Blair Lekstrom called again this morning, a follow up to his VM msg yesterday.

He is seeking to coordinate an in-person meeting between Mayor Bumstead and the PREM.

Blair offered that the meeting concerns the mayor's information on the Peace River Agreement.

He suggests that this meeting should happen prior to the UBCM event of Sept. 25-29.

He offered that Mayor Bumstead would fly down to Victoria on short notice to attend the meeting.

He also offered that he is available to speak to Geoff regarding this matter as well.

His cell phone # below.

Not an emergency, but wanted to run this past you... (plus 2 extra things at the end).

Had a weird request for congrats msgs – essentially from a superfan of “When Calls the Heart”. She lives in California & is requesting congrats/appreciation msgs for the directors, writers, make-up artist & composer (about 15 or so ppl in total) that she says she'll, in turn, pass along to the Exec Producer to presumably distribute at the upcoming “Hearties” convention being held mid-Oct in Langley (the show is filmed just outside of there...).

They'd be easy enough to do, but it seems weird to do at the request of a fan vs someone actually involved in the show – or even the Mayor...

Plus, there's been a bit of a precedent set as CC apparently sent these twice before – once for the above grouping & once for the actors.

And, she's wanting them mailed to her home in California vs being sent electronically.

What do you think – should we do them?

(I've attached her email if you want to read it.)

Also wanted to just dbl check that things went through fine w/my OIC.

And wanted to touch base about leave requests for my branch. Am I still going to be looking after those?

Hi Geoff,

Further to our request for Premier Horgan to attend the TLA's 75th Anniversary Convention in Victoria on any of the following dates, Jan 17, 18 or 19 (preferred Jan 18 for the Leaders Luncheon aka the Premiers Luncheon), I wanted to share with you some research we have done as we prepare a book to help celebrate the TLA's 75th Anniversary.

The attached report shows the long history of Premiers participating at the TLA Convention. While we know most if not all have attended, record keeping was a bit less rigorous back then as some photo gaps do exist.

As a new NDP Premier, this is something to consider given this event is high profile.

Geoff,

Not a problem if it does not work out for Oct 4, just a matter of convenience. Another time would be appreciated.

As mentioned in brief last night, the past Premiers of BC (not just Liberals) have always made their first public speech of the new year at the TLA Convention. Media is brought in (at a Premier's direction) so it is a big event. This is a long standing tradition and serves to publicly demonstrate the connectivity and commitment between the Premier, the forest industry, specifically, logging contractors and rural communities.

The date of the luncheon where the Premier is slotted to speak is **January 18, 2018** (in Victoria at the Empress). The Premier makes a speech, sometimes announces forestry specific policy/regulation changes, meets with the TLA Board of Directors for a photo just ahead of lunch and sits at the head table with the Directors for lunch. Great opportunity to be seen supporting the industry. The Convention is a three day event, January 17-19.

The kicker is that this year's Convention is the 75th Anniversary - obviously a huge milestone and chance for extraordinary coverage. And as a new Premier - being at this event is very important.

It might be worthwhile for you and me to sit down, where I can formally introduce you to the TLA.

Truly hope the dates of the Premier's trip to Asia are not in conflict.

Regards,

David

Hi Geoff,

Good to connect last night. I had to run early to catch a ferry home.

The TLA is hosting a TLA NDP breakfast reception on Oct 4 in Victoria, therefore my executive is already in Victoria.

Any chance we can squeeze in a 30 minute private meeting with the Premier at 9:30 or 10 am after the reception?

The TLA executive has met with standing Premiers about two to three times a year, and gives that Premier a quick awareness of what forest workers are concerned about for issues on the ground. Given that the forest industry is approaching a crisis mode, it would be important to talk with Premier Horgan.

Certainly open to other dates as well.

Regards,

David

Hey Layne,

This is a super long shot but figured I'd send it your way.

There is an event in Rossland **this Friday** to which the province contributed **over 1 million dollars**. They are replacing a water main. Minister Conroy was going to attend but something has come up and she can't make it. Minister Robinson and Minister Mungall can't make it either.

Given the important role that small, rural communities play in our government's mandate, I was wondering if the Premier would be available to fly out for it. I understand this is very last minute but wanted to at least let you know.

Details are below:

Small Communities Fund: Rossland Washington Water Main Replacement Grand Opening

MINISTRY: MAH

ANNOUNCEMENT: Washington Water Main Replacement Grand Opening

SUMMARY

- Event celebrates the opening of the Washington Water Main Replacement, replacing Rossland's 100-year-old water main.
- The project received \$1,090,850 in provincial funding in 2015 through the Small Communities Fund, a joint provincial-federal program that supports infrastructure projects in communities with a population of less than 100,000 people. The city and the federal government also contributed \$1,090,850 each to the project.
- Opportunity for Minister Robinson, or another MLA speaking on her behalf, to speak at the event.

TIMING/LOGISTICS: (Brief Outline)

The City of Rossland is planning to hold this announcement on Oct. 2, 2017 (a sitting day), exact time TBC. Mayor Kathy Moore will speak. Federal rep TBC. Alternatively, we may be able to work with the city to change the date to Friday, Oct. 6th if the minister or MLA can commit to that now.

Yes – attached is a logistics note provided by PCO on Friday afternoon, which differs in some respects from the information they provided earlier in the week. Note that details of the agenda are still subject to discussion between federal and provincial/territorial officials. I think the overall start and end times are unlikely to change, though.

Hi Kate,

PCO provided some information on the FMM this morning on a teleconference of IGR DMs, based on a conversation PCO had yesterday with PMO. PCO hopes to distribute a logistics note tomorrow to formalize these details, but in the meantime here are my notes from the call.

- The FMM's location will be ^{s.15} the same location as last December's FMM.
- The agenda on October 3 will be approximately as follows:
 - 9:00 am: PM's meeting with three NIO leaders (possibly ending with a media availability)
 - 9:30 am: First Ministers' meeting with three NIO leaders. Theme: inclusion of Indigenous people in the economic growth agenda (e.g., labour force participation).
 - Break, and departure of NIO leaders.
 - 11:30 am: First Ministers' Meeting
 - Presentation on Canada's economic outlook from Bank of Canada Governor Stephen Poloz, followed by a roundtable discussion (one hour) (PCO will circulate the Governor's presentation to PTs in advance of the FMM)
 - Break
 - Discussion of Canada-U.S. issues, including NAFTA and softwood, with participation of Ambassador MacNaughton and Minister Freeland
 - Final quick roundtable
 - 2:30: Break
 - 3:00: Closing press conference begins
 - 3:30: Closing press conference ends
- PCO's plan continues to be that there will be no federal or joint communiqué, but they may release a very high level "readout" document. They could share this with PTs in advance.

- PCO's advice to PMO is that the closing press conference include only First Ministers, not NIO leaders.
- Delegation size in the room continues to be First Ministers plus five. **PCO would like confirmation of PTs' final delegation lists by this Friday.**
- **PCO asked that PTs confirm whether they are interested in joining an informal dinner the evening prior to the FMM.**

I should mention that in addition to the FPT itinerary, Premiers will need to make time for a Premiers'-only pre-meeting. This would presumably take place at breakfast on the 3rd. I should also mention that the events connected with the installation of the new Governor General, on the 2nd, are not included in the above notes.

Thanks,
Grant

Hi Kate,

I believe the Premier's hotel and flight info are with Amber Nash.

I will forward the meeting details from PCO as soon as I have them. In broad strokes, my sense is that the meeting may start earlier in the day on the 3rd, and go somewhat later, than we'd initially expected. I wouldn't be surprised if the Premiers-only pre-meeting needs to get pushed as early as 7:00 or 7:30 am, and the start of the closing press conference as late as 1:30 or 2:00 pm.

Are you asking for PJH's travel itinerary, or a collective itinerary for the FMM itself? If it's the latter: we have received nothing in writing from PCO. I haven't even seen a formal letter of invitation, though I'm told it has been written and either will be sent imminently or may already have been sent. Hi Kate,

PCO provided some information on the FMM this morning on a teleconference of IGR DMs, based on a conversation PCO had yesterday with PMO. PCO hopes to distribute a logistics note tomorrow to formalize these details, but in the meantime here are my notes from the call.

- The FMM's location will be s.15 , the same location as last December's FMM.
- The agenda on October 3 will be approximately as follows:
 - 9:00 am: PM's meeting with three NIO leaders (possibly ending with a media availability)
 - 9:30 am: First Ministers' meeting with three NIO leaders. Theme: inclusion of Indigenous people in the economic growth agenda (e.g., labour force participation).
 - Break, and departure of NIO leaders.
 - 11:30 am: First Ministers' Meeting
 - Presentation on Canada's economic outlook from Bank of Canada Governor Stephen Poloz, followed by a roundtable discussion (one hour) (PCO will circulate the Governor's presentation to PTs in advance of the FMM)
 - Break
 - Discussion of Canada-U.S. issues, including NAFTA and softwood, with participation of Ambassador MacNaughton and Minister Freeland

- Final quick roundtable
 - 2:30: Break
 - 3:00: Closing press conference begins
 - 3:30: Closing press conference ends
- PCO's plan continues to be that there will be no federal or joint communiqué, but they may release a very high level "readout" document. They could share this with PTs in advance.
- PCO's advice to PMO is that the closing press conference include only First Ministers, not NIO leaders.
- Delegation size in the room continues to be First Ministers plus five. **PCO would like confirmation of PTs' final delegation lists by this Friday.**
- **PCO asked that PTs confirm whether they are interested in joining an informal dinner the evening prior to the FMM.**

I should mention that in addition to the FPT itinerary, Premiers will need to make time for a Premiers'-only pre-meeting. This would presumably take place at breakfast on the 3rd. I should also mention that the events connected with the installation of the new Governor General, on the 2nd, are not included in the above notes.

Thanks,
Grant

Hi Kate,

I believe the Premier's hotel and flight info are with Amber Nash.

I will forward the meeting details from PCO as soon as I have them. In broad strokes, my sense is that the meeting may start earlier in the day on the 3rd, and go somewhat later, than we'd initially expected. I wouldn't be surprised if the Premiers-only pre-meeting needs to get pushed as early as 7:00 or 7:30 am, and the start of the closing press conference as late as 1:30 or 2:00 pm.

Hi Kate,

Okenge has asked that I follow up with you.

Are you asking for PJH's travel itinerary, or a collective itinerary for the FMM itself? If it's the latter: we have received nothing in writing from PCO. I haven't even seen a formal letter of invitation, though I'm told it has been written and either will be sent imminently or may already have been sent. I have heard some preliminary details verbally, which I can fill you in on if you'd like – but nothing formal.

Thanks,

Subject: request for letter of support for conference

Good morning Layne,

Dave Bennet of FortisBC was kind enough to share your name and email address so that I could reach out to you with a request for a letter of support from Premier Horgan for a conference we are proposing in British Columbia.

The Canadian Gas Association has submitted a bid to the International Gas Union (IGU) for Canada to host the World Gas Conference in 2024 in Vancouver, British Columbia. This is a major international conference that is held every three years and brings almost 8,000 people to the host city for a week. Washington is the host city for the next World Gas Conference in 2018, Korea will host one in 2021, and then we hope to host the one in 2024.

We believe that BC is the ideal province to host representatives from around the world.

The Canadian Gas Association is the only Canadian organization/company bidding for this conference. The vote will occur the last week of October in Tokyo, Japan. This is a link to our bid website: <https://www.igucanadasbid.com/>. As you can see we are very excited about the opportunity to showcase British Columbia to the world in 2024.

Request: I am wondering if it would be possible to have a letter of support from the Premier? We believe that there is value in showcasing British Columbia to the world. I have taken the liberty of drafting a sketch of a letter just so that you have the specific details on the who, what, where. Of course, feel free to amend and adjust as you wish – this draft was just meant to provide you with some of the information. This is a very simple letter, but would obviously be very very helpful to our bid.

By way of background, the IGU has 90 Charter members, 10 Premium Associate Members and 52 Associate members in 90 countries. Canada has been a member since 1933.

Layne, thank you very much for considering and I look forward to hearing from you. Happy to help or provide more information if that is useful.

Regards,
Paula

Dear Chief of Staff Meggs:

On behalf of Rio Tinto, let me thank you for your time to have a productive meeting on the morning of Tuesday August 29th.

I trust the status report on the first full year of operation of our newly modernized Kitimat aluminum smelter was of value to you. This \$6 billion investment will increase our aluminum production by almost 50%, increase the energy efficiency of the process by 33% and also reduce emissions by 50%. This investment will also secure the economic prosperity for many future generations of workers. We can now proudly inform you the Kitimat manufacturing plant with its new innovative technology and clean hydro power produces some of the lowest carbon aluminum in the world.

Furthermore the discussion on municipal taxation was of interest and will assist Rio Tinto in our future discussions on this matter.

As we discussed we hope to find an opportunity in either October or November to host the Premier to a tour of the newly modernized aluminum smelter and properly commemorate the facility. I have asked my office to stay in touch with your office to find the best time for this to occur.

In closing we will be in touch with your office to arrange a meeting with the Premier your Minister and the delegation of the Canada American Business Council on the morning of Sept 18th in Victoria.

Thank you again for your time, it was an enjoyable and productive conversation. If for any reason you wish to contact me, please feel free at Gareth.manderson@riotinto.com . My direct office number at (250) 639-8338.

Regards

Morning,

Attached is a list of meeting requests with the Premier during UBCM. We can of course try to do them all but I have highlighted what I think are the key meetings. Marlene needs confirmation of what meetings by Thursday, Sept 7th at 5pm. Please respond ASAP.

I think it is good but perhaps a minister and not the premier?

Hi Mira,

Thanks for taking the time to talk this morning. I know how busy your schedule is right now. Here's a summary of our event proposal.

Talk to you soon,

Nikki

Event theme: "Building Stronger Communities"

Attendees: Participants will be invited on the basis that they are playing a role in building stronger communities in Metro Vancouver and the Fraser Valley – either through governance, service provision, advocacy, creating economic opportunities and jobs, or supporting non-profit organizations (like UWLM) who support some of our most vulnerable citizens. The event would engage members of the new government (elected officials, senior political staff), as well as leaders within the corporate community and major employers who support UWLM through workplace campaigns and have an interest in community building.

Location and timing: Targeted timing would be October – during legislative session if in Victoria or during a break week if in Vancouver. We are flexible with timing and location. We would take care of all venue logistics and costs (in partnership with FleishmanHillard).

Format: Early evening reception for 25-50 people, with host bar and appetizers.
