Since there are Nations from up and down the coast from Alaska to Vancouver in attendance including Northern First Nations from the Skeena watershed this might be a great opportunity for John to talk about the fibre optic cable announcement. Hi Kate,

As discussed Tuesday at your office.

- 1) Attached is a letter from the Guangdong Community Association of Canada requesting a congrats letter from the Premier, by Feb 2, 2018, on occasion of The 9th Conference of the World Guangdong Community Federation to be held at the Vancouver Convention Centre from May 27 to 29 of this year (expected attendance 2000+ people). The Premier is requested to attend the opening session at the Convention Centre at 9am for a group photo and opening remarks at around 9:30am. I would recommend attendance by the premier.
- 2) As you may know, the BC-Guangdong Business Council is organizing a welcome dinner on Sunday Jan 21 at Guangzhou city to welcome the premier/ministers/official delegation upon their arrival from Vancouver the same evening. In order to thank the organizers (many of whom belong to both the Business Council and the Guangdong Community Assoc), and to promote the Guangdong Community conference in Vancouver, I recommend a proclamation by the premier, to be presented at the Guangzhou dinner on Jan 21. As discussed, would you please draft and produce the proclamation in commemoration of the 9th Conference of the World Guangdong Community Federation being held in Vancouver in May 2018.
- 3) I thought a few Chinese words on the proclamation would help in terms of media exposure in the Chinese media and I have asked Joseph Li of GCPE to help.

Thanks so much!

George Chow

An agenda will be available when you arrive.

We have a half day on Tuesday, February 6. We will begin with a light breakfast available in the caucus room by 8:30 and business starting at 9. The primary activity will be a session with employment lawyer Lisa Southern focused on harassment awareness and prevention. We will end at 12 noon.

I think we should do something albeit not necessarily the same format. We can do a lunch like Gregor's at Floata and introduce the advisory committee from the Chinese community (assuming we are having one). We can also use the opportunity to launch the Legacy book.

It is a red poster calligraphed by a well known Chinese painter. MLAs purchase the posters to have their names and info on the back. The posters are put up by people as a symbol of good luck during the new year. The launch was done in Chinatown Parkade accompanied by lions and reporters.

Subject: Request for a meeting with the Premier

Good morning Geoff,

I appreciated the opportunity to meet with you on November 10, 2017. During that meeting, you indicated that the Premier is interested in meeting the FNHC.

The Hon. Jane Philpott, Minister of Indigenous Services, called an emergency meeting of provincial Ministers of Children and Family with Indigenous leaders in late January 2018. Given the partnership between the Province of BC and the FNHC MOU and the FNHA and MOHS, we believe that we have an opportunity to exercise leadership in the lead up and the conduct of that National Emergency meeting.

During a recent teleconference with Minister Katrine Conroy, it became clear that the MCFD Minister and Deputy Minister did not fully appreciate nor understand the opportunity for developing a strategy for the national emergency meeting.

To address this concern, I spoke with Minister Adrian Dix and Deputy Minister Stephen Brown. Later this week, Stephen Brown is meeting with his colleague Deputy Ministers to brief them about the Province of BC and the FNHC MOU. I hope that this helps the MCFD Deputy Minister to understand and appreciate the opportunity to exercise leadership

nationally.

I'm hopeful for a meeting with the Premier soon. The FNHC is meeting with the BC Deputy Ministers on December 20th. I prefer that we meet before December 20th.

Thank you.

Dk.

Hi Rosie. I love Shirley and all that she does for us. I do think that an hour is a lot of time and I want to be sure that our Caucus time maximizes the ability of members to be connected to our plan.

Hi there. Doing a quick check to see if the executive would be interested in having Elder Shirley Alphonse open our caucus meeting on February 5th with a blessing, followed by a circle. Shirley would do a prayer and cedar blessing (this will involve smoking herbs and holy water) and pass around a feather inviting everyone to say a few positive words if they want (anyone can pass and just pass on the feather). It will probably take 30-60mins. Thanks for getting back to me on this one as quickly as you can. Roseanne.

Hi Jon,

These two reports have a lot of valuable suggestions for changes to the RTA, as well as Ministry procedures.

Worth a look I think.

Hi Layne – here's the draft of the msg further to the pkg that came from Ravi's office. We can also take the extra step of sending it in one of the more formal purple folders to make it extra special (hence the landscape orientation).

Let me know what you think of this one, too 😊

Very excited about this - although since it was 25 years ago, I will have to dredge the deep dark areas of my memory for details!

Suzanne, I thought that you would be a good person to assist her in this and I have copied Marie given her experience with this in the past. I do not need to be involved beyond this, but wanted to make introductions. Thanks.
