Not sure if I should flag this with you or the comms team. I just heard from Ledge staff that a photo op is happening Thursday for Orange Shirt Day. I wanted to let you know The Attorney General and PS Kahlon have an event in the hall of Honour from 12 – 12:30ish. Not saying the photo op cant go ahead just that if its at 12:00pm those two may miss it.

Hello

I want to take this opportunity to introduce two new staff members in my office. In addition to Jon Robinson, who has been at work for a few weeks, starting today my staff includes:

- Leila Farmer – most recently MA to Minister Scott Fraser; and
- Stephanie Papik – who has led the indigenous youth internship program for the province for the last number of years.

We have done some preliminary sorting of responsibilities, and so you may find them responding to an information request in the near future.

Cheers

Your Ministry has received a formal request made under the *Freedom of Information and Protection of Privacy Act* (FOIPPA). The request is for:

*All records about Minister Scott Fraser's planned, and subsequently cancelled, speaking appearance at Politics, Policies and Priorities: A Conference on B.C.'s new Horgan Government, Oct. 27, 2017 at the Vancouver Convention Centre, including correspondence by Minister Fraser and his staff to and from Composite Public Affairs and Phoenix Strategies - specifically Lori Winstanley, Ed Presutti, Kristy Fredericks, Will McMartin, Carmela Allevato and Sue Hammell. – Date Format: MM/DD/YYYY*

Please complete the attached Call for Records form.

- If search and retrieval time is anticipated to exceed 3 hours and/or the total volume of records exceeds 200 pages, complete **only** sections 1 & 2 of the Call for Records form as we may be in a position to issue a fee estimate. Return the form to IAO by September 01, 2017. Please await further instruction from IAO as the records will not be required until the fee estimate process has been completed. Once fees have been paid or waived, IAO will contact you to continue the call for records process.
- If **no fees apply** then complete the attached Call for Records form and return it to IAO by September 12, 2017.
- Send records via email in **PDF format**. Before you turn emails into PDFs, ensure that you have included all attachments. If email is not possible, please put the records on the **File Share** and notify IAO that the records are available.

You should be aware that FOIPPA obligates us to assist the applicant and to respond without delay, openly, accurately, and completely. In the event that your Ministry must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits confirming they have conducted an adequate search for relevant records.

Please do not hesitate to contact IAO to discuss: whether the records may be routinely releasable; whether the information is being prepared for public release or is already publicly available; ways in which an applicant may want to narrow/focus their request to reduce potential fees; and/or any other questions or concerns relating to this request.

**Subject:** Call for Records IRR-2017-72919 Due September 12, 2017 Analyst Evan Levesque

Your Ministry has received a formal request made under the *Freedom of Information and Protection of Privacy Act* (FOIPPA). The request is for:

*All records about Minister Scott Fraser's planned, and subsequently cancelled, speaking appearance at Politics, Policies and Priorities: A Conference on B.C.'s new Horgan Government, Oct. 27, 2017 at the Vancouver Convention Centre, including correspondence by Minister Fraser and his staff to and from Composite Public Affairs and Phoenix Strategies - specifically Lori Winstanley, Ed Presutti, Kristy Fredericks, Will McMartin, Carmela Allevato and Sue Hammell. – Date Format: MM/DD/YYYY*

Please complete the attached Call for Records form.

- If search and retrieval time is anticipated to exceed 3 hours and/or the total volume of records exceeds 200 pages, complete **only** sections 1 & 2 of the Call for Records form as we may be in a position to issue a fee estimate. Return the form to IAO by September 01, 2017. Please await further instruction from IAO as the records will not be required until the fee estimate process has been completed. Once fees have been paid or waived, IAO will contact you to continue the call for records process.
- **If no fees apply** then complete the attached Call for Records form and return it to IAO by September 12, 2017.
- Send records via email in **PDF format**. Before you turn emails into PDFs, ensure that you have included all attachments. If email is not possible, please put the records on the **File Share** and notify IAO that the records are available.

You should be aware that *FOIPPA* obligates us to assist the applicant and to respond without delay, openly, accurately, and completely. In the event that your Ministry must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits confirming they have conducted an adequate search for relevant records.

Please do not hesitate to contact IAO to discuss: whether the records may be routinely releasable; whether the information is being prepared for public release or is already publicly available; ways in which an applicant may want to narrow/focus their request to reduce potential fees; and/or any other questions or concerns relating to this request.

Thank you for your assistance,

Hello Nicholas. s.22  
s.22 Thank you for your time and effort. It was greatly appreciated. I am sure we will bring Sorrel in to meet you at some point.

On another note, can I have your assistance in getting provincial government participation in the Aboriginal Business Match (ABM). We have four ABM's taking place in BC (one provincial - ABM West and three regional – BC North; Lower Mainland and Vancouver Island). It would be exciting to have the premier (or his designate) attend the opening breakfast at any of these events or at the very least someone with the Aboriginal economic / business development portfolio. Do you have a suggestion as to a good economic development contact?

As mentioned, the ABM is held in five provinces. Our upcoming schedule is below:

- ABM Alberta Edmonton, AB (Treaty 6 Territory) September 25-27, 2017 (River Cree Resort & Casino);
- ABM BC North Prince George, BC (Lheidli T'enneh Territory) October 16-18, 2017 (Prince George Civic Centre);
- ABM Atlantic Fredericton, NB (Wolastoqey Territory) October 25-27, 2017 (Fredericton Convention Centre);
- ABM East Sudbury, ON (Robinson-Huron Treaty Territory November 6-8, 2017 (Raddison Hotel, Sudbury);
- ABM Lower Mainland Langley, BC (Kwantlen/ Stó:lō Territory) December 4-6, 2017 (Langley Events Centre);
- American Business Match Pacific Northwest 2018 (location TBD); and
- American Business Match Southwest 2018 (Phoenix, Arizona).

Please note that I have sent Premier Horgan an e-mail invite to attend late last week. Any assistance you can provide is appreciated.

Hi Eleanor,

I have been in touch with quite a few POA staff regarding access.  
Please send me a list of anyone I have missed who is wanting access.

If they know the level great - otherwise I will set them all to default and we can adjust from there.

Hello colleagues in MIRR, Health, FNHA, SDSI/SDPR, AVED, EDU, Housing, MCF, JAG (apologies for the old acronyms and ministries):

I am hoping to tap on your shoulders to circulate the below networking invitation to the appropriate people. Russell Lapointe from AADNC will be here in Victoria all day September 28<sup>th</sup> and would like to connect with provincial folks around data and indigenous peoples.

They have strong skills around census data, Indian Registry data and other surveys – please read his invitation below and contact him and/or me and let's see if we can round up a few folks to welcome him and his team to our fine city.

They will be arriving the evening before (Wednesday) and can dedicate the whole day on September 28<sup>th</sup> either for individual meetings and/or group meetings. If possible, I will also arrange a webinar/on-line meeting for our regional folks in the late afternoon.

Cordially, Connie

Hello,

My name is Russell LaPointe, and I am a Senior Research Officer in the Strategic Research and Statistics Directorate (SRSD) at Indigenous and Northern Affairs Canada (INAC). The Directorate is INAC's centre of expertise on demographic and socio-economic statistics and research, providing evidence in support of decision making, program innovation, and measuring results. It does this primarily through data development and acquisition, targeted research, and knowledge transfer activities. The Directorate utilizes Census, Indian Register, and other data sets, such as the Aboriginal Peoples Survey.

As part of our Outreach Strategy the Directorate is meeting with regional officers to promote information sharing and statistical training in relation to new Census data to be released on October 25, 2017. Meetings have been held in Ontario, Manitoba, and Saskatchewan.

My Manager, Timothy Leonard, and I will be in Vancouver on September 27<sup>th</sup>, and would like to gauge your interest in having us visit Victoria on Thursday, September 28<sup>th</sup>. I apologize in advance for the short notice, and look forward to hearing from you.

Thanks in advance,

Russell LaPointe

Good afternoon

Some of you will have met myself or Jon Robinson from the Priorities and Accountability Office in the last few weeks as your initiatives have been developed.

*The PAO is responsible for working with Ministers, their staff and Ministries to ensure the government's key initiatives are well designed, delivered in a timely manner and meet the commitments government made to British Columbians. The focus of the office will be on key government commitments, particularly when planning and delivery reaches across organizations.*

*The office coordinates with the larger Premier's Office to review upcoming items for working groups, committees, Cabinet and Treasury Board to assist in coordinating and achieving government's priority goals.*

*As part of the Premier's Office, the PAO reports to the Deputy Minister to the Premier, and works with the Chief of Staff's office, GCPE and other key organizations to deliver its mandate*

I'm writing to let you know that starting this week, the office will include myself, and:

- Jon Robinson (Director)
- Leila Farmer (Director); and
- Stephanie Papik (Director)

We will be working with many of you on initiatives going forward, and look forward to building a productive relationship that results in the best results possible for British Columbians.

*Ministerial Assistants – please ensure this information is given to your Minister, thank you.*

Hi Kris,

As we talked about on the phone earlier, I'm hoping to have 3 pieces of art moved from the Minister of Indigenous Relations' Office to the Deputy Minister's Office.

Specifically, the 3 pieces are in the office of the MA for IRR. I've attached photos of these pieces for your reference.

Lastly, I've connected with Jonathan Sas, the new MA for IRR and he is fine with these pieces being moved to my new office (room <sup>S.15</sup> in the PO).

Thanks very much,

The timing of your pic move will be happening when we move the pics for Shelley and Suzanne.

Hi all,

At our morning meeting, I mentioned a potential meeting between our office and the Cabinet Priorities office in GCPE. The purpose of the meeting is to meet their team, and to discuss strategies for working together going forward.

Danielle (manager for Cabinet Priorities) and I were thinking Thursday September 28 at 1:30pm as a tentative time. Does this work for everyone?

Suzanne – I believe you're in Vancouver that day, but could you call in? I understand from Danielle that Robb is a tentative yes to the meeting.

Hi Leila,

As discussed last week, BCAFN would be so honoured to have Min. Fraser attend and speak at the 2nd BCAFN/Nation2Nation Indigenous Business Forum, on Oct. 5th, at the Delta Ocean Pointe Resort in Victoria. I understand the Leg is in session; however, we are very flexible and willing to accommodate the Minister's schedule.

I have cc'd the event coordinator, Lisa Mueller, please ensure Lisa is copied on any follow up correspondence.

# Funding opportunities

## **Catalyst Grant: HIV/AIDS Community-Based Research (2017) – CIHR**

The Catalyst Grant: HIV/AIDS Community-Based Research funding opportunity is expected to: catalyze future applications for more comprehensive community-based research grants that focus on the development and/or implementation of interventions for the prevention of HIV and/or gaps in the care cascade; support partnerships between communities affected by HIV in Canada and researchers to facilitate the conduct of community-based research. In the Indigenous stream, applicants are advised to focus on indigenous populations and in particular, Indigenous knowledge systems and Indigenous-living experience. Indigenous-living experience is a quality demonstrated by individuals who are closely connected with First Nations, Inuit and Métis communities. Examples of how applicants applying to the Indigenous stream may wish to address this focus within their application include: prioritizing First Nations, Inuit and Métis Peoples and communities in their research agenda; promoting cultural safety and appropriateness of researchers working in Indigenous health; adding value to the research through culturally relevant analysis of results; promoting equity and build capacity of Indigenous trainees and researchers in Indigenous Health. For non-Indigenous researchers applying to the Indigenous stream, Indigenous-living experience may be acquired through special circumstances such as close relationships and experience with Indigenous People, living an extended period of time (e.g., 5 years or more) on a reserve, in an urban environment such as a Friendship Centre, in a Métis or Northern community, or through similar experience with other Indigenous Peoples – e.g., Pacific Islanders, or South American Indigenous Peoples.

Application deadline: October 3, 2017

In the Indigenous stream, applicants are advised to focus on indigenous populations and, in particular, Indigenous knowledge systems and Indigenous-living experience. **Listening to the Beat of Our Drum: Indigenous Parenting in a Contemporary Society, Carrie Bourassa**

A collection of stories, inspired by a wealth of experiences across space and time from a kokum, an auntie, two-spirit parents, a Metis mother, a Tlinglit/Anishnabe Métis mother and an allied feminist mother. This book is born out of the need to share experiences and story. Storytelling is one of the most powerful forms of passing on teachings and values that we have in our Indigenous communities. This book weaves personal stories to explore mothering practices and examines historical contexts and underpinnings that contribute to contemporary parenting practices. We share our stories with the hope that it will resonate with readers whether they are in the classroom or in the community. Like our contributors, we are from all walks of life, sharing diverse perspectives about mothering whether it be as a mother, auntie, kokum or other adopted role.

Announcement of a premiers award for indigenous inclusion or indigenous innovation. Some initial work has already been done to flesh this out in the past.

In every meeting room a poster that acknowledges the territory the meeting is being held on. The ministry of advanced education has already done this and this is happening in other pockets across government.
