Hi Dawn-Lynn,

I apologize for the delay in responding. Please find attached a scan of the direct deposit form and the Consent for Disclosure Form.

The one thing I am not sure of is how I am to provide ID to my hiring manager for verification. Who is considered my hiring manager? s.22, so if I need to provide that to anybody, I can do it then. In the meantime, I have provided a photocopy of my drivers licence and passport.

When I filled out the forms, I did not know my employee number, but Keira in my office has tracked that down and it is s.22

Also, the information you requested:

Thanks.

Hello,

Geoff Meggs' out of office email referred questions to you and, when he did reply, he did not know the answer to my query.

I found OIC 265, for the appointment of Christine Valerie Kennedy as an ADM in the Premier's office. Is she the same Christine Kennedy who was a senior VP of corporate social responsibility at Canfor?

Sincerely,

Bob Mackin

Hi Don,

I am currently working on determining eligibility for ^{s.22} and I need some information from the Pension Corporation regarding your work history. They cannot release this information without your authorization. I've attached an authorization form that I will need you to complete in order for them to release this information to me.

If you are comfortable with allowing me access to your work history, please return the completed form to me. If you would rather contact Pension Corporation for the information and then provide it to me, you can email them at PSPP@pensionsbc.ca. Please provide them with your date of birth and current mailing address and let them know that you are requiring work history information in order to for your employer to calculate your ^{s.22}.

Thank you.

Mr. Wright,

In review of your forms I believe the only additional piece of information required is your mother's maiden name. If you could please provide me with that information I will advise the PCO.

Also, with regard to your identification, unfortunately a passport and drivers licence are both considered secondary identification. Are you able to provide a copy of your birth certificate as primary identification?

Please let me know if you have any questions.
