CONFIDENTIAL

Re: Kinder Morgan decision points

The purpose of this note is to clarify basic direction on post-Transition work on the Kinder Morgan file.

1. Background

The Confidence and Supply Agreement makes the following commitment:

“Immediately employ every tool available to the new government to stop the expansion of the Kinder Morgan pipeline, the seven-fold increase in tanker traffic on our coast, and the transportation of raw bitumen through our province.”

s.13

2. Decisions requested

- Confirmation that the framing of the commitment reflects the Premier-designate's views;
- Confirmation that the direction outlined below is supported by the Premier Designate;
- Direction on whether or at what point this matter should be taken through the GP consultation process and to caucus.

s.14

Based on review of the same materials, we can assume the following measures
are in the toolbox:

a. Judicial review

- Squamish First Nation and City of Vancouver have both applied for judicial review of the grant of the Environmental Approval certificate. The Province has not yet filed its response, although it is automatically a respondent. The province, could
