November 28th, 2017

His Worship Doug Findlater
Mayor of West Kelowna
2760 Cameron Road
West Kelowna, BC V1Z 2T6

Dear Mayor Findlater:

Thank you for writing with your concerns around the vacant constituency office in West Kelowna. I appreciate hearing from you on this important issue.

As constituency offices can be the main point of contact for citizens to access government services, my cabinet and I are aware of the issues this vacancy has caused. I can assure you that we are doing our best to ensure West Kelowna is represented provincially as soon as possible.

Thank you, again, for writing. It was good to hear from you.

Sincerely,

John Horgan
Premier

Hello! Susan and I have put together the attached letter. Please let us know if you'd like anything changed. Note that we did reference a meeting that they requested coming up on the 3rd. If that meeting isn't happening we can swap it out for a general platitude. Thank you! The plan is to send out an scanned copy by email with hard copy to follow to get the letter to them ASAP.

Importance: High

Good morning Kate,

Just following up on the email correspondence between Grand Chief Kelly and Geoff Meggs this morning about scheduling a meeting with the Premier. I know that Grand Chief Kelly was hoping the meeting could happen before December 20, 2017. Is there any flexibility in his schedule? We would be happy to meet the Premier any place that is convenient and we can also take care of taking on the meeting logistics.

Please let me know if when you can.

Kindest regards,

Christine

Attached is a scan of what just arrived – had a post-it attached that read: Good afternoon. This is additional info to add to the letter dropped off this morning. MLA Barnett.

We also received the following email from^{s.22} on Nov 20 & it was ref'd to PSSG (the previous email was July 28 – ref'd to PSSG – let me know if you're interested in seeing that, too).:

Subject: Where's The Wildfire Victims Financial Assistance????????????????????????????

Mr Premier

This is the second e-mail I've forwarded to your office regarding the lack of meaningful wildfire recovery assistance the province, the feds and the Red Cross is "supposed to be" providing for wildfire victims. The first e-mail I sent you was responded to by some woman^{s.22}

^{s.22}

^{s.22}

That obviously went through one ear and out the other or by now someone might have taken a hard look at our situation, and what the Red Cross is up to with the Canadian tax dollars and donations it was given to use for financially assisting wildfire victims with their recovery.

I've made numerous requests for assistance and so far all I've received is a bunch of lip service that has gone nowhere. I've attached a letter that I sent to my local MLA and MP this past week and I think you should take the time to read it, in its entirety because the promises of assistance for wildfire victims and recovery the BC Provinces, Feds and Red Cross have made are not being met.

So far the "real" story about the lack of assistance for wildfire victims hasn't been picked up by the media, however I'm sure they would be very interested in investigating what is actually being done with the generous donors funding and Canadian tax dollars our two governments handed over to the Red Cross, and how little of it has actually been used for the purpose it was intended.

Sincerely
s.22
