I would like to thank you both for your time on Friday. The tour was exceptional – I thoroughly enjoyed learning about the history of your building's architecture as well as your community's history in Canada and British Columbia. Your prayer room, in particular, is breathtaking.

It was also a pleasure to spend time meeting with your Council following the tour. Your work at the Centre helps ensure that British Columbia continues to be a vibrant, diverse and welcoming place to live and the work.

Thank you, again. I wish you and all the best and I look forward to our next visit.
