**Vancouver International South Asian Film Festival**". The opening night will be held on **November 27th, 2015** at Simon Fraser University Woodward, Vancouver BC. In anticipation for the event, I would like to request a letter of support for the 5th annual film festival, which will be issued in the VISAFF program.

VISAFF originated in 2008 to "bridge the gap" between South Asian talent and mainstream audiences by connecting directors, actors, producers, community organizations, corporate brands and South Asian cinephiles.

The festival is committed to promoting diverse stories of South Asians through films from India, Pakistan, Bangladesh, Sri Lanka, Nepal, Tibet, Bhutan, Afghanistan and the global South Asian Diaspora. VISAFF celebrates stories usually not represented by mainstream cinema or contemporary Bollywood film formulas. Features, shorts and documentaries, all chosen to engage, educate and inspire audiences by promoting free expression, cross-cultural interactions and understanding, and combating intolerance and stereotypes.

VISAFF's opening film is the Canadian premiere of Anurag Kashyap's dark psychological thriller, *Ugly*. Anurag Kashyap will be in attendance at VISAFF 2015. Kashyap is an Indian filmmaker who has produced critically acclaimed feature like *The Lunchbox*, and films like *The Gangs of Wasseyapur*, Parts 1 and 2. The festival will also host the Canadian Premiere, of acclaimed movie, *Zubaan*, a coming-of-age musical drama about a Punjabi boy whose ambitious circle around becoming a musician which is produced by Guneet Monga & Shaan Vyas, directed by Mozeez Singh.

Our festival is honored to have both Anuragh Kashyap and Guneet Monga attend our festival this year and explore BC for their film ventures.

Thank you for your support in advance and we look forward to your support letter for VISAFF.

Festival Director/ Co- Producer

The exclusive dinner for the Premier and Asian business leaders is scheduled for Thursday , February 25th 6-8 pm.

In addition we would like her attendance as the EVP at the ABLAC council meeting on Friday , February 26th. This is all day including the closing dinner where we would like the Premier to join a panel with other Leaders to speak to the Council. The all day agenda is likely more interesting in the morning.

Many thanks

Jill

BRITISH
COLUMBIA

In partnership
with

SPONSORSHIP Prospectus

In January 2016, the Government of British Columbia and the BC Innovation Council will host the inaugural **#BCTECH Summit**, a platform to inspire and empower British Columbians and BC businesses to expand opportunities by embracing technology and new innovations.

We invite you to demonstrate your organization's leadership in the technology industry by sponsoring this highly visible event. Partner with us as we highlight technology's importance in the lives of British Columbians, and capitalize on the opportunities that exist to strengthen our position as a leader in technological innovation and excellence.

The **#BCTECH Summit** will provide BC-based businesses and international companies with the opportunity to connect and collaborate, demonstrate goods, services and capabilities, as well as discover and embrace business, investment, career and training opportunities.

EVENT Overview

Summit Dates: January 18 – 19, 2016

Where: Vancouver Convention Centre West

The **#BCTECH Summit** will include a series of compelling keynote presentations, industry sessions and panel discussions, along with Showcases for Technology, Investors, Innovation, Careers and a B2B business development stream, covering the broad range of topics that make up technology and innovation, investment and partnerships.

The **#BCTECH Summit 2016** will feature a Trade Show with more than 100 exhibitors that represent BC-based technology leaders.

The Summit will:

Explore new opportunities for technology across all key economic sectors:

- Showcase our province's exciting technology innovations.
- Help entrepreneurs and companies build networks, tap into opportunities and foster a culture of innovation.
- Increase awareness of the BC technology sector with global investors, customers and partners.
- Introduce students and recent graduates to exciting career opportunities in BC's growing technology sector.

Why Sponsor?

- The 2016 **#BCTECH Summit** is a must-attend event for any organization that is, or wants to be, connected to British Columbia's innovative tech industry.
- Promote your services to the government, big business, entrepreneurs, SME's, global investors, industry representatives, students, educators, communities, government officials and the general public.
- Showcase your business! As a Sponsor you will showcase your organization to over **800 Summit delegates**, a diverse and talented cross-section of technology industry professionals, including buyers, CIO's, CTO's, marketers, innovators and entrepreneurs, from within BC and globally.
- **Over 100 fellow sponsors and exhibitors** will be featured at the Trade Show to share ideas and provide valuable networking opportunities. Take advantage of this excellent opportunity to learn about others in the market and make business connections.

SPONSORSHIP Opportunities

Sponsorship	Investment	Opportunities Available
Technology Showcase Title Sponsor	\$150,000	1
Diamond	\$85,000	4
Platinum	\$50,000	3
Gold	\$30,000	8
Silver	\$15,000	Inquire for availability
Bronze	\$7,500	Inquire for availability

The support of industry partners is integral to the success of the 2016 **#BCTECH Summit**. We appreciate your support and welcome your contribution and will provide opportunities that are mutually beneficial.

Detailed benefits for each level of contribution are outlined on the following pages. To assist you in your decision-making, we would like to highlight the following:

- All **brand exposure** at the conference will be based on sponsorship value, which has been divided into six distinct levels of contribution. Note: All values are subject to GST (i.e. \$15,000 + GST).
- The **Trade Show** will be held on Monday, January 18 from 10 am to 7:30 pm, and Tuesday, January 19 from 9 am to 6:30 pm with food and beverage and networking on the show floor.
- Sponsorships at all levels include a **Trade Show booth** and two or more complimentary **conference registrations**.
- There will be **two networking receptions** held during the Summit on the trade show floor.
- All sponsors will benefit from having **dedicated face time with key decision makers** in a relaxed yet business-oriented setting, assembled in one place, for an extended period of two days.

To secure a sponsorship, for questions or more conference information, please contact:

Sarah Richards, Sponsorship Manager
(604) 628.7236
sponsorship@bctechsummit.ca

All requests for sponsorship must be received in writing and are subject to Government of British Columbia approval to be confirmed on a first-come first-served basis.

- The **#BCTECH Summit** reserves the right to revise the sponsorship opportunities detailed in this package and/or offer additional sponsorship opportunities.
