British Columbia Premier visits Jollibee Store. British Columbia Premier Christy Clark visited Jollibee's McKinley Exchange branch in Makati, where she was welcomed by Jollibee Foods Corporation's (JFC) CEO Ernesto Tanmantiong. The visit comes as Jollibee prepares its milestone opening of its first store in Winnipeg, Canada, with more branches soon to open in Toronto and Vancouver. These upcoming branches are part of the brand's international expansion efforts to share its great tasting products all over the world. Many Canadians, including a large portion of British Columbia's population, with Filipino roots are excited at the prospect of a Jollibee restaurant opening in Canada.
