Regarding your call re: possible briefing on fire/flood review – Green Caucus Chief of Staff has declined, but was happy to know work is proceeding. She indicated potential interest in a meeting prior to public release of findings, if that could be possible. I'm happy to say in touch with you about this.

Jennifer I have had some travel problems today (Vancouver harbour fog) and will be getting on a flight just moments after I was supposed to call you. Can we move our call to Monday anytime between 10:30 and 12:30? If that doesn't work for you I could also call later this afternoon.

Sorry for the inconvenience.

After the meeting with Jennifer Rice tomorrow, could you send me to Vancouver overnight, returning at the end of PA (or as close to the end as I can get a return flight from)? I was setting up a meeting with JTT on the economic strategy anyway, and Don mentioned he was going to take PA from VCO so he could participate in as much of the meeting as possible before his flight to Ottawa. I would do the same if he is there anyway, with the hopes of getting a bit of his time to join JTT.

Thank you.

My sincerest apologies on inv 3. In amending the per diems amounts, I neglected to remove the existing per diems and this means I double counted amounts with my additions.

The revised total \$7,003.02 based on the amendment from \$1,575 to \$1,500 (Jan 4) and the crossed off per diems of \$31.26 \$22.75 (Jan. 4&10) which are corrected at the bottom.
