Hi Susan,

Perhaps you have already supplied this but I wonder if you could forward me the MLA contact list?

The one that MLA offices receive.

It would be helpful for me to know the various LAs and CAs to contact when required.

Thanks!

Hey Susan,

This is one that originally went to your office through Teresa and came here for consideration. We reviewed and decided that it should be sent to caucus to consider. We sent regrets from the Premier. Roseanne saw it and said that I should send it to you for review.

I also copied Heidi on this regrets as well.

Does this help?

Sorry if it makes more work but this was decided by others.

You may want to discuss with Roseanne.

Cheer,

Chris

**Subject:** Priority Parking in Q Lot

Good morning. If you're not already aware, there are paid parking spots available in the Q lot (Menzies & Kingston street) for your Ministerial Assistant and Executive Coordinator. If they would like to have a parking spot please send Elizabeth Parkinson the name of the MA and/or EA, their employee number (necessary for the deduction off of their pay cheque), and the make, model and licence plate number of the vehicle they will be using. Elizabeth will then issue the parking passes.

Thank you

If you can separate what needs to be kept for seven years (which is only expenses correct?) and what can be gotten rid of, and also what needs to go to his constituency office, that would be great.

Just a quick note that I sent a request for boxes to be dealt with in order for the caucus to have the room cleared and ready for interns by February 2<sup>nd</sup>. If you can connect with Sue on that and with Amber or someone in the leader's office to see what they want to do that would be good. The full list that Selina did is below. Thanks all. Roseanne.

Just a quick note that I sent a request for boxes to be dealt with in order for the caucus to have the room cleared and ready for interns by February 2<sup>nd</sup>. For Susan – there was also one Sue Hammel box and 7 leader's office boxes. If you can connect with Sue on that and with Amber or someone in the leader's office to see what they want to do that would be good. The full list that Selina did is below.

Thanks all. Roseanne.

Good morning. If you're not already aware, there are paid parking spots available in the Q lot (Menzies & Kingston street) for your Ministerial Assistant and Executive Coordinator. If they would like to have a parking spot please send Elizabeth Parkinson the name of the MA and/or EA, their employee number (necessary for the deduction off of their pay cheque), and the make, model and licence plate number of the vehicle they will be using. Elizabeth will then issue the parking passes.  
Thank you

Hi Shelley,

We have a new MA starting today and she would like a parking spot in Q Lot, please? Her name is Jessica Wood. Please let me know what you need for her to obtain a spot? I only put in for her transfer in this morning, so she is not yet up and running on her computer, so if you can relay the process to me, I will get the information you need from her!!

**Thanks,**

Good day.

So having no luck being able to send or receive scans or initiate printing from my computer to the printer that is in this office.

Assuming the LASS printer wont talk to my Prem Office computer.

Can you suggest who I call to get this resolved? Perhaps later this week when someone is rumoured to be out here to get me set up with the new computer that is rumoured to be coming?

Not an emergency.

Thank you Elizabeth.

It wasn't in my four MLAs' calendars (I don't know if it is in Minister's calendars or not) and I only learned about it this morning because Leonard Krog said his CAs mentioned it, but there was nothing in his calendar.

Did a note go out to ACs or CAs/LAs to let them know that?

I'll put it in my MLA's calendars for 11am on the 29<sup>th</sup>.

**Subject:** Contact lists - private and public

Roseanne -

Some ministers do not have EAs at the moment and they have notified Goneet that once they have someone in place they will let her know so she can update the list. But for the most part we think we have all the information that we need. The list will be a work in progress as staff gets in place.

We kept MLA phone numbers and addresses off of the public list, as well.

Have a look; then you and Bev and I should discuss who the private list should or should not be sent to (eg: MOs, COs, the PO, GCPE, Caucus staff).

As well, we could give the COs the public list to work off of whenever a constituent or organization contacts them asking for government members'/ministers' public mailing addresses or public emails.

Hi Randy - I guess it depends on how many folks have questions...but approx. how long do you think you will need on Wednesday morning? Is fifteen mins long enough?

**Subject:** security discussion for staff - Jan 31

Hi Randy – further to our phone call this morning, is it possible for Legislative Security to come to a staff meeting on Wednesday, January 31<sup>st</sup> at 9:15am in the Caucus Room? There will be Ministerial Assistants, Executive Assistants, and staff from Caucus and the Premier’s Office in attendance. While the constituency assistants now have a solid grasp of steps to take regarding different security situations, the rest of staff could benefit from you talking about a process that they should follow if they or their Cabinet Minister is put into a difficult/dangerous situation (e.g. who to email or call first – you/Greg/local police, who else they need to notify next – constituency and legislative staff).

You could let them know that their CAs all have access to the incident report form and that it should be filled out as soon as possible after the incident while details are still clear.

I think making the point that we hear from people more about big announcements and things like the budget, and to be prepared for interactions (usually negative ones) would be really useful.

Hi Layne

Randy says Ledge security will be happy to give a PPP on the 31<sup>st</sup> at 9:15am in the caucus room. He asked me for the MA/EA's emails in advance so he can send them the power point and other materials.

Do you give me the group email for EAs and MAs ?

For example, the group email for ACs is [LPACS@victoria1.gov.bc.ca](mailto:LPACS@victoria1.gov.bc.ca)

**Subject:** security discussion for staff - Jan 31

Hi Randy – further to our phone call this morning, is it possible for Legislative Security to come to a staff meeting on Wednesday, January 31<sup>st</sup> at 9:15am in the Caucus Room?

There will be Ministerial Assistants, Executive Assistants, and staff from Caucus and the Premier's Office in attendance. While the constituency assistants now have a solid grasp of steps to take regarding different security situations, the rest of staff could benefit from you talking about a process that they should follow if they or their Cabinet Minister is put into a difficult/dangerous situation (e.g. who to email or call first – you/Greg/local police, who else they need to notify next – constituency and legislative staff).

You could let them know that their CAs all have access to the incident report form and that it should be filled out as soon as possible after the incident while details are still clear.

I think making the point that we hear from people more about big announcements and things like the budget, and to be prepared for interactions (usually negative ones) would be really useful.

**Subject:** Veterans snubber by BC MLA's  
**Date:** Monday, February 19, 2018 10:01:59 AM

---

A group of Veterans were by the cenotaph located at the corner of Belleville and Government Street protesting the federal government – provincial MLAs were a part of the Moose Hide event and passed by the cenotaph (although Adam Olsen stopped to interact with them). This group of Veterans interpreted it as a snub.

Evening MLA's

I would like to take a few minutes of your time to say how disappointed veterans were today when you walked right by us at the Victoria Cenotaph like we didn't exist, it appears that you didn't want to even make eye contact with us, this was very

disturbing to us veteran that you would ignore us standing there.  
Only one MLA, MLA Adam Olsen took a few minutes of his time to acknowledge us and come and shake our hands while the rest of you couldn't wait to clear the cenotaph and get pass us, the event we were attending was "Veterans left out in the cold" protesting how the Federal Governments treats there veterans and I guess for the most part that the BC MLA's have taken a page out of the Trudeau hand book on how to treat veterans, well congratulations you did it, you managed to insult veterans the same way without saying a word, thank you for we didn't expect that from our local MLA's, I guess we were wrong.

Again I would like to say Thank You to Adam Olsen for treating us with respect and dignity.

Conversely, can you send me an up to date list of PO contacts and cell #s that would be for my eyes only and will be treated very confidentially.

For example, the last one I got did not have Sage's cell # on it.

H Tamarra - sorry it took me so long to get this to you.

Conversely, can you send me an up to date list of PO contacts and cell #s that would be for my eyes only and will be treated very confidentially.

For example, the last one I got did not have Sage's cell # on it.

Thanks Layne.

I heard from Tamarra in a separate email, so have copied her here.

It is confirmed that you and the Chief of Staff will attend from 3-3:45pm on the 25<sup>th</sup> ?

I'm sure the CAs would like to hear about the structure and functions of the PO, and an overview of us getting up and going, how the first session is going and what our goals are for the coming months. And then time for a few questions. Does that sound ok?

Thanks for including us!

Hi Layne – caucus is organizing day three of the upcoming CA seminar at Laurel Point Inn in Victoria on October 23-25. We'd love to have the Premier and Chief of Staff say hello and if possible Geoff or another PO representative spend about 20-30 mins talking about the structure of the office and its' functions. Longer if you think it's appropriate. The confirmed date for this is **Wednesday, October 25<sup>th</sup>**. We can accommodate whatever time of that day works; we have the room booked from 8:00am until 6:00pm (except noon to 3:00pm when CAs break for lunch and will walk over to the Legislature for Question Period).

Hi CAs,

Further to the note from the Clerk's office below, we're looking forward to seeing many of you in Victoria soon! As we have previously done, the Caucus will be adding another day in Victoria (Wednesday, October 25) for NDP office CAs to do some work together.

We are waiting for the Clerk's agenda for their two days, and will then draft our agenda for a third day, and get some feedback from you before we finalize it. We will organize the day to allow for a visit to Question Period on the Wednesday. We are also planning a CA social with our MLAs and other staff on the night of Tuesday, October 24<sup>th</sup>, location still to be determined.

On behalf of the caucus, we look forward to meeting all of you, providing timely and relevant information that supports your constituency offices, and having some fun.

Contact me if you have questions.

Good afternoon,

I am pleased to announce that the Assembly will be hosting a two day Constituency Assistant Seminar, in Victoria, on Monday October 23<sup>rd</sup> and Tuesday October 24<sup>th</sup>.

This seminar will feature presentations, breakout sessions, and networking opportunities covering a range of constituency office related topics including but not limited to the constituency office allowance, the centralization project, the constituency office portal, payroll and benefits, financial reports, information technology, and constituency office security.

The seminar is open to both new and experienced constituency assistants. The Assembly will be covering the travel costs for one constituency assistant per Member from a central budget. Additional attendees are welcome, but any travel costs will need to be funded from your constituency office allowance budget.

While we have a draft agenda prepared, we would appreciate your input so we can make the most of our time. Please spend a few minutes to complete this [survey](#) focused on potential topics and questions you would like us to address.

We will be providing additional logistical information shortly, including a link to the registration page on the [Constituency Office Portal](#).

We look forward to welcoming you to Victoria in October!

Sincerely

Craig James  
Clerk of the House

We'd love to have the Premier and Chief of Staff say hello and if possible Geoff or another PO representative spend about 20-30 mins talking about the structure of the office and its' functions. Longer if you think it's appropriate. The confirmed date for this is **Wednesday, October 25<sup>th</sup>**. We can accommodate whatever time of that day works; we have the room booked from 8:00am until 6:00pm (except noon to 3:00pm when CAs break for lunch and will walk over to the Legislature for Question Period).

Hi CAs,

Further to the note from the Clerk's office below, we're looking forward to seeing many of you in Victoria soon! As we have previously done, the Caucus will be adding another day in Victoria (Wednesday, October 25) for NDP office CAs to do some work together.

We are waiting for the Clerk's agenda for their two days, and will then draft our agenda for a third day, and get some feedback from you before we finalize it. We will organize the day to allow for a visit to Question Period on the Wednesday. We are also planning a CA social with our MLAs and other staff on the night of Tuesday, October 24<sup>th</sup>, location still to be determined.

On behalf of the caucus, we look forward to meeting all of you, providing timely and relevant information that supports your constituency offices, and having some fun.

Contact me if you have questions.

Good afternoon,

I am pleased to announce that the Assembly will be hosting a two day Constituency Assistant Seminar, in Victoria, on Monday October 23<sup>rd</sup> and Tuesday October 24<sup>th</sup>.

This seminar will feature presentations, breakout sessions, and networking opportunities covering a range of constituency office related topics including but not limited to the constituency office allowance, the centralization project, the constituency office portal, payroll and benefits, financial reports, information technology, and constituency office security.

The seminar is open to both new and experienced constituency assistants. The Assembly will be covering the travel costs for one constituency assistant per Member from a central budget. While we have a draft agenda prepared, we would appreciate your input so we can make the most of our time. Please spend a few minutes to complete this [survey](#) focused on potential topics and questions you would like us to address.

We will be providing additional logistical information shortly, including a link to the registration page on the [Constituency Office Portal](#).

The Fire Prevention Officers' Association of British Columbia is proud to announce the 2018 FPOABC 49th Annual Seminar.

From April 30 to May 3 2018, the Fire Prevention Officers Association of British Columbia will be holding its annual Education Seminar, AGM and Trade Show at the Hilton Vancouver Airport in Richmond, BC.

This event will be hosted by the Richmond Fire-Rescue Services. The award winning City of Richmond is a unique island city, favorably located within Metro Vancouver. It is comprised of a series of islands nestled in the mouth of the Fraser River with the coastal mountain range as a backdrop.

This seminar will bring together fire prevention officers and fire and life safety educators from across British Columbia and Alberta for four days of seminars, education, workshops and meetings on major topics concerning fire and life safety in our communities and for our members.

This year promises to be diverse and dynamic, covering sessions in fire investigation, fire inspections and public awareness and education. Along with health and wellness topics for our members, the conference will cover NFPA, ULC and other code compliant topics, exceptional guest speakers and an excellent opportunity to share information.

The 49th annual seminar magazine is produced by FireSafe Communications (FSC) Inc. The magazine will contain the agenda and background information as well as articles of current interest and relevance.

As a non-profit organization, we depend on support from the business community to help offset the costs of a comprehensive seminar agenda. Should you choose to support us, we thank you.

Sincerely,  
Gayanne Pacholzuk  
President, FPOABC

Hi there – in looking through this 2017 conference magazine (link at the bottom) the previous government took out a full page ad (pg 4) which we are currently dealing with/responding to in caucus.

They also submitted a letter from the Premier (pg 7) and from Minister of State for Emergency Preparedness (pg 9).

Wanted to make you aware so that if you want to get them a letter from PJH and MMF to contact the person below. If not MMF, we should get a letter from Jennifer Rice, Parliamentary Secretary for Emergency Preparedness.

Dear MLA,

The Fire Prevention Officers Association of B.C. are having their annual Conference, Seminar and trade show, It is being hosted by the City of Richmond Fire & Rescue Services. Fire Safe is putting together the conference Magazine  
These are the men and women who educate our children in the schools and the

community in fire safety and prevention.

We are asking for your support once again with an Advertisement in the magazine, It will greatly help us put it together and distribute it to all the delegates attending the conference, as well as mailed out to all the Fire Prevention Officers and the Fire Halls throughout B.C. for free.

We have no outside funding and our only way of support is through your help with an advertisement in the magazine. Here is a link to last year's conference magazine.

Attached is a letter and rate sheet for all ad sizes.

Please let me know if we can count on your support with an Advertisement.

Dear Hon. Premier,

I am writing to request a meeting with you regarding our proposals for the government of British Columbia to consider, which are long-expected by all Taiwanese communities in your esteemed province and can effectively promote not only trade relations but also exchanges in many other aspects between B.C. and Taiwan.

According to the information published by the Canadian Trade Office in Taipei, Taiwan is Canada's fifth-largest trading partner in Asia and twelfth-largest in the world. Total two way trade between Canada and Taiwan was valued over \$6.66 billion CAD in 2016, with Canadian exports totalling \$1.58 billion, and imports from Taiwan reaching \$ 5.08 billion. British Columbia, in particular, accounts for 26.27% of Canadian trade volume with Taiwan, and even accounts for 40.42% of Canadian export volume to Taiwan.

Moreover, as B.C. is promoting economic growth through innovation and technology, creating partnership between B.C. and Taiwan can be mutually beneficial. Taiwan has a complete industrial chain in manufacturing and high capacity of commercialization, while B.C. is very specialized in R&D. Therefore, there is great potential for cooperation.

I would greatly appreciate the opportunity to meet with you at your convenient time to discuss in detail the above-mentioned proposals. Should you have any questions, please feel free to have your staff contact my colleague, Mr. Jack Pan at 604-689-4111 ext. 233 or via email at ckpan@mofa.gov.tw.

Yours sincerely,

Government would get shirts for the entire assembly and then distribute to the other caucus and indys via Gov't whip's office.  
I think the organizers of pink shirt day just provided them to the government for no charge.

Good 'Throne Speech' Morning!  
I'm hoping you can shed some light on the process of procuring anti-bullying t-shirts.  
In the past did we buy then via CKNW website? I just remember them always being in a box at the Whip's Assistant desk... <https://www.pinkshirtday.ca/>  
Can you let me know the steps before they ended up at your desk? Do the other caucuses purchase their own or does Leg Assembly buy for everyone and distribute via the Whip's offices?  
Thanks for any information you can provide.

Hi Minister Darcy.

Good to see you yesterday at the ls.22

Meeting in Vancouver.

I just wanted to briefly follow up about the Pink Shirts, so I've attached a little information. (This is not a shameless plug, s.22  
s.22 )

We would be happy if you wore it on Pink Shirt Day, February 28th (but also to drum up some interest for ordering purposes if you wore it in advance) for social media purposes if you tagged it #pinkshirtday, @Stolo\_Services, or mentioned their website [www.nationscreations.ca](http://www.nationscreations.ca) it would guide people to the correct spot for ordering/information.

All the best, and I hope to run into you soon enough.

Sincerely,

That would be the other piece of this process – who coordinates the time and place for group photographs (that may or may not include the Premier, Cabinet Ministers and Government Members)?

I think it makes sense in this instance that the photo happen right after the caucus meetings ends tomorrow and before members go in for QP – easiest would be in the caucus room.

On behalf of Leonard Krog as caucus chair, the following members will wear ties/socks to wear tomorrow in the house; Leonard will do a two minute statement on Prostate Health Awareness.

John Horgan

Adrian Dix

Rob Fleming

Leonard Krog

Andrew Weaver

Rich Coleman was also given the tie/socks. The Speaker's office approved for all Members to wear prostate cancer awareness pins tomorrow; Leonard will distribute them at caucus.

Dave Cyr would like a photograph of the members wearing the ties/socks so that Prostate Cancer Canada can tweet it out. Would Meagan in Caucus Communications be the point person this type of requests?

Hey Ladies! Invite for PJH attached.

I dealt with Brenda Plant pre-election last year; really nice lady and organization.

When John couldn't attend last year, I asked her if advocate Leslie McBain (from Moms Stop the Harm and on the Board of the BC Centre for Substance Use) could have his ticket and she loved the idea and Leslie attended.

**An Invitation from Turning Point Recovery Society**

Dear Premier Horgan:

Turning Point Recovery Society has been assisting men, women and transgendered people recover from the disease of addiction in the Lower Mainland since 1982. Our mission is to improve the health and well-being of individuals with addiction issues, their families and the communities we serve, through a continuum of residential and outreach support services, education and leadership. We operate 6 licensed residential recovery facilities in the Lower Mainland, a social enterprise café and employment training center and the only Drop-in Centre in Richmond BC for individuals who are homeless or at risk of homelessness because of mental health and addiction issues. We are excited to have recently opened *Storeys*, our innovative supportive and affordable housing development, constructed in Richmond in partnership with 5 other non-profits – a first of its kind in Canada.

We applaud the government of British Columbia for the significant steps you have been taking to address the opioid overdose crisis and to ensure we have a variety of resources available in our communities to assist our most vulnerable citizens. These are extremely difficult days for those of us working on the front-lines; we are grateful to the Province of BC for your support.

Turning Point is thrilled to announce that we will be celebrating our **11<sup>th</sup> annual Making Recovery a Reality Gala** fundraiser; one of Vancouver's premier fundraising events of the year, on May 3, 2018 at Four Seasons Vancouver with special guest speaker, the iconic rock legend, **Alice Cooper!**

Our Gala is Turning Point's primary fundraising event to support and grow our addictions recovery services across the province. It is also an ideal opportunity to increase public awareness about the need for a continuum of addiction treatment services and to dispel many of the myths and misconceptions surrounding this disease. This year, with the increasing challenges across our industry related to the opioid crisis in our communities, it is imperative that we increase and intensify our efforts. Funds raised at our Gala this year will help us to do this directly by helping us to add new programs and services.

We would like to offer you a complimentary ticket to this event and would be especially honoured if you would be available to say a few words at the event itself. As a special guest, we would also like to invite you to attend our exclusive Sponsor's Reception at 5:30 pm in Chartwells at the Four Seasons to meet our Board of Directors, the event sponsors, other dignitaries, and our celebrity guest speaker, Alice Cooper.

Turning Point Recovery Society is committed to providing quality programming and ensuring that our doors will always be open to all those seeking help – regardless of their financial circumstances. Our fundraising gala helps support this mission.

We are a part of the solution. We hope you will join us as we continue to work together in Making Recovery a Reality.

Sincerely,

Brenda Plant, Executive Director  
Turning Point Recovery Society

Hi Don – I am copying Bev Bowen as she cleaned out VCO, but I am fairly sure a lot of items were recycled or gotten rid of. It's too bad this person did not come forward right after the election when there would have been a very good chance of recovery. That is almost a year ago that he left the maps there.

**Subject:** Re Items from the VCO

Hi Goneet,

I had a caller from the Lower Mainland <sup>s.22</sup> looking for two large maps that he left with staff in the old Vancouver Cabinet Office, 1055 West Hastings, last March 2017.

Amber tells me there were some items in the Caucus office, some that were transferred from the VCO, that recently were dealt, with some being moved into storage?

Let me know if this means anything to you (or someone else in your office) and if you can advise in any fashion, phone or email sufficient.

Thanks muchly,

Don

Hi Don – please tell him that the maps have not been found, but that you will keep his contact information in case they do. It is unfortunate he waited almost a year to make contact; when it became clear we would form government in July, offices started to be packed up and moved right away.

Hi Susan,  
Sorry for bringing this up again, but this gentlemen called again this morning (voice mail message) about his maps. Did you get any response from Bev on this?  
I just wanted to make, what I expect, is one last query on this before I break the news to him that his maps are lost for good—not looking forward to that.  
Thanks,

Hi Don – I am copying Bev Bowen as she cleaned out VCO, but I am fairly sure a lot of items were recycled or gotten rid of. It's too bad this person did not come forward right after the election when there would have been a very good chance of recovery. That is almost a year ago that he left the maps there.

Hope you're doing super well. Bumped into Leslie last night!

I just wanted to pass along a couple of community events that are coming up that I thought MLAs in Vancouver-Mount Pleasant and Surrey might be interested in. If someone does attend, would be great to know just so we can share with community stakeholders who are coming into VCO for a meeting with Minister Bains and P.S. Kahlon on Jan 29 for the anniversary of the shooting.

1) Jan 27: Vigil to mark the Quebec City mosque shooting in Vancouver- Victory Square:

**Subject:** Follow-up on video product

Hi Craig and Lisa,

I'm just following up on our meeting earlier. Here's what I'm thinking in terms of validators for a video product related to housing affordability:

Someone who is having trouble finding a place to rent or buy in the Interior

Someone who can't find a place to rent in the Lower Mainland, possibly a student

Someone who has moved because of the cost of housing

Anyone else?

My proposed treatment would be to blend the narratives of these people together into a Connect, Contrast, Solution arc but also have standalone vignettes featuring their story. The big challenge will be telling the story succinctly, and to find the right people (hence cc'ing Charlotte from Mira's team). Definitely interested in your thoughts and ideas, and whether you think there is a better approach to this. Shall we setup a quick follow-up call later this week?

Thanks so much,

Karl

I'm wondering if MLAs in the Victoria region might be interested in participating in Megaphone Magazine's upcoming Big Sell? We're moving the request through the pipes in the Premier's Office as well as it would be a great event to take part in if scheduling allows for it.

I'm still not totally clear who is the correct point person for circulating event invites to caucus MLAs. Could someone clarify?

**Subject:** Invitation | Megaphone's Big Sell

Hi Charlotte,

Hope this finds you well. I'm getting in touch with an invitation for the Premier.

Next week, [Megaphone](#) will host two events for our third annual "Big Sell," and we'd be delighted if the Premier could join us at either the Vancouver or Victoria event.

[Megaphone's Big Sell](#) sees local celebrities, business leaders, influencers, and politicians spend an hour as Megaphone Guest Vendors, selling Megaphone Magazine alongside our homeless and low-income vendors to support them and raise the profile of poverty and homelessness in our communities.

**Vancouver:** February 6th, 10:30-11:30am outside the Vancouver Art Gallery

**Victoria:** February 8th, 10:30-11:30am at Douglas and Yates

We'd pair the Premier with one of our vendors, and he'd try his hand at selling Megaphone Magazine to passers-by for about 30 minutes, alongside other Special Guest Vendors like Comedian Charles Demers, CUPE BC President Paul Faoro, PHS Director Jennifer Breakspear, and Architect Gregory Henriquez.

I'd be happy to share more information and answer any questions you might have.

Thank you for considering!

Very best,

Jessica

My gmail is s.22 , and 1130 tomorrow works for me.

Thanks so much Susan.

Could I trouble you to answer my questions below as part of my learning process? Just trying to piece together all the structures and responsibilities so I don't go around stepping on everyone's toes!

So based on the meeting it sounds like:

- CAs sending stakeholder data to you for 3pm; that will go to Premier's office by EOD (is that for Mira or someone else)?

-CAs requested links to PJH video and site C website along with some additional key msgs from issues management. Is it you who sends that kind of stuff? What info did they receive yesterday? Just thinking through whether prepping a response kit for CAs is part of the internal logistics side of my office's stakeholder outreach prep or if that is already handled elsewhere.

- brief discussion with CAs about possible town halls suggests a toolkit of public engagement strategies may be useful. I'm happy to generate that if I'm the right person, but it wouldn't be immediate so I'd love to talk with you further about what you think might be useful (and whether we simply distribute or hold a bit of a workshop).

Thank you for taking the time to answer my questions. I hope to be fully up to speed very soon!

Is there anything you think would be useful for stakeholder relations to prep for tomorrow's call?

Warmly,  
Charlotte

I think we will try for another tomorrow at 11:30am – does that work for either of you?

Then after that, just on an add-needed basis.

We just had our con call with Geoff and the CAs/LAs; it went well. There MLA's had Holiday Open Houses this weekend and those went well, too. There are two MLAs who have Holiday Open Houses tonight.

We told CAs that we will have a daily call (at least for this week). Does tomorrow morning at 11am work for you both to be on the call? It will probably 20-30 minutes long. You don't necessarily have to be on the call for the next four days, but I'm hoping for at least Tuesday and Wednesday.

Please let me know and I will add this information to CAs this morning as part of their materials package.

Hi Susan,

Sure! Happy to speak with them. Towards the end of the week is best for me. Friday?  
I have some thoughts on when to use each possible tool, though I haven't employed them all personally. I do know a great contact who teaches courses on public engagement (who taught me) if you are ever looking to get the CAs some great professional development! Is that a thing? Or does a budget line for their professional development even exist?

Hi Susan,

s.22 ! So I am indeed around Dec 27-29. The week of January 8 also works for me.

Attached is a little worksheet I often use to consider tools. I would be super happy to speak with you about the public engagement tools that I am familiar with. Mira and I would also be happy to put something a bit more fulsome together in terms of a workshop for early 2018 if that would be interesting and appropriate.

Let me know what works for you in terms of timing!

Thanks,  
Charlotte

## OVERVIEW OF SELECT ENGAGEMENT TACTICS

*This is far from a complete list.*

Deliverable	Details	Audience	Level of participation
Lectures/ dialogues	To provide more information and awareness on a particular topic. Can be used to initiate a dialogue.	Wide audience	Inform Consult Involve
Online questionnaires and feedback forms	Used for all phases of public engagement to get feedback on a particular topic. Online version should be the same as in-person copies. Include standard demographic questions to track who you are hearing from.	Wide audience	Consult
Online ideation platforms	To crowdsource ideas on a particular topic. Typically software enables users to submit, comment and vote on ideas. Very useful way to get topic on a defined question. Requires resources to moderate and promote.	Wide	Consult
Opinion polling	Statistically relevant survey that contacts participants through the phone or internet. Is useful to help confirm the results of other survey methods. This tends to be expensive to employ the research group.	Wide	Consult
Workshops	Useful for all phases of engagement processes when a deeper dive is needed. Useful for facilitating conversations and working through tradeoffs.	Narrow	Consult Involve
Walkshops	When you want to take your workshop outside and do a walking tour that stops to discuss different areas related to the project. Useful to expanding understanding.	Narrow	Consult Involve
Bikeshops →	A workshop that is a biking tour. Great way to gain understanding on a particular topic.	Narrow	Consult Involve
Focus groups	A focus group can be used to look deeper into a particular topic to see why certain opinions are used. Useful as a follow up to a survey to probe differing opinions.	Narrow	Inform Consult Involve
Public events	Can be used during any phase to raise awareness about the project, to provide information, to celebrate and more. Can take many forms. Look for groups doing interesting events and see if you can partner.	Wide audience	Inform Consult Involve
→ Open House	Commonly used method to get feedback on a proposed topic. Typically involves boards and staff who can answer questions.	Wide audience	Inform Consult Involve

Town Hall Meeting	Would not advise this strategy on a heated topic! Can get dominated by a vocal group and people with a divergent opinion are hesitant to get involved.	Wide audience	Inform Consult
Small group discussion	This is a better way to handle a heated topic. Break up the group into small tables of no more than 8 people. Each should have a facilitator and a subject matter expert where needed. Dive into concerns through this format. Everyone should be able to have the potential to hear from each other.	Narrow	Inform Consult Involve
Tours & Field trips	Really useful when you are asking people to image a built project that there are no examples of that type of development in their area. Facilitates experiential learning.	Narrow	Inform Consult
World cafes	A technique to have simultaneous small group conversations in response to predetermined questions.	Wide	Involve Collaborate
Open space meetings	In this format, the participants decide the topics they want to discuss. Useful for a conference on a topic that isn't that controversial.	Wide	Involve Collaborate
Community workbooks & toolkits	In this method, a workbook or toolkit is created to walk participants through an engagement process. Participants are asked to convene members of their network to go through the exercises and report back on what they found. This is most effective when there are ambassadors to take on this project or it can be linked into existing programming. Great to tap into volunteer energy.	Wide	Consult Involve Collaborate
Citizen's assemblies	Very resource intensive approach. Participants are randomly selected to participate on an assembly. They learn about the topic and deliberate on the best approach to move forward.	Narrow	Collaborate Empower
Co-Design	In this method, a participant sits with a designer who draws what they are doing in a future state. The question asked is "If you were to come to this place in the future, and it was designed entirely to your satisfaction, what are you doing?"	Wide	Consult Involve Collaborate
Charrettes	A multi-stakeholder design event that takes place in a compressed period of time. Expensive, and requires having the right decision makers at the table, but a really worthwhile exercise to build ownership in the solution.	Select stakeholders with broader public input	Collaborate Empower
Co-organized events	Working with an organization that already has an existing event, and partnering with them to have an event focused on your topic. Really useful to connect with people not already aware of your project.	Narrow to wide	Involve Collaborate

Task Force	In this model, decision making power is turned over to a group of people who are either appointed or selected through a competitive process. The Task Force learns more about the topic and creates recommendations to be implemented.	Select individuals	Empower
Advisory groups	Advisory groups take many forms. From champion networks who help get people out to public consultation events, to advisory groups that provide input on the proposed directions. This is a good role for external experts to hold, to advise your project.	Select stakeholders	Collaborate
Interventions	For infrastructure projects, you can pilot the proposed solution through a set of interventions. Keep the pilots up for a set period of time and collect feedback on the proposed solution. Good to gain attention and for facilitating experiential learning.	Wide audience	Consult Involve
Community group meetings	Plan to visit a regular community meeting to share information about your project to that audience. This is a great strategy to get specific demographic feedback.	Narrow	Consult Involve
Expert Elicitation	A process to synthesize expert opinions on the topic.	Wide	Inform Consult
Webinars or virtual meetings	A way to hold a workshop or a presentation online.	Wide	Inform Consult Involve
Participatory budgeting	A democratic process in which participants decide how to spend part of the budget.	Wide	Empower

## OVERVIEW OF SELECT OUTREACH TACTICS

*This is far from a complete list. Most of these tools would fall in the inform category. All of these tactics could reach a wider or narrow audience.*

Tactic	Details	Level of participation
Website	To share information about the project, including opportunities to participate, reports on what has been heard already. URL should be easy to remember.	Inform
Email notifications	Create a project email distribution list. Send periodic emails to keep people informed on the progress of the project and opportunities to participate.	Inform
Working with networks of networks	Create a champions network of interested organizations and ask them to share information about your project with their networks. A very effective strategy.	Inform Consult Involve
Mail-outs	Physical mailings to homes and businesses within a geographic area of your project.	Inform
Social media	Using facebook, twitter, instagram, periscope, snapchat, or any other social media platform. It might be better to use existing accounts and networks to promote your project rather than starting new accounts and going through the effort of building an audience. Provide ongoing updates and have someone monitor the comments.  Create a project hashtag and advertise it on everything.	Inform Consult Involve
Ads	Newspaper, online, radio, TV, and social media ads. Select based on your target audience.	Inform
Posters	To place in public spaces around the targeted area to notify people about the project and opportunities to participate	Inform
On-site signage	Physical signage placed on site to notify people passing by about the project and opportunities to participate.	Inform
Displays	Boards for public engagement events	Inform
Project business cards	With website information. To hand out at public events to direct people to the website and opportunities to get involved.	Inform
Media strategy	Using news released, media briefings, pitched articles to solicit earned media.	Inform
Tabling at events	A useful way to get the word out about your project. Create a colourful display to attract people to your booth. Having give-always, prize draws or interactive games are useful for attracting attention. Same with kids activities and dog treats.	Inform Consult
Videos	Create a short video to provide background information on your project and invite people to participate. Think through the format and how to advertise. Talking heads videos aren't always effective.	Inform
Project Ambassadors	Work with influencers in the community to be ambassadors to your project. This is particularly useful with different language and cultural groups.	Inform Consult Involve Collaborate
Infographics	An engaging way to present information in pictures.	Inform
Brochures or other	Useful to provide more detailed information.	Inform

information handouts		
Newsletter	A way to keep people up to date with what is happening with your project and opportunities to get involved. Determine a distribution strategy.	Inform

Hi Charlotte. I will send out a reminder about Mosque events in today's Day Ahead. Just wanted to know if you have confirmation that Min. Heyman will be at the Friday Jan 26 event. And if you have any further info about others who will be attending other events. I have copied Susan Vasilev, who may also have some info. Thanks.

Hi LAs and CAs (of Lower Mainland MLAs)

Please let me know as soon as possible if your MLA can attend the LNY brunch on Friday, Feb 16 --- it would be great if lots of MLA came out to be with the Premier.

I realize the MLAs will be in Victoria this week with session so it might make more sense for their LAs to canvass them about their availability for the Friday lunch.

Either way – let me know...😊

Also here is a list of LNY events.

Thank you!

Thanks so much for all of your effort to make the memorial event happen today. Despite last minute changes, we pulled it off smoothly and reinstated a very important event at the Legislature. I look forward to doing it again next year with greater community engagement and much more advance notice.

Hi folks –

I know all of us have been working on the Dec 6<sup>th</sup> event (or lack thereof) and I want to pull us all together. There is a strong interest from many caucus members to attend some kind of event while in Victoria. Given that there does not appear to be an event in Victoria on the 6<sup>th</sup>, I'm wondering about the possibility of hosting something ourselves. I'm imagining working with a local women's organization and holding a moment of silence inside or outside of the Leg. Thoughts?

Thanks

Thanks, Susan. I also spent some time in this today so really glad you looped us all together.

We had originally thought there was a gathering on the Leg stairs but it appears that as an old event. I can't find any events other than those you mentioned, which is problematic because of everyone being in Victoria.

I am looking into the 2 min statement. I know Bowinn Ma was interested in doing so as an engineer.

More to follow!

PSAC is not doing anything in Victoria, nor is the City of Victoria itself, and there is no event on the Legislative Precinct. I left a message this morning with the Status of Women regional office to learn more about BC events and never heard back. I am waiting to hear back from Victoria Labour Council. Here is a link to the signed proclamation (<http://www.bclaws.ca/civix/document/id/proclamations/proclamations/DayRemActnViolWmn2017>) but I am unsure how it is being used. Maybe one of you know?

I found these two events, but am not sure if we have anyone attending.

<!--[if !supportLists]-->1) <!--[endif]-->End Violence Against Women 7th Annual Candle Light Vigil - Holland Park, Surrey, 6:30-7:30pm December 6th.

<!--[if !supportLists]-->2) <!--[endif]-->UVic is commemorating the National Day of Remembrance and Action on Violence Against Women with a Walk to End Gender-Based Violence. Meet in front of the Student Union Building on Friday, Dec. 1 at 11:30 a.m. for an opening address and walk of solidarity. The walk will be followed by spoken word poetry, a moment of silence and refreshments.

Also wanted to check that it there's an MLA is doing a two minute statement on it this week?

I didn't hear back from many of you regarding this and realize that MLAs are over in Victoria December 5<sup>th</sup> and part of December 6<sup>th</sup>. Some events are being held on different days (e.g. UVic is commemorating the National Day of Remembrance and Action on Violence Against Women on **Friday, December 1st** with a Walk to End Gender-Based Violence at the SUB at

11:30 a.m).

Please let me know about any events taking place in your region, regardless of whether your MLA is attending or not. Thanks to those who have let me know about what their MLA is doing to mark this Day of Remembrance. I understand some CAs are attending events on behalf of their MLAs; we want to have a presence wherever possible.

I have the framed photo and will take it over tomorrow morning and meet Joleen at 9:30am.

Once I get the final ok from Mira, I will ensure that MLAs and caucus staff get the invitation (via Roseanne Moran) and that LAs/ACs put it in the member's calendars (via the Whip's office), as well as I'll get the ACs to pass it on to all minister's office.

The invitations to all of the various departments of the precinct staff and to the Liberal and Greener caucus needs to come out from the PO.

I've never heard of her name, but glad to review all of my emails/lists.  
I'm holding on all EA's until next week when we have (hopefully) finished the majority of the MA's.

Thanks, Maura.

Hi Danny

I am s.22

s.22 - just wanted to flag that with you and confirm you will follow up with s.22 to set up an EA interview in Vancouver as per Mira's instructions (after the MA interviews are finished).

Do you have any MA interviews for me to set up for Victoria for tomorrow or Monday? I have three MA interviews and an AC interview set for tomorrow in Vic for Maura so far.

Thank you, Susan

Hi Susan –

We will get to the EA interviews next week and can interview her here. I'd like to hold on the EA's until we have completed the MA's.

Many thanks!

Apologies it took so long to get this to you.

Maura did 11 interviews today and I made sure she had a 2nd person (interviewer) in each one; tomorrow so far we have six.
