Hey sorry but are you able to organize this again until Debbie gets back?

Instead of an afternoon meeting, it will now be a dinner scheduled for April 30th and I informed everyone to hold the time from 5:30-7:30pm. Minister Heyman is confirmed and just waiting to hear back from Eveline to see if DM Bobbi Plecas can attend. Ralston unfortunately cannot make it anymore. I've been in contact with Mira since she'll be confirming who all the attendees are from our side.

Thanks!!

T.

Hi,

I have been in contact with Michael Northrop from RBF and unfortunately they will not be able to meet in the afternoon on April 30th. They are proposing dinner instead and was wondering if we could hold 5:30-7:30pm.

Meghan and JM – I understand MBR has a speaking engagement in Vancouver and will not be able to attend that evening
Caelie and Eveline – Can you please check with MGH and DM Plecas' schedules to see if they are available for dinner

Hi Amber,

Doug Caul has requested a 45-minute to one-hour meeting with himself, Geoff, and Dave Nikolejsin re: the Nasoga Gulf as well as Wet'suwet'en/Unistoten.

I've checked with Dave's office and the ideal time for them would be Tuesday, April 10 between 9:00 AM – 12:00 PM or 4:00 PM – on. Is Geoff available for a meeting on that day?

If that date doesn't work, I can send you a few alternate dates/times. Also, Doug and Dave can go to Geoff's office at the PO for this meeting.

Subject: Wal van Lierop in Victoria

Hi Tamarra,

Hope you're well!

We are looking at a couple of dates for Wal to visit Victoria and I wanted to check if Geoff was free for a meeting at all? The below are the dates we are considering:

Thursday April 12th after 11:30AM

Monday April 16th around 1:00PM

The 16th is looking more likely but let me know if either work!

Best,

Tamsin

Hi Layne and Tamarra,

With Alisma needing to travel with MCT next week I would propose the following:

- Alisma P to start in MCFD April 9, 2018, understanding that she can meet with Sarena the Friday before for transition
- Will B to start in TRANS April 3, understanding that he will spend time that week with Samuel G, the current MA is staying on so can help with transition
- Derrick H to start in AG April 3 and spend time that week with Will B
- Sarena T to start April 3 in AEST and spend time with Alisma P when in new office. Senior MA Paula G is aware they will be without an MA for a week.
- James P to start April 3 in TRANS and spend time in AEST with Sarena T, current MA can assist too

Tamarra: Alisma's letter will need to be changed to reflect new start date. I will change OIC.

Hi Tamarra

I spoke with Trevor this morning and asked him to send us some further details on their request to meet. Would this be something that I would run by Amber to see if Premier is advised to meet before asking Geoff? Or is it Kate that makes those decisions.

Thanks

Hi Debbie,

Thanks for reaching out. Our intention with the Premier is to alert him to what we have learned about young people's concerns in BC and how it is affecting their mental health, and how we might support the government on solutions. We have found meetings like these in other provinces very helpful in better understanding the needs of the government and how we already have programs and services in place that can address them. Not sure if the Premier is aware that we have an office in Vancouver with paid professional counsellors and talk to thousands of young people in the province each year, or that we have a top-notch database full of services in BC that we regularly share with the young people of the province.

Other topics we could discuss are some solutions we have proven and evaluated, such as a successful post-secondary helpline called Good2Talk (<https://good2talk.ca/>), our Live Chat solution available in BC from 3 PM - 11 PM, our secondary school program that takes place in the classroom, as well as a texting support service with big data potential that we will be rolling out in BC later this year.

Our approach in these meetings is to look at how we can support the work already being done in the province, and how we can help achieve the goals set out by BC's 2017- 2020 Mental Health and Substance Use Strategy.

Our CEO, Kathy Hay, and VP of Counseling, Alisa Simon, will be in Vancouver on April 12 and Victoria on April 13 and would love to meet the Premier.

Hope this helps explain things better,
Trevor

Hello,

Government Communications and Public Engagement received this FOI request from a Political Party:
All records in the GCPE Executives' office related to the current trade dispute with Alberta, excluding communications with Federal government officials/staff. (Date Range for Record Search: From 01/01/2018 To 02/21/2018) .

They identified the attached document(s) as responsive records and wish to get your views on disclosure. If you need help determining harms, please see the attached harms assessment or contact me directly.

Your program area's response is due March 30, 2018

IAO may take one to two business days to apply any severing.
Please advise if executive sign off is required.

If you are not able to respond by this date, we are required to continue processing this file without your recommendations.

1. Ministry Program Harms Assessment:

Please indicate which applies:

1. *There are no harms in these records. They can be released in full.*
2. *There are harms in releasing all of these records. They should be withheld in their entirety.*
3. *There are harms in portions of the records. Please give details so that IAO can apply the appropriate sections of FOIPPA. Please feel free to write directly on the attached records and send back to IAO. If you are unsure of why it is harmful please call the IAO to discuss the appropriate severing.*

Program Area Approval Authority:
Name, Title, Program

2. IAO's review of harms assessment and recommendations on release

Comments/Recommendations:

IAO will assess the program area's harms and recommend full release, withhold in its entirety or partial release.

3. Ministry Executive approval for release

Comments/Recommendations:

Please indicate which applies:

1. *Approved for release with no changes.*
2. *Approved for release with the following changes... (insert changes).*

3. *Not approved for release and why.*

Ministry Executive (Delegated Signoff):
Name, Title

Note that all general FOI request records that are released to an applicant should be published on the Open Information website unless the exemption criteria apply. The exemption criteria can be found on page 11 of the Open Information and Open Data Policy. Consultations from outside provincial public bodies are not published on the Open Information website.

Exercise of Discretion:

The *Freedom of Information and Protection of Privacy Act* (FOIPPA) contains both mandatory and discretionary exceptions to disclosure. Sections 13 to 20 are the discretionary exceptions. Where Information Access Operations (IAO) has advised the head that a discretionary exception may apply, it is important that the head consider the possibility of releasing the information despite the fact that an exception may apply.

Factors relevant to the exercise of discretion include:

- the general purposes of the legislation: public bodies should make information available to the public; individuals should have access to personal information about themselves;
- the wording of the discretionary exception and the interests which the section attempts to balance;
- whether the individual's request could be satisfied by severing the record and by providing the applicant with as much information as is reasonably practicable;
- the historical practice of the public body with respect to the release of similar types of documents;
- the nature of the record and the extent to which the document is significant and/or sensitive to the public body;
- whether the disclosure of the information will increase public confidence in the operation of the public body;
- the age of the record;
- whether there is a sympathetic or compelling need to release materials;
- whether previous orders of the Commissioner have ruled that similar types of records or information should or should not be subject to disclosure; and
- when the policy advice exception is claimed, whether the decision to which the advice or recommendations relates has already been made.

Thank you,

Melissa Boyd, FOI Analyst

Hi Tamarra, Debbie:

For the transfer to complete, MMHA Minister Office needs to submit a "Transfer OUT" service request to our service desk.

Premier Office needs to submit a "Transfer IN" service request. I believe Elizabeth is the one submitting request for Premier Executive office, cc her here.

Please make a note in the request for emergency. Please let us know once the requests have been submitted and we will ensure the Service Desk calls in 77000 as emergency.

Tamarra, are you using a Surface Pro? If yes, Debbie will inherit your Surface?

Thanks,

Good morning Geoff,

I've been working with Craig and Derrick on the timing for the infrastructure bilateral agreement. s.13
s.13

We're absolutely thrilled to be at this point with BC and once again it's been a pleasure working with your Government.

My new Chief of Staff Leslie O'Leary will be travelling with the Minister and me on this trip and she would like to sit down with you as she hasn't met or spoken to you before. We'll be travelling to BC on Thursday morning and we don't have an issue travelling to Victoria as I know the house is sitting that day. If you put me in touch with your scheduling assistant that would be great ideal as I'd like to be able to confirm this in the next day or two.

Many thanks,

Hi Geoff,
s.22

. This landed in my inbox today, and I thought you might find it of interest given the current arc of Uber's putsch in B.C. Perhaps you could forward it to the appropriate committee and/or individual for evaluation. Also, is there still an opportunity to present to whoever those decision makers might be? If so, may I know who that is? Thanks.

Uber is not necessarily a bad thing for limousine operators, depending on the parameters of regulation. The California model seems reasonable. In their first pass through Vancouver, Uber discriminated against one class of limousines in favor of another. SUV limos were on their system as regular (non-stretched) SUV's, while regular stretch limousines (ie stretched Town Cars etc) were barred from the platform. It was rather grating to see a large percentage of my business being stolen by other limousine operators because Uber didn't classify them as limousines!

https://www.lctmag.com/news/729021/ca-operators-gear-up-to-support-regulatory-shake-up-of-uber?utm_source=email&utm_medium=newsletter&utm_campaign=20180321-NL-LCT-Enews-BOBCD180315016&omdt=NL-LCT-Enews&omid=1000335437

Hi Everyone,

I'm just sending you my list of items that are missing pieces to ensure that nothing is missed for tomorrow's due date.

If you have any other staff travel for this fiscal year, please ensure it is sent and approval given by tomorrow.

Also, any pre-paid flight tickets (eg. Turbobucks) have to be reconciled. So if your staff have used any tickets, we need to know that as well.

Elizabeth & Judy, I'm just working through stob 6504 to ensure you know what needs to be ^{s.15} that you have spent. That is my next task to complete this... stay tuned.

Thanks everyone!

Dear Geoff,

I'm writing to inquire whether you would be interested in—and available for—a phone interview with CBC Daybreak North discussing *Strange New Country*. Please find the interview request attached, just above my signature.

The interview would be taped (not live) on April 12 or 13 to air during the week of April 16. You would take the call from your home or office, ideally on a landline phone, speaking with host Carolina de Ryk for about 20 minutes. We will ensure Carolina knows—as with all other hosts—that you will be discussing the book only.

Please don't hesitate if you have any questions about this opportunity. I would be happy to speak further, as always.

Warmest wishes,

Hello Danny,

Thank you for your phone call.

I understand you require an ergonomic assessment for an employee located in your Victoria and your Vancouver office. I have included information and pricing below:

An ergonomic assessment will involve our ergonomist taking a detailed history, measurements, and then will analyze the workstation against current Canadian standards, the employees anthropometrics and any issues at hand. The ergonomist provides on-site changes to existing furniture and workstation setup as well as education on workstyle changes that would be required. A

comprehensive report including all findings and recommendations for changes and ergonomic product purchases will be submitted to yourself. Assistance in sourcing specialized products will be provided, if required. This assessment typically takes about 60 minutes to complete.

Comprehensive Ergonomic Assessment: \$395.00 per assessment/person (for both Victoria and Vancouver)

Please let me know if you have any other questions or would like to proceed with booking.

Hello Danny,

Thank you for your phone call.

I understand you require an ergonomic assessment for an employee located in your Victoria and your Vancouver office. I have included information and pricing below:

An ergonomic assessment will involve our ergonomist taking a detailed history, measurements, and then will analyze the workstation against current Canadian standards, the employees anthropometrics and any issues at hand. The ergonomist provides on-site changes to existing furniture and workstation setup as well as education on workstyle changes that would be required. A comprehensive report including all findings and recommendations for changes and ergonomic product purchases will be submitted to yourself. Assistance in sourcing specialized products will be provided, if required. This assessment typically takes about 60 minutes to complete.

Comprehensive Ergonomic Assessment: \$395.00 per assessment/person (for both Victoria and Vancouver)

Please let me know if you have any other questions or would like to proceed with booking.

Subject: Travel authorizations - Minister Fleming

Hi Tamarra,

Minister Fleming and Veronica Harrison will be travelling to Europe at the end of the month. I am awaiting quotes from the Deputy's office regarding accommodation prior to completing the form later this week. Is your preference to wait for a more accurate dollar amount or for the form to be submitted sooner than later as I can send it in today if need be with a very approximate dollar amount for accommodation.

I am also awaiting the international per diem amount.

Thanks,
Andra Hahn

Dear Tamarra,

Daniel Muzyka, our President and CEO, would like to meet with Geoff Meggs to discuss The Conference Board of Canada's current research and activities that are relevant to him and to your department. I am attaching Dan's bio for your information.

In particular, Dan would like to discuss our National Immigration Centre. Current government members of this Centre include IRCC, Manitoba, Ontario, New Brunswick, Nova Scotia, PEI, and Newfoundland and Labrador. We have recently been in touch with Quebec, Saskatchewan, and Alberta to discuss their potential participation in the Centre.

Dan will be in Victoria on Tuesday, April 24th and we're hoping you have 45 minutes for a meeting. Dan is available preferably between 1:30 and 4:30 p.m. if that would work for his schedule. I could try to make 10:00 a.m. work as well.

Many thanks,

Maureen

Subject: Meeting request for April 17, 2018

Good Afternoon Tamarra:

I'm emailing to ask if you could let Mr. Meggs know that The Canadian Association of Petroleum Producers (CAPP) is hosting a NDP Caucus breakfast on Tuesday April 17, 2018 in Victoria, and to ask if Mr. Meggs would like to attend; and

to see if he has time to meet with CAPP separately that same day. We are coordinating the breakfast with Teresa Scambler (Teresa.Scambler@leg.bc.ca). details about the event are below.

The meeting would be with CAPP's Terry Abel, Executive Vice President and COO and Brad Herald, Vice President Western Canadian Operations.

As you may be aware CAPP represents companies, large and small, that explore for, develop and produce natural gas and crude oil throughout Canada. The upstream industry is a very important part of the British Columbia economy, employing approximately 10,000 workers directly in the province, a total of 67,000 direct and indirect jobs. The upstream industry accounts for a significant portion of provincial resource revenues; \$949 million in revenues to government 2015/2016 according to the ministry of Energy Mines and Petroleum Resources.

British Columbia produces about 30% of Canada's natural gas, and exports greater than 80% of its production to the USA and the rest of Canada. Currently the upstream industry invests \$4 to \$5 billion annually in British Columbia, drilling approximately 500 new wells annually and operates 9,000 kilometers of pipeline in the province.

Given the mutual interests of the Crown and industry to see British Columbia's resources developed in a responsible manner, CAPP would like to establish a working relationship with Mr. Meggs exchange views on oil and gas development in today's competitive environment.

Regards,
Geoff Morrison

Subject: Leaves from Cabinet

Hi Everyone,

Please share the below note with your Ministers.

My office is already receiving requests for vacation leave after the session ends. This memo is to clarify how we will be handling those leaves where they may impact attendance at cabinet.

Attendance at cabinet is mandatory given the importance of the matters under discussion. Generally speaking, personal leaves should be during periods of reduced cabinet activity. Those periods are from December 15 to January 15 and from July 15 to Labour Day. We're making every effort to provide advance notice of the schedule, including appropriate breaks.

Where a member of cabinet feels it is important to take personal leave at another time that would require absence from cabinet, one such leave per year will be permitted. Please note that it is possible to arrange long-distance participation under certain circumstances, but these arrangements must be made well in advance to ensure appropriate security.

Regards,

Geoff

Subject: Meeting Request - UBC AMS

Dear Mr. Meggs,

I hope this email finds you well. I am reaching out today on behalf of the Alma Mater Society of UBC Vancouver (AMS). Our society represents over 54,000 students at both the graduate and undergraduate levels, working and learning in B.C. We will be visiting Victoria from **March 12th-14th** and would love for an opportunity to meet with you.

The AMS believes in evidence-based, and data-driven advocacy. In 2016, a survey by Insights West was commissioned by the AMS in partnership with nine other student associations across BC. In addition, our student societies conduct membership-specific surveys on an annual basis. These results provide valuable insight into financial, educational, and mental health challenges that students face.

We would appreciate an opportunity to share these numbers with you, and to present to you some of the issues that we have been working on, related to transit and infrastructure projects affecting students in Metro-Vancouver.

Please let us know if you have any availability during those three days. Please expect about 2 to 3 students in attendance, and we will be following up with the list of attendees as well as issue briefs the week prior.

Sincerely,

Isabella Picui

Associate Vice President, External Affairs

Hi Geoff,

Please see the third round of the below request (**please note the different date range**), and please provide responsive records by March 16th :

For email records:

- Go to Sent Items folder and scroll down to date range
- **Option 1:** Drag and drop emails into a separate email to send to me. Depending on how many emails you have within this date range, you may need to break them up and send them in multiple parts
- **Option 2:** Highlight all emails, click on File – Save as Adobe PDF. The conversion can take a few minutes. I would recommend doing this in 2 or 3 sections
- **Option3:** Drag all responsive emails onto a USB stick and provide the stick to me

For text message records:

- Take screenshots of all conversations containing responsive records. Please see attached instructions for this

If you have any issues with compiling these records, please let me know and I will be happy to help!

Records of any and all emails (excluding attachments), text messages, BBMs, slack messages, and WhatsApp messages sent from Geoff Meggs.

(Date Range for Record Search: From 10/01/2017 To 10/31/2017) Date Format is MM/DD/YYYY

If you think that the search for records will take you over 3 hours and/or the total volume of records will exceed 200 pages, please let me know as soon as possible.

Thank you for your assistance with this request!

Hi Tamarra,

Elizabeth has asked me to recap, in writing, my discussion with you on Friday evening regarding scheduling a meeting with Chief of Staff, Geoff Meggs.

I explained to Elizabeth that you were sincerely apologetic that you were unable to help Quest as rulings made by BC Gaming were out of Mr. Meggs' jurisdiction and that any issues Quest had with the denial of funding needed to be taken up with that branch of the Ministry. If this is correct, could you reply to this email indicating that I have understood the information you gave me.

To restate the process Quest has undergone to try to have its Gaming reinstated after ten years of uninterrupted funding:

- A letter with the attachments that I have reattached for your records was sent to Premier Horgan
- Premier Horgan's office referred us to Minister Simpson, Ministry of Social Development and Poverty Reduction
- Minister Simpson referred us to Minister Robinson, Ministry of Municipal Affairs and Housing
- Minister Robinson referred us to Joanna White, ED, Community Gaming Grants
- Michael Bailey referred us to you and Geogg Meggs, Chief of Staff

With no assistance from Mr. Meggs, Quest will be forced to circle back to the Premier's office to inform him of the outcomes of our discussions and express our disappointment in the lack of support for Quest, a not-for-profit that has been working on the front line to ensure individuals and families struggling with food insecurity have access to healthy, affordable food and necessities.

Sincerely,

Sarah Abbott for

Good afternoon, Tamarra,

Elizabeth has s.22

and asked me to respond to you email on her behalf.

In regard to the discontinuation of Quest Outreach Society's Community Gaming Grant, Elizabeth has spent the good part of a year trying to touch base with someone who can help her resolve Quest's Gaming issue. She has spoken to the Premier's office, representatives in several Ministry offices, along with David Pyatt and Joanna White at BC Gaming. It has been quite the run-around!

Most recently, Micheal Bailey assured Elizabeth that you could facilitate a meeting between her and Chief of Staff, Geoff Meggs.

Tamarra, Quest is counting on you to make this meeting happen.

Please follow up with Elizabeth to discuss where and when the meeting will take place.

Importance: High

Dear Minister Robinson,

Thank you for taking the time to review the documents I sent to you and for your encouragement to continue our discussions with Joanna White, Executive Director, Community Gaming Grants.

After several conversations between our office team and Ms. White, by phone and email, we have concluded that unless Quest makes significant changes to its operational model and program, it will no longer be eligible for BC Gaming grant funding.

Please understand that Quest CANNOT compromise its mission in order to receive these funds, albeit the importance of receiving this funding to sustain Quest's operations.

The historical data **between 2009 and 2017, documents that client visits to Quest's not-for-profit grocery markets have grown annually from 46,108 to 245,000, and surplus food recovery; food that would have gone to waste, has significantly increased from \$3.5 million to \$8.3 million.** These figures demonstrate the growing need for Quest's services and the impact that Quest is making in reducing hunger with dignity and the environmental impact of decreasing food waste.

With the substantial direct social and environmental impact as a result of Quest's Food Recovery and Redistribution Program and **Quest's proven fiscal management of BC Gaming funds**, to be told by Ms. White that *"the critical component is not so much the attendance at the AGM but the ratio of voting members to board members as well as evidence of at least an effort to hold a democratic election of officers to the board"* seems like highly insignificant criteria when choosing which organizations are worthy of funding.

Minister Robinson, this is a major blow to Quest's ability to provide access to healthy, affordable food to our vulnerable clients. In fact, as a result of the denial of BC Gaming funds, this is the first time in a decade that I have had to submit a deficit budget to our board. The part that is hardest to swallow is that this program has received funding from Gaming for a decade without any eligibility issues. Despite the decision from BC Gaming to discontinue Quest's funding we remain dedicated to creating a world where hunger and food waste don't co-exist.

As a final comment: The issue of food insecurity and food waste are not the sole responsibility of "Quest" to deal with. These are social problems that impact our province and I strongly believe they are *everyone's* responsibility to address. I do believe issues like this must be solved through partnerships between the government and organizations like Quest who are on the front lines. BC Gaming and Quest started out on this journey to address these critical issues ten years ago; Quest is willing and able to continue to take on these challenges, and it is up to the province to follow through with their assistance.

Minister Robinson we will submit our grant application before the intake deadline of November 30, 2017, and I sincerely look forward to receiving a favourable response.

Dear Ms. Lewis:

Thank you for your email of October 25, 2017, regarding your application for Community Gaming Grants funding. I would like to congratulate you on your efforts to reduce hunger with dignity, to build community and to foster sustainability across the Lower Mainland. It is clear from your many awards and testimonials that you are providing a valuable service.

In circumstances where an organization has been funded historically, but where a subsequent review has determined that the organization or its programming is not eligible, Ministry of Municipal Affairs and Housing staff are available to assist the organization in understanding the eligibility criteria and determining whether options exist to refocus a future application on eligible programming.

I understand that your organization has been working with the Executive Director, Community Gaming Grants, to explore if there are any elements of your programming that could be funded. I encourage you to continue your dialogue with the Executive Director regarding program eligibility in advance of the application intake deadline of November 30, 2017.

Dear Premier Horgan,

As the NDP takes its seat of power in our province, it has been given a unique opportunity to focus on making its campaign promises come true. One such promise was to make “life more affordable for all British Columbians”. Through its Food Recovery and Redistribution Program, Quest Food Exchange is a significant contributor to helping the NDP make good on that promise.

Premier Horgan, how will the NDP help Quest Food Exchange continue to serve the Lower Mainland’s most vulnerable residents?

Dear Tamarra,

Daniel Muzyka, our President and CEO, would like to meet with Geoff Meggs to discuss The Conference Board of Canada's current research and activities that are relevant to him and to your department. I am attaching Dan's bio for your information.

In particular, Dan would like to discuss our National Immigration Centre. Current government members of this Centre include IRCC, Manitoba, Ontario, New Brunswick, Nova Scotia, PEI, and Newfoundland and Labrador. We have recently been in touch with Quebec, Saskatchewan, and Alberta to discuss their potential participation in the Centre.

Dan will be in Victoria on Tuesday, April 24th and we're hoping you have 45 minutes for a meeting. Dan is available preferably between 1:30 and 4:30 p.m. if that would work for his schedule. I could try to make 10:00 a.m. work as well.

Many thanks,

Maureen

Subject: Leaves from Cabinet

Hi Everyone,

Please share the below note with your Ministers.

My office is already receiving requests for vacation leave after the session ends. This memo is to clarify how we will be handling those leaves where they may impact attendance at cabinet.

Attendance at cabinet is mandatory given the importance of the matters under discussion. Generally speaking, personal leaves should be during periods of reduced cabinet activity. Those periods are from December 15 to January 15 and from July 15 to Labour Day. We're making every effort to provide advance notice of the schedule, including appropriate breaks.

Where a member of cabinet feels it is important to take personal leave at another time that would require absence from cabinet, one such leave per year will be permitted. Please note that it is possible to arrange long-distance participation under certain circumstances, but these arrangements must be made well in advance to ensure appropriate security.

Geoff

Hi Layne,

Can you please let me know if VCO is an option for Cabinet on March 22nd. I was advised by Dawn Brown on Feb 27 that I need approval from you in order for Minister Sims to attend Cabinet at VCO. As this Cabinet is during break, we are trying to book a number of Stakeholder meetings as well as determine whether we can RSVP certain events for Minister Sims, but cannot do so until we know if she must be in Victoria on this date.

I've tried calling you as well but your but line keeps going to Julia Phillips voicemail.

Could you please let me know on Monday, either way, so that I can advise all those that are waiting on answers.

Thank you,
Kathleen

Hi Layne,

As the March 22 Cabinet meeting is during break week, Minister Sims is hoping to attend the 9:30am meeting at VCO.

This would be very helpful, as Minister has been okayed to attend the LRC meeting at VCO on this day and is also planning on attending the Provincial Leaders Dinner in Vancouver that evening.

Can you please let me know if this is possible?

As for the overlapping meetings, we are aware of it and are looking into a possible change of time for one of the meetings. Once it has been figured out I will send another email regarding any changes.

Subject: Cermaq Tenure Discussion

Hello Geoff,

I hope you're keeping well and the recent trip to Asia where I am aware you met with the CEO of my owner, Mitsubishi, was a productive discussion for the government. We met briefly in the meeting you held with the broader aquaculture industry last year. I am writing to request a meeting with you to specifically discuss Cermaq's operations and the tenures in the Broughton area.

As you may know, Cermaq directly employs more than 240 people living on Vancouver Island with good, steady paying jobs — and approx. 25% of our workforce is First Nations, including sea site managers and processing managers on the west coast. Needless to say, uncertainty in the aquaculture industry can negatively impact these jobs, investment and our industry.

I would like to update you on some of the changes we have made in BC to modernize and strengthen the sustainability of our operations; build on our commitment to strong relationships with First Nations; and discuss some options for Cermaq that could help with the tenure renewal process. Given the recent attention on the industry, having an open dialogue is important.

The week of February 26th and March 19th are good travel weeks on my end. Please let me know what works for you. I very much look forward to discussing in person, in the spirit of assisting with the solution for the challenges at hand.

Kind Regards,

David

Good afternoon, Tamarra,

Elizabeth has just returned from a holiday and asked me to respond to your email on her behalf.

In regard to the discontinuation of Quest Outreach Society's Community Gaming Grant, Elizabeth has spent the good part of a year trying to touch base with someone who can help her resolve Quest's Gaming issue. She has spoken to the Premier's office, representatives in several Ministry offices, along with David Pyatt and Joanna White at BC Gaming. It has been quite the run-around!

Most recently, Micheal Bailey assured Elizabeth that you could facilitate a meeting between her and Chief of Staff, Geoff Meggs.

Tamarra, Quest is counting on you to make this meeting happen.

Please follow up with Elizabeth to discuss where and when the meeting will take place.

Kind regards,
Sarah Abbott for

Importance: High

Dear Minister Robinson,

Thank you for taking the time to review the documents I sent to you and for your encouragement to continue our discussions with Joanna White, Executive Director, Community Gaming Grants.

After several conversations between our office team and Ms. White, by phone and email, we have concluded that unless Quest makes significant changes to its operational model and program, it will no longer be eligible for BC Gaming grant funding. Please understand that Quest CANNOT compromise its mission in order to receive these funds, albeit the importance of receiving this funding to sustain Quest's operations.

The historical data **between 2009 and 2017, documents that client visits to Quest's not-for-profit grocery markets have grown annually from 46,108 to 245,000, and surplus food recovery; food that would have gone to waste, has significantly increased from \$3.5 million to \$8.3 million.** These figures demonstrate the growing need for Quest's services and the impact that Quest is making in reducing hunger with dignity and the environmental impact of decreasing food waste.

With the substantial direct social and environmental impact as a result of Quest's Food Recovery and Redistribution Program and **Quest's proven fiscal management of BC Gaming funds**, to be told by Ms. White that *"the critical component is not so much the attendance at the AGM but the ratio of voting members to board members as well as evidence of at least an effort to hold a democratic election of officers to the board"* seems like highly insignificant criteria when choosing which organizations are worthy of funding.

Minister Robinson, this is a major blow to Quest's ability to provide access to healthy, affordable food to our vulnerable clients. In fact, as a result of the denial of BC Gaming funds, this is the first time in a decade that I have had to submit a deficit budget to our board. The part that is hardest to swallow is that this program has received funding from Gaming for a decade without any eligibility issues. Despite the decision from BC Gaming to discontinue Quest's funding we remain dedicated to creating a world where hunger and food waste don't co-exist.

As a final comment: The issue of food insecurity and food waste are not the sole responsibility of "Quest" to deal with. These are social problems that impact our province and I strongly believe they are *everyone's* responsibility to address. I do believe issues like this must be solved through partnerships between the government and organizations like Quest who are on the front lines. BC Gaming and Quest started out on this journey to address these critical issues ten years ago; Quest is willing and able to continue to take on these challenges, and it is up to the province to follow through with their assistance.

Minister Robinson we will submit our grant application before the intake deadline of November 30, 2017, and I sincerely look forward to receiving a favourable response.

Kind regards,

Elizabeth Lewis |Executive Director

Dear Ms. Lewis:

Thank you for your email of October 25, 2017, regarding your application for Community Gaming Grants funding. I would like to congratulate you on your efforts to reduce hunger with dignity, to build community and to foster sustainability across the Lower Mainland. It is clear from your many awards and testimonials that you are providing a valuable service.

In circumstances where an organization has been funded historically, but where a subsequent review has determined that the organization or its programming is not eligible, Ministry of Municipal Affairs and Housing staff are available to assist the organization in understanding the eligibility criteria and determining whether options exist to refocus a future application on eligible programming.

I understand that your organization has been working with the Executive Director, Community Gaming Grants, to explore if there are any elements of your programming that could be funded. I encourage you to continue your dialogue with the Executive Director regarding program eligibility in advance of the application intake deadline of November 30, 2017.

Thank you again for writing.

Sincerely,

Selina Robinson
Minister of Municipal Affairs

Dear Premier Horgan,

As the NDP takes its seat of power in our province, it has been given a unique opportunity to focus on making its campaign promises come true. One such promise was to make "life more affordable for all British Columbians". Through its Food Recovery and Redistribution Program, Quest Food Exchange is a significant contributor to helping the NDP make good on that promise.

Premier Horgan, how will the NDP help Quest Food Exchange continue to serve the Lower Mainland's most vulnerable residents?

I look forward to hearing from you once you have had an opportunity to read the attached correspondence.
Kind regards.

Hi Maura,

Don noticed that his letter says \$125,000 but his OIC shown here
http://www.bclaws.ca/civix/document/id/oic/oic_cur/0491_2017
Says \$120,000. Can you please confirm the correct amount?

Hi Lorne,

Not a problem. Geoff's schedule is quite flexible that day. How about 1pm on March 9?

Thanks,

Hi Tamarra. I am scheduled to meet with Geoff at 10.30 on March 9. But wouldn't you know it, I have been called to a briefing from 11 - 12 on that day with three Deputy Ministers on a negotiation I am facilitating for FLNRO. Is there any possibility of adjusting the time with Geoff? I am free before or after? I am starting to feel that the Geoff/Lorne meeting is star crossed.

Lorne
