Subject: Confirming Executive Leads for the CRA Stream Two Initiative

Dear Colleagues,

Thank you again for your support in confirming the Catastrophic Response Actions (CRAs) that government will undertake within the first seven days after an event. The success of this initiative rests on the engagement of your staff and the staff of EMBC. You may recall that our next step is to work with ministries to identify the IT and facilities needed to enable the CRAs. This work will occur over the next six to eight months.

I am hoping I can rely on the executive leads once again to assist us with this endeavour. I expect that this will require attending a launch session and working with your staff to guide and direct them to prioritize the necessary work processes and define the key resources.

Request:

Please confirm, by January 2nd, the executive lead that will assist us to confirm the IT and facility requirements of your CRAs. I have attached a list of the executive leads who were instrumental in supporting the first phase of this work. If your preference is to continue with the executive lead as identified in this list, no response is required.

Any changes can be directed to Laurie Duncan, Coordinator, Recourses for Critical Services Working Group (laurie.2.duncan@gov.bc.ca or 250 514-9571).

Thank you again for your commitment to ensuring government is prepared to effectively respond to a disruptive event.

Yours,

Sarf Ahmed and Becky Denlinger

Hi Jen,

There are no reviews funded out of our office (up or downstairs). Don Wright is doing the animal health centre review, but any costs are funded by the Ministry of Agriculture. We have the fire and freshet (flooding) review that is supervised from our office but the costs are paid by FLNRORD. Those are the only ones I can think of.

Don and Christine, I have been asked by Canada to host Labour Deputy Ministers across Canada in May 2018 for our annual FPT meeting. We successfully hosted Ministers in PG in September 2016. The DM meeting rotates across jurisdictions (it was in Winnipeg this year). There is no profile to these meetings in a media sense from what I have seen over the last 5 years but there is a cost (we share the meeting room and lunch bill with Canada).

I have said we'd be happy to host but wanted to make sure that the PO is equally supportive before we move forward to next steps (FYI it is in Nunavut in 2020!!).

Agenda items will include things like workplace mental health, harmonization of occupational health and safety regulations, and cannabis in the workplace.

Thanks for your consideration.
