Hi Leila,

*Please see the third round of the below request **(please note the different date range)**, and please provide responsive records by February 28th :*

For email records:

- *Go to Sent Items folder and scroll down to date range*
- **Option 1:** *Drag and drop emails into a separate email to send to me. Depending on how many emails you have within this date range, you may need to break them up and send them in multiple parts*
- **Option 2:** *Highlight all emails, click on File – Save as Adobe PDF. The conversion can take a few minutes. I would recommend doing this in 2 or 3 sections*
- **Option3:** *Drag all responsive emails onto a USB stick and provide the stick to me*

For text message records:

- *Take screenshots of all conversations containing responsive records. Please see attached instructions for this*

If you have any issues with compiling these records, please let me know and I will be happy to help!

Records of any and all emails (excluding attachments), text messages, BBMs, slack messages, and WhatsApp messages sent from Leila Farmer.

(Date Range for Record Search: From 11/01/2017 To 11/30/2017) Date Format is MM/DD/YYYY

If you think that the search for records will take you over 3 hours and/or the total volume of records will exceed 200 pages, please let me know as soon as possible.

Thank you for your assistance with this request!

Hi Leila,

Please see the second round of the below request (**please note the different date range**), and please provide responsive records by January 31st (apologies for the short turnaround time on this!):

For email records:

- Go to Sent Items folder and scroll down to date range
- **Option 1:** Drag and drop emails into a separate email to send to me. Depending on how many emails you have within this date range, you may need to break them up and send them in multiple parts
- **Option 2:** Highlight all emails, click on File – Save as Adobe PDF. The conversion can take a few minutes. I would recommend doing this in 2 or 3 sections
- **Option3:** Drag all responsive emails onto a USB stick and provide the stick to me

For text message records:

- Take screenshots of all conversations containing responsive records. Please see attached instructions for this

If you have any issues with compiling these records, please let me know and I will be happy to help!

Records of any and all emails (excluding attachments), text messages, BBMs, slack messages, and WhatsApp messages sent from Leila Farmer.

(Date Range for Record Search: From 10/01/2017 To 10/31/2017) Date Format is MM/DD/YYYY

If you think that the search for records will take you over 3 hours and/or the total volume of records will exceed 200 pages, please let me know as soon as possible.

Thank you for your assistance with this request!
