Subject: As discussed

Is there any urgency that requires ^{s.12} to come before the SI Committee on February 19th? There is currently no provision in *Budget 2018* (February 20th) for this proposal and there could be some benefit to moving this item to a future date, including to lighten the current agenda for the next SI meeting.

Thank you.

Good morning,

I just want to extend my thanks to everyone who worked on the Asia trip just completed for a job well done. During the 10 days the Premier travelled to four cities in three countries there were no problems, significant or otherwise, in the trip's organization and execution. Travel arrangements worked very well. Even more importantly, we had a very substantive and useful program at every stop. I know the Premier was happy to be heading home but very satisfied with the outcomes of the trip. Thanks to everyone, at GCPE and JTT, who was involved.

Dear Colleagues;

As a representative of an office or ministry currently championing the community fund we wanted to extend our sincere thanks and congratulations on a successful 2017 Campaign. Many of you and your staff took the opportunity to attend PECSF launch events and fundraisers hosted by volunteers in offices across the province.

We're proud to share with you that during the fall awareness campaign (September 27 – November 10) employees across the province raised over \$1,690,548.00 (over \$70,000.00 more than in 2016). Since the close of the official campaign, volunteers have continued to work diligently to report event \$ through eForms and capture late donors.

We'd like to invite you to join us for the January 2018 recognition event as we announce the final Campaign 2017 total and hand out recognition awards for the Capital region:

Subject: Tomorrow's Phase 2 Spills announcement and request to provide a heads up to the State of Washington

Hi Okenge:

This is scheduled for release 10:00 am tomorrow and Minister Heyman will be doing media at 11:30am after the Ministers-Chiefs Aquaculture meeting. We will be notifying stakeholders, First Nations, and local/federal governments this afternoon. You may want to let Governor Inslee's office know about the announcement. I'm not sure how protocol with Washington State works so I've included key bullets below as well as the embargoed NR in pdf. I'm pretty sure they will be strongly supportive of these proposed measures. I'm happy to walk them through any questions they might have.

VICTORIA –The provincial government is proposing a second phase of regulations to improve preparedness, response, and recovery from potential spills.

The first phase of the regulations, approved in October 2017, establish a standard of preparedness, response and recovery necessary to protect B.C.'s environment. With some exceptions for B.C. Oil and Gas Regulated entities, the phase one regulations apply to pipelines transporting any quantity of liquid petroleum products, and rail or trucking operations transporting over 10,000 litres of liquid petroleum products.

For the second phase, the province will be looking for feedback in five areas:

- Response times, to ensure timely responses following a spill;
- Geographic response plans, to ensure resources are available to support an immediate response that take into account unique characteristics of a given sensitive area;
- Compensation for loss of public and cultural use of land, resources or public amenities in the case of spills;
- Maximizing application of regulations to marine spills; and,
- Restrictions on the increase of diluted bitumen ("dilbit") transportation until the behaviour of spilled bitumen can be better understood and there is certainty regarding the ability to adequately mitigate spills.

The process to receive feedback on the proposed regulations will feature engagement with First Nations, to begin as soon as possible. To ensure the views of the broad range of stakeholders are heard, government will meet with industry, local governments and environmental groups over the coming weeks and months.

As well, the general public will be able to provide input online through written comments, once an intentions paper is released. The intentions paper will provide an overview of the proposed regulations, and is expected to be posted before the end of February 2018.

Subject: Executive Message for Supervisors: Work Environment Survey

Work Environment Survey

Good afternoon,

I am writing to ask for your support in ensuring that we have a high level of participation in the 2018 Work Environment Survey (WES).

As a supervisor, your focused support for the WES – including personally asking employees to take 15 minutes to complete the survey, as well as responding to the survey yourself – is integral to achieving a high response rate. In particular, please encourage all employees to complete the expanded demographic questions. These will inform our work on the Diversity and Inclusion Action Plan. Of course, all of these responses will be kept confidential.

The survey, conducted by BC Stats, will run from **January 30 to February 23**. To complete the survey, employees will click on the unique and personalized link found in their email invitation, which they will receive on January 30 or 31.

Operating under the authority of the Statistics Act, all information provided to BC Stats is kept confidential. Results will be used for statistical and research purposes, and to inform improvements at all levels of the BC Public Service.

This year, we're introducing a new element to the survey results. After employees complete the survey, they will be able to access **MyWES** – a new tool that allows employees to view their personal engagement results. Viewing these results provides an opportunity for employees to reflect on the aspects of their work experience that may be within their control.

As a supervisor, you may not ask employees to share their results with you. However, I ask that you are prepared to talk to employees about the engagement drivers and resources available in the event they choose to initiate a conversation.

For more information about MyWES, have a look at these Frequently Asked Questions. If you have questions about the survey, email BC Stats.

Sincerely,

Lori Halls
Deputy Minister
BC Public Service Agency

Subject: Tomorrow's Phase 2 Spills announcement and request to provide a heads up to the State of Washington

Hi Okenge:

This is scheduled for release 10:00 am tomorrow and Minister Heyman will be doing media at 11:30am after the Ministers-Chiefs Aquaculture meeting. We will be notifying stakeholders, First Nations, and local/federal governments this afternoon. You may want to let Governor Inslee's office know about the announcement. I'm not sure how protocol with Washington State works so I've included key bullets below as well as the embargoed NR in pdf. I'm pretty sure they will be strongly supportive of these proposed measures. I'm happy to walk them through any questions they might have.

VICTORIA –The provincial government is proposing a second phase of regulations to improve preparedness, response, and recovery from potential spills.

The first phase of the regulations, approved in October 2017, establish a standard of preparedness, response and recovery necessary to protect B.C.'s environment. With some exceptions for B.C. Oil and Gas Regulated entities, the phase one regulations apply to pipelines transporting any quantity of liquid petroleum products, and rail or trucking operations transporting over 10,000 litres of liquid petroleum products.

For the second phase, the province will be looking for feedback in five areas:

- Response times, to ensure timely responses following a spill;
- Geographic response plans, to ensure resources are available to support an immediate response that take into account unique characteristics of a given sensitive area;
- Compensation for loss of public and cultural use of land, resources or public amenities in the case of spills;
- Maximizing application of regulations to marine spills; and,
- Restrictions on the increase of diluted bitumen ("dilbit") transportation until the behaviour of spilled bitumen can be better understood and there is certainty regarding the ability to adequately mitigate spills.

The process to receive feedback on the proposed regulations will feature engagement with First Nations, to begin as soon as possible. To ensure the views of the broad range of stakeholders are heard, government will meet with industry, local governments and environmental groups over the coming weeks and months.

As well, the general public will be able to provide input online through written comments, once an intentions paper is released. The intentions paper will provide an overview of the proposed regulations, and is expected to be posted before the end of February 2018.

Hi Okenge. Manjit heard back from CBSA today and as described in our earlier email, the process essentially remains the same for ministers but would be expedited.

Our CBSA contact suggests that provincial ministers send a paper application (<https://www.cbsa-asfc.gc.ca/prog/nexus/paper-papier-eng.html>) directly to the Hon. Ralph Goodale, Canadian Minister of Public Safety. This will allow his staff to flag the request for priority to CBSA and expedite the process. However, ministers would still need to be interviewed by CBSA and U.S. Customs and Border Protection.

Sorry for the delay getting a definitive answer on this one.

Hi Layne;

I'm not sure who to contact regarding this request. Minister Darcy asked me to look into this today, as she heard that Ministers could somehow get a Nexus pass. Do you know anything about this, or who I could possibly contact?

I know in the past we were able to get special travel Visa for Minister's when going overseas, however I am not at all familiar with obtaining a Nexus pass for them. My thought is that they would "themselves" have to apply for it, through US customs as they need passport / Birth certificate info.

Any help or guidance would be appreciated.

Thanks!

Hello Okenge

It was a pleasure meeting you, however briefly, at the security briefing provided to the Premier et al on Jan. 15.

I just wanted to give you a little feedback following the briefing to the Premier last Monday. Both s.16 and I provided similar briefings to Ministers and DMs. The recipients appeared to be generally engaged, interested and appreciative of the briefings. Although some were already aware of security related issues, I think the briefings nonetheless served as a useful reminder.

As you are aware, Paul Stanley, BC Chief Security Officer and David HENRY, Service Manager, also attended the briefings. I was impressed with how knowledgeable and engaged they were.

s.15

s.15 GSO STANLEY stated that his office was in the process of preparing on-line security training for all BC employees (which presumably would be also available to MLAs and staff). I also presume that the responsibility for briefing MLAs would also fall under the Speaker's aegis. On that note, I am scheduled to meet with the Speaker and Sgt-at-Arms next week and will mention that comment.

s.16

All to say, please be assured that we stand ready and willing to assist in the future whenever and however you wish.

All the best,

Okenge:

This is a reception of 300 to 500 guests. Many govt representatives are being invited: Premier, Ministers, MLAs, MPs, Senators, government officials. (PJH not going; MBR will attend). It is really up to you if you want to take part of this huge social event. JTT officials usually go to represent the govt (Fazil, Brian Krieger, Paul Irwin, etc.). Lucy indicates that you will likely be invited to be part of a smaller group to meet the CG in a receiving line. Lucy: you may want to add to this.

In the past, the Chief of Protocol may have attended once or twice this event. Lucy is not planning to attend this year's reception.

Okenge:

Anika and Sukumar have been quite pro-active on the issue of Diversity and Inclusion. Sukumar has consistently mentioned to me that this is an emerging issue and that we should pay close attention to it – even before PMJT started to talk about it in national and international fora, **s.13,s.16**

s.13,s.16

Today,

both, Sukumar and Anika, met with the PSA Diversity and Inclusion Team as it is developing a public service program on this. Anika has a scan of all FPT jurisdictions' actions; she did some research on the federal approach, i.e. the government-wide action plan for all federal departments. The PSA Learning Centre did not know that MIRR has been applying Gender Based Analysis + (or GBA+) to their work. Anika informed them and she is putting PSA Learning Centre in contact with the right MIRR folks). Anika is also linking the Learning Centre with staff at Health. PSA will organize an agenda item on the GBA+ tool at the next meeting of their Executive Team, and Sukumar might be invited to the Executive meeting to give a quick overview presentation (i.e. federal-provincial, FPT, and Women Deliver connections).

As you know, PSA is in the process of establishing a new Diversity and Inclusion Executive Board. Anika would be pleased to support you on this board and help the govt to deliver on its agenda with respect to this. We can talk more about it next week, if you wish.

Depuis quelques années, à la demande de notre ministère des Finances, IGRS envoie Grant au lock-up du budget fédéral comme membre de la délégation de la province qui analyse le budget et donne un résumé presque immédiat au Premier ministre et au Ministre des Finances à partir du lock-up. Les autres membres de la délégation sont des collègues de Finance (Politique fiscale).

Finance a demandé d'avoir Grant encore une fois cette année. J'ai dit oui, sujet à ton approbation. Es-tu d'accord? Le budget fédéral pourrait être aussi tôt que le 28 février – ce qui est très tôt.

Merci,

"Richmond's mayor is cheering news that the federal Liberal government may slow down its marijuana legalization program.

In an interview with Quebec television network TVA, Prime Minister Justin Trudeau was quoted as saying, "The date will **not be July 1st**, I can assure you of that."

Trudeau went on to say the government is still committed to legalizing cannabis by "next summer."

<https://globalnews.ca/news/3926310/richmond-mayor-federal-pot-deadline/>

Prime Minister Justin Trudeau says "next summer," and not July 1, is the date cannabis will become legal across the country.

Trudeau shook his head when interviewer Pierre Bruneau asked him why he was so obsessed with July 1 as the date for the cannabis legislation to become law.

The prime minister said it "**would not be July 1**," but that it would be "for next summer."

"The date **will not be July 1**, I can assure you of that," Trudeau said. "I don't know where that date came from."

Hi Okenge,

These articles might be of some use to you. Though not, in themselves, "official" sources, they quote the PM and Health Canada. E.g., in the CTV article:

The prime minister said it "would not be July 1," but that it would be "for next summer."

"The date will not be July 1, I can assure you of that," Trudeau said. "I don't know where that date came from."

...

A statement issued by the Health Department last month said, "as previously indicated, the government of Canada intends to bring the proposed Cannabis Act into force no later than July 2018."

There have been several media reports that PMJT does not see "July 1" as the date that cannabis will become legal in Canada, rather "this summer". Some reaction includes, for example, Richmond mayor pleased if there is a delay (global article).

Christine I mentioned this to Bev Dicks (my ADM) yesterday. She would like you to give her a quick call when you have time and provide her an overview. She would like to connect with you on this. Thanks

Can temporary foreign workers get a BCSC?

- **Yes - Eligible individuals may qualify for a non-photo BC Services Card. To apply for a non-photo BC Services Card, temporary foreign workers need to:**
 - Make their home in B.C.
 - Have a work permit valid for six months or more
 - Enrol in B.C.'s Medical Service Plan
- **NOTE:** All new and returning residents are required to fulfill a wait period. The wait period is the balance of the month in which residence is established plus two months. If a Work Permit is issued after arrival in B.C., the wait begins from the date the work permit is issued.
- An individual with a temporary work permit would **not** be eligible for a photo BC Services Card.
- **BC Driver's Licences:**
 - If the temporary work permit is valid for <6 months and an individual may be eligible for an interim BC driver's licence (which provides driving privileges but doesn't have a photo). The interim driver's license shows the individual's address
 - If the temporary work permit is valid for >6 months, an individual may be eligible for a regular photo BC driver's license (which shows individual's address as well)

Does a Non-Photo BC Services Card help to provide evidence of residency?

- If a temporary foreign worker meets the above criteria, they would be considered to be "deemed a resident" of BC as per the Medical and Health Care Services Regulation. See below for information about "deemed residency".
 - This is a pre-requisite to being able to acquire a non-photo BC Services Card.
- Non-Photo BC Services Card should be considered as an acceptable form of secondary ID.
- The Non-Photo BC Services Card displays the individual's address. See: <https://www2.gov.bc.ca/gov/content/governments/government-id/bc-services-card/types-of-cards/non-photo>

(a) a person admitted to Canada as a student who,

(i) possesses a valid student authorization issued under the *Immigration Act* (Canada) before its repeal or a study permit issued under the *Immigration and Refugee Protection Act* (Canada), for a period of 6 or more months,

- (ii) continues to retain such valid authorization, and

Subject: Conclusion of discussions for a CPTPP / Conclusion des discussions pour un PTPGP

Dear Colleagues:

We would like to inform you of the conclusion of discussions on the Comprehensive and Progressive Agreement for Trans-Pacific Partnership (CPTPP).

As you are aware, on January 30, 2017, the United States notified its intention to not ratify the Trans-Pacific Partnership (TPP). Over the past year, Canada has actively participated in discussions for a new agreement among the eleven remaining members of the TPP (Australia, Brunei, Canada, Chile, Japan, Malaysia, Mexico, New Zealand, Peru, Singapore, and Vietnam). On November 10, 2017, in Da Nang, Vietnam, Parties agreed on the core elements of a new CPTPP Agreement, incorporating provisions of the original TPP, with the exception of a number of provisions to be suspended upon entry into force. Senior officials met in Tokyo, Japan, on January 22 and 23, to resolve remaining issues, including issues of importance to Canada such as autos and culture. The Parties have resolved the outstanding issues and concluded discussions.

The links to the Government of Canada's press statement are below.

Please note that our Deputy Minister of International Trade, Mr. Timothy Sargent, will be holding a call at 3:30 today with his provincial and territorial counterparts.

Many thanks,

Geneviève

Chers/Chères collègues,

Nous tenons à vous informer de la conclusion des discussions en vue d' un Accord de Partenariat transpacifique global et progressiste (PTPGP)

Comme vous le savez, le 30 janvier 2017, les États-Unis ont notifié leur intention de ne pas ratifier le Partenariat transpacifique (PTP). Au cours de la dernière année, le Canada a participé activement aux discussions sur un nouvel accord entre les onze membres restants du PTP (Australie, Brunei, Canada, Chili, Japon, Malaisie, Mexique, Nouvelle-Zélande, Pérou, Singapour et Vietnam). Le 10 novembre 2017, à Da Nang, au Vietnam, les parties se sont entendues sur les éléments essentiels d'un nouvel accord PTPGP, incorporant les dispositions du PTP initial, à l'exception d'un nombre de dispositions à suspendre lors de l'entrée en vigueur. Les hauts fonctionnaires se sont rencontrés à Tokyo, au Japon, les 22 et 23 janvier, pour régler les questions en suspens, y compris les questions importantes pour le Canada comme l'automobile et la culture.

Voici les liens pour le communiqué de presse du Gouvernement du Canada.

Veuillez noter que notre sous-ministre du Commerce international, M. Timothy Sargent, tiendra un appel à 15h30 aujourd'hui avec ses homologues provinciaux et territoriaux.

Au plaisir,

Hi Pierrette,

Prime Minister Justin Trudeau gave a [special address](#) earlier today at the World Economic Forum in Davos, Switzerland. His speech focused on how diversity and inclusion are key to a strong, sustainable economy.

A few highlights:

- Earlier in the day, TPP-11 countries concluded discussions on the new CPTPP;
- Countries must take care that the benefits of trade are fairly distributed;
- Gender pay gap is complex and requires analysis of issues such as parental leave and child care;
- Race, religion, sexuality, socioeconomic status and other factors must also be considered (i.e. Gender-Based Analysis +);
- Melinda Gates and Isabelle Hudon (Canada's Ambassador to France) will be the co-chairs for the G7 Gender Equality Advisory Council;
- Canada will host Women Deliver in Vancouver in 2019.

A full transcript is available [here](#).

Thanks,
Anika

Hi Layne;

I'm not sure who to contact regarding this request. Minister Darcy asked me to look into this today, as she heard that Ministers could somehow get a Nexus pass. Do you know anything about this, or who I could possibly contact?

I know in the past we were able to get special travel Visa for Minister's when going overseas, however I am not at all familiar with obtaining a Nexus pass for them. My thought is that they would "themselves" have to apply for it, through US customs as they need passport / Birth certificate info.

Any help or guidance would be appreciated.

I wanted to let you know this, in case it changes your own approach and/or obviates the need for you to separately make inquiries.

Thanks,

Good afternoon Marina,

This is to advise that the Consul Generals of China, Japan and Korea will be at YVR on Saturday, Jan. 20th by 9:15 a.m. to bid farewell to the BC Ministers departing for the Asia visit. We have requested them to meet at the large Bill Reid Jade Canoe sculpture (International Terminal, Level 3, picture attached), where Annette Jordan (cell: s.17) from our office will be with them. The sculpture is on the way between where the Ministers will check-in and the security clearance.

We have advised the Consul Generals that this intended to be a fairly quick low-profile courtesy farewell (shake hands), there will be no media invited and we are not planning to have an official photographer. If a photo is desired, it would be at the discretion of each Consulate General to arrange a photographer.

Please let us know, if Minister Beare can acknowledge the farewell from the Consul Generals near the Jade Canoe sculpture?

Good morning Amber,

As you may be aware, we have received directions from our DM to offer the Consul Generals of China, Korea and Japan an opportunity to quickly bid farewell to the Premier at YVR prior to his departure for the Asia visit. This will be a very quick opportunity to shake hands and have a photo. We will likely advise the CGs to arrive at YVR between 9-9:15 a.m. as I believe PJH needs to check-in by 9:30.

Will get back to you to confirm timing and location.

Hi Okenge,

Further to our call yesterday, here is some info for you on commitment to eliminate fossil fuel subsidies:

1) Paragraph 29 of the main text of the 2009 G20 communiqué, which is where the commitment originated:

<http://www.g20.utoronto.ca/2009/2009communique0925.html>

2) North American Leaders Summit 2016:

<https://pm.gc.ca/eng/news/2016/06/29/leaders-statement-north-american-climate-clean-energy-and-environment-partnership>

We commit to phase out inefficient fossil fuel subsidies by 2025 and call on the other members of the G-20 to do the same.

Hope that helps,
Alison.

Hi Tersesa,

The Health items were on previous agendas.

- Health Authorities Mandate Letter (Dec. 12)
- Reporting on s.12,s.13

PSSG has advised that the "Cannabis impaired driving RFL" was no longer going to CCSI, therefore not required to go to DMCSI.

Thank you,

Hello Marina,

In response to your message below, as the original request for this meeting was to do more with tourism and multiculturalism and not anything specific regarding the consular corp, it was our thought that Minister Beare was more suited for this meeting. Plus, the Japan Consul General has already met with Minister Ralston. If the Minister isn't available would your Deputy Minister be available? I also wanted to follow up with the request for the Consul General to meet with PS Ravi Kahlon. Thanks.

Shannon, Fazil, Wes, Mark and Richard,

Attached, for your information, is a letter that was sent on December 20 to Prime Minister Trudeau by Alberta Premier Notley, on behalf of all Premiers, regarding engagement with National Indigenous Organizations (NIOs) at FPT forums.

Alberta plans to forward copies of the letter for information to the PT chairs or co-chairs of all relevant Ministerial fora, including Minister Mark (re Council of Ministers of Education, Canada), Minister Ralston (re Ministers of Innovation and Economic Development), Minister Popham (re Ministers Responsible for Agriculture) and Minister Farnworth (re Ministers Responsible for Justice and Public Safety).

I wanted to let you know of this, so you're aware that these four B.C. Ministers will be receiving the letter, and that it reflects a consensus position of Premiers.

Please let me know if you have any questions or would like to discuss.

Subject: Indigenous engagement in FPT fora

Okenge: as brought up by Grant at the Daily earlier this week, attached is the signed version of the December 20 letter sent to PM Trudeau by Premier Notley, on behalf of all Premiers, regarding NIO engagement.

Alberta plans to forward copies of the letter for information to the PT chairs or co-chairs of all relevant Ministerial forums. Four of the recipients will be B.C. Ministers: Minister Mark (re Council of Ministers of Education, Canada), Minister Ralston (re Ministers of Innovation and Economic Development), Minister Popham (re Ministers Responsible for Agriculture), Minister Farnworth (re Ministers Responsible for Justice and Public Safety).

To provide a heads-up to the relevant DMs (Shannon, Fazil, Wes Shoemaker, Mark Sieben, and Richard Fyfe with cc to Don Wright and Doug Caul), you may wish to let them know that their Ministers will be receiving the letter and that it reflects a consensus position of Premiers.

Once you have sent the email to DMs, the letter will be circulated to B.C. senior official contacts for all tables (whether chaired by B.C. or by another PT). We have also already sent a copy to MIRR at staff level, in response to a request received from them ..

Thanks,

Subject: Upcoming FPT Status of Women Conf Call

Hello,

I just spoke with Glenys in HLTH and she reported that FPT Ministers responsible for the Status of Women are planning to hold a conference call on either February 8th or 15th. The agenda includes a discussion on s.16 and follow-up from their November meeting in Toronto.

A few points/questions for follow-up:

- This may be another opportunity to flag that B.C. does not have Ministerial representation at this table.
- Grant or Judi, do you know if any of the IRR/IGRS Principles documents/guidelines were shared with Glenys?
- Glenys would like to know who the best point of contact in IGRS is at the ED level for this FPT table – I said probably Grant, but thought I'd double check.

Thanks,

Wensink, Alison PREM:EX

Hi Okenge,

Fazil's office has asked to move his IT and Security briefing on January 18 to 12-1pm. This means you would have to decline, in order to fly back to Victoria at 12:30pm for Premier's Cultural/Protocol Mission briefing.

Will it be okay for you to miss Fazil's briefing?

Thank you,

Kelly Brubacher

Hi Okenge,

Just a quick note to backtrack on this. On our 3pm call with PO we were informed that PJH would like the 90 minutes on Tuesday to be on the program in market. The Thursday meeting will remain on the schedule for the cultural/protocol pieces. It sounds like GCPE may be setting up their own briefing separately.

Regards,

Brian

Thanks Okenge,

If we can cover that material, we no longer need the meeting on the 18th at 1:30. We can save the Premier and others some time.

I see a few options:

- 1 – try to get you on the phone at 10:30 am before your flight for a few minutes (on Jan 16)
- 2 – have one of your ADMs attend the briefing on Jan 16
- 3 – try to squeeze you into the Premier's IT Security briefing on Jan 15 from 12:30 to 1:30 pm.

The briefing for the Premier et al has been scheduled for a time that I will be travelling. Just curious how you guys plan to brief them on the stuff that only I know. Which we purposely have not included in the binder materials. Is there another meeting being set up to talk about all the energy related stuff?

Hi Okenge,

I believe the Asia Mission Final Program (Itinerary & Content) briefing on January 16, 10:30am-12pm was arranged by Amber. Dave's assistant Meghan flagged this for Amber as he is a key person when the invite arrived. This appears to be the only time available for Premier Horgan. Dave has an 11am flight and may be able to call in for the first 30 minutes, so perhaps he can begin the briefing.

If you'd like, I can contact Amber to discuss an alternate date/time.

Thank you,

There is one question that relates to stigma but it is from the perspective of whether an individual would want their family and friends to know if they were taking opioids. I am circling back to the team on whether we are aware of any surveys that establish a baseline around public perceptions and stigma.

I note that ministries are developing a number of strategies ^{s.12,s.13}

Do we have a full list of strategies currently under development? If so, could we develop a couple of one-pagers showing how all these strategies may overlap/intersect. Three one-pagers that come to mind are:

- 1 – Overall timelines (milestones) for all these strategies, particularly when do we plan to a) consult and b) publicly release final strategies.
- 2 – Stakeholder consultations (groups and timing of engagement) – Maybe GCPE has this info...
- 3 – Funding (and FY) associated with each strategy – FIN likely has this info...

Thanks for advising.

Okenge,

s.22

You will recall that we spoke recently concerning how we might fill a communications manager position for IGRS. As mentioned I would propose an arrangement as specified herein. This is draft only and we welcome any comments you might have. Of course, were we to agree upon a candidate, it would be necessary to revise this MOU to include the name and position/salary particulars. I believe I also mentioned that this is a model that we have employed in other current and previous circumstances (including with IGRS).

Well, for another year, millennials are turning away from our beloved monikers. I just don't get it. But then, I didn't expect the Royals to name that sweet boy George and it seems to have turned out okay (and copied by almost 50 of our fellow British Columbians).

Where ideas work

Citizens' Services - Jill Kot

Good afternoon,

After 26 years of dedicated service to the Province, Sarf Ahmed, Associate Deputy Minister of the Ministry of Citizens' Services (CITZ), is leaving for a well-deserved retirement. His last day with the public service is Thursday, January 25, 2018, and CITZ is excited to give Sarf a proper send-off.

You are invited for a get-together with Sarf in the auditorium of Victoria's Capital Park 1 building at 525 Superior Street, on Monday, January 22nd from 3:30 to 6:00pm. Please join us for some refreshments as we celebrate the significant contributions that Sarf has made in his career and wish him well on his retirement.

We're also creating a memory book to present to Sarf as a keepsake, capturing his career with photos, notable projects, work-related achievements, memories and comments. If you have some great pictures or memories to share of your involvement with Sarf, please send them by email to May.Yu@gov.bc.ca anytime between now and January 14, 2018, so we can include them in the book.

A minimum donation of \$5 per person will be appreciated and collected at the event. These funds will cover the cost of the event and support one of Sarf's favourite local charities.

Attached is a map with directions to the location as well parking information.

Thank you for helping to create one more special memory for Sarf before he embarks on his next adventure.

Jill Kot
Deputy Minister
Citizens' Services
