He's completely booked today... although his 1:30-2:30pm meeting may end a bit early. If you see the door open you can go in.

Otherwise he may have an opening at 4:30pm but I'm currently holding that for Don Wright. Will let you know if that becomes available.

Once he does that he will need to re-sign in with that password on his cell and IPad and anyone with his mail or calendar will also have to re-sign in. To re-set his password on his desktop/laptop he just needs to take it back to the sign in screen. Brett Trimble in IT would like a confirmation email once this has been done.

Hello Geoff,

I hope you're well.

I'm thinking you didn't get the above invitation. I just saw the list of contacts and yours doesn't appear to be right. Hopefully you'll get it here.

The Globe's publisher Phillip Crawley and Editor in Chief David Walmsley are hosting a small gathering of influencers and we're hoping you can come. It's a similar dinner to the one I invited you to last year, though that invitation came way too late.

We're anticipating a lively evening and David and Phillip are always extremely keen for some feedback from people who make the wheels turn in the province. I'm hoping you'll be able to come.

Let me know and thanks for your time.

Hello Tamarra – just wanted to give you an interim update on the questions you asked earlier this week re: this council. It appears that the council can simply be appt'd by minister according to TOR and a term determined by the minister. I've sought (as per attached) Ministry of Attorney General staff confirmation that that is so, and requested this confirmation by 4 pm Monday. I'll relay to you as soon as I receive it.
Please call if you have any questions in the interim.
Thanks

Dear Premier Horgan,

I hope that you had a restful holiday season and are settling back into the swing of things in Victoria.

I am reaching out on behalf of Rocky Mountaineer to request a short meeting at your next convenience. As Premier, we would like to provide you with an update on the status of Rocky Mountaineer as an important part of the tourism industry.

We have been following with interest your government's efforts to promote tourism and energy on your recent delegation to Bejing. The 2018 Canada-China Year of Tourism presents us with an exciting opportunity to propel British Columbia as an international leader in tourism opportunities.

Rocky Mountaineer is the largest privately owned luxury train company in the world and has welcomed over 2 million guests onboard in our 28 years of operations. Rocky Mountaineer continues to act as an important job creator in BC's tourism sector and the company's growth continues to make Rocky Mountaineer a critical component of Canada's tourism sector. In addition, Rocky Mountaineer is currently embarking on an ambitious international expansion agenda.

In addition, as an active Board Member of the Tourism Industry Association of BC (TIABC), I am personally passionate about advancing TIABC's vision – for tourism to be recognized as one of British

Columbia's leading and sustainable industries. I look forward to working with you, TIABC, and all tourism stakeholders to expand BC's $15 billion visitor economy.

We are confident that our mutual goals to expand as a vital part of the tourism industry in British Columbia and across Canada align with your mandate as Minister of Tourism, Arts and Culture – especially with respect to job creation and the development of BC's national and international trade priorities.

I would be pleased to meet with you the week of February 19th in Victoria at a date and time that is convenient for you. I can be reached by telephone at (604) 606-7210 or by email at achan@rockymountaineer.com. I look forward to hearing from you.

Kind regards,

Geoff, I hope this finds you well.
I was speaking with Susannah this morning and I understand she's been in communication with you around trying to schedule a meeting in the coming days.
I'm writing to advise that I'll be in Vancouver next week – and I believe Andy Calitz is returning from Kitimat Tuesday, as well. We'd be grateful for an opportunity to sit down with you on some relatively urgent matters, and would be pleased to try to accommodate a time and location that is most convenient for you.
Thanks so much.

> As you may know, I joined the Public Policy Forum in March 2016 as President & CEO. After the many years in journalism, I wanted to help out on tough policy issues without having to learn to adapt to partisanship. Been a great ride so far. The Government of British Columbia is among our 200 members.

I'd love to catch up on things. I sent Don Wright a note to see if I might swing by in the first half of February. Or perhaps a phone chat.

We're thrilled that Premier Horgan will be hosting our Western Dinner in Vancouver June 7 (as Rachel Notley did in Calgary last year). Our annual Toronto testimonial dinner takes place on April 12. Our honourees include Mark Carney and Beverly McLachlin. We will be organizing our 3rd Canada Growth Summit on the evening of the 11th and day of the 12th, looking at such matters as infrastructure, gender, trade, technology-induced labour market disruption and the coming superclusters.
We are trying to get a smattering of finance ministers for a luncheon panel and would like Carole James to participate. An invitation went out a few weeks ago, but I'd be grateful if you could guide us to the right person.

Anyhow, that's a lot for now. I'm still in regular touch with Andrew Petter and sporadically with Glen Clark, Mike Harcourt and Joy MacPhail. I look forward to seeing you.

Best,
Ed

Importance: High

Dear Minister Robinson,

Thank you for taking the time to review the documents I sent to you and for your encouragement to continue our discussions with Joanna White, Executive Director, Community Gaming Grants.

After several conversations between our office team and Ms. White, by phone and email, we have concluded that unless Quest makes significant changes to its operational model and program, it will no longer be eligible for BC Gaming grant funding. Please understand that Quest CANNOT compromise its mission in order to receive these funds, albeit the importance of receiving this funding to sustain Quest's operations.

The historical data **between 2009 and 2017, documents that client visits to Quest's not-for-profit grocery markets have grown annually from 46,108 to 245,000, and surplus food recovery; food that would have gone to waste, has significantly increased from $3.5 million to $8.3 million.** These figures demonstrate the growing need for Quest's services and the impact that Quest is making in reducing hunger with dignity and the environmental impact of decreasing food waste.

With the substantial direct social and environmental impact as a result of Quest's Food Recovery and Redistribution Program and **Quest's proven fiscal management of BC Gaming funds,** to be told by Ms. White that *"the critical component is not so much the attendance at the AGM but the ratio of voting members to board members as well as evidence of at least an effort to hold a democratic election of officers to the board"* seems like highly insignificant criteria when choosing which organizations are worthy of funding.

Minister Robinson, this is a major blow to Quest's ability to provide access to healthy, affordable food to our vulnerable clients. In fact, as a result of the denial of BC Gaming funds, this is the first time in a decade that I have had to submit a deficit budget to our board. The part that is hardest to swallow is that this program has received funding from Gaming for a decade without any eligibility issues. Despite the decision from BC Gaming to discontinue Quest's funding we remain dedicated to creating a world where hunger and food waste don't co-exist.

As a final comment: The issue of food insecurity and food waste are not the sole responsibility of "Quest" to deal with. These are social problems that impact our province and I strongly believe they are *everyone's* responsibility to address. I do believe issues like this must be solved through partnerships between the government and organizations like Quest who are on the front lines. BC Gaming and Quest started out on this journey to address these critical issues ten years ago; Quest is willing and able to continue to take on these challenges, and it is up to the province to follow through with their assistance.

Minister Robinson we will submit our grant application before the intake deadline of November 30, 2017, and I sincerely look forward to receiving a favourable response.

Kind regards,

Dear Ms. Lewis:

Thank you for your email of October 25, 2017, regarding your application for Community Gaming Grants funding. I would like to congratulate you on your efforts to reduce hunger with dignity, to build community and to foster sustainability across the Lower Mainland. It is clear from your many awards and testimonials that you are providing a valuable service.

In circumstances where an organization has been funded historically, but where a subsequent review has determined that the organization or its programming is not eligible, Ministry of Municipal Affairs and Housing staff are available to assist the organization in understanding the eligibility criteria and determining whether options exist to refocus a future application on eligible programming.

I understand that your organization has been working with the Executive Director, Community Gaming Grants, to explore if there are any elements of your programming that could be funded. I encourage you to continue your dialogue with the Executive Director regarding program eligibility in advance of the application intake deadline of November 30, 2017.

Thank you again for writing.

Sincerely,

Selina Robinson

Dear Premier Horgan,

As the NDP takes its seat of power in our province, it has been given a unique opportunity to focus on making its campaign promises come true. One such promise was to make “life more affordable for all British Columbians”. Through its Food Recovery and Redistribution Program, Quest Food Exchange is a significant contributor to helping the NDP make good on that promise.

Premier Horgan, how will the NDP help Quest Food Exchange continue to serve the Lower Mainland’s most vulnerable residents?

I look forward to hearing from you once you have had an opportunity to read the attached correspondence.

Dear Ms. Lewis:

Thank you for your email of October 25, 2017, regarding your application for Community Gaming Grants funding. I would like to congratulate you on your efforts to reduce hunger with dignity, to build community and to foster sustainability across the Lower Mainland. It is clear from your many awards and testimonials that you are providing a valuable service.

In circumstances where an organization has been funded historically, but where a subsequent review has determined that the organization or its programming is not eligible, Ministry of Municipal Affairs and Housing staff are available to assist the organization in understanding the eligibility criteria and determining whether options exist to refocus a future application on eligible programming.

I understand that your organization has been working with the Executive Director, Community Gaming Grants, to explore if there are any elements of your programming that could be funded. I encourage you to continue your dialogue with the Executive Director regarding program eligibility in advance of the application intake deadline of November 30, 2017.

Thank you again for writing.

Sincerely,

Selina Robinson
Minister of Municipal Affairs
and Housing

Dear Premier Horgan,

As the NDP takes its seat of power in our province, it has been given a unique opportunity to focus on making its campaign promises come true. One such promise was to make “life more affordable for all British Columbians”. Through its Food Recovery and Redistribution Program, Quest Food Exchange is a significant contributor to helping the NDP make good on that promise.

Premier Horgan, how will the NDP help Quest Food Exchange continue to serve the Lower Mainland’s most vulnerable residents?

I look forward to hearing from you once you have had an opportunity to read the attached correspondence.
Kind regards.

Hi Tasha,

Geoff wishes to thank you for the invite to the Fisheries for Communities Gathering. Unfortunately, due to a heavy schedule that day, he is unable to attend and would like to send his regrets.

However, he was wondering if this invitation could be extended to Don Bain, Special Advisor to the Premier. If Don's schedule permits, I know he would be very keen on attending.

Hi Justine,

For sure. I'll make sure to include an agenda for the next one. This time around was just finances and I wasn't sure which order Cindy wanted to discuss them.

I think reducing the meeting length is a great idea. What do you think about 45 mins? Still might be too long but I was thinking 30 mins max for agenda items and 15 mins for questions. I can always adjust the time too depending on what topics people want to talk about.

Thanks for your feedback!

Hi Tamarra

I am checking in to see if anything might have loosened up in Mr. Meggs schedule next week.

I know it is unlikely, but I thought it wouldn't hurt to ask again if he might have time for a meeting with CAPP on Wednesday February 14th, 2018.

We spoke on the phone previously, that Mr. Meggs may be able to join the meeting CAPP has with Minister Heyman at 4:30 pm in room 113. I'm hopeful that the stars will align.

If Mr. Meggs' schedule does change, please do keep us in mind for a meeting time on Feb 14.

Regards,

Geoff

Hello Tamarra,

Thank you for your response.

The nature of the discussions is to introduce GCT and our new CEO, Doron Grosman, to Mr. Meggs. GCT is the largest maritime employer in the country and headquartered in Vancouver, investing hundreds of millions in BC trade infrastructure. We would like the new government to understand the potential additional investments we would like to make and how the government can assist to unleash them. Doron would also like to hear from Mr. Meggs how GCT can help the new government advance the agenda and policies related to trade and infrastructure.

And yes, we have been in touch with Minister Trevena's office. Some of our staff have already met with her Ministerial Assistant, and Doron will be meeting with her on Nov. 21st in Victoria.

Thank you once again for assisting in arranging this meeting.

Sincerely,
Ellen

Geoff:

I hope you are well. Am just sending a quick note to let you know that, in keeping with the usual Vancouver Coastal Health (VCH) practice of informing the Chief of Staff to the Premier and other BC Government officials of upcoming VCH actions, we will be monitoring proceedings to ensure a speedy and accurate response to any health care issues that might arise during the upcoming legislative session.

I have also attached the VCH Chair's most recent opinion piece from *The Vancouver Sun*, which makes the point that in health care, change and how we react to it saves lives. As well, it speaks to how leading innovation benefits patients and their families.

VCH is not only a provider of health care. Our supply chain analysis reveals that through our annual purchase of hundreds of millions of dollars of goods and service from community suppliers. VCH is also a powerful economic force in our communities, region, and the province. In the months ahead, we will update our supply chain analysis with new information that helps us all understand the essential and important force VCH is to community health and stability and to community economic sustainability. I will write to you at that time to share those latest findings with you. We are also updating our *"VCH at a Glance"* and *"VCH Accomplishments"* documents and, as per previous practice, will distribute updated versions to all VCH MLA constituency offices shortly.

I will be providing the above information about our readiness and upcoming activities to Ministry of Health and Ministry of Mental Health & Addictions communications, as well as Deputy Ministers Brown, Hughes, and Lloyd.

I respect protocols in place should issues arise, but I also know that often, timing of provision of information can be critically important. If you or your office ever have a need to contact me, my desk line is (604) 708-5280, my cell is (604) 202-8789, and my email is clay.adams@vch.ca.

Thank you for the note back on this meeting invitation.

We are in touch with Minister Beare's office. This file in particular holds opportunities for the province and there is a specific interest in meeting with Mr. Meggs.

If that week is not available could you propose another time that would work?

Thank you
Katie

Meeting Request for Week of 12 Feb 2018

Dear Mr. Meggs,

I am writing to request a meeting between yourself and Mr. Dave Butler, Director of Sustainability with Canadian Mountain Holidays (CMH) LP.

CMH is a leading North American sustainable tourism operator, providing world famous mountain-based adventure tourism in B.C. Mr. Butler would like to introduce himself to the new NDP government, identify CMH's footprint in B.C. for current and proposed activities, as well as identify areas where the company can work collaboratively with government moving forward.

Mr. Butler will be in Victoria **during the week of 12 February 2018**, and would very much appreciate an opportunity to speak with you about a new heli-ski lodge on CMH's tenure in the Cariboo Mountains.

I have been asked, along with my colleague, Ms. Katie Shaw, who is cc'd on this email, to help schedule and coordinate this discussion. If you could kindly let me know as soon as possible if a meeting can be accommodated, that would be greatly appreciated.

Thank you for your time in considering this request and I look forward to hearing from you.

Subject: Catch up

Resending now that you are back (though inthe thick of major things!!!)

Hi Geoff,

Long time no speak. Trust all is well, and that you're having a noisy, busy, boisterous blast.

As you may know, I joined the Public Policy Forum in March 2016 as President

& CEO. After the many years in journalism, I wanted to help out on tough policy issues without having to learn to adapt to partisanship. Been a great ride so far. The Government of British Columbia is among our 200 members.
I'd love to catch up on things. I sent Don Wright a note to see if I might swing by in the first half of February. Or perhaps a phone chat.

We're thrilled that Premier Horgan will be hosting our Western Dinner in Vancouver June 7 (as Rachel Notley did in Calgary last year). Our annual Toronto testimonial dinner takes place on April 12. Our honourees include Mark Carney and Beverly McLachlin. We will be organizing our 3rd Canada Growth Summit on the evening of the 11th and day of the 12th, looking at such matters as infrastructure, gender, trade, technology-induced labour market disruption and the coming superclusters.
We are trying to get a smattering of finance ministers for a luncheon panel and would like Carole James to participate. An invitation went out a few weeks ago, but I'd be grateful if you could guide us to the right person.

Anyhow, that's a lot for now. I'm still in regular touch with Andrew Petter and sporadically with Glen Clark, Mike Harcourt and Joy MacPhail. I look forward to seeing you.

Best,
Ed

Good morning Ladies,

Last month Minister Eby traveled to the UK and I had a travel authorization form approved for him back in November. The trip was supposed to be 100% funded by the UK so for estimated cost, I put $0. However, Minister Eby actually needs his cab ride to and from the airport covered by us….thus I have filled out a new travel authorization form (as per Finance) with the costs of his cab ride. Am I able to get this signed so that I can process a travel voucher for him?

Good morning, Geoff.
Thank you, again, for your time last week. It was much appreciated at a critical moment for all of us.
I am travelling to Vancouver tomorrow for the remainder of the week and wonder, on the chance you happen to be in town, if you might have time for a brief follow-up conversation. I could also try to make my way to Victoria – or chat by phone.
Essentially, I want to update you on some internal discussion we've had following our meeting Thursday. I also had a call with Dave N on Friday, and wanted to walk you through a proposal we have developed re: assurance.
I will keep my schedule fully flexible to accommodate your own.
Best,
Bob

Subject: weekly CABRO pre-brief for Geoff

Hello Tamarra – I understand that there is a desire for Geoff to receive a briefing from Ministry of Finance and the Crown Agency and Board Resourcing Office (CABRO) staff on proposed CABRO appointments that are to be advanced to Cabinet. Desired timing for that briefing is as early as CABRO can be ready and in advance of the Premier's cabinet briefing which at this point is occurring weekly on Monday at 11 a.m.

I've taken the liberty of copying Lori as a preliminary contact for arrangements.

Thank-you

Elizabeth

Hello Tamarra,

Below is a list of resources that I have found for Liberal's Natural gas legislation and policy, with an emphasis on the three Acts listed in your emails: Liquefied Natural Gas Project Agreements Act, Liquefied Natural Gas Income Tax Act, and Greenhouse Gas Industrial Report and Control Act.

For all three Acts I attempted to locate

- Link to the legislation, when it passed and if it is in force
- summaries: from a government website or government news release, written in the media, or by lawyers;
- the response from the opposition during the debates: either by media release or from news articles;

I also located the Liberal's Natural gas and LNG strategies as well as one paper that gives an overview of the regulatory structure of LNG in BC.

If you need any more information please let me know

Thank you,
Iona

Dear Tamarra,

I was referred to you by Michael Bailey, to look into the opportunity of arranging a meeting between Mr. Geoff Meggs, Chief of Staff to the Premier, and myself (Executive Director of Quest Food Exchange). I have attached detailed correspondence between the Premier's office, BC Gaming and Quest, which outlines the topic I would like to broach.

I sincerely appreciate your assistance with this matter Tamarra and I look forward to hearing from you.

Kind regards.

Importance: High

Dear Minister Robinson,

Thank you for taking the time to review the documents I sent to you and for your encouragement to continue our discussions with Joanna White, Executive Director, Community Gaming Grants.

After several conversations between our office team and Ms. White, by phone and email, we have concluded that unless Quest makes significant changes to its operational model and program, it will no longer be eligible for BC Gaming grant funding. Please understand that Quest CANNOT compromise its mission in order to receive these funds, albeit the importance of receiving this funding to sustain Quest's operations.

The historical data **between 2009 and 2017, documents that client visits to Quest's not-for-profit grocery markets have grown annually from 46,108 to 245,000, and surplus food recovery; food that would have gone to waste, has significantly increased from $3.5 million to $8.3 million.** These figures demonstrate the growing need for Quest's services and the impact that Quest is making in reducing hunger with dignity and the environmental impact of decreasing food waste.

With the substantial direct social and environmental impact as a result of Quest's Food Recovery and Redistribution Program and **Quest's proven fiscal management of BC Gaming funds,** to be told by Ms. White that *"the critical component is not so much the attendance at the AGM but the ratio of voting members to board members as well as evidence of at least an effort to hold a democratic election of officers to the board"* seems like highly insignificant criteria when choosing which organizations are worthy of funding.

Minister Robinson, this is a major blow to Quest's ability to provide access to healthy, affordable food to our vulnerable clients. In fact, as a result of the denial of BC Gaming funds, this is the first time in a decade that I have had to submit a deficit budget to our board. The part that is hardest to swallow is that this program has received funding from Gaming for a decade without any eligibility issues. Despite the decision from BC Gaming to discontinue Quest's funding we remain dedicated to creating a world where hunger and food waste don't co-exist.

As a final comment: The issue of food insecurity and food waste are not the sole responsibility of "Quest" to deal with. These are social problems that impact our province and I strongly believe they are *everyone's* responsibility to address. I do believe issues like this must be solved through partnerships between the government and organizations like Quest who are on the front lines. BC Gaming and Quest started out on this journey to address these critical issues ten years ago; Quest is willing and able to continue to take on these challenges, and it is up to the province to follow through with their assistance.

Minister Robinson we will submit our grant application before the intake deadline of November 30, 2017, and I sincerely look forward to receiving a favourable response.

Kind regards,

Dear Ms. Lewis:

Thank you for your email of October 25, 2017, regarding your application for Community Gaming Grants funding. I would like to congratulate you on your efforts to reduce hunger with dignity, to build community and to foster sustainability across the Lower Mainland. It is clear from your many awards and testimonials that you are providing a valuable service.

In circumstances where an organization has been funded historically, but where a subsequent review has determined that the organization or its programming is not eligible, Ministry of Municipal Affairs and Housing staff are available to assist the organization in understanding the eligibility criteria and determining whether options exist to refocus a future application on eligible programming.

I understand that your organization has been working with the Executive Director, Community Gaming Grants, to explore if there are any elements of your programming that could be funded. I encourage you to continue your dialogue with the Executive Director regarding program eligibility in advance of the application intake deadline of November 30, 2017.

Thank you again for writing.

Sincerely,

Selina Robinson

Dear Premier Horgan,

As the NDP takes its seat of power in our province, it has been given a unique opportunity to focus on making its campaign promises come true. One such promise was to make "life more affordable for all British Columbians". Through its Food Recovery and Redistribution Program, Quest Food Exchange is a significant contributor to helping the NDP make good on that promise.

Premier Horgan, how will the NDP help Quest Food Exchange continue to serve the Lower Mainland's most vulnerable residents?

I look forward to hearing from you once you have had an opportunity to read the attached correspondence.
Kind regards.

Can you let me know when Geoff is going to be at budget lock-up? It would be great to have him there for the Ministers presentation from 9:30-10:15 and then stay to be with stakeholders until 11, when we'll be reviewing any issues with MCJ. If that's not possible, please let me know.

Thanks,

Hi Lindsay,

My apologies for the late response, it's been quite busy over here the last few weeks. The Chief of Staff wishes to thank you for the meeting invitation but unfortunately at this time, he is unable to meet. However, he would like to refer your request to Mira Oreck, Director of Stakeholder Relations. I understand that Dr. Evan Wood has met with Mira before, but Mira has offered to meet with Dr. Wood again and update the Chief of Staff on any new developments. If this is an option for you, please contact Mira Oreck at mira.oreck@gov.bc.ca.

Hi Geoff – further the meeting the PJH & MSF had last week, a letter was requested to reiterate what was said.

Don Bain sent over notes & the draft was edited by both Don & Jessica Wood. Doug Caul, Mira & Kate have also seen it.

It is a rush to get out – it was promised to be sent to them by Wednesday, so it would be great to get this out by end of day.

If you can review this final version of it before it goes to John for signing, that would be most appreciated.

B.C. GREEN CAUCUS

For immediate release
February 20, 2018

B.C. Greens respond to budget

VICTORIA, B.C. - The B.C. Green caucus issued the following response to the release of the provincial budget.

"It is refreshing to see a provincial budget that puts people back at its centre, but there is still much work to be done to meet British Columbians' expectations for the future," said Weaver.

"We need a vision for seizing the opportunities and addressing the challenges of the 21st century. Our goal shouldn't just be to only fix the shortcomings of the last 16 years - as leaders we need to champion a clear plan for the economy and the challenges and opportunities of the coming decades.

"It is good to see that we have a government that is finally acknowledging there is a problem in housing, but there is much more that needs to be done. While a welcome first step, the proposals we heard today are not a bold enough response to our housing crisis.

"Many of the other tools the government has put on the table are promising but what matters is whether these initiatives will be implemented in a way that set us on a path to a different future and ensures the next generation won't be dealing with the same challenges we face right now.

"It is encouraging to see such a significant emphasis on child care. This is a core commitment to our Confidence and Supply Agreement and we have been working diligently to consult with the government on how we can best achieve our shared goals.

"However, we are still concerned that the challenges presented by the emerging economy, and the challenge of climate change in particular are not receiving adequate attention. Without a clear vision and decisive action we risk undermining all of the progress we could make on childcare and housing.

"Over the coming days and weeks our caucus will be seeking more information from the government about the specifics of their budget policies."

Sonia Furstenau, who has been collaborating with the government on the child care plan, said the government's articulation of Child Care B.C. was promising.

"The investments in childcare and early childhood education provide an us with an unparalleled opportunity to provide the next generation of British Columbians with the best possible conditions for success and to set B.C. on a path towards achieving far greater equality," said Furstenau.

"I am grateful to see explicit recognition of the importance of educators and indigenous-led care."

Happy New Year. I hope you are well. It has been a while since we last spoke during Premier Horgan's leader's meeting in the Hotel Vancouver in September.

I would appreciate a brief meeting to discuss:
s.13

I will be in Tokyo attending the Premier's luncheon on Monday the 29th this month and could meet that morning (or the evening before). It would be the best if that could work – alternatively we should try to get together early February.

Kind regards,

Wal

Do you believe it would be possible to hold a meeting on Monday morning -28 August – Greg is available from 9:00 – 11:30 am. What time will you guys be arriving on the 27th? If you give me a call I'll come find you guys. Otherwise, if you're able to, you can meet me in the West Annex which is where the Premier's Office is located. It's in a side building closest to Menzies Street. Just ring the doorbell and let security know you're there to see me.

This is great! It's funny because I was just about to email you about where we should meet/enter on the morning of the 27th as I'm not sure where the Hemlock Room is…!

Another thing I noticed is that I think the MA meeting on the 28th has been cancelled? I believe they were starting as bi-weekly meetings last week.

Thanks so much for your help with all of this planning.

Best,

Maria

Dear Geoff,

I hope this email finds you well. My colleague Megan and I are keen to begin working with you to promote *Strange New Country* in the coming weeks and months, following Marisa's kind introduction last month.

Do you have time for a call next week, or the week following, for us to discuss your vision for book promotion, any events you would like to plan, and for us to share more about our contract with D&M, our PR approach, and the next steps within the campaign?

If so, please send some dates/times that work for you and we can cross reference with our own calendar.

We very much look forward to speaking with you, and to promoting *Strange New Country.*

Should you have questions in the meantime, don't hesitate.

With thanks and best wishes,
Zoe

Good morning, Geoff.

Per our chat last week, I wanted to send a note regarding this Thursday evening in Victoria. We have confirmed a room for dinner at the s.15 for 6pm. Our latest understanding of attendees is the following:

Premier Horgan
Geoff Meggs
Don Wright
Minister Mungall
Dave Nikolejsin

Maarten Wetselaar, Director Integrated Gas and New Energies, Royal Dutch Shell
Jessica Uhl, Chief Financial Officer, Royal Dutch Shell
Andy Calitz
Susannah Pierce
Bob Klager

When we spoke, you said you were open to additional suggestions. We think it would be very helpful if Minister James were available (assuming with her DM), and would take your steer on others. We're certainly flexible and sensitive to providing you with the most effective dialogue possible. Perhaps we can touch base directly in the next day or so.

Best,
Bob

Good morning, Geoff.

Per our chat last week, I wanted to send a note regarding this Thursday evening in Victoria. We have confirmed a room for dinner at the s.15 for 6pm. Our latest understanding of attendees is the following:

Premier Horgan
Geoff Meggs
Don Wright
Minister Mungall
Dave Nikolejsin

Maarten Wetselaar, Director Integrated Gas and New Energies, Royal Dutch Shell
Jessica Uhl, Chief Financial Officer, Royal Dutch Shell
Andy Calitz
Susannah Pierce
Bob Klager

When we spoke, you said you were open to additional suggestions. We think it would be very helpful if Minister James were available (assuming with her DM), and would take your steer on others. We're certainly flexible and sensitive to providing you with the most effective dialogue possible. Perhaps we can touch base directly in the next day or so.

Best,
Bob

Dear Geoff,

It was a pleasure meeting you last week on the occasion of the lunch hosted by the Dutch colleagues, with Hon. John Horgan, Premier of BC, and all the EU colleagues.

I hope we'll have soon another occasion for meeting, and talking about Italian-BC relations.

I've spoken to Mauro Vescera, Director of the Italian Cultural Centre (that you know already), and to Elvy del Bianco from Vancity Bank, which, as you know well, has a solid and long-standing relation with University of Bologna and the cooperative businesses in Emilia Romagna / Bologna (the most advanced area in Italy and Europe for this system of economic development), and I think we can improve and make this cooperation stronger .

From my side, if Hon. Premier John Horgan and you agree, I am available to facilitate also political contacts with the President of the Region of Emilia Romagna and the regional government, and maybe we could think about an exchange of visits.

Thanks again, and stay in touch!

Best,

Hi Keira,

Lori is okay as follows:

March 1 - 12:30
March 2 - 2:30

She is in a Minister's meeting at 4:30 on March 1st and I don't think we have much flexibility with that one. If it comes to it, please let me know.

Thanks,

Riley

Dave will be on a flight Mar.1st 12:30-1:30 so he can't make that work.

March.2nd option is ideal but if needed I can move things around and make Mar.1st 4:30-5:30 work.

I'm hoping to block off time for interviews early next week.

Can you please advise on when you will be available next week: Monday through Wednesday?

We can do interviews there if that is easier but will need to book the space.

For long distance interviews we have technology here at the PSA that we can use for video conferencing. It will require the interviewee to participate from the Vancouver Cabinet Office.

Perhaps the three of us should have a meeting to develop a plan?

Thank you,
Maura
