Dear Premier Clark -

s.22

s.22

I am writing to ask if it

would be possible if you could perhaps send them a letter wishing them well for their marriage.

They both have been followed your time as Premier with great interest, and have been quite supportive of your program. s.22 has come to admire women who are leading figures in public life, and counts you as one of them.

Receiving a letter from you would be, I know, a great surprise for them, and something they would both cherish a great deal. It would be a great pleasure to be able to present it to them on their wedding day in s.22

Thank you for considering my request.
