Subject: Swearing-in guest list

Hi Karen,

I hope you're well! I've been asked by the Premier's Office to provide a copy of the Swearing-in guest list from July, and unfortunately I can't access my files from the event as I was working with my Legislative Assembly account at the time, which is now defunct. I'm hoping you might have a copy of the list on file that includes the invitees email addresses. If so, it would be greatly appreciated if you could send it over to me- preferably today if at all possible.

Many thanks for your assistance, and please let me know if I should reach out to someone else in your office about this.

All the best,

Elena
