Dear Premier,

Thank you for your great support, **Childlike Faith Academy of Music and Theatre's** fourth children's musical production "**MIGHTY MO**" was a great success! Having the support from communities in Greater Vancouver, **Childlike Faith Academy of Music and Theatre** continues to celebrate its fifth year by presenting our upcoming annual grand children's musical production, "**NIGHT AT THE BIBLE MUSEUM**", in English with Chinese subtitles. Such musical will be performed on June 23<sup>rd</sup>, 2018 at Norman Rothstein Theatre, designed to be family-oriented and suitable for both English and Chinese speakers of all ages!

**Childlike Faith Academy of Music and Theatre** is a new children ministry to Sacrificium Society of Production, please kindly refer to the attached document for the official registration as a non-profit society. Our mission is to give the next generation a platform to learn about themselves, develop self-confidence, learn how to express themselves, be able to interact and socialize with other people in group settings, and to unleash their full potential in fun, easy, interesting and artistic way!

**Childlike Faith Academy of Music and Theatre** would like to ask for a letter of support of our contribution to developing the artistic talent of young children. And by engaging them in collaborated performing-arts activities, our programs further develop the characters of the young children. Furthermore, we would like to publish your kind letter of support in the event booklet on both of the show days. Should you have any further question, please do not hesitate to contact me by phone or via email.

**I look forward to your reply. Thank you for your continuous kind support!**

Sincerely,

Elizabeth Chau

Hi everyone – not sure if this will impact more than just a couple of folks, but letting everyone know...

When we send out letters – either proactively or as responses – that include any mention of the Premier’s office setting up a meeting in the future (or info instructing people to connect – eg. Telling a gov’t liaison person to connect with a DM to set up a mtg that will involve the Premier), we need to make an extra copy of the signed letter & ensure it gets delivered to scheduling so that things don’t fall through the cracks.

Scheduling will then have the ability to log it in Cliff as a scheduling request or do whatever they want to track things on their end.

Let me know if you have any questions.

Hi Andra,

I understand from Stephanie Glube you are the Executive Assistant to Minister Rob Fleming. Would you mind asking Minister Fleming if he is willing to sign the attached Anti-Bully Pledge Sheet (same one as he has signed before). You can then scan and send it back to me or, if convenient, place it in the mail (OR, I can pick it up).

Would you please forward this request to Premier Horgan's office ? I have attached the specific Pledge Sheet for him as well (he has also kindly signed Pledge Sheets for me in the past and is a Reynolds Graduate – we're so proud of him 😊).

I hope they can sign these Pledge Sheets asap so I can post them on our school wall BEFORE Pink Shirt Day on the 28<sup>th</sup> along with the hundreds of other ones I post annually from First Responders, Community Businesses, Students and Staff from Reynolds. Premier Horgan and Minister Fleming will have a special location reserved and accompanying signage for their Pledge Sheets.

Both of the Pledge Sheets should be neat, tidy and have a colorful blue border around them. If in any way they look like the formatting is off, etc., please let me know.

If you have any questions, you can reach me on my cell s.22

Thanks very much,

Hi Karen – the email contact is: [ootd.afmlabc@gmail.com](mailto:ootd.afmlabc@gmail.com)

The letters in the address stand for Order of the Day (the publication produced by the) Association of Former MLAs of BC.

Brian Kieran is the current Editor.

After emailing them to ensure they were notified of former Premier Barrett's passing, Brian responded saying that they would welcome a tribute letter from the Premier to be included in their upcoming (March) issue (published quarterly). When I had looked through the issue published after former Premier Bennett passed away, there was nothing from anyone currently sitting in government – just other former MLAs/Ministers – so, we hadn't initially sent them anything. But, following Brian's request, we've sent a tribute message from the Premier to be included.

Dear Premier,

Thank you for responding to my email. We as nurses would appreciate just a letter of encouragement so we can read it to all at the event. We worked so hard to influence physicians and patients to adhere to evidence-based practices. We have turned Richmond Hospital around from the highest caesarian sections to best vaginal births rates 2015-2016. We hope to encourage others to follow our lead. This will go a long way

**Subject:** Richmond Hospital Evidence Based Practice Event

Dear Premier Horgan,

Our birthing unit at Richmond Hospital has had the highest vaginal birth rates in the province of British Columbia. A decade ago we have had the highest caesarian section rates in the province. Through hard work and evidence-based practices, we have turned this terrible statistic around. In the current climate of costs containment in health care, this cannot be ignored

We are celebrating our evidence-based practices with other hospitals and colleges on March 6, 2018 to share information on how to change practices.

Would you please send us a letter of recognition of our hard work so I can share it with all other obstetrical professionals? It would be very helpful and greatly appreciated if you could. The event will be held at our hospital.

Warmest Regards,

Dorothy McKune

Dear Premier Horgan,

Our birthing unit at Richmond Hospital has had the highest vaginal birth rates in the province of British Columbia. A decade ago we have had the highest caesarian section rates in the province. Through hard work and evidence-based practices, we have turned this terrible statistic around. In the current climate of costs containment in health care, this cannot be ignored

We are celebrating our evidence-based practices with other hospitals and colleges on March 6, 2018 to share information on how to change practices.

Would you please send us a letter of recognition of our hard work so I can share it with all other obstetrical professionals? It would be very helpful and greatly appreciated if you could. The event will be held at our hospital.

Warmest Regards,

Dorothy McKune

Hi Charlotte – I just got off the phone with Cara who contacted me to see if I could prepare the statement as a message from the Premier.

Please see the attached PDF & let me know if this will suffice.

I understand that the event is at 10:00 tomorrow. I'm planning on leaving asap, but can tweak this first thing, if needed.

FYI – we would typically print this off on cardstock if it's to be handed out.

John Horgan, M.L.A.  
Premier of British Columbia  
Victoria, BC

Sub: Request to Chair or deliver welcome remarks the 11<sup>th</sup> World Religions Conference, Victoria, BC - Sunday, February 11, 2018 from 3:00PM to 6:30PM

RE: Theme: ***Vying with one Another in Good Works***,  
Venue: David Lam Auditorium, MacLaurin Building, University of Victoria

Dear Premier,

We are inviting you to Chair or deliver the welcome address at the World Religions Conference, being held at Victoria, BC on Sunday, February 11, 2018, from 3:00PM to 6:30PM moderated by Dr. Grace Wong Sneddon, RCC, Ph.D vice Chair Victoria Foundation & Director, Academic Leadership Initiatives and the Adviser to the Provost on Equity and Diversity at the University of Victoria.

Our community, The Ahmadiyya Muslim Jama'at, has been proudly organizing interfaith conferences around the world since last one hundred and thirty years. The objective of these conferences is to create awareness about the teachings, and to promote respect, harmony and understanding among various faiths and beliefs. We were honored twice by Lieutenant Governor Dr. Stephen Points and Lieutenant Governor The Honourable Judith Guichon, OBC. but no premier or deputy premier ever attended and presented welcome remarks. Please spend your precious time with us and deliver welcome remarks to 300 guests

#### Theme Background

Desires and ambitions should be aspired and suppressed under the divine guidance so that a perfect balance is achieved. Without such a balance, it is impossible to achieve social peace. Religion promotes such desires and ambitions which are largely independent of one's financial capacity and are available to individuals at all levels at no or nominal cost.

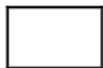

The ambition to rise above the common run of people, and to attain distinction is but natural. However, this natural desire to excel and rise above others, if left undisciplined and uncultured, can become unwholesome. We have requested the speakers of various faiths to present their lecture on how their religion trains their members to vie with one another in doing good works.

Yours sincerely,

Rizwan Peerzada

There's a whole slew of policy via Protocol on the steps to follow.

The Premier issued a statement & he's spoken with s.22. A letter of condolence from the Premier has been drafted & I'm awaiting PJH's feedback on it before finalizing (hopefully getting that later today).

FYI – The Association of Former MLAs of BC has also been notified & a msg from the Premier has been sent to them that will be included in their Spring/March edition.

And, Protocol has dealt/is dealing with other elements directly.

Hi Kate – as per Protocol's policy manual, I contacted the Association of Former MLAs of BC to notify them of Dave Barrett's passing.

They produce their Orders of the Day publication quarterly & are currently collecting tributes to include in the Spring edition coming out in March. Please see the attached draft doc. Is sending them the statement sufficient for this? I did a minor tweak to the first line – changing "today" to "Feb 2" & struck the final sentence extending condolences to the family.

I'm also attaching the copy of the OOTD they did after former premier Bennett died for your reference. They seem to like to have a title for each contribution. It appears to be a bit unusual, though, for a current premier to submit a message – or, at least I can't see that it was done at any point during the previous administration(s). But, just tweaking the statement was easy enough if that's fine to re-use.

Please advise.

Is sending them the statement sufficient for this? I did a minor tweak to the first line – changing “today” to “Feb 2” & struck the final sentence extending condolences to the family.

I’m also attaching the copy of the OOTD they did after former premier Bennett died for your reference. They seem to like to have a title for each contribution. It appears to be a bit unusual, though, for a current premier to submit a message – or, at least I can’t see that it was done at any point during the previous administration(s). But, just tweaking the statement was easy enough if that’s fine to re-use.

Please advise.

I tracked down an email & mailing address via the library.

I guess I'm a little surprised that no one in your office seems to be aware of it when the only reason I'm trying to track down the info is because it's listed in the Office of Protocol's Policy Manual (Appendix 2) as something the correspondence branch should be dealing with. We looked in Cliff to see what was done related to the passing of former Premier Bennett, & we could only track down a letter to Bennett's son that accompanied the book of condolence.

I've now looked at the issue of the "Orders of the Day" publication the association issues (quarterly) that included tributes for Bennett & all of the contributions seem to be from former MLAs.

So, I'm hoping for clarification as to what exactly I need to send them. Am I just sending an email to be sure they saw the news about Dave Barrett's passing? That seems weird...

### **Appendix 2 –**

#### **Procedures: passing of former Members/Ministers of the Legislative Assembly**

Since the above policy does not have provisions for former members, this is the prescription to follow (as per death of William Ritchie 2014)

- The House Leader to say a few words in the House (MO)
- This sad event will be recorded for next Throne Speech (library)
- DVD and copy of Hansard will be sent to family (SO)
- Speaker will send flowers on behalf of Legislative Assembly (SO)
- Premier will send a note to family (PO correspondence )
- Former MLA Association will be notified ( PO correspondence )

Hi Mira - requests through the main inbox have been minimal this time.

The two requests I've seen are:

- Sue Stroud (local activist) - 2 tickets
- Brian Gardiner (BCGEU) - 4 tickets

And, Jake said he relayed the only other one we've seen here:

- Justin Schmid (CUPE) - 2 tickets

Hmmm. Yes – I see it there – I still can't see how to access the text recognizing ability, though... (OCR, I think was the proper acronym for however they call it).

In the COMMENT heading, I can see what looks to be the icon "Aa" that looks like what I used to use, but it's shaded out & I can't see any way to activate it. Hovering the mouse over it, it says it's for "text properties".

It looks like you should already have Adobe DC on your computer. Are you able to see if it comes up when searching your programs through the start button?

Hi Alison – I was about to email Jackie, but I saw her out of office msg.

Can you please advise what version of Adobe you have in your office? I used to have a good version, but it got removed & replaced with the totally basic one. I asked to have it re-installed, but that hasn't happened.

What has now come to light, though, is that it seems like we need better versions for a couple of the other staff, too, in order to better respond to FOI requests.

On Friday, I had asked Jackie if she could relay the version used in your office, but I haven't seen anything come through yet. If you're able to let me know, that'd be great as I'd like to get things sorted with Adobe as soon as possible.

Thanks!

Titas is the back-up for FOIs, so he should probably have it, too.

Question – does the version you have allow you to text-recognize pdfs? That's one of the features that my previous version had & I think we should have at least one station that can do this (as well as combine multiple pdfs into a single pkg, etc).

Thank you!
