It was extremely well received when I read it tonight.

Many thanks. Andrew

Hi Sage,

Nice chatting with you last week. I think you mentioned you were going to get this from Marie, but I was discussing the CASA external communications agreement this morning with our team and thought in case you didn't have it yet I'd send it along to you. I'm around today and tomorrow if you want to talk about this, and I'll be working s.22 Friday and next Monday and Tuesday, s.22
s.22 .

Thanks!

Agreement for coordination of External Communications between the BC Green Caucus and the BC New Democrat Government

This agreement is governed by the principle of good faith and no surprises found within the “2017 Confidence and Supply Agreement between the BC Green Caucus and the BC New Democrat Caucus”. In practice this requires both parties to work together in good faith to:

1. Provide adequate notice of public communications on policy covered in the “2017 Confidence and Supply Agreement between the BC Green Caucus and the BC New Democrat Caucus” or where consultation or collaboration is ongoing.
2. Policy initiatives contained within the “2017 Confidence and Supply Agreement between the BC Green Caucus and the BC New Democrat Caucus” are subject to consultations on the form that external communications will take.

The implementation and maintenance of this policy will be the joint responsibility of both the BC Green Caucus and the BC New Democrat Government. Approval for external communications, notice of communications, and coordination of joint announcements between the two parties is overseen by the designated body:

1. For the BC Green Caucus: Communications Director
2. For the BC New Democrat Government: Communications Director

Where approval is required by one or both parties, it is to be provided in writing (printed or electronic).

The communications teams from both parties will meet frequently to establish the formal and informal methods by which the BC Green Caucus and BC New Democrat Government will manage the external communications coordination, supporting the strength, stability and effectiveness of the minority government.
