Hey Mo,

Just to keep you filled in, Kate forwarded your email to our Executive Director of Strategic Communications. Being that the end of session is today and it's going to be a very busy week following, you may not get a reply right away but don't be discouraged. I appreciate you reaching out.

All the best my friend,

Who is the best person for me to get in touch with on the party side of things in BC?

Evan,

We met in Victoria a few weeks back during the BC NDP convention. I was touring with Jagmeet Singh and I chatted with you and the Premier at the temple about the Province's marketing needs.

I'm wondering who the best person is for me to get in touch with? I've got a background in transcreation for advertising—a methodology we developed to bring ethno-cultural and linguistic relevance to messages and marketing that is created for mainstream audiences—and currently work as Director of Strategy at a digital agency called Skyrocket.

When we chatted the Premier mentioned that the government is looking for agency partners. Can you point me in the right direction?

Greetings and Salutations: Honourable Premiere John Horgan, Congratulations on your squeaker of an election win and the forming of a minority government with the support of the Green Party.

s.22
s.22 As such, I attended the NDP Convention in Victoria s.22 and voted in
favour of your leadership of the Party.s.22
During your evening party at the Grand Pacific, I had the pleasure to meet you once again, shake your hand s.22

Site-C Dam?:

s.22 I have worked s.2 years in the
B.C. Building trades and I'm proud of my good work and that of many thousands of other tradesmen that do their
best to enrich all British Columbians with the construction & maintenance of our heavy industrial infrastructures
including these BC-Hydro dam projects:
s.22

However, the Site-C project is another matter and one that must be CANCELLED for many reasons, some of which
are expressed in the BCUC-Report. What is not mentioned in the BCUC Report is the political/legal nightmare
scenario that will damage and quite possibly destroy your fragile government if the project proceeds.

Many First Nations lawsuits, environmental protests and lost political support for the NDP are sure to follow any
decision by your government to fulfill this Liberal-"white elephant" of a construction project.

The Site-C Project is a left-over pet project of the Christy Clark Liberals that dovetails with their now defunct LNG
pipe dreams. It is also a "political boobie-trap" that will explode in your governments face if you choose to allow it to
proceed to completion! Any displacement of the construction workforce will be off-set with the remediation and
restoration of the land and habitat for many years to come.

Therefore, I urge you and your cabinet to reject this fiscal nightmare and CANCEL the Site-C Project when you meet
this week. In doing so, your government will show the political courage and leadership where and when it is needed
most and thus remain true to the voters who gave their trust on this issue and gain the support of many more
British Columbians.

And yes Mr. Dodds will be one letter and the second letter to Crystal View will be addressed to both Mrs. Booth and Ms. Fiorin. They both teach that same class together.

Just for clarification the thank you's are to the children of the classroom not necessarily the teacher but would be nice if they were included as well

Hi – one last question – do you have a descriptive word/statement about the artwork provided by each class?

It would be great to say something along the lines of “Your snowman drawing was wonderful.” Or “The winter scene...” etc.

Something to differentiate the letters slightly...

Here’s the list of schools (& I now see that I don’t have grade info for 3 of the schools, so if that is known, that info would be great):

- Crystal View (grade 5)
- Crystal View (grade 4)
- Sangster (grade 4)
- Happy Valley (grade 3)
- Millstream
- Saseenos
- Colwood
- Poirier (kindergarten)
- Willway (kindergarten)

Thanks ☺

Hello Ms. Hussey,

I'm Evan Brown, reaching out to you from the Premiers office in regards to the wonderful drawings some of your students sent in to us.

A class from your school submitted Christmas drawings to potentially be used for the Premiers Christmas cards this year and

I was wondering if I may get the teachers name of the class who made the submissions so we could send them a thank you letter.

I appreciate your time and all of us at the office loved the drawings,

Thank you very much,

STATEMENT

Statement from Premier John Horgan on Transgender Day of Remembrance

VICTORIA - Premier John Horgan has issued the following statement to mark the Transgender Day of Remembrance:

"Each year on November 20, we honour the memory of transgender people who have been killed in acts of transphobic violence.

"Transgender people are increasingly visible in our communities. They are our neighbours, our friends, our family. A growing number of transgender people are speaking out, running for elected office and fighting to be recognized without prejudice. Yet when doing so, many put their safety at risk. Transgender people going about their daily lives are often subject to hateful crimes.

"We denounce these violent acts, and we stand with transgender, gender-diverse and two-spirited communities in support of their right to be who they are.

"I am proud that British Columbia prohibits discrimination on the basis of gender identity and gender expression. British Columbia gives transgender people explicit protections under the Province's Human Rights Code.

"A person's identity can never be erased. Today and always, we remember those we have lost. Together, we will build a more just and inclusive province."

Hi,

I'm following up my email of November 7th, where I was requesting a meeting on the BC Film industry, as promised to me by Premier John. With me would be Roger Larry, a producer, and Earl Hong Tai, former head of Telefilm West, who helped me write a recent Op-Ed in the Times Colonist and later in the Vancouver Sun.

You said you referred the matter to Amber Nash, your executive coordinator. I haven't heard from Ms.Nash and I don't have her email address.

May I suggest December 8th in Vancouver as the Premier is speaking at the Chamber of Commerce at lunch. How about a half hour right after? It would be convenient for my guys, because they live in Vancouver.

Would appreciate your help in this.

Thank you,

Good morning, Evan,

Just wondering if my previous email went astray. I met you with the Premier at the
s.22 and chatted about child care. I have a group of
Early Learning and Care students who would like to talk with the Premier or
whomever might be able to listen to them and answer some questions.

This group of students will be going out into the field in the next six months after their
two year program is finished. They are idealistic and hoping to make a difference.
While the picture of early childhood has been discouraging for the last few years there
is some feeling of hope in the air. These young people need to hear what might be in
store with the hopes of taking it with them as they begin this next journey.

Greetings all,

Our group lunch this Thursday is the buffet style Thai meal from LTP. This means ordering 2 or 3 noodle dishes, 2 or 3 rice/curry dishes, a vegetable dish or two, maybe some spring rolls, soup, crispy chicken feet, etc.

We need to submit the order by Wednesday noon for delivery Thursday.

If you could let me know if you're participating and if you have a suggested dish, or other delicacy, and we'll prep the order.

Most dishes priced at \$13. I estimate the total with tax and tip to be between \$13 and \$15 per person.

Here is the address to their web page with the link to their PDF menu:

I have a copy of the menu at my desk also.

Next Feb 24 1,700 young film makers meet. This would be a perfect place for Premier to attend. A ton of good publicity and a connection with the millenials who will decide the next election.

Hi Evan

You will recall at the Convention I approached the Premier about a future meeting with regard to the BC film industry. I left with you a copy of my OP ED piece in that day's Times Colonist. (link below). He agreed to such a meeting.

By the way Evan I'm a former NDP M.P. and M.L.A. who as Minister with then Premier Glen Clark brought in the film tax credit giving BC a billion dollar industry.

We need 1/2 hour. Vancouver would be better but we can come over to Victoria no problem. It's important we meet this month.

With me would be Roger Larry, a Producer and Earl Hong Tai, former head of Telefilm West.

You might want to join us yourself as this is interesting stuff. Layne Clark would also be a welcome edition.

Hello Evan,

Thank you for letting me know that the Premier is unable to join us on Nov. 25, but could you still help us secure greetings from him for inclusion in our program as soon as possible?

Also I would appreciate that he could encourage his cabinet ministers to support us with their personal participation in this citizen-led initiative in building a tangible cultural asset in the form of a destination museum where Canadians, especially those whose arrivals, struggles and contributions are fast losing to time if we don't act on them fast.

Any assistance you can provide us in communicating this urgency to the Premier will be appreciated.

Hi Evan,

Thank you! for your email. I totally understand the Premier has busy calendar. This event is very unique as it provides breakfast, entertainment, warm clothing, Footware and socks for the 500 homeless.

Are you not able to send a representative from the cabinet to represent the Premier?

The SFU Business Students, along with our supporting partners, volunteers and DTES community

would really appreciate the support. We are creating a great echo system to engage businesses such as

Westbank Corp, Superstore, JJ Bean, Foot solutions, Union Gospel Church, Chefs personal time from Glowbal Group, Nando's and private caterers.

We also have a live internet broadcast partner onsite NetRadioOnline.com (Over Million viewers around the world).

Our Provincial Gov't leadership support would complete this joint community initiative.

This is our 1st Annual event and many more to come to raise awareness and solutions for a major problem in our Province and around the World!

Thank you!

Best Regards,

Karim

Hi Evan,
Great to briefly connect with you at the recent Convention. I am the new President of the CA here in Penticton and we are enjoying some renewed focus. I understand that there may be an announcement that is bringing Minister Darcy and possibly the Premier to Penticton before the new year. This info has been held very tightly but I want to be sure to be well organized in advance if you can confirm the visit and timing.
Many thanks for any light that you can shed.
Kind regards,
Tina Lee

Next Feb 24 1,700 young film makers meet. This would be a perfect place for Premier to attend. A ton of good publicity and a connection with the millenials who will decide the next election.

Photographer, Riel McGuire will be at VCO to photograph the Ambassador visits with the Premier. I have given him your cell phone number and asked that he check in with you for each.

The photos will happen at the end of each meeting and during the gift exchange.

Annette Jordan will greet each of them upon arrival and escort them to VCO. She will also have the gifts for the Premier to exchange with each of them. If you can get Riel at the conclusion of the meetings before gifts are exchanged that would be perfect.

For each:

2:50 PM – France Gift Exchange

3:50 pm – Mexico.

Hey Eli,

So I've been trying to work some stuff out and it's just proving too difficult with the Premiers schedule. In order to actually "schedule" a meeting, a bunch of people need to sign off on it, kind of a headache.

What I'm thinking is, we're staying in Vancouver next weekend and I'll try to get us out for dinner at Steamworks. If he can't make it, then I'll just come down myself and maybe we could have a beer and chat.
If you're not busy, that is.

Hi Evan,

Thank you! for your email. I totally understand the Premier has busy calendar. This event is very unique as it provides breakfast, entertainment, warm clothing, Footware and socks for the 500 homeless.

Are you not able to send a representative from the cabinet to represent the Premier?

The SFU Business Students, along with our supporting partners, volunteers and DTES community

would really appreciate the support. We are creating a great echo system to engage businesses such as

Westbank Corp, Superstore, JJ Bean, Foot solutions, Union Gospel Church, Chefs personal time from Glowbal Group, Nando's and private caterers.

We also have a live internet broadcast partner onsite NetRadioOnline.com (Over Million viewers around the world).

Our Provincial Gov't leadership support would complete this joint community initiative.

This is our 1st Annual event and many more to come to raise awareness and solutions for a major problem in our Province and around the World!

Thank you!

Best Regards,

Karim

I hope you and the Premier had some time to rest after the crazy busy weekend.

I wanted to send thanks from Skeena Riding Association for taking the time to do the photo with our group.

In our riding the Liberal MLA is raising concerns about our hospital (Mills Memorial) replacement. The negative commentary is increasing.

I am wondering if you or JH can let me know the FACTS that I can share in order to cut off the rumors and fear-mongering that are occurring?

I can only ask "why in 16 years did the Liberals not replace the hospital?" so many times...

Any help or direction JH can me on this would be greatly appreciated. AND AGAIN THANK YOU!! We in Skeena are inspired to win back back our riding!!!!

s.22 is our local person and she will be sending you our gala invite shortly. The event will be on February 28 (rare disease day) and is usually attended by local politicians, drs, scientists, and of course families effected by rare disease. It is an awareness event only not a fundraiser. I will include the link to the rare disease foundation it has lots of great info (ex 1 in 12 Canadians have a rare disease).
