Hi Mira,

Attached is our recommendation on how the BC gov't could approach yesterday's EPA rollback of the fuel efficiency regulations—including a summary of context and analysis about implications/opportunities for BC. We think it is a good opportunity for the BC government to show its commitment to climate action and affordability (a great example of the 2 working hand in hand: 50% emissions reduction + \$900/year in fuel cost savings for consumers), and is in line with our Pacific Coast Collaborative partners.

We've also shared with George/Caelie & Bobbi.

Let us know if you have any questions or wish to discuss.

Cheers

Minister McKenna has a climate related announcement with Premier Wynne today. We will monitor the press conference to see if she is asked about the epa announcement. So far we have seen no comments from her.

Pls let me know if I can help with outreach to Ottawa via my contact at ECCC (ADM Matt Jones).

s.13 . And we are checking with Ottawa for more.
"Improving the fuel efficiency of our vehicles cuts pollution and saves drivers money," Ms. McKenna's press secretary, Caroline Thériault, said Sunday.

"We are paying close attention to the U.S. mid-term review of vehicle fuel-efficiency standards," she said. "Any decisions regarding vehicle regulatory changes will be informed by our own midterm evaluation and by careful considerations of environmental and economic impacts."

Apologies for the short notice. I have just been informed that the Chief of Staff will be meeting with PMO tomorrow morning.

Items to be discussed include the following:

- BC participation in federal scientific panel re: pipeline etc. (Mark Z)
- Update on reference led by Arvey (Richard)
- Canada's response to EPA's roll back of the fuel efficiency regulations (Bobbi)
- Salmon (Wes)

I would be grateful if each one of you could send me a few paragraphs on your respective items **no later than 3:00 pm** today. Emphasis should be on "Points to Register" as opposed to "Background" although some background is welcome.

Also, please feel free to add any significant issues not listed above that you would like the CoS to raise with PMO (including Dave, Fazil and Mark S).

Many thanks and apologies for the short turn-around time.

Good afternoon Sukumar,

I hope things are well out on the west coast! Better weather than us, I can only imagine. I wanted to reach out to you on behalf of Senator Woo regarding Bill C-45, the Cannabis Act. As you may know, the Senate is debating the bill currently and Senator Woo is endeavoring to add his voice this week. He has asked me to inquire as to how prepared BC is for the summer deadline for passing the bill – in other words, is the province ready.

If you are able and/or willing to discuss it, it would be most appreciated! We just want to get a sense as to what the BC government thinks on this. Please let me know if you are available to discuss!

Thank you and warmest regards,

It's customary for ministers to releases information on their travel plans and meetings while conducting government business abroad. If British Columbians are expected to foot the bill, they should at least be able to see where their Education Minister is going and what he's doing with their money. There is no doubt we want British Columbia to have a world-class education system. But once again, this trip looks like the classic NDP approach to governing which is spend first and answer questions later." Polack notes there also appears to be discrepancies between who is paying for whom on this trip.. The NDP says the costs are being covered separately by each party, but the Vancouver School Board says the government is actually paying for Superintendent Suzanne Hoffman, even though the VSB has an existing recruitment budget.

I'm pleased to provide you with our attached IGRS Corporate Plan 2018-2019. The next step is for all of us to get involved in the implementation to ensure its success. Stay tuned for more information from the working group on how you can get involved.

In the meantime if you have questions, please reach out to current members of the working group: Veronique, Chantal, Judi and Frances.

Thank you once again for your participation and support in this project!

Success for tomorrow would
be Cdn agreeing to lead nationally. It is hard for a provincial market to be sufficient for auto makers to pay attention to.

That said, we have legislation on the books to stand alone if necessary.

Good afternoon Okenge:

Let me know if you need more detail. Happy to provide.

Independent Science Advisory Panel

On January 30th, 2018 government announced, in concert with five proposed new regulations to improve spill land- and coastal-based spill response, the intent to form an independent science advisory panel to make recommendations to the Minister of Environment and Climate Change Strategy on if and how heavy oils can be safely transported and cleaned up, if spilled. The announcement stated that the recommendations of the advisory panel will inform future regulatory development and approaches to spill response.

The federal government, as part of the Oceans Protections Plan has allocated \$45.5M over five years to fund research (the Multi-Partner Research Initiative) on the behaviour of oil in water, new technologies to contain spills, and how to best minimize oil spill impacts. The research initiative will also connect with oil spill experts in government, industry and academia, Indigenous and coastal communities, regulatory agencies, and response organizations.

Federal and provincial DMs met last week in Ottawa to discuss opportunities to collaborate on the independent science advisory panel. Discussions to date are progressing well and DMs are working on a joint ToR that MGH has preliminary input into. ENV expects to know whether agreement on the ToR is possible within the next ten days. Remaining risk is whether governments can agree on panel members.

Note that the Washington State Governor's Office and director of the Department of Ecology have also expressed interest in participating on the panel should federal participation not materialize.

Regulation Engagement Update

Government released its Phase 2 regulatory intentions paper on February 28th, 2018. Proposed regulations include response times, geographic response plans, loss of public use, and maximizing marine application of provincial authorities. Engagement began on March 26th, 2018 and consists of stakeholder/local government meetings and seven regional First Nations workshops.

Federal representatives are invited to participate in all engagement sessions (including FN workshops). To date, the federal government has been fully participating.

Hi Okenge,

Do you have time to give Jeremy a quick call on his cell? His flight has been delayed so he cannot make the conference call with Jason and John-Michael at 6:15pm. I've double checked with Jason's office and he is unable move up the call.

Jeremy's cell is **s.17** He is free until 4:30pm.

Thank you,

Subject: As requested: Update on TMX and spills-related initiatives

Good afternoon Okenge:

Let me know if you need more detail. Happy to provide.

Independent Science Advisory Panel

On January 30th, 2018 government announced, in concert with five proposed new regulations to improve spill land- and coastal-based spill response, the intent to form an independent science advisory panel to make recommendations to the Minister of Environment and Climate Change Strategy on if and how heavy oils can be safely transported and cleaned up, if spilled. The announcement stated that the recommendations of the advisory panel will inform future regulatory development and approaches to spill response.

The federal government, as part of the Oceans Protections Plan has allocated \$45.5M over five years to fund research (the Multi-Partner Research Initiative) on the behaviour of oil in water, new technologies to contain spills, and how to best minimize oil spill impacts. The research initiative will also connect with oil spill experts in government, industry and academia, Indigenous and coastal communities, regulatory agencies, and response organizations.

Federal and provincial DMs met last week in Ottawa to discuss opportunities to collaborate on the independent science advisory panel. Discussions to date are progressing well and DMs are working on a joint ToR that MGH has preliminary input into. ENV expects to know whether agreement on the ToR is possible within the next ten days. Remaining risk is whether governments can agree on panel members.

Note that the Washington State Governor's Office and director of the Department of Ecology have also expressed interest in participating on the panel should federal participation not materialize.

Regulation Engagement Update

Government released its Phase 2 regulatory intentions paper on February 28th, 2018. Proposed regulations include response times, geographic response plans, loss of public use, and maximizing marine application of provincial authorities. Engagement began on March 26th, 2018 and consists of stakeholder/local government meetings and seven regional First Nations workshops.

Federal representatives are invited to participate in all engagement sessions (including FN workshops). To date, the federal government has been fully participating.

Colleagues:

Apologies for the short notice. I have just been informed that the Chief of Staff will be meeting with PMO tomorrow morning.

Items to be discussed include the following:

- Catalyst (Jason)
- BC participation in federal scientific panel re: pipeline etc. (Mark Z)
- Update on reference led by Arvey (Richard)
- Canada's response to EPA's roll back of the fuel efficiency regulations (Bobbi)

- Salmon (Wes)

I would be grateful if each one of you could send me a few paragraphs on your respective items **no later than 3:00 pm** today. Emphasis should be on “Points to Register” as opposed to “Background” although some background is welcome.

Also, please feel free to add any significant issues not listed above that you would like the CoS to raise with PMO (including Dave, Fazil and Mark S).

Many thanks and apologies for the short turn-around time.

Hi Okenge,

This briefing note is for the meeting tomorrow between Ambassador MacNaughton and Ministers Ralston and Donaldson.

Pierrette is not sure if the note should expand on issues other than the specific purpose of the meeting: newsprint (and lumber issues mentioned in the letter from the Leader of the Opposition). This is not a regular meeting with the Ambassador.

Thank you,

Subject: Le 5 a 7 demain - les Beaux jeudis

Bonjour Okenge
Comment ca va?

Je voudrais t'inviter au 5 a 7 de la Societe francophone de Victoria demain au Yates Taphouse (sur la rue Yates presque vis a vis du cinema Odeon).

Le 5 a 7 (de 5 a 19hrs p.m.), dites les Beaux jeudis, est un evenement mensuel tres sympa qui a lieu chaque premier jeudi du mois au meme endroit. C'est ouvert aux membres de la communaute (y compris les non-membres de la societe et anglophones).

C'est surtout une opportunit   pour se rencontrer, e  changer en fran  ais et mieux se connaitre autour d'un pot.   

J'espere que tu pourras venir et faire plus ample connaissance avec nos membres.

Au plaisir de se revoir.

Subject: Meeting to Discuss the Recognition and Implementation of Indigenous Rights Framework

Colleagues,

Thank you for taking the time to speak with us on March 22 regarding the Recognition and Implementation of Indigenous Rights Framework. We appreciated hearing your initial thoughts on the Framework and look forward to discussing this further. While the Framework will focus on areas of federal jurisdiction, we recognize that it is imperative for us to work closely with the Government of British Columbia to advance a recognition of rights approach that addresses the needs, interests and priorities of Indigenous people.

We had discussed meeting face-to-face to identify areas of consensus and further examine your questions regarding the potential Framework elements. I would like to confirm our meeting on **April 12 in Victoria from 11:30 am to 2:30 pm**. We will be back in touch with details related to the meeting venue.

As discussed, my federal colleagues and I are interested in hearing about your experiences, lessons learned and best practices in recognizing and implementing Indigenous rights within your areas of jurisdiction, as well as any questions that you may have about the Framework. I have attached a draft agenda for your review and would be happy to incorporate any additional items that you propose. Please send your questions and proposed agenda items to ian.kenney@pco-bcp.gc.ca.

My colleagues and I are very much looking forward to our face-to-face meeting and discussions about the Framework. As our meeting will take shortly, we would appreciate your input for the agenda at your earliest convenience.

Sincerely,

Subject: April 13 PT Clerks and Cabinet Secretaries' meeting - updated agenda

Colleagues,

In preparation for the upcoming Clerks and Cabinet Secretaries' meetings on April 13, I am sharing an updated proposed Provincial-Territorial agenda, which was updated to reflect changes to the FPT agenda.

As our Federal counterpart has requested dropping the Indigenous Relations item from the FPT agenda, and introducing a broader discussion on data sharing, I would like to propose shifting the order of items in our PT agenda, as attached. Indigenous relations, among other items, can be picked up as part of the roundtable discussion. We can confirm an approach for this discussion during our PT breakfast.

I was hoping to enlist the support of Mike, Steve and Kent to help lead the discussion on these topics (as outlined below):

- Confirm approach to FPT meeting – (AB)
- Indigenous Relations – (NWT)
- Election preparedness / national security – (ONT)

- Canada – U.S. relations – (SK)
- Data Sharing – (ONT)

If you have any questions or concerns, please advise. Looking forward to seeing you all in Toronto on April 13th.

Regards,
Marcia

Hello,

My name is s.22 I am a parent to 2 kids that go to school in the Saanich School District. In light of the recent tragedy whereby 15 people – 10 of which were Canadian hockey players – were tragically killed, it's unfathomable that our school superintendent is now quoting policy when the request was made to fly the school flag at half mast...in respect to the families who have lost loved ones. Many in our communities, s.22, have deep connections to these families and/or to those players killed this weekend.

I would like to IMMEDIATELY request that some means of provincial recognition be applied to this matter, at a minimum our flag should be lowered, and our Premier should offer a measure of public condolence that is consistent with respectful provincial partners. As you can see below, there are other provincial agencies which have responded accordingly.

Thank you for your consideration.

Hi s.22

Thanks for writing to me. The tragic events from this past weekend only help to crystallize how fragile our lives are and how important it is to make sure that we take each moment with care and attention. For while these types of incidents are infrequent they bring huge emotion to our schools

and, of course, the broader community. The deaths of so many young people is emotional and heart wrenching.

As a public service, we take our lead on flag protocol from the provincial protocol office. You can find their website here: <https://www2.gov.bc.ca/gov/content/governments/organizational-structure/office-of-the-premier/intergovernmental-relations-secretariat/protocol>

To date we have not received instructions to lower our flags, but would certainly follow any request from the office to do so.

Sincerely,

Dave Eberwein

Good morning!

I am inviting you to join an IGRS PECSF activity that will take place over the summer...a **PECSF World Cup pool!** Please send me an e-mail by April 30 if you are interested in participating. FYI you don't need to follow soccer/football or know much about the sport to participate!

Once I have names and numbers I will organize a random draw of the teams. Participation will be a minimum donation of \$2. Everyone in IGRS can participate with 32 teams to draw. The winner of the World Cup (*cough* whoever draws Germany, obviously) will win some chocolate and the donations will go towards IGRS's PECSF campaign!

A very big thanks to Kelly who is our PECSF lead and has done so much great work to promote it!

Looking forward to getting your e-mails! And if you have any questions, please come by. I will circulate more information once I know who is interested. 😊

Anika

Some information about the World Cup:

The 2018 men's World Cup will be held in Russia this year with 32 teams competing in this soccer/football competition! Games will be played from June 14 to July 15.

Will Germany defend the title? Will Mo Salah be the thunder that takes Egypt to the finals? Will Belgium finally prove that they're more than just big names on paper?

That quote has always struck me as being oddly euro-centric. Empirically, isn't it the Brazilians that always win? (Not saying they will this year. Just sayin' they've tended to do so in past.)

Good afternoon Sukumar,

It has been some time since we corresponded with respect to the proposed program to support travel risk management for out of country missions by the Premier, Ministers and staff from the BC Public Service. RMB/GSO is now in a position to brief you before we ask our DM (and program sponsor) to take the program to DMC for ratification.

I would like to take this opportunity to meet with you and members of the IGRS team and to offer any explanations that may be forthcoming from that briefing. I would also offer the same to your DM in the hope that Okenge will find the information beneficial.

Please let me know if you would like this briefing to be carried out.

Given scheduling difficulties, we have decided to cancel the in-person meeting of Clerks & Cabinet Secretaries planned for Friday, April 13th, in Toronto. We will be reaching out to schedule a conference call in May, ahead of the next in-person meeting tentatively scheduled for July 2018.

Apologies for the last-minute cancellation. I look forward to picking up the discussion in May.

En raison de conflits d'horaire, nous avons décidé d'annuler la rencontre en personne des greffiers et secrétaires du Cabinet prévue pour le vendredi 13 avril, à Toronto. Nous allons être en contact afin d'organiser une téléconférence au mois de mai, qui sera suivie d'une rencontre en personne, provisoirement prévue pour juillet 2018.

Nous nous excusons de cette annulation à la dernière minute. Au plaisir d'avoir une discussion en mai.

Good afternoon Sukumar,

It has been some time since we corresponded with respect to the proposed program to support travel risk management for out of country missions by the Premier, Ministers and staff from the BC Public Service. RMB/GSO is now in a position to brief you before we ask our DM (and program sponsor) to take the program to DMC for ratification.

I would like to take this opportunity to meet with you and members of the IGRS team and to offer any explanations that may be forthcoming from that briefing. I would also offer the same to your DM in the hope that Okenge will find the information beneficial.

Please let me know if you would like this briefing to be carried out.

Good Afternoon,

The 2017 B.C. wildfire season was historic and I would like to thank you and your staff for your support. Your efforts and contributions during this challenging time, particularly through the Wildfire TEAMS program, are deeply appreciated. During last year's wildfire season BCWS had over 1,000 individuals registered from across government and deployed over 13,000 person days via the Wildfire TEAMS program. The ability to access additional, high quality resources during a long and strenuous season are paramount to the successful outcomes we experienced last season. We also recognize the significant challenges you faced in meeting your goals and priorities by supporting the historic wildfire efforts.

To that end I am writing to request that you consider distributing our solicitation for your staff's involvement in Wildfire TEAMS for the 2018 wildfire season. As wildfire seasons are unpredictable we may require the additional support in the near future, having your valuable, capable and hardworking staff available to support governments efforts would be appreciated.

I have attached an email detailing the solicitation for your use - please note the deadline of May 18, 2018

Thank you again for supporting the Wildfire TEAMS program.

Sincerely,

Tim Sheldon
Deputy Minister

Hi,

Just wanted to clarify a few things for tomorrow. The meeting with the Premiers will begin at 10:00am and will take place on Parliament Hill, Centre Block in the Prime Minister's office.

I understand both your Premiers will have separate media availabilities after the meeting and we will make sure you have access to an area for that media availability.

We also have holding rooms for your delegation. If you head in the direction of the PM's office, we will direct you to your specific briefing room. The Queen's room and the Lounge can be used for briefing and for officials holding room during the meeting. We will make sure to provide coffee and refreshments.

Let me know if you have questions or concerns. Chris

Hi Okenge – I will provide these records for you

Please see the next round of the below request (**please note the different date range**), and please provide responsive records by April 26th :

For email records:

- Go to Sent Items folder and scroll down to date range
- **Option 1:** Drag and drop emails into a separate email to send to me. Depending on how many emails you have within this date range, you may need to break them up and send them in multiple parts
- **Option 2:** Highlight all emails, click on File – Save as Adobe PDF. The conversion can take a few minutes. I would recommend doing this in 2 or 3 sections
- **Option3:** Drag all responsive emails onto a USB stick and provide the stick to me

For text message records:

- Take screenshots of all conversations containing responsive records. Please see attached instructions for this

If you have any issues with compiling these records, please let me know and I will be happy to help!

Records of any and all emails, text messages, BBMs, slack messages, and WhatsApp messages – excluding attachments - sent from Okenge Yuma Morisho.

(Date Range for Record Search: From **02/01/2018 To 02/23/2018**) Date Format is MM/DD/YYYY

If you think that the search for records will take you over 3 hours and/or the total volume of records will exceed 200 pages, please let me know as soon as possible.

Hi Okenge – at most recent DMC (I was not there but Kevin Brewster was for AEST) – Kevin mentioned that you requested info on recent funding related FPT activity / negotiations and to send the info to you. Below is the message I sent to you and Pierrette regarding the Workforce Development Agreement. Let me know if any further info is required. The next steps are to have an announcement with Minister Hajdu – we have been working on potential dates but have not been able to nail a date down with them a date that also works for Ministers Mark and Simpson (we will likely do both the LMDA and WDA announcement together – Minister Hajdu has responsibility for both agreements). The announcement doesn't impact the flow of funding or moving ahead on renewing contracts and launching new programming as the WDA been signed – same for LMDA.

Okenge and Pierrette:

The Canada-B.C. Workforce Development Agreement was signed by Minister Hajdu today. As Minister Mark signed the agreement on March 8, the WDA is now final. Attached is the full agreement for your reference.

In total, the agreement guarantees B.C. \$685 million in labour market funding over six years, which includes \$116 million in incremental funding.

BC achieved its key negotiating priorities:

- Incremental funding – ensure B.C. receives the maximum incremental funding available (\$116 million),
- Broadened eligibility – ensure all British Columbians can access programs and services needed to obtain a good-paying job,
- Increased flexibility – ensure B.C. has the flexibility to design and deliver locally responsive and inclusive programs and services,
- Simplified data and reporting – minimize new administrative requirements to maximize investments, and
- Focus on outcomes – ensure agreement outcomes align with B.C.'s priority to deliver quality skills training and employment programs.

The WDA does not have an end date and will continue in perpetuity; however the incremental funding ends after six years. To maximize the likelihood of incremental funding continuing after 2022/23, B.C. will leverage the Forum of Labour Market Ministers, which has been successful in influencing a number of important cross-jurisdictional issues, including those related to ongoing funding.

Of interest to the Francophone Affairs Program – you'll note the WDA contains specific provisions for official language minority communities beginning on page 13.

Please don't hesitate to contact me for more information.

Best regards,

Shannon

Attorney General David Eby has released the following statement regarding the government's reference case:

"In consultation with our lawyers, the government is now in a position to advise that British Columbia will be filing our reference case in the B.C. Court of Appeal within 10 working days, by April 30, 2018. The B.C. Court of Appeal is the highest court to which the Province can refer questions of this nature under B.C.'s Constitutional Question Act.

"The reference will first be approved by cabinet through order-in-council, and then filed with the Court of Appeal registry. Notice of the reference must be given to the federal government.

"The hearing of the reference case will be scheduled by the court."

Colleagues,

Please find attached the 2017/18 Ministry and Crown Annual Service Plan Report Guidelines and Templates.

Please note that Appendix 1 of the guidelines outlines the schedule for preparing, reviewing, approving and submitting annual service plan reports by June 22 so that they may be printed and ready for release concurrent with or after Public Accounts are published.

The Crown Agencies and Board Resourcing Office (CABRO) updated the Ministry guidelines and template to reflect the need to report on objectives and performance targets as laid out in the September 2017 Ministry Service Plans.

The Crown guidelines and template have been revised to reflect the common "transition" Mandate Letter most Crowns received in September 2017 and to ensure annual service plan reports demonstrate leadership and accountability for strong public sector governance.

CABRO staff will distribute the guidelines and templates to the appropriate staff in your ministry, and will engage in ongoing communication with ministry and Crown contacts to support the successful completion of annual service plan reports.

Thank you for your attention to the 2017/18 Ministry and Crown Annual Service Plan Report Guidelines and Templates.

If you have any questions, please contact Shannon Haszard, CABRO A/Director, at 778-698-4741.

Hi DMCSI members,

At yesterday's meeting I asked how members felt about using a standardized template for Decision & Information ppt's to help ensure a consistent approach at DMCSI (for when people want to use a ppt). Attached are the two templates. Let me know (a simple yes/no) if you like the templates and want us to use them. Majority wins.

Subject: IPAC Selection Committee Meeting - details and dates

Dear Selection Committee members,

Thank you very much for your participation in this year's Selection Committee for the Lieutenant Governor's Silver Medal Award for Excellence in Public Administration.

I am emailing you today for three reasons:

1. To coordinate a selection committee meeting time and date.
2. To coordinate a phone call to discuss scoring the nomination packages.
3. To discuss nomination packages.

Selection Committee Meeting

The meeting will be held by conference call with an in-person option, and may take up to 1.5 hours to review the top three applications between seven committee members.

I am hoping to hold the call the week of May 7th. **Please respond to this email by end of day tomorrow, April 20th** with all the meeting times that you are available for:

- May 9, 12-1:30
- May 9, 2-3:30
- May 10, 12-1:30
- May 10, 4-5:30

If none of the above times work for your schedule, please respond with a few 1.5 hour time slots within the week of May 7th that will.

Phone Call

As there are many new members on the selection committee, we will have a phone call to discuss the selection process. This conversation will be guided by the Selection Committee Briefing Package which will be sent after the meeting date is confirmed.

All members do not need to be on the same call. Please let me know which of the following times works best for you.

- April 25, 2-2:30
- April 26, 2-2:30

Nomination packages

We have six nominations for review for the 2018 Medal.

s.13,s.22

*Note: s.22 application was held over in 2016 but was missed in the 2017 review. In order to honour the carry-over, s.22 application has been included for review in the 2018 cycle. Information in this package may not appear as recent.

**Note: s.22 application was submitted in 2017 and carried over for review in 2018. Information in this package may not appear as recent.

Please let me know as soon as possible if there is any conflict of interest in reviewing these applications. Nomination packages will be sent to you as soon as the committee meeting date and time are confirmed.

If you have any questions or concerns, please do not hesitate to contact me.

Thanks again for your time.

Geoff, we had our IG officials canvas all jurisdictions that are participants in the annual Western Premiers meetings, there is little to no support for changing the dates, I think we can all appreciate that scheduling and nailing down dates that suits everyone is near to impossible with the number of jurisdictions effected. The dates remain, May 22 – 23, 2018 in Yellowknife. We respectfully ask that Premier Horgan consider attending if possible. Thanks.

Hi Loretta,

Earlier today I spoke to Elizabeth from your office.

We have been speaking with the Premier's Office in BC (Rick's home province) about the idea of them sponsoring an important topic with the Council at this year's meeting potentially under the "featured initiatives" category. Rick has asked that I bring this to your attention to get your thoughts and advice.

The topic being proposed is in relation to something that has been part of Rick's personal mission for over 30 years which is removing barriers for people with disabilities, specifically in the built environment.

I have attached a short backgrounder that outlines what our initiative is about and why it might be of interest to the members of the Council. I think that given the attention to issues of accessibility and building an inclusive Canada by all levels of government, the topic is also very timely.

I am hoping we can find time to meet early next week to discuss the enclosed and perhaps determine a path forward. I am based in Ottawa and I am in town Monday and Tuesday next week if an in-person meeting would work.

Best regards,

Brad

Subject: PECSF IGRS Activity: World Cup Pool!

Good morning!

I am inviting you to join an IGRS PECSF activity that will take place over the summer...a **PECSF World Cup pool!** Please send me an e-mail by April 30 if you are interested in participating. FYI you don't need to follow soccer/football or know much about the sport to participate!

Once I have names and numbers I will organize a random draw of the teams. Participation will be a minimum donation of \$2. Everyone in IGRS can participate with 32 teams to draw. The winner of the World Cup (*cough* whoever draws Germany, obviously) will win some chocolate and the donations will go towards IGRS's PECSF campaign!

A very big thanks to Kelly who is our PECSF lead and has done so much great work to promote it!

Looking forward to getting your e-mails! And if you have any questions, please come by. I will circulate more information once I know who is interested. 😊

Anika

Some information about the World Cup:

The 2018 men's World Cup will be held in Russia this year with 32 teams competing in this soccer/football competition! Games will be played from June 14 to July 15.

Will Germany defend the title? Will Mo Salah be the thunder that takes Egypt to the finals? Will Belgium finally prove that they're more than just big names on paper?

Further to Geoff's request to you, attached is the revised draft WPC agenda that was circulated by NWT last Thursday. It is still very much in draft form. Western IGR senior officials will discuss this draft tomorrow afternoon.

Would you like to forward this to Amber, or would you prefer that I follow up directly with her?

Hi Okenge,

You might find the attached documents useful in preparing to brief PJH for the call with Premier Moe. Sarah and Anika prepared these documents in February for internal IGRS use. They include information on Premier Moe's leadership platform and other positioning as of early February, his bio, and summary information on his Cabinet.

Today, Saskatchewan Premier Scott Moe was sworn in and announced his Cabinet. Moe won the Saskatchewan Party leadership convention last weekend.

Sarah and Anika have prepared the attached summary information on Premier Moe's priorities and the new Cabinet. Thanks very much for the good work.

Nicole, I notice that MLA Larry Doke is now without portfolio – he was Saskatchewan's lead MLA for PNWER, and I'm not sure if that has changed.

Saskatchewan's next provincial election will be in November 2020.

Hi Vanessa and Elena,

Further to our conversation earlier in the week, enclosed please find a short backgrounder supporting a request to the folks at the Council of the Federation to potentially activate a presentation at the July meeting of the Council.

I will hopefully find out from them exactly what steps are required to get something formally on the agenda because that process is not clear. However, at some point, I believe a Premier needs to "sponsor" a topic. Some previous topics for discussion have included:

- Trans Mountain
- Indigenous – 10 principles

- New Skills for new economy (Labour Market)
- Health care sustainability
- Disaster Response
- Energy development
- Economy & jobs
- Water stewardship
- US Trade & border issues
- Aging population

We can discuss aspects of this in more detail once I understand the process a bit better from the Council Secretariat perspective, but I wanted to get you my early thinking.

Have a great weekend,

Subject: Journey to Freedom Day event

Good morning Annette,

I hope this finds you well. We had conversed a couple weeks ago with regards to an upcoming event to commemorate *Journey to Freedom Day* at the Legislature. The day is observed by many members of the Vietnamese diaspora as a day of remembrance to honour the perilous journey that millions undertook throughout and at the end of the Vietnam War; the acceptance of Vietnamese refugees in Canada; the incredible spirit of resilience and the contributions that the Vietnamese-Canadian people have made to their communities. Also known as "Black April Day," the Journey to Freedom Act was passed in Canadian parliament in 2015, marking it as a national day of commemoration.

This year, an event will be held on Wednesday, April 25, to coincide with the sitting of the house. The main reception will take place in the Hall of Honour at noon, followed by an introduction or ministerial statement.

Community groups have expressed their keen interest in a "flag-raising ceremony" for the Freedom Flag. They are hopeful as a similar ceremony was conducted at the Legislative Assembly of Ontario. (For your reference, I include here a photo : https://photos.google.com/share/AF1QipNyjZTP9CJgdBAITWEUQcez772GWP-MOGw8DGu6NrIcsuvKtNgzLi5XLUCYmFVpCA/photo/AF1QipNajruE_Dpwf6Jim95WrcqLlhfbzvscZF7efi0Q?key=aEVWQjZ4eDhJZXFEaV9BLU42V3E3Y0pOTIZqYWZ3)

I write to inquire on the possibility of such a ceremony outside, or alternative ways in which members of the Vietnamese refugee community can honour the Freedom Flag inside the building. In addition to the ceremonial pole, can we inquire into the flag staffs outside of the library entrance as well?

I look forward to your suggestions and thoughts on this matter.

Thank you very much,

Lucinda Yeung

Hi Okenge,
Tried giving you a call on the off chance you were free... Hope you are doing well!

I'd like to touch base with you briefly on my new assignment, supporting PS Dean in her mandate to "ensure gender equity is reflected in all government budgets, policies and programs".

I've had preliminary discussions with PSD and MCJ and they expressed interest in options to implement some level of GBA+ as part of the Budget 2019 process. To this end, I have also had a briefing from Anika Sparling about what the experience of other jurisdictions in Canada has been and how we might learn from that experience.

I'd like to talk to you about how you would like us to work together on this, given the FPT angle on this work and our desire to reach out to federal government and Alberta officials in particular for additional expertise/advice. (My understanding is they are quite willing.)

Can we have a quick chat when convenient for you? Either we can schedule a time, or you can just call me when convenient on my cell.

thanks very much,
Melanie

Office of the Merit Commissioner

Dear Genevieve Elliott,

During the week of April 16, 2018, you received notification of this audit from the Office of the Merit Commissioner. You have been identified as the hiring manager or designate, for one or more auxiliary appointments randomly selected by the Office of the Merit Commissioner for audit. We at R. A. Malatest & Associates Ltd. are conducting the questionnaire developed for the audit on behalf of the Office.

The main purpose of this audit is to determine whether auxiliary employees met the minimum requirements (e.g., education and experience) of the position at the time of their appointment. Data is also being collected on the way in which the individual was identified and selected for the appointment. For additional details on this audit, please visit the [Office of the Merit Commissioner website](#).

For each of the appointments identified below you are required to complete and submit a questionnaire along with associated documentation. **The deadline for submission is May 9, 2018.**

To access the questionnaire(s) use the link, user ID and password provided above. Each questionnaire should take approximately 10-20 minutes to complete. You may exit the questionnaire and return, using your login details, at any time before the closing date; the questionnaire will automatically save your responses.

The Merit Commissioner also requires the relevant documentation that existed at the time of hire: the job profile/description, or statement of job qualifications (if not included in the job profile/description), and the appointee's resume (or equivalent).

These documents should be uploaded to the Office of the Merit Commissioner's secure web file transfer site. Please apply for an account at <https://webfile.meritcomm.bc.ca> where you will be asked to set up a user id and password. Once the Office of the Merit Commissioner receives your application for an account, you will be notified of its approval within 24 hours, after which you will be able to revisit the secure web file transfer site and upload the documents.

All responses to this questionnaire will be protected, secure, and compliant with the *Freedom of Information and Protection of Privacy Act*. Only select staff of R. A. I'll talk to Okenge and I will be in touch asap re timing for May 2nd. We'll also want a separate time to brief on the FPT structure, priorities, next meeting etc.

David,

Today, the Ministers of Transport Canada, Natural Resources Canada, Environment and Climate Change Canada, and Fisheries and Oceans Canada issued a joint statement, indicating that the Government of Canada has made a submission to the ongoing engagement process for the development of enhanced spill regulations in British Columbia.

Attached is a copy of this submission for ease of reference. The team has also sent the document directly to SpillResponse@gov.bc.ca.

We very much appreciated the opportunity to exchange with BC officials earlier this month and look forward to more opportunities to work collaboratively as we go forward.

Hi Alison,

Further to our conversation, our Regional Director General Robert Young and Chief Dale Brasnett are coming to Victoria next week and would like to meet with Deputy Minister Okenge Yuma Morisho to pass on some information. They have a meeting at the Legislature at noon and were hoping to meet with Mr. Yuma Morisho around 1330 / 1400. Can you please advise if this would work for Mr. Yuma Morisho?

Thank you very much.

Kind regards,
Rina

Okenge

I was sent this simply because of my background. The CAF are looking for a military liaison within Government. In the past then Minister Rich Coleman held that role. Has there been any discussion about this type of role? There is a specific ask for attendance at a conference, but I think they also want a political point of contact in government. I can suggest a ride to the Premier but thought I would check with you first.

Hi Jamie,

It was very nice to chat with you ^{s.22} on Monday and I'm glad to hear that everyone is doing well.

I am writing to solicit some advice for the Admiral. You will see from the message below that we are looking to make it easier for military folks posted across the country. One of the first steps that is being

proposed is a meeting including Provincial representation from across the country, to help make the process better.

As you 'speak both languages' – military and provincial government – I wondered if you might be able to suggest someone who could best assist with this initiative.

Best Regards

Simon

Subject: First interprovincial meeting for a Seamless Canada - Réunion interprovinciale inaugurale pour un Canada sans faille

Fellow colleagues and JTF Commanders,

As you know, the first chapter of Canada's defense policy focuses on our people. The results of multiple surveys conducted over the years by the CAF indicate that the transient nature of our profession can cause significant stress to members and their families. In particular, interprovincial moves can cause hardship for our members and their families, particularly in the areas of education, health care, transportation, and spousal employment. It is to soften this reality that the CDS and CMP are proposing a "Seamless Canada" concept for CAF members and their families. The success of this concept requires provincial and territorial leaders to engage in a collective dialogue with senior CAF officials to discuss possible solutions to help mitigate interprovincial barriers faced by CAF members and their families. **The purpose of this email is to ask you to assist me in determining and confirming who in the provincial government in your respective AOR is the best person to attend the inaugural Interprovincial Meeting for a Seamless Canada.**

As a JTF commander, you benefit from a privileged platform being in a position where you may know who is the best government representative to be invited to a meeting of this nature. Some provinces, such as New

Brunswick, Nova Scotia, and Alberta have already designated politicians as "liaison officers" for military-provincial affairs which might be an appropriate level of government official to attend this meeting. I have attached a list of known contacts for your validation. In addition, I would ask you to recommend a provincial representative for the provinces and territories where we are missing such a representative. Please note that the person chosen should be of an appropriate level that allows them to represent the intentions of their government and to report to their respective Premiers.

The inaugural Interprovincial Meeting for a Seamless Canada will be held June 27, 2018 at the Canadian Forces College in Toronto. The purpose will be to present to the provincial/territorial representatives the reality experienced by military families during transfers between provinces and territories. We already know that some provinces will take the opportunity to recommend some common initiatives.

In short, I ask you to send me the list of people to invite by May 4th. If you prefer to provide this return via your staff, please direct them to Maj Cybele Wilson: cybele.wilson@forces.gc.ca. Finally, I would ask you to let these representatives know about this meeting and give them appropriate notice so that they may add it to their schedule.

I am available at your convenience to discuss with you any questions or comments that you may have. As you can imagine, this initiative has great potential and could perhaps help put an end to some of the bureaucratic logistical obstacles for interprovincial transfers of our members and their families. Thank you for supporting the CAF efforts to improve the quality of life for our members and their families.

Chers collègues commandants de FOIs,

Comme vous le savez, le premier chapitre de la politique de défense du Canada est axé sur notre personnel. Les résultats des multiples projets de recherche et sondages conduits de façon récurrente par les FAC indiquent que la nature nomadique de notre profession peut causer un stress important aux membres et à leurs familles. Les déménagements interprovinciaux peuvent causer des difficultés à nos membres et leurs familles, particulièrement dans les domaines de l'éducation, des soins de santé, du transport et de l'emploi des conjoints. C'est pour assouplir cette réalité que le CEMD et CPM proposent un concept d'un « Canada sans faille » pour les membres des FAC et leurs familles. Le succès de ce concept demande que les dirigeants provinciaux et territoriaux entament un dialogue collectif avec les cadres supérieurs des FAC afin de discuter de solutions possibles pour aider à atténuer les obstacles interprovinciaux auxquels font face les membres des FAC et leurs familles. **Le but de ce courriel est de vous demander de m'appuyer afin de déterminer et confirmer qui au sein de l'appareil gouvernemental provincial est la meilleure personne pour assister à la Réunion interprovincial inaugurale pour un Canada sans faille.**

En tant que commandant de FOI vous profitez d'une plateforme privilégiée pour savoir qui est la meilleure personne à être invitée. Sachez cependant que certaines provinces, comme le Nouveau-Brunswick, la Nouvelle-Écosse, et l'Alberta ont déjà désigné des politiciens comme « agents de liaison » concernant les affaires militaires provinciales. J'ai joint une liste de contacts connus pour votre validation. De plus, je vous demanderais de bien vouloir recommander un représentant provincial pour les provinces et les territoires où il nous manque un représentant. Veuillez noter que la personne choisie devrait être d'un niveau adéquat qui lui permette de représenter les intentions de son gouvernement et de se rapporter au niveau du premier ministre provincial.

La réunion interprovinciale inaugurale pour un Canada sans faille aura lieu le 27 juin au Collège des Forces canadiennes à Toronto. Celle-ci aura comme objectif de présenter aux représentants provinciaux la réalité vécue par les familles militaires lors de transferts entre provinces. Nous savons déjà que certaines provinces profiteront de l'occasion pour recommander la mise en place de certaines initiatives communes.

En somme, je vous demande de bien vouloir me communiquer la liste des personnes à inviter d'ici le 4 mai prochain. Si vous préférez effectuer votre retour à travers votre état-major, veuillez les diriger au Maj Cybèle

Wilson: cybele.wilson@forces.gc.ca. Finalement, je vous demanderais de bien vouloir donner un avis à ces personnes afin qu'ils puisse mettre cette réunion à leur agenda dès que possible.

Je suis toujours disponible pour discuter avec vous. Comme vous pouvez l'imaginer cette initiative possède un grand potentiel et pourrait peut-être permettre de mettre fin à certains des plus grands obstacles à la mutation. Je vous remercie de bien vouloir soutenir nos efforts qui visent l'amélioration de la qualité de vie de nos membres et de leurs familles.

Merci

I would like to introduce you both to Okenge Yuma Morisho who is deputy minister in the Premier's Office. Okenge has spent much time with the Federal government and privy Council office so he will understand where you're coming from. He also has oversight of the intergovernmental relations secretariat.

Okenge - Brian and Simon are the key advisors in the senior representative of the Canadian Armed Forces in B.C, Rear-Admiral Art McDonald's Office. Over to you three.

Subject: First interprovincial meeting for a Seamless Canada - Réunion interprovinciale inaugurale pour un Canada sans faille

Fellow colleagues and JTF Commanders,

As you know, the first chapter of Canada's defense policy focuses on our people. The results of multiple surveys conducted over the years by the CAF indicate that the transient nature of our profession can cause significant stress to members and their families. In particular, interprovincial moves can cause hardship for our members and their families, particularly in the areas of education, health care, transportation, and spousal employment. It is to soften this reality that the CDS and CMP are proposing a "Seamless Canada" concept for CAF members and their families. The success of this concept requires provincial and territorial leaders to engage in a collective dialogue with senior CAF officials to discuss possible solutions to help mitigate interprovincial barriers faced by CAF members and their families. **The purpose of this email is to ask you to assist me in determining and confirming who in the provincial government in your respective AOR is the best person to attend the inaugural Interprovincial Meeting for a Seamless Canada.**

As a JTF commander, you benefit from a privileged platform being in a position where you may know who is the best government representative to be invited to a meeting of this nature. Some provinces, such as New Brunswick, Nova Scotia, and Alberta have already designated politicians as "liaison officers" for military-provincial affairs which might be an appropriate level of government official to attend this meeting. I have attached a list of known contacts for your validation. In addition, I would ask you to recommend a provincial representative for the provinces and territories where we are missing such a representative. Please note that the person chosen should be of an appropriate level that allows them to represent the intentions of their government and to report to their respective Premiers.

The inaugural Interprovincial Meeting for a Seamless Canada will be held June 27, 2018 at the Canadian Forces College in Toronto. The purpose will be to present to the provincial/territorial representatives the reality experienced by military families during transfers between provinces and territories. We already know that some provinces will take the opportunity to recommend some common initiatives.

In short, I ask you to send me the list of people to invite by May 4th. If you prefer to provide this return via your staff, please direct them to Maj Cybele Wilson: cybele.wilson@forces.gc.ca. Finally, I would ask you to let these representatives know about this meeting and give them appropriate notice so that they may add it to their schedule.

I am available at your convenience to discuss with you any questions or comments that you may have. As you can imagine, this initiative has great potential and could perhaps help put an end to some of the bureaucratic logistical obstacles for interprovincial transfers of our members and their families. Thank you for supporting the CAF efforts to improve the quality of life for our members and their families.

Chers collègues commandants de FOIs,

Comme vous le savez, le premier chapitre de la politique de défense du Canada est axé sur notre personnel. Les résultats des multiples projets de recherche et sondages conduits de façon récurrente par les FAC indiquent que la nature nomadique de notre profession peut causer un stress important aux membres et à leurs familles. Les déménagements interprovinciaux peuvent causer des difficultés à nos membres et leurs familles, particulièrement dans les domaines de l'éducation, des soins de santé, du transport et de l'emploi des conjoints. C'est pour assouplir cette réalité que le CEMD et CPM proposent un concept d'un « Canada sans faille » pour les membres des FAC et leurs familles. Le succès de ce concept demande que les dirigeants provinciaux et territoriaux entament un dialogue collectif avec les cadres supérieurs des FAC afin de discuter de solutions possibles pour aider à atténuer les obstacles interprovinciaux auxquels font face les membres des FAC et leurs familles. **Le but de ce courriel est de vous demander de m'appuyer afin de déterminer et confirmer qui au sein de l'appareil gouvernemental provincial est la meilleure personne pour assister à la Réunion interprovinciale inaugurale pour un Canada sans faille.**

En tant que commandant de FOI vous profitez d'une plateforme privilégiée pour savoir qui est la meilleure personne à être invitée. Sachez cependant que certaines provinces, comme le Nouveau-Brunswick, la Nouvelle-Écosse, et l'Alberta ont déjà désigné des politiciens comme « agents de liaison » concernant les affaires militaires-provinciales. J'ai joint une liste de contacts connus pour votre validation. De plus, je vous demanderais de bien vouloir recommander un représentant provincial pour les provinces et les territoires où il nous manque un représentant. Veuillez noter que la personne choisie devrait être d'un niveau adéquat qui lui permette de représenter les intentions de son gouvernement et de se rapporter au niveau du premier ministre provincial.

La réunion interprovinciale inaugurale pour un Canada sans faille aura lieu le 27 juin au Collège des Forces canadiennes à Toronto. Celle-ci aura comme objectif de présenter aux représentants provinciaux la réalité vécue par les familles militaires lors de transferts entre provinces. Nous savons déjà que certaines provinces profiteront de l'occasion pour recommander la mise en place de certaines initiatives communes.

En somme, je vous demande de bien vouloir me communiquer la liste des personnes à inviter d'ici le 4 mai prochain. Si vous préférez effectuer votre retour à travers votre état-major, veuillez les diriger au Maj Cybèle Wilson: cybele.wilson@forces.gc.ca. Finalement, je vous demanderais de bien vouloir donner un avis à ces personnes afin qu'ils puissent mettre cette réunion à leur agenda dès que possible.

Je suis toujours disponible pour discuter avec vous. Comme vous pouvez l'imaginer cette initiative possède un grand potentiel et pourrait peut-être permettre de mettre fin à certains des plus grands obstacles à la mutation. Je vous remercie de bien vouloir soutenir nos efforts qui visent l'amélioration de la qualité de vie de nos membres et de leurs familles.

Merci

Nic

Hi Okenge and Pierrette,

I just wanted to flag a few items that we will need to nail down next week with regard to the Western Premiers' Conference. Northwest Territories has asked that we provide:

- our list of delegates, along with information on any allergies or special needs;
- the name of a security contact; and
- the name of a communications contact. (This would be for media relations purposes – not for communiqué drafting, which will be done by IGR officials.)

The deadline for hotel bookings is also coming up. I think it's Monday, but I am double-checking with NWT.

Thanks,
Grant

Bonjour Okenge,

I sent the BN for translation. I'm missing one piece of information highlighted in yellow.

The note is a little long but I wasn't sure what to cut.

Merci!

Subject: Media Reporting Canada's Steel and Aluminum Exemption Extended

Hi Okenge and Pierrette,

Media is reporting that Canada **will** get an extension on its exemption to the Section 232 steel and aluminum tariffs, based on information from a senior White House official. Reports suggest President Trump will postpone his decision on country exemptions for Canada, Mexico, the EU, and other US allies **until June 1**.

We have not yet heard confirmation from the federal government.

Thanks,
Anika
