Susan could I trouble you to write me a 1 or 2 paragraph summary of the project from your team's perspective, with costs and logistic notes?

I like to debrief on projects, and where possible I am still trying to get your team more notice when requests come your way. I can sock that away in the plan for Vaisakhi and reference it for timelines/planning/associated costs the next time a plan like this is cooked up. No rush whatsoever on that.

I believe our budget is just part of the overall PO, but Jen was going to connect with Vanessa/Judy to confirm.

Postage would still be in addition to that.

I don't think it's really an issue - but that may depend on how often you envision doing something to this extent. And, we ordered enough supplies for this mailing, but we'd have to purchase more envelopes if we were to do this again - we didn't have many leftovers. So, having more notice would also be helpful to ensure things don't get delayed waiting for office supplies to arrive (things arrived early this morning so we had no problems, thankfully).

Hey Susan,

Thanks for letting me know, and for your team's diligence in this wrapping plan! So the whole mailing combined cost about \$180? For context, is this significant compared to correspondence's overall budget? If our work starts to eat into your resources I'll go to bat for you to get what you need in terms of resources to support the added volume (for whatever that will be worth in the bigger scheme of things!).

Thanks,  
Charlotte

FYI – TAC confirmed that they are not providing envelopes.

We have a few that will work, but we're having to place an order them in. To ensure they arrive without being bent, we're sending them in bubble-lined envelopes & inserting cardboard. The envelopes are costing about \$80 & this is also depleting our stack of cardboard quite substantially as we have to tape 2 together. The boxes of cardboard come from Queen's Printer, so that'll be cheaper than Staples, but I think we get 230 pieces for about \$100 or so. (Just to give you a perspective on costs.)

Hi Susan,

I understand Sage has already spoken to you about this but I just wanted to send along some details about the Sikh Heritage Month mailing.

So the plan is to send a copy of the Sikh Heritage Month proclamation and a cover letter from Premier Horgan to all the Gurdwaras in the province next week. There are 50. So:

- Kelly Newhook or James Infante will drop off 50 copies of the printed proclamation to your office tomorrow- Friday, April 6
- The cover letter is ready and Sage will send that to you tomorrow digitally, so you'll need to print 50 copies
- You'll need large envelopes
- Attached is the list with the mailing addresses of all the Gurdwaras

If you and your team could bring that mailing together for Tuesday that would be awesome (let me know if that's impossible and I'll let Kelly know—or you can let her know tomorrow when you see her but loop me in too).

On Monday you'll receive a list from Kelly of the pieces of mail that shouldn't be actually put into the mail. They can still be prepped in all the same ways, but those pieces will be hand delivered, so just pull them from the mailing stack and put them aside for Kelly who will come get them.

Let me know if you need any more info or if any of this won't work for your team 😊

Thanks,  
Charlotte

Please note that the meet up information is replicated from last year and has been circulated by Veen Dewar, and that the PJH's schedule is still being worked on by Rick Devereau's team and won't be ready until Thursday or Friday.

Hi Charlotte,

s.22 after the Breakfast and didn't get the chance to tell you how much I appreciated your help with getting some heavy hitters out to the event. It was amazing to have the Premier join us – I could see how much it meant to people to see him there and to be able to have a chance to greet him or speak with him or take a photo. It added so much energy to the room.

It was really great for us to have two head tables this year – and to have the Parliamentary Secretary for Gender Equity present, as well as Attorney General Eby ... and the MLAs and MPs who joined us. People were super energized by their presence.

The Breakfast went amazingly well. It was our most successful fundraiser to date and we exceeded our own expectations. Robyn Doolittle proved to be an engaging speaker (I actually felt lucky to have had the "misfortune" of the speaker switcheroo!) – and there are a number of great connections that were made and work that's emerged from those connections at the event.

Thanks for helping to make that possible and for having such an "open door."

We had a DEVO meeting yesterday – our first in ages – and your absence was notable. It was nice to meet Mark, though, and so great to see Catherine and the new offices.

I hope you have a great spring and hope to see you in future,  
Basya

Could you please do a digital thanks to:

- the Prince Rupert Port Authority for leading the tour
- The International Longshore and Warehouse Union Local 505

Using these photos: <https://www.flickr.com/photos/tags/portrupertportauthority>

Thanking them for the tour and for showing him the important work happening at the Prince Rupert Port (let me know if you want me to send you any backgrounders so you have info about the Port's importance in the region).

**Wheelhouse Brewery:**

Attached is a list of all the folks from the wheelhouse event.

Info about event:

It was about young professionals and why they have chosen to build their careers in Prince Rupert (and what are the opportunities and challenges they face in doing that). It lasted about 1 hour, happened on Monday March 28, and included about 25 people. It can be described as an informal reception, and an important opportunity to hear from young people in Prince Rupert about their opportunities and challenges.

Could you do up a digital thank you that includes one of these photos>

<https://www.flickr.com/photos/tags/wheelhousebrewing> ; they don't need to be individualized for each participant unless that is a thing you can do without too much added work (mail merge?). Please do an individualized one for Wheelhouse Brewery.

I particularly like this one but pick whatever looks best to you. You're welcome to email them out from correspondence, or I can take care of it once the thank you file is prepped (whichever you prefer).

**Evan-** did you ask for a physical card to be prepped for Hans? I'll check in on him informally now to say thanks.

#### Friendship centre:

Could you please also prep a digital thank you for the Friendship House Association of Prince Rupert using one of these photos <https://www.flickr.com/photos/tags/friendshiphouseassociationprincerupert> and I'll send a note from Elena and I to Anna with the PJH thank you that she can circulate to others. If Evan gave you contact info for paper mail, that would be nice too ☺

Hi Amber,

Can you please:

- 1) Confirm which of the following dates work for PJH for the next Chinese Canadian Advisory Committee meeting?

a.

Date	AM	PM
Wednesday, May 23, 2018		
Thursday, May 24, 2018		
Friday, May 25, 2018		
Friday, April 1, 2018		

- b. These would be 1 hr meetings plus we need briefing times in advance. Please let me know if he has either/both a time in the morning and the afternoon so we can give the committee participants some options. In this case, the more availability, the easier to schedule the meeting. Then I can let you know very soon what the timing is, and you can free up all those other times. Is that possible?
- c. If possible, can you let me know by Thursday of this week about these dates so the committee secretariat can canvas for options with committee members?

- 2) Coordinate a time in advance of this first meeting for PJH and Minister Chow to meet to discuss:

- a. Appointment of co-chairs for the committee
- b. Agenda items for the committee
  - i. I would think this would be about a 30-45 minute conversation, but I am still getting a sense of how long he gets scheduled for things so I defer to your wisdom! Just trying to give you a ballpark to work with.
- c. If possible, could this meeting be sometime in the week of April 23 so there is time to get BNs and committee materials sorted out after their decision?

Hi Charlotte,

Im not sure if you are the right person to contact about this but i do believe we are all very saddened by the tragic accident in Saskatoon for the junior hockey team. Not only having Vancouver being a hockey city, but as well having the team being being all youth, and young just like myself and many others, i thought it would be right to have some sort of simple vigil to bring the city together to mourn the loss of those effected by such a tragic incident.

If there is anyone i can get in touch with to maybe be considering to attend and speak or if the city of Vancouver can provide anything from there part i would much appreciate that.

I hope to have this happening on Monday. Time has yet to be decided

Best regards,

Thought that might be the case, but wanted to check before suggesting you start something!

Dropping Amber to BCC so she can take herself off the thread when she likes. Amber, just note that official correspondence will go out and no need to arrange an additional phone call from PJH.

Susan, Guo Ding was asked by the Premier to sit as a member of the Chinese Canadian Community Advisory Committee, and he initially accepted the nomination, but as it turned out was not able to serve on the committee<sup>s.22</sup>. So, he sent his regrets. David was not yet officially appointed to the committee, and had not yet attended any meetings, so the thank you can just be for his eagerness to serve on the committee in the interests of bettering BC, and the Premier's regret that it wasn't possible at this time. Presumably it will be quite short as David did not yet serve on the committee.

Thanks,  
Charlotte

Susan, is there any thank you in the works from correspondence for David Ding's service on the Chinese Canadian Community Advisory Committee? If not, I'll send you some details so we can get one underway.

Thanks!

Hi Charlotte,

Just an update for this Saturday's event. Since it falls a week before 'official' Vaisakhi Day, and is a much smaller event, we're hoping to simply have an image to share. Do we know if there will be a photographer on site for this event?

I plan on a FB/TW post likely from 'Spokespersons'/Ministers, and we can share one via the BC Govt Channels. Would love to have a group/crowd shot for that. We won't require any sort of translations for this content. If anyone has any posters/ads, etc., that they need translated, I can link them to our contact at Mosaic.

The bigger focus is going to be on the Vancouver and Surrey parades, and that is where the graphics will come in.

Thanks!

Hi everyone,

Minutes from today's meeting and all action items are now available in the [Sharepoint folder here](#). Please update that doc when you've completed your items or if you have relevant updates.

For your convenience, here is a summary of the action items. The main takeaway is the proposal to declare SHM at a community event. An event plan will need to be put together by Rick's team.

**ACTION ITEMS:**

- a. Figure out who is coordinating the logistics of the parade attendance and connect them with Rick (Charlotte by Thursday) Done
- b. Sikh Heritage Month to be proclaimed at Vancouver Parade- this requires an event plan being put together (Rick and Shruti to collaborate on plan with review by Sage; this should happen in consultation with PS Kahlon's team) (Rick?)
- c. Ensure copies of proclamation (digital and physical) are sent to all MLAs and BC Gurdwaras (Kelly)
  - a. Charlotte to send list of Gurdwaras to Kelly (Done)
  - b. Should PJH greeting be sent with proclamation to Gurdwaras? Sage to decide (Sage?)
- d. Digital pieces need Punjabi translation- Herman to look into this (Herman?)
- e. SA media plan to be developed by Sage and Shruti (Sage or Shruti?)
- f. Best practices guide for parades to be created by event/media/stakeholder team and circulated to all MLAs (Charlotte to connect with Kate and then work with Shruti/Rick on this) (Not done)

Reminder that this is how we plan to loop in others

**Proposed Reporting out structure:**

- **Shruti** reports to GCPE Media Relations
- **Rick** reports to GCPE events team
- **Herman** reports to GCPE Digital
- **Kelly** reports to TAC and PS Ravi Kahlon
- **Kate** reports to PO operations and PJH
- **Sage** reports to PO communications + PO correspondence + Cabinet Priorities Strategic Comms
- **Charlotte** reports to PO stakeholder relations + Whip's Office + Caucus + relevant ministers via MAs

Hi Susan,

I understand Sage has already spoken to you about this but I just wanted to send along some details about the Sikh Heritage Month mailing.

So the plan is to send a copy of the Sikh Heritage Month proclamation and a cover letter from Premier Horgan to all the Gurdwaras in the province next week. There are 50. So:

- Kelly Newhook or James Infante will drop off 50 copies of the printed proclamation to your office tomorrow-Friday, April 6
- The cover letter is ready and Sage will send that to you tomorrow digitally, so you'll need to print 50 copies
- You'll need large envelopes
- Attached is the list with the mailing addresses of all the Gurdwaras

If you and your team could bring that mailing together for Tuesday that would be awesome (let me know if that's impossible and I'll let Kelly know—or you can let her know tomorrow when you see her but loop me in too).

On Monday you'll receive a list from Kelly of the pieces of mail that shouldn't be actually put into the mail. They can still be prepped in all the same ways, but those pieces will be hand delivered, so just pull them from the mailing stack and put them aside for Kelly who will come get them.

Let me know if you need any more info or if any of this won't work for your team 😊

Thanks,  
Charlotte

Hi Mira,

From an outsider perspective I think there is lots of good stuff in here!

My impulse is to flesh out the public education piece for both parents and providers, but of course I don't know exactly what has already happened. Some brief thoughts in case they are helpful:

- In addition to flyers being distributed at centres for parents, a mail out campaign or additional ad buys could be considered to direct them to the child-care improvements website.
- A media strategy that sees representatives explaining where the process is at and where it is going in a number of outlets across the province
- I don't know what has already happened with potential providers but webinars or telephone town halls updating opted-in providers on the progress of the application review and when they can expect to hear back (even mass emails could work if it is just info dissemination),
- Webinars or telephone town halls with not yet opted in providers on how they can access the start-up grants to cover the costs associated of becoming licensed. (This couldn't happen too soon as an info campaign would have to start to get people signed up for the session)

In the longer term, it would be great to have a visual roadmap of what steps are coming up next and when parents/providers can expect them to happen.

Just my \$0.02 from outside the campaign,  
Charlotte

I like the goals and that there is an opportunity to further them depending on the level of engagement for each stakeholder.

I'd break out the private providers into some more distinct groups which will help isolate where issues lie based on the input we're receiving:

1. Private- big box
2. Private- small business
3. Private- multi age at home family

The roundtable with the NH's and PJH is April 30<sup>th</sup> and could also be noted as a meeting with non profits who have opted in if we want to focus on that.

Probably we will need dates (you might have already?) about the process for institutions to be notified about funding in order to get public statements from them though there are maybe ways to get statements about what's coming ahead.

To date there is not a plan that I'm aware of re the COV apology. I've cc'd Geoff who may know something I don't. I personally think it is something we may want to express support for through a statement and/or potential involvement of the CCAC. If there is not an existing plan, I'm happy to have my team help provide support.

Hey Mira,

Minister just wanted to check in with you to see if there is a PO plan to be present for the City of Vancouver Head Tax apology on April 22? MBR is planning to be there, but just wondering if there's a larger plan he should be a part of.

Good afternoon Dr. Lee,

I am writing on behalf of Premier John Horgan to extend an invitation to join the Premier's Chinese Canadian Advisory Committee.

The committee was recently constituted and 17 of its 20 members were added in the last few weeks. For your consideration, I am attaching the bios of the newly added members, the draft terms of reference, and the agenda for the very first meeting which is scheduled for 5:00-6:00pm on Thursday, March 22<sup>nd</sup>. The committee's structure, meeting schedule, and work will all be discussed and determined by the committee at the upcoming meeting.

If you are able to join the Premier's advisory committee, or if you have any questions, please let me know at your earliest convenience. At that point, I will send you a calendar invite for the March 22<sup>nd</sup> meeting. You are welcome to attend in person, and travel expenses will be reimbursed, or there will be a teleconference line made available.

**Subject:** Re: Kamloops Digital economy with Premier Horgan

Hi Joleen,

a project that is in development at TRU that should be of interest to the BC govt ,is a new possible Wounds and Skincare Research and Innovation Center being proposed by TRU Nursing's

Dr.Nicola Waters.Nicola informed me recently that the EU has changed the research rules for wounds and skincare products and are now requiring retesting of equipment and some of the products that had been tested.So the top wounds researchers from Oxford(who had agreed to assist her) have contacted her that they will now offer full support to set up here,as the EU backlog will allow for testing elsewhere in the world.There is already a 5-7 year backlog in wounds and skincare research and testing in Canada,and the only company in Canada that is in Toronto cannot handle the business.

Most of the wounds are diabetes related,and there is also huge need and opportunities to produce prevention, awareness,education programs for youth in schools to encourage healthy diets and exercise for diabetes,opioids,addictions etc.The previous government did little to address any of these global epidemics..

So if Premier Horgan has the opportunity to meet and have a chat with Dr.Waters,it should facilitate and expedite a much needed and viable Research and Innovation Center.

Having said that,without support here at TRU,the center would have to be set up in another university location.

Hi Joleen,

I just returned recently from Hong Kong, where I attended Hong Kong Filmart as part of the BC/Canadian delegation.This was my 6th year attending ,and the BC/Canadian presence is getting ,stronger largely due to Creative BC support.

Last week upon my return I met with Karen Lamare Director of Creative Sector Policy in Vancouver to discuss HK Filmart follow-ups and potential opportunities..

I am an independent film maker but I have representative contracts with [www.tristarglobalentertainment.com](http://www.tristarglobalentertainment.com) CEO Michael Olsen , [raventales.com](http://raventales.com) president Simon James and am in the process of signing rep agreements with Sean O'Reilly CEO of [arcana.com](http://arcana.com) .As a result of Filmart,I was able to bring Simon and Sean together for coproduction discussions in Burnaby last Thursday and we are moving ahead on new IP planning for animation films and series for global markets.As I attend film markets in Hong Kong,AFM,TIFF,UNAFF ,VIFF,WFF I have many close friends and associates in film/TV media from around the world.

I also had meetings with top academics from TRU and TWU in Vancouver about production of a "gang" prevention game last week in Vancouver.

As a result of the meetings,I asked if Sean and Simon would be interested in coming to Kamloops to hold animation forum(s) and possible a future animation camp.They agreed yesterday . Thompson River University Dean of Science Dr.Tom Dickinson has agreed to host .This morning I started to send emails seeking further community support and interest and the TNRD Film Commissioner Vicci Weller informed me that Premier John Horgan will be attending an event on the digital economy in Kamloops tomorrow afternoon .

I was wondering if it is possible to get on the guest list to attend the event.I have cc'd Lincoln Smith,but can also get Robert Wong ,Karen Lamare or Vicci Weller to verify.Also if you need contact info for Michael Olsen,Simon James or Sean O'Reilly please let me know,

Thanks so very much ,and I hope that the Kamloops visit is a success:)

Hi All,

First important question:

Can you double check that notification of the venue has gone out to the invitees? I have received a couple of enquiries this morning of where the tech event was being held and when to arrive.

If that email has not gone out I would recommend a suggested arrival time of 340. There is a busy train crossing, and many will be unfamiliar with that industrial area of Kamloops.

Other:

I just wanted to check in and let you know that things on our end are good to go.

We have the rental chairs arriving earlier in the day and will have those set up as Kimberly and Joleen discussed on Monday.

We have ordered the catering to be delivered and will set that up.

We will have the door staffed to sign in/welcome guests, explain the event, answer questions and usher to the venue space.

We will reserve a parking space in the main parking lot for Premier's car to arrive at 4pm. (is one space sufficient?)

We will have name tags on hand if you would like us to use them. We will print out names if you wish but will need a guest list sent to Kimberly asap.

If there is anything else you can think that needs doing do not hesitate to ask.

Thanks  
Lincoln

note: The brief demo has a duration of 5min the "minute by minute". I think this will be difficult to accomplish but we have a buffer at the end of the event to absorb overrun of a few mins in the demo.

Good evening Dr. Shaver,

An unfortunate typo has meant that an invitation that should have arrived with you last Thursday doesn't seem to have made its way to you.

When I noticed that we didn't have you RSVP'd for tomorrow afternoon's event with Premier John Horgan, I double checked our invitation list and a comma at the end of your email address likely means that this invitation did not arrive in your inbox when it should have. My apologies for that. If you happen to be free tomorrow from 4:00-5:00pm, Premier John Horgan would love to have you join him for a short reception being hosted at Axis Forestry on the topic of the digital economy in Kamloops. Details are below.

Please feel free to reach out with any questions, and again my apologies for just now seeing that this email likely did not arrive to you last week.

Good evening Mayor Christian,

I know you will have already received an invitation to join Premier Horgan Thursday morning for the event at Thompson Rivers University, but if you're available I thought you might also be interested in joining the Premier for a short event I've put together for tomorrow afternoon. With the great help of Dr. Lincoln Smith, Executive Director of Kamloops Innovation Centre, we've brought together a small group of around 20 community and business leaders to talk with the Premier about their experience working in the digital economy in Kamloops, and the challenges and opportunities they have found building their companies in that sector.

My apologies for the lateness of this invitation. Knowing that you'd be attending an event with the Premier the following morning I hadn't intended to loop in local leaders, but after watching the event take shape I thought you might also find this one interesting.

The event will be informal with a short program led by our host Dr. Lincoln Smith, Executive Director of Kamloops Innovation Centre, followed by an opportunity to mix and discuss with each other and the Premier in the second half of the hour. Good evening Chief Ignace and Chief Christian,

After speaking with Chief Ignace earlier today, I learned that the Shuswap Nation Tribal Council will have their full day meeting tomorrow April 4 in Kamloops.

Chief Ignace and I discussed the possibility of the Premier meeting with the Tribal Council sometime Wednesday, but unfortunately his schedule is already packed full and set for tomorrow. However, if members of the council are still in Kamloops on Thursday morning, I'd like to extend an invite to everyone to join the Premier on Thursday morning for an event at Thompson Rivers University involving a ground breaking on a new nursing facility.

If that is of interest to anyone on the council, please RSVP to Event Manager Joleen Badger, cc'd here.

Feel free to send any questions my way.

Hi Joleen,

I've reviewed this list as per our discussion. All TRU suggestions and the electeds on the list are good to invite and in addition I would recommend that the invite be extended to Lincoln Smith (as he is seconded to TRU) and to the Shuswap First Nation Tribal Council, as they will all be in Kamloops on Wednesday.

If you could just include me when you send the initial invite, I can take care of sending something special to Lincoln and Kukpi7 Christian (Tribal Council Chief), and I'll follow up with Chief Ignace.

Thanks,  
Char

Good afternoon Chief Ignace,

Nice to talk with you this morning! Tomorrow Wednesday, April 4 from 4:00-5:00pm in Kamloops I am putting together a short reception with Premier Horgan and entrepreneurs/professionals working in the digital economy. This could be anything from programmers or designers, to people innovating in traditional economic activities through new digital approaches. If there are any young people in your community who fit this description who might be interested in attending the reception with the Premier, please let me know!

Here's the information for tomorrow evening's event:

On behalf of Premier John Horgan, I'd like to invite you to join the Premier next Wednesday, April 4 from 4:00-5:00pm for an event on the digital economy in Kamloops. The event will be held at Axis Forestry, which is located at 65 Vicars Rd, Kamloops. The event is by invitation only, and all attendees must RSVP in advance.

The Premier would like to hear from participants why they have chosen to build their company in Kamloops, and what the challenges and opportunities are of working in the digital economy sector in the region. The event will be informal with a short program led by our host Dr. Lincoln Smith, Executive Director of Kamloops Innovation Centre, followed by an opportunity to mix and discuss with each other and the Premier in the second half of the hour.

If you are able to attend, please RSVP to Manager of Events Services Joleen Badger at Joleen.Badger@gov.bc.ca.

Thanks and feel free to call or email me with any questions.

Warmly,  
Charlotte

Hi Mira,

Tomorrow, April 4, the Premier is taking part in an event in Kamloops to discuss the digital economy in the region with company and community leaders. There will be approximately 20 people there. Axis Forestry has generously offered their space, which will make for a great backdrop to the event, but we will need to bring in some catering as there is nothing on site. Joleen Badger of the events team will be able to send over quotes, but the total cost will be below \$500.

JTT has been fantastic in preparing background information and suggesting contacts in the region. Attached is the event invite that went out.

Hi Mira,

As discussed last week, after having a great discussion with Leanne Ritchie about MIRR's protocol document, I'd like to connect with staff in MIRR who have been thinking through the question of notification calls to FN leaders for some time. As Leanne is in the process of changing roles, she suggested that the best way to connect with the correct staff person would be to go through my director to the DM Doug Caul ([Doug.Caul@gov.bc.ca](mailto:Doug.Caul@gov.bc.ca)). If it's fine with you I'm happy to connect with him, or if you'd prefer to ask him who the right contact is in the ministry, that would be great!

We are currently working on the BC Film/animation tour thing, and the BC Tech roundtable follow ups are going out this morning. Usually Susan is the point person and delegates to me if she's swamped with other things. Let me know if you need any more info! Cheers.

Good morning,

Thank you for the invitation to speak however, I am going to politely decline. I would still like to come participate in the informal meet and greet.

Warm regards,

Hi Joleen: Nice meeting you today. I reserved tall bar stool type chairs (with backs, similar to what was at Axis) to be delivered before 2PM on Wednesday. If something changes, let me know and I'll adjust.

I'll go ahead and order coffee, tea, pop, sweets for 3 PM on Wednesday. Beth (in our office) and I can assist with welcoming people as they arrive. Do you usually do nametags? Also, how do you want to handle expenses?

Not sure if Lincoln mentioned, but you're welcome to work from Kamloops Innovation while you're in town. We have a coworking space and private offices you could use, wifi, highspeed, printing etc. Pop in anytime.

Let me know how things shape up with the venue and if you need anything else. Thanks.

Hi Kate,

Outcome from this afternoon's meeting about the May 2<sup>nd</sup> tour stop with Joleen and JJ was:

- Joleen going to reach out to contacts in Maple Ridge-Mission to organize an outreach event on the government's current initiatives related to seniors. This would not be a roundtable or an announcement precisely, but Joleen can best articulate the parameters
- Chantille taking over for Charlotte on this stop<sup>s.22</sup>. At this point stakeholder relations may be helping to determine the audience, work with stakeholder groups planning to attend, or plan follow up to build on relationships. Waiting for more information when the event takes shape on our role.

### Future event

- There was general enthusiasm for the plan that Chantille and I are thinking through for a more complex event on the same topic in June (or later). A draft description of that stakeholder engagement opportunity is with Chantille for edits and Mira for feedback
- JJ and Amanda are continuing to stay in touch around major pieces becoming ready for announcement in health. If timing makes sense, an announcement would ideally be paired with the larger engagement event

Let me know if you need any more info from me for the time being. <sup>s.22</sup>

Thanks,  
Char

Hi both,

I wanted to double check with JJ and Joleen that I had heard everything correctly because the phone reception was terrible. But since they may take a while to get back to me, I'm sending you the version that I think is correct. Chantille they know to reach out to you if they think I have misunderstood anything.

Hi Chantille and Mira,

The meeting today on the seniors event in Maple Ridge ended with:

- Joleen going to reach out to contacts in Maple Ridge-Mission to organize an outreach event on the government's current initiatives related to seniors. This would not be a roundtable or an announcement precisely, more of a community outreach meeting
- There was general enthusiasm for the plan that Chantille and I have articulated for a more complex event on the same topic in June. A draft description of that stakeholder engagement opportunity is below for Chantille's edits and Mira's feedback
- JJ and Amanda are continuing to stay in touch around major pieces becoming ready for announcement in health. If timing makes sense, it would be great for an announcement to be paired with the larger engagement event
- Chantille taking over for Charlotte on this stop<sup>s.22</sup>. At this point we may be helping to determine the audience, work with stakeholder groups planning to attend, or plan follow up to build on relationships. Waiting for more information when the event takes shape on our role.

Thanks,  
Char

*Hi Joleen and JJ,*

*I was about to send this to Mira and Chantille before heading out. Does the below summary sound about right to you? Sorry for confusion on my end, the reception kept cutting in and out and I was having a hard time following some of the conversation.*

*In addition, I'm not sure who is meant to be the lead on tour stops under this new configuration. In our team's conversation with Rick we had understood that events must approve and go forward with a plan for every stop on this tour, so I just want to make sure that I am not letting people down by not having a fully baked plan for May 3! Let me know if you're looking for more from our team and we will be happy to do it, just trying to work collaboratively on this vision.*

Here's where things are at on our end. Can you please be sure to let Mira know the outcome of PSRK and MGC's chat today before her time with PJH on Saturday?

s.13 as the next agenda item? We will need to get the ministries moving on a presentation for the committee if that works for you. If you and MGC have a different idea, that is great, I'm just conscious of timing for notifying committee members and ministries ☺

Hi Mira,

Here are the next steps in relation to the consideration of the concept report on the Museum by CCCAC-

- MGC and PSRK will meet today to discuss their reactions to Phase 1 of the report issued by TAC, and their current thinking on the project.
  - Their MAs will reduce their conversation to writing and send that over to you by midday Friday to discuss with PJH on Saturday
- The report's executive summary [Word Doc] is attached for PJH's review
  - The full report [.pdf] is also attached if he would like to see it
- On May 10 from 4:30-5:15 PSRK and MGC have time booked with PJH to discuss:
  - Chinese Heritage Museum phase 1 report, and their current thinking on the project
    - They are looking for direction from PJH or confirmation that they are all on the same page regarding vision for the project
  - Then MGC will present agenda items for CCCAC and his nominees for co-chairs for the Premier's approval

s.13

Following the appointment of co-chairs, MGC will work with co-chairs to determine the topics for subsequent meetings.

Let me know if you need any more info on this right now.

Hi Anna,

How did the visit with Premier Horgan go from your perspective? I heard it was great and I was so happy to see the photos of him gathered in conversation with your board, staff, and program participants.

Elena Banfield who was able to be there in person especially wanted to say thanks for all your help. She is cc'd here as we decided to say thanks together.

The Premier really enjoyed his time at the Prince Rupert Friendship Centre, and I'm so glad he got a chance to discuss the core funding announcement. As someone who worked in a non-profit association for the last number of years I know what a difference reliable operational funding can make. I hope it will be a good news story for your team and the important services they provide.

Thank you so much for all your help to bring the visit together! It was very kind of you to invite up leaders from the Association and the Terrace centre as well. Please pass along our thanks to s.22

s.22 and any other staff and clients who were able to join for the visit.

The Premier will be sending a thank you next week, but he asked that we pass along his personal thanks to you for hosting and organizing.

I thought you might like to see the photos from the evening. They are all here:

Hi Sage and Karl,

MDE is bringing together an event at the leg for the tabling of the anti-SLAPP legislation on May 7. It would be a great opportunity to film a short video with MDE and a community member who has been calling for anti-SLAPP protection (I'm thinking<sup>s.22</sup> but I'll be speaking with Gala tomorrow morning to confirm who is on her list).

I think it would be great for PJH to take part in the video, and it could be used as greetings for some upcoming community events by anti-SLAPP groups (in addition to being disseminated on social and shared through email lists on a network to networks approach). It could potentially also mention the whistleblower protection stuff and be shared with many democratic rights groups. Of course, MDE can do this on his own, but I think it would be good for the communities this video would reach for the video to include PJH (and I am happy to discuss why).

**Decision points:**

1. Karl- is your team interested in making an anti-SLAPP legislation video? If so, does May 7 work?
2. Sage- should PJH be included in this video?

Let me know what you think!

Hi both,

Could PSRK and MGC get together before Saturday to reach some bullet points on their response to the Phase 1 report (and the overall evolution of their thinking on this project)? If you could reduce that to writing and send that to Mira (cc me), she will give PJH a heads up on the issue on Saturday.

Then on May 10 Amber was able to extend the meeting from 4:30-5:15 so they can get together to discuss their wishes for the museum at the beginning of the meeting, and MGC and PJH can continue on with their discussion about CCCAC agenda items and appointment of co-chairs.

Does that work for you two? Jacqueline, we will need to put our heads together ASAP about an agenda for May 25. FYI-  
s.22 so we can either chat tomorrow or the week of May 1.

I promised the Premier that I would keep him updated on the Upper Nicola's Referendum to approve to designate the solar farm site from the Band to the Upper Nicola Development Corporation.

Good news. The Referendum was held on Monday (April 16) and passed overwhelmingly.

172 Votes FOR  
12 AGAINST

Another step closer to constructing the largest solar farm in BC!!!

Cheers

Hi Charlotte,

Would love to work with you and/or AG/MDE to make a video for social (that can be used or adapted for other contexts). It's usually best if the request for the video originates in the comms shop, do you know if that will be the case? Or is this something I should reach out to the AG comms director about?

Over to you Sage for decision point 2.

**Subject:** Video for protection of public participation act

Hi Sage and Karl,

MDE is bringing together an event at the leg for the tabling of the anti-SLAPP legislation on May 7. It would be a great opportunity to film a short video with MDE and a community member who has been calling for anti-SLAPP protection (I'm thinking s.22 but I'll be speaking with Gala tomorrow morning to confirm who is on her list).

I think it would be great for PJH to take part in the video, and it could be used as greetings for some upcoming community events by anti-SLAPP groups (in addition to being disseminated on social and shared through email lists on a network to networks approach). It could potentially also mention the whistleblower protection stuff and be shared with many democratic rights groups. Of course, MDE can do this on his own, but I think it would be good for the communities this video would reach for the video to include PJH (and I am happy to discuss why).

**Decision points:**

1. Karl- is your team interested in making an anti-SLAPP legislation video? If so, does May 7 work?
2. Sage- should PJH be included in this video?

Let me know what you think!

Thanks,  
Charlotte

As discussed, two things for PJH feedback:

1) s.13

a. Can you let me know when you are planning to ask PJH just so I can communicate a rough timeline to Lucinda?

2) Is PJH is fine for the preliminary report on the Chinese Heritage Museum to be considered by the CCCAC at the May 25<sup>th</sup> meeting as a preliminary temperature check on the concepts outlined in phase 1 of the feasibility study. The executive summary of that report is attached. MGC would like the committee to be consulted.

a. Additional agenda items for the committee will be discussed by PJH and MGC during their May 10 meeting, but this one needs approval before that so the Secretariat can start moving on the meeting items.

Hi Mira,

On Thursday, PJH is scheduled to attend the last 15 minutes of a meeting happening between PSRK and the National Association of Japanese Canadians (NAJC). Because Minister Beare is unable to attend, Minister Bruce Ralston will also be in attendance.

- This meeting is in response to a letter sent by NAJC to PJH in August 2017; letter is attached. Their request to meet with the Premier was referred to TAC, and PSRK has previously met with this group in his constituency.
- The group is concerned that the 2012 apology to Japanese Canadians by the previous government did not consult the NAJC, or the Japanese Canadian community in BC. In their own words, "Letters requesting a meeting with the previous Premier went unanswered". This is notable as the NAJC was the group who negotiated the Redress Settlement with the federal government in 1988. They have 5 chapters across BC.
- The group would like to forge a new respectful relationship between this government and the Japanese Canadian community.
- A BN summarizing the 2012 apology and resulting legacy initiatives is scanned and attached. The most recent initiative was the designation of 56 culturally important sites, and this happened in April 2017.

Should PJH require more information, I have a binder with background materials prepared by TAC. The TAC staff contact is Sasha Hobbs, Executive Director of Multiculturalism, who will be in attendance at the meeting. Let me know if you require any further info.

Hi Naveen,

Just a quick update on items from the province's end for Sunday's apology.

- 1) The invite has been circulated to MLAs and the coordinator has asked that they be able to respond directly to you if they plan to attend s.22 . I have asked that they do so by noon on Friday. Will this work for you?
  - a. I don't anticipate that many others will choose to attend as I have heard from many that they are not able to. As of now, I only know that Minister George Chow, Minister Bruce Ralston, and Minister Shane Simpson will be in attendance.
  - b. As we discussed, Minister Chow will also be inviting members of the Premier's Chinese Canadian advisory committee (there are 18 members total and I expect many of them are already on your list). If any of them are new invites, would you like them to RSVP as well or are they just able to attend if they arrive by 1:45?
- 2) Our comms people are preparing a statement from the Premier to be released on the news wire on Sunday commending the City's apology.

Let me know if there is any other info you need from us.

Thanks so much for your assistance!

Invitations were sent from the City to all Vancouver MLAs, but they have extended the invitation to any other MLAs who are interested in attending. It is attached. Could you please circulate to caucus and let me know if there are people who have not yet RSVP'd with the City who would like to attend?

The City has asked that we get back to them by Friday at noon with any additional MLAs who would like to attend. I am happy to communicate that to my contact at the City, s.22 so if you would like me to pass that on, I would need to know by 4pm tomorrow. If the Ministry of Health is hosting this event, the budget for food/refreshments should come from them. The Premier's office doesn't have a budget to cover food.

I would recommend connecting with the DMO's office to see if they have a budget line.

If you want to discuss, please give me a call today.

Hi Lucinda,

I connected briefly with Jarrett Hagglund (cc'd here) of the events team to discuss your upcoming event. Adding him in here so the events team can link up with you on bringing the vision to life. Jarrett, Lucinda and I have so far connected just to answer questions about the invitation process. I am adding below any other pieces where the Stakeholder Relations team can assist.

I've put each of your names at the beginning of each bullet point that is directed at you. Sorry if that looks odd! Not trying to shout at you via email, just trying to make it easier to read.

Lucinda, feel free to chime in on any of the below! Here's where I think we're at:

**1) Invitations:**

- a. Allocated tickets: Ministry of Health will allocate three tickets per community group that you met with this weekend. This should be around 35-40 tickets.
- b. Remaining tickets: generic invitations to be circulated in the community will invite people to express their interest in attending by either a) sending an email to a generic email address or b) responding via web form. Then based on the expressions of interest, Ministry of Health will determine guest list based on capacity. Official invites will then go out to everyone.
  - i. Jarrett, For this to work there will need to be a generic email address set up. Jarrett, have you done this before? Alternately, the events lead could be the email address on the invite, and just handle the expressions of interest in their inbox.
  - ii. Jarrett, there should be some investigation into the FOIPPA considerations here (Rick raised this). I don't think this will be a problem because people are giving you their contact information for a business purpose, but the events team should double check as there may be a FOIPPA disclaimer that needs to be added to the generic invite, or on the web form page. (Jarrett in case you need to hunt down who is already using web forms, I know they are used in GCPE Public Engagement for receiving public input, and collecting nominations for Order of BC)
  - iii. Lucinda, just a tiny note to ensure you include a deadline in the invitations for people to send their expressions of interest, so you have time to process the list and send official invites. Aim to get invitations to submit Expressions of Interest by April 4, deadline to send in expressions are April 18.

**2) Event planning:**

- a. Timing- Lucinda, you mentioned either the 25<sup>th</sup> or the 30<sup>th</sup>. Have you locked in a date yet, or are you waiting to hear on PJH availability to attend? Have you put in a request to Amber? If not, I can take care of this. April 25-PJH's schedule has been held from 12-1 pm

Budget: Lucinda, has there been a budget put together for this event yet? We are happy to help direct this to the appropriate budget line. The estimate for food/refreshments from legislative dining room, based on 80 people, is 1547.30 r 19.34 per person

- b. Event plan: I am leaving this totally to the two of you, but I have attached the backgrounder I received from James Infante at TAC for your information.

That's all I've got on this for now!

Thanks,

Do you happen to know what I'm talking about? If so, could you send that interview to me? I haven't seen it.

Hi Mira,

On Thursday, PJH is scheduled to attend the last 15 minutes of a meeting happening between PSRK and the National Association of Japanese Canadians (NAJC). Because Minister Beare is unable to attend, Minister Bruce Ralston will also be in attendance.

- This meeting is in response to a letter sent by NAJC to PJH in August 2017; letter is attached. Their request to meet with the Premier was referred to TAC, and PSRK has previously met with this group in his constituency.
- The group is concerned that the 2012 apology to Japanese Canadians by the previous government did not consult the NAJC, or the Japanese Canadian community in BC. In their own words, "Letters requesting a meeting with the previous Premier went unanswered". This is notable as the NAJC was the group who negotiated the Redress Settlement with the federal government in 1988. They have 5 chapters across BC.
- The group would like to forge a new respectful relationship between this government and the Japanese Canadian community.
- A BN summarizing the 2012 apology and resulting legacy initiatives is scanned and attached. The most recent initiative was the designation of 56 culturally important sites, and this happened in April 2017.

Should PJH require more information, I have a binder with background materials prepared by TAC. The TAC staff contact is Sasha Hobbs, Executive Director of Multiculturalism, who will be in attendance at the meeting. Let me know if you require any further info.

Thanks,  
Charlotte

Hi Joleen and Kate,

For the tour calendar, these are the SR assignments:

**April 30th- Surrey/Vancouver**

- TamaNawis Secondary School Speech (Possible Education Announcement)
  - Chantille (review list of attendees from ministry only)
- Neighbourhood House Roundtable
  - Chantille

**May 2- Maple Ridge**

- Maple Ridge Seniors
  - Charlotte

**May 24- Burns Lake/Houston/Hazelton**

- Hazelton
  - Chantille

Notifications- FYI- I have requested contact info from MIRR for relevant FN leaders in the regions around the tour stops (outside of Lower Mainland and Capital Region) so we can do an assessment of whether invitations or notifications make sense for each stop.

s.22 Chantille has kindly offered to be up front for this break. She has also amazingly offered to backstop the seniors event if I can't get my piece finished s.22

Possibility of moving seniors event: From my and Chantille's perspective, we'd like to pitch moving the seniors event to give more time for a more comprehensive collaboration with community groups. We discussed this with Rick during our regularly scheduled meeting today and he liked the idea, but our tour-team visioning meeting for this stop is Thursday at 2pm, so I will report back then if there was a consensus around that vision.

Here's the letter I sent to Minister Conroy in the Fall, and a letter to Minister James in December on which I copied Ministers Conroy and Chen. My interest in meeting with the right people (those you recommend) is to highlight the work we are doing on creating 9000 spaces this year and 5000 spaces next year with the MCFD/TAC monies to establish new after school care spaces for kids that focus on recreation. The government would benefit from our partnership to create continued spaces, as well as new non-instructional day programs, and summer camps.

Thanks in advance for your help to navigate me through the halls of BC's prettiest building {;o)

We're looking at the next CCCAC meeting on May 25, so it would be great if there was a window in the first week of May. I know he is moving around a lot that break week so if early the next week is better that will work too.

Hi Amber,

Can you please:

- 1) Confirm which of the following dates work for PJH for the next Chinese Canadian Advisory Committee meeting?
  - a.

Date	AM	PM
Wednesday, May 23, 2018		
Thursday, May 24, 2018		
Friday, May 25, 2018		
Friday, April 1, 2018		

- b. These would be 1 hr meetings plus we need briefing times in advance. Please let me know if he has either/both a time in the morning and the afternoon so we can give the committee participants some options. In this case, the more availability, the easier to schedule the meeting. Then I can let you know very soon what the timing is, and you can free up all those other times. Is that possible?
- 2) Coordinate a time in advance of this first meeting for PJH and Minister Chow to meet to discuss:
  - a. Appointment of co-chairs for the committee
  - b. Agenda items for the committee
    - i. I would think this would be about a 30-45 minute conversation, but I am still getting a sense of how long he gets scheduled for things so I defer to your wisdom! Just trying to give you a ballpark to work with.

- Find a bright outside window (natural light is great, especially on a cloudy day)
- Face the window
- Hold up your iPhone (if shooting a selfie) while you are facing the window. If a friend is helping you, have them hold the camera very steady with their back to the window, careful not to block the light. iPhone 7, 8, and 'X' work best, but the 6 can also create fantastic video

2. Also re agenda I sent over the above draft BN for discussion. The Chinese History Museum concept/project would be a good long term project for the group, and we would like to undertake a consultation with this group if possible.
3. Philip and I will be nearby for other meetings tomorrow afternoon (Tuesday April 17) if you would like to set a coordinating meeting? We're available 10:30 am – 12pm or after 2pm. I'm then in Victoria next 2 days s.22 s.22

Hi James and Kelly,

As the most relevant policy work lives in your ministry, Sage has asked that your CD put together the first draft of PJH's statement for the April 22 City of Vancouver apology to Chinese Canadians for historical discrimination (the info you just pulled for me for CCCCAC about LIAC should be useful ☺).

Attached is the invite to the apology. Let me know if I can get you any further info.

**Action items:**

- 1) TAC CD to draft statement (for the news wire) for the City of Vancouver's April 22 apology to Chinese Canadians for historical discrimination.
  - a. Deadline: Would it be possible to have this sent back to me for end of day Wednesday? That will give Sage and Cara's team one day to review before sending it over to the City. If that won't work for your team just let me know and I may be able to squeeze out some more time.

No chance of getting together earlier? I just don't want to leave people in the lurch in terms of completing my tasks <sup>s.22</sup>

Also, Chantille and I wanted to float an idea that would likely require pushing things back in order to collaborate with community groups, but wanted to test that idea against what you both were thinking. No chance we can just hop on a quick call today? If not, I will just flag that Thursday is less than two weeks from the stop which makes the window for inviting community members pretty protracted.

Hi folks,

How about we just go with a statement from PJH for the City of Vancouver apology to Chinese Canadians?

MGC is available to bring it to the apology, but as it is being delivered at a special council meeting, it should still be formatted and released for the news wire. Just let me know what else you may need from me on this. It should get back to the City by Thursday at 3pm. I can take care of getting it to the right person unless someone on your team would like to do so.

Hi Sage and Cara,

As you may know, the City of Vancouver is issuing an official apology to Chinese Canadians for historical discrimination on April 22<sup>nd</sup>. Invite attached. A number of MLAs are attending but PJH is not scheduled to attend.

A public statement on the news wire from the Premier would be appreciated by the City. s.13 .....

I would like to share this statement with the Chinese Canadian Advisory Committee, who I will also be inviting to attend the event alongside Minister George Chow (who co-chairs the Premier's committee).

If possible, could you let me know by end of day if you'd like me to request that TAC's CD draft a letter. I'd like to give them at least two full working days to complete, and get it to you (Cara or Sage?) for sign off on Thursday.

Thanks,

Charlotte,

Thanks for your call earlier today. As a draft agenda for a visit/tour with the Port on Monday, March 26 I would suggest the following as a draft itinerary.

1 PM—Meeting in DP World boardroom at Fairview Container Terminal

Attendees:

Joe Rektor, Interim President & CEO, Port of Prince Rupert

Shaun Stevenson, VP, Trade Development & Public Affairs, Port of Prince Rupert

DP World representatives (TBC)

ILWU 505 representatives (TBC)

1 PM to 130 PM—Port of Prince Rupert Briefing (led by Port of Prince Rupert)

130 PM to 200 PM—Fairview Terminal on-dock tour (led by DP World)

200 PM to 215 PM—Media availability/photo opportunity in front of Fairview Terminal (this would also give us some flex time to eat into if briefing/tour runs long)

If this works, we can sort out the logistical details accordingly.

I will be out of the office for the next two weeks, but Irene Mills (c.c.'d above, Phone 250.627.2604) will be your Port contact. If needed, I will be available by email and mobile as per below, but will also be connecting with Irene consistently.

Hey Charlotte,

There won't be any other stand alone event, just the presentation at the Ross Street Temple, which of course they're welcome to attend.

The new plan is for Harry to speak, and Ravi to present the proclamation. I confirmed this with Kate, but still need to confirm with Harry and Ravi.

I'll have Veenoo send out a note with the update that the Premier cannot attend, but I'm pretty sure the MLAs know from caucus yesterday.

Hope that helps.

Re Vaisakhi- the Sikh Student Association who sponsored the proclamation has reached out to ask when the event is being held and if they can be invited. Not sure what is happening at the Leg with the prayer, or if there will be another announcement opportunity, but let me know if there is an opportunity for them to be invited.

Hi folks,

As you know, the City of Vancouver is issuing a formal apology to Chinese Canadians for historical discrimination on April 22. Attaching the invite as an FYI. At this point I know that Ministers Chow, Ralston, and Simpson will be there.

I am just thinking through how we may wish to engage with the City' apology outside of sending representatives. As you will know, the province apologized in 2014, and allocated \$1 million for consultation and research related to the apology. LIAC's work was born out of this.

At very least I think we may wish to issue a statement from PJH. s.13  
s.13

s.13 For any statement to happen, I'll need a BN from TAC about the expenditure of funds that were allocated to the apology, and the outcome of LIAC's work. TAC folks, could you either request that from your ministry staff or point me in the right direction to get the info?

Outside of that, we could consult with CCCAC on the statement, or simply share with them after completion. Jacqueline, let me know what you think of that.

Finally, I'm trying out a new approach where I am *way over the top* in terms of clarifying responsibilities and deadlines for all projects, so I am going to do that below. I apologize in advance. I hope it won't come off as terrible! Feel free to tell me if it does! Obviously, if circumstances prevent meeting the deadline that is totally understandable. Just trying to be clear from my end.

**Decision points:**

- 1) TAC MAs to request BN about funds allocated from apology, and LIAC outcomes. Please let me know when the request has been made and when your ministry staff thinks they can produce the BN by. (request made by TAC by EOD Thursday)
- 2) s.13
- 3) Decide whether CCCAC to be consulted on contents of statement (JL and Charlotte to decide by Friday EOD)

Thanks you three! Hope your day is going well.

Thank you very much Chief Chingee. I will pass this letter along to the Premier and to the scheduling department to see about the ability to meet in the coming weeks.

Just for their clarity, I see that the letter states "Thank you for agreeing to meet with me on April 6, 2018 in Prince George", but I assume based on our conversation that your letter is in reference to my call asking if there was any information you wanted to communicate with the Premier at this time. I will let the other folks on the letter know, so they can look into a future meeting.

Hi Jacqueline,

Amber is looking for a meeting date for MGC and PJH. In advance of that we should put our heads together and look at what the possible agenda items might be for upcoming meeting, and start fleshing out what we would need to support those topics (in terms of presenters, background information etc.). Are you going to be at VCO anytime soon? I have some availability next week.

Why don't we start brainstorming on [a shared document here](#), and then we can comment on each other's ideas, then discuss and assign some loose timing to the agenda pieces at our meeting. What do you think?

I am asking Sasha for her input and to see copies of agendas for LIAC and the multiculturalism committee as inputs for our thinking. We should have this for Friday. Perhaps we can meet next Weds or Thurs?

Thanks,

Thanks Danielle. Sage was included initially and perhaps that is enough, but perhaps not. Still trying to get to the right teams for shifting projects like these big holidays that pull from so many teams.

The basic structure is a hub and spoke model where there is one preliminary coordination meeting with a rep from each team, a shared filing system, and report outs. A central project manager makes sure all the pieces are coming in as planned and reports out if anything is stalled or stuck. Then at the very end there is a quick debrief meeting to see how it worked.

Cara, if it makes sense from your perspective, we'll add someone from your team at the outset.

Hi Charlotte,

Looping in Cara. Our team will almost always draft speaking notes for the Premier for any event. Most requests come from Sage and/or Amber.

We also draft most statements for the Premier, and write or edit all press releases that include the Premier.

Being included in the coordination meetings is always helpful. Often we'll be copied on event emails, but only provide input on the external communications pieces.

Thanks for following up.

Best,

Danielle

Hey Danielle,

Can you tell me when you got the request to prep the statement from PJH for Vaisakhi? Also, is this a statement or his speaking notes for the parade? I am just asking because we tried out a new coordination structure for holidays like this where there are so many teams involved, and we had an initial coordination meeting on March 20 (notes attached), but we failed to include someone from Cara's/your team at that stage. We'll be having a debrief on how this structure worked after Vaisakhi, and it would be great to include you this time, and sorry for not thinking to include you at the coordination stage.

Hi folks,

As you know, the City of Vancouver is issuing a formal apology to Chinese Canadians for historical discrimination on April 22. Attaching the invite as an FYI. At this point I know that Ministers Chow, Ralston, and Simpson will be there.

I am just thinking through how we may wish to engage with the City' apology outside of sending representatives. As you will know, the province apologized in 2014, and allocated \$1 million for consultation and research related to the apology. LIAC's work was born out of this.

At very least I think we may wish to issue a statement from PJH. s.13

s.13

s.13

For any statement to happen, I'll need a BN from TAC about the expenditure of funds that were allocated to the apology, and the outcome of LIAC's work. TAC folks, could you either request that from your ministry staff or point me in the right direction to get the info?

Outside of that, we could consult with CCCAC on the statement, or simply share with them after completion. Jacqueline, let me know what you think of that.

Finally, I'm trying out a new approach where I am *way over the top* in terms of clarifying responsibilities and deadlines for all projects, so I am going to do that below. I apologize in advance. I hope it won't come off as terrible! Feel free to tell me if it does! Obviously, if circumstances prevent meeting the deadline that is totally understandable. Just trying to be clear from my end.

### Decision points:

- 1) TAC MAs to request BN about funds allocated from apology, and LIAC outcomes. Please let me know when the request has been made and when your ministry staff thinks they can produce the BN by. (request made by TAC by EOD Thursday)
- 2) s.13
- 3) Decide whether CCCAC to be consulted on contents of statement (JL and Charlotte to decide by Friday EOD)

Thanks you three! Hope your day is going well.

- May 10: 15 minutes explaining the webinar technology to EAs who may be unfamiliar (We'll use Lync which they all have)
- April 26: Send out survey to EAs getting their feedback on what work they are already doing and what they are looking for info on

What do you think?

It's no problem Joleen and definitely not your fault. This many people is like herding cats!

I think some things just got lost in translation from the coordination meeting to Rick to you. Past experience with so many groups running around for IWD and other days that don't have a central home and include events/digital/ministries/PO etc. etc. gave us a reason to try out the new coordination and reporting out structure, and it's ok that it didn't totally work. It had some advantages and we can just iterate and try again next time. I will cc you from now on anything going to Rick on this.

The proclamation is complete. Below is the info about the proclamation from the event memo I'm keeping up to date:

### Proclamation of Sikh Heritage Month

April 2018 has officially been proclaimed Sikh Heritage Month. The official proclamation is now public on the BC Laws website, and [can be found here](#).

*Note: April was also declared Sikh Heritage Month in 2017.*

- On Thursday, April 12 Parliamentary Secretary Ravi Kahlon is slated to read the proclamation in the house.
- 75 copies of the proclamation have been printed. 50 of these will be mailed to Gurdwaras around the province along with a cover letter from the Premier. The rest will be available for electeds to send to community groups.
  - Additionally, if any electeds would prefer to hand deliver the proclamation and letter to the Gurdwaras in their constituencies, they can look to the attached list and let Roseanne or Ed know. These

proclamations will be pulled from the mailing stack so the elected can hand deliver. The list of Gurdwaras is attached, and indicates in whose constituency the Gurdwaras is located.

Hey Charlotte,

I'm really sorry, I had no idea any of this had happened. So I was just going about it like I would normally and was super confused about all of these conversations that were being mentioned as I hadn't heard anything about them and had just been asked to organize the Premier's visit. Not at all your fault, and I'm sorry if I seemed frustrated. I totally understand why you would be!

If you wouldn't mind, I think copying me on things you send to Rick that would be really helpful for both of us. Sometimes he gets really busy and we don't always get all the background details, so it's just helpful for keeping track of things.

Just one piece of follow up – where is the proclamation currently? I spoke to Ravi and Rachna and think we have a good solution to please everyone.

Also saw your other email and will connect with Heron.

Thanks!

Hi Rick and Joleen,

Looping you in with everything from me before bowing out on what remains for Vaisakhi.

[Here is the memo](#) that I sent to Rachna (as per the reporting out plan that we all agreed at our March 20 coordination meeting).

It is in the shared document folder that was established when we all decided to collaborate across many teams on all the activities for this holiday. According to the reporting out structure that we discussed and agreed to, I understood that I would be sharing the plan with caucus, so that is what I have done.

Since I didn't know that the plan to announce the proclamation at the parade had changed, and since you are now in direct communication with caucus, I am leaving the whole thing in your hands to communicate the new plan to PS Ravi Kahlon and to MLA Singh. If there is something useful you think I can do, feel free to ask. Otherwise, as I said in our meeting, over to you.

Thanks,

My guesstimate is that the early gathering is around 8:30am, followed by speeches, the parade, then glad-handing on Main at some of the local restaurants (at least that's fairly typical).

Please do pass along anything that might be available.

- Find a bright outside window (natural light is great, especially on a cloudy day)
- Face the window
- Hold up your iPhone (if shooting a selfie) while you are facing the window. If a friend is helping you, have them hold the camera very steady with their back to the window, careful not to block the light. iPhone 7, 8, and 'X' work best, but the 6 can also create fantastic video

- I think I'd remove the BC Games one. We were waiting for them to put up more info about the Nanaimo event. They just did that this morning, and it looks a little small. More info here <https://www.eventbrite.ca/e/bc-games-40th-anniversary-nanaimo-tickets-38521944172> and <https://www.bcgames.org/40th.aspx>
- Roundtable with low wage workers is our fav so far. That could happen anywhere, but Nanaimo or Richmond might be an interesting places to do it. Waiting to hear from Karen Cooling (today after cabinet or early tomorrow) about the outcome of the fair wages report on exemptions.
- Migrante BC event now posted for May 6 so I think that one is out now too. TONS of stuff happening for Asian Heritage Month, but unfortunately nothing particularly right on May 2/3

Great ideas. I'd like to know more about the 40<sup>th</sup> anniversary event in Nanaimo. But based on this list, I would prioritize the roundtable with low wage workers and seniors with MSR/SCH.

Chantille, can you call James Infante re Filipino event with Migrante? I want to know more.

Thank you!

Thanks Chantille! I've added my edits to it so it's over to Mira for review.

Still looking around for a really good Asian Heritage Month event to attend. Perhaps it would make sense to bring one together. There are many great exhibitions happening that would make for a great backdrop, but it would better suit my goals to see the Premier out in community.

I've asked TAC for info about the deliverables from LIAC (because I needed that info for CCCAC) but it is possible that those deliverables that are just coming on line now (monuments, plaques, legislative reviews etc.) would be a good opportunity to connect with the community in a meaningful way.

Hi folks,

Shruti just popped in to share that we should get back to Red FM by the end of today with the answer.

I would imagine that this decision lives either with Sage or Events (Rick/Joleen). Could someone please confirm that they are the one making the decision and will let Red FM know either way by end of day today?

Hello,

Red FM has invited (see email below) the Premier to draw one of their last finalists for the car give away contents at the Vancouver Parade and to draw the winner of the car at the Surrey parade.

Huge numbers of people are at the red fm stage when this happens and is a great opportunity for the premier to address people. They have however requested that others who wish to speak might have to wait until the draw is done.

This annual contest by Red fm is hugely popular and past premiers have made it a point to be present for draws. We mustn't miss this opportunity.

Hi Shruti: Further to our conversation, we would like to have Premier John Horgan on RED FM stage during Vancouver Vaisakhi and Surrey Vaisakhi Parade on 14th April and 21st April respectively.

Vancouver Vaisakhi Parade (Location: 51st and main Street): We would like to have Premier Horgan on RED FM stage to draw a finalist's name for the car giveaway contest. The contest time is 12.30pm so we are requesting Premier Horgan's presence at that time.

Surrey Vaisakhi Parade (Location: In front of RED FM Studio): This year we are giving away brand new Kia Sorento. The lucky winner of this car will be drawn during Surrey Vaisakhi Parade at 12.30pm. We would request Premier Horgan's presence for this event as well as he will be drawing the name of one lucky winner who will take home brand new Kia Sorento.

Please confirm at the earliest.

Thank you so much.

That time works for us, but can we do it on May 17? We'd like to work back like this:

- May 17: Webinar with EAs on engagement (45 min but open to your suggestion!)
- May 10: 15 minutes explaining the webinar technology to EAs who may be unfamiliar (We'll use Lync which they all have)
- April 26: Send out survey to EAs getting their feedback on what work they are already doing and what they are looking for info on

What do you think?

Thanks!

Hi Wayne,

I just wanted to say thank you so much for all your hard work on the event with Premier Horgan at Axis Forestry last week. It was lovely of you to offer your space, to give the demonstration, and prepare your remarks. Hi Wayne,

I hope this email finds you kicking off a great long weekend! First, let me thank you so much for offering your space for the event. I know you'll be in touch with our Events Manager Joleen on this piece, but I wanted to say thanks and reach out on a different piece.

After speaking with Dr. Lincoln Smith about the flow of next Wednesday's event with Premier John Horgan, we thought it would make sense to ask a few people to prepare some short remarks in advance so they could be called on at the

beginning of the event to share their remarks with everyone as a way to get the discussion started. Lincoln thought you'd be great for this, and given your interesting work I know the Premier would love to hear from you.

Would you be interested in getting the discussion going by preparing remarks of about 3-4 minutes? The remarks would just be your personal reflections on the event's central question "Why you have chosen to build your company in Kamloops, and what are the challenges and opportunities of working in the digital economy sector in the region?"

Let me know if you're able to attend, and willing to prepare some remarks to get the discussion started!

Thanks for your consideration,  
Charlotte

Good evening,

I hope this is the start of a long weekend for you! On behalf of Premier John Horgan, I'd like to invite you to join the Premier next Wednesday, April 4 from 4:00-5:00pm for an event on the digital economy in Kamloops. Please find attached the official invite.

The Premier would like to hear from you why you have chosen to build your company in Kamloops, and what the challenges and opportunities are of working in the digital economy sector in the region. The event will be informal with a short program led by our host Dr. Lincoln Smith, Executive Director of Kamloops Innovation Centre, followed by an opportunity to mix and discuss with each other and the Premier in the second half of the hour.

If you are able to attend, please RSVP to Manager of Events Services Joleen Badger at [Joleen.Badger@gov.bc.ca](mailto:Joleen.Badger@gov.bc.ca) by Tuesday, April 3rd at noon. The venue has yet to be confirmed, but we will send an update with the venue in advance of the event to everyone who is able to attend.

I hope you'll be able to join us.

I am just clearing my schedule to try and attend at TRU Thursday Morning but I will only have about 45 minutes. Wednesday is also very tight and I am scheduled to meet with Minister Robinson at the same time as the event with Dr Smith. I will keep you posted if things change. Please convey to the Premier how pleased I am that he is making time to visit Kamloops and in particular to engage with our tech sector.

Good evening Mayor Christian,

I know you will have already received an invitation to join Premier Horgan Thursday morning for the event at Thompson Rivers University, but if you're available I thought you might also be interested in joining the Premier for a short event I've put together for tomorrow afternoon. With the great help of Dr. Lincoln Smith, Executive Director of Kamloops Innovation Centre, we've brought together a small group of around 20 community and business leaders to talk with the Premier about their experience working in the digital economy in Kamloops, and the challenges and opportunities they have found building their companies in that sector.

My apologies for the lateness of this invitation. Knowing that you'd be attending an event with the Premier the following morning I hadn't intended to loop in local leaders, but after watching the event take shape I thought you might also find this one interesting.

The event will be informal with a short program led by our host Dr. Lincoln Smith, Executive Director of Kamloops Innovation Centre, followed by an opportunity to mix and discuss with each other and the Premier in the second half of the hour. If you're interested to join for this event as well, it would be great to have you there! Details are below.

Event details:

- Time: Guests arrive at 3:45 so there is an opportunity to check in. The event will run from 4:00-5:00pm
- Place: Venue will be Axis Forestry, which is located at 65 Vicars Rd, Kamloops. Thanks to Wayne and his team for generously offering their space.
- Dress: Business casual. A few people have inquired about dress for this event. The Premier will be coming back from being outdoors, so no need for suits. Additionally, there will be seating on stools, so that might be worth keeping in mind when getting dressed!

If you are able to attend, please RSVP to Manager of Events Services Joleen Badger at Joleen.Badger@gov.bc.ca who will be onsite. She is cc'd here so feel free to just reply.

If you have any questions please don't hesitate to be in touch.

All the best,

Hi Shawna,

Thanks so much to everyone on your team for your assistance in making these notification calls before the Premier's travels during the March/April break weeks. I have summarized all the substantive feedback I heard in those calls below and attached the two pieces of written correspondence I received. In all instances I just took the message and passed it along where appropriate. Let me know if you want to discuss.

Hi everyone,

Passing along the outcome from my notification calls with First Nations leaders in the areas PJH visited during the March/April tour.

**Summary:** I made 21 calls. The full list of calls and their outcomes is [available here](#), but below are the key takeaways. I am including all substantive feedback even if it is not immediately actionable so you don't need to check the document unless you are just wondering who was called. I will also share this information with Shawna French and Jonathan Sas at MIRR who assisted me in bringing together the calling list.

### Terrace/Kitimat

- **Kitselas – Chief Joseph Bevan (250) 635-5084** <sup>s.22</sup>
  - Reached Chief Bevan, they have made two requests to meet in September and haven't yet been able to schedule something. Have requests out to MIRR and EMPR that have not yet received responses.
- **Haisla – Chief Councillor Crystal Smith (250) 639-9361, ext 123** <sup>s.22</sup>
  - *Relevant contact info: Carolyn Ringham **Executive Assistant to Chief Councillor Crystal Smith**-CRingham@haisla.ca, 250.639.9361 extension 123*
  - **Chief Executive Officer Jason Majore** JMajore@haisla.ca, 250.639.9361 extension 122
    - Going to be in Victoria April 15/16; a few elected officials have confirmed meetings; Haisla would love to have PJH there. <sup>s.16</sup>  
s.16

### Kamloops

- **Upper Nicola- CEO Peter Hilton**
  - *Invited Peter to submit names from his community to join for the digital economies reception, and both he and Mathilda Chillihtzia attended*
- **Skeetchestn - kukpi7 (Chief) Ron Ignace (250) 373-2493** <sup>s.22</sup>

- Spoke with Chief Ignace and extended the invite to send people to digital economies reception. He would like to pass along the message that his community was working with Minister James and this has been moved to MIRR, but he would like the opportunity to work directly with Finance again. He also shared that the Shuswap Nation Tribal Council meeting is in Kamloops on the same day the Premier will be there. An invitation was extended for Tribal Council leaders to join.
- **Nlaka'pamux Nation Tribal Council - Grand Chief Bob Pasco (250) 455-2711**
  - Spoke with, and followed up by email, with Executive Director Lillian Grenier, asking for invitations to the Premier's digital economies reception

## Prince George

- **CSTC – Tribal Chief Reg Mueller (250) 617-1565**
  - Government to Government negotiations with the Carrier Sekani First Nations are going well. CS have offered to host PJH for a meal when he is next in the area.
- **McLeod Lake – Chief Harley Chingee (250) 750-4415**
  - Chief Chingee sent along official correspondence which is attached.

## Recommendations going forward:

s.13

I have put together an operational protocol document (who to check with and when to gather relevant information), but that is probably not relevant to all of you unless someone else takes over making these calls in future. If that happens just let me know and I will pass that list along as I felt I learned some things along the way.

## Decision points:

A decision should be made about whether we wish to continue with these calls in an ongoing and systematic way, and who will be responsible. I leave that to you directors to discuss, and will wait on your decision in relation to the upcoming May break week.

Thanks and let me know if you have any questions!

Would you be the most effective way to direct that followup correspondence into the Premier's office for attention, or should we be including others?

**Subject:** Premier's Visit to Prince Rupert

Charlotte,

Thanks for your call earlier today. As a draft agenda for a visit/tour with the Port on Monday, March 26 I would suggest the following as a draft itinerary.

1 PM—Meeting in DP World boardroom at Fairview Container Terminal

Attendees:

Joe Rektor, Interim President & CEO, Port of Prince Rupert

Shaun Stevenson, VP, Trade Development & Public Affairs, Port of Prince Rupert

DP World representatives (TBC)

ILWU 505 representatives (TBC)

1 PM to 130 PM—Port of Prince Rupert Briefing (led by Port of Prince Rupert)

130 PM to 200 PM—Fairview Terminal on-dock tour (led by DP World)

200 PM to 215 PM—Media availability/photo opportunity in front of Fairview Terminal (this would also give us some flex time to eat into if briefing/tour runs long)

If this works, we can sort out the logistical details accordingly.

I will be out of the office for the next two weeks, but Irene Mills (c.c.'d above, Phone 250.627.2604) will be your Port contact. If needed, I will be available by email and mobile as per below, but will also be connecting with Irene consistently.

Thanks,

Hi Sage,

As per the discussion at our Vaisakhi coordination meeting, did you want to include a greeting from PJH with the SHM proclamation that is going out to all Gurdwaras in BC (and to be shared by MLAs with community groups)?

If so, I am looping in Jen because it is likely that the correspondence team would need to be looped in to physically put all the mail together (roughly 75 pieces), and they should get started this week if it is to reach Gurdwaras on time.

Kelly can let us know tomorrow exactly when the proclamations will be done printing, but they are already on their way to the printer so should be done soon.

Thanks!

Hi everyone,

Minutes from today's meeting and all action items are now available in the [Sharepoint folder here](#). Please update that doc when you've completed your items or if you have relevant updates.

For your convenience, here is a summary of the action items. The main takeaway is the proposal to declare SHM at a community event. An event plan will need to be put together by Rick's team.

**ACTION ITEMS:**

- a) Figure out who is coordinating the logistics of the parade attendance and connect them with Rick (Charlotte by Thursday)
- b) Sikh Heritage Month to be proclaimed at Vancouver Parade- this requires an event plan being put together (Rick and Shruti to collaborate on plan with review by Sage; this should happen in consultation with PS Kahlon's team)
- c) Ensure copies of proclamation (digital and physical) are sent to all MLAs and BC Gurdwaras (Kelly)
  - a. Charlotte to send list of Gurdwaras to Kelly
  - b. Should PJH greeting be sent with proclamation to Gurdwaras? Sage to decide
- d) Digital pieces need Punjabi translation- Herman to look into this
- e) SA media plan to be developed by Sage and Shruti
- f) Best practices guide for parades to be created by event/media/stakeholder team and circulated to all MLAs (Charlotte to connect with Kate and then work with Shruti/Rick on this)

Reminder that this is how we plan to loop in others

**Proposed Reporting out structure:**

- **Shruti** reports to GCPE Media Relations
- **Rick** reports to GCPE events team
- **Herman** reports to GCPE Digital
- **Kelly** reports to TAC and PS Ravi Kahlon
- **Kate** reports to PO operations and PJH
- **Sage** reports to PO communications + PO correspondence + Cabinet Priorities Strategic Comms
- **Charlotte** reports to PO stakeholder relations + Whip's Office + Caucus + relevant ministers via MAs

We felt the Premier's visit was a great success. I hope he will be able to come back (perhaps when we have the first shovel of dirt with the construction of the solar farm!).

If you have any good photos, feel free to send them my way, or if you need any more information.

Take care and thanks again!

Hi Rick and Joleen,

Looping you in with everything from me before bowing out on what remains for Vaisakhi.

Here is the memo that I sent to Rachna (as per the reporting out plan that we all agreed at our March 20 coordination meeting).

It is in the shared document folder that was established when we all decided to collaborate across many teams on all the activities for this holiday. According to the reporting out structure that we discussed and agreed to, I understood that I would be sharing the plan with caucus, so that is what I have done.

Since I didn't know that the plan to announce the proclamation at the parade had changed, and since you are now in direct communication with caucus, I am leaving the whole thing in your hands to communicate the new plan to PS Ravi Kahlon and to MLA Singh. If there is something useful you think I can do, feel free to ask. Otherwise, as I said in our meeting, over to you.

Thanks,  
Charlotte

Hi Charlotte,

I've included Joleen here, as she is in touch with the organizers. Our conversations are ongoing with them, and it isn't yet settled how the proclamation will be declared and how best to do it. Joleen is in touch with Veeno though and caucus is getting all necessary details when they are confirmed. We'll let you know when we have more.

Thanks

Hi Charlotte,

FYI

This info was requested by Joleen Badger and sent to her and Ed May today.

Veenoo

---

Here is the info on the MLAs tents for the Vancouver and Surrey Vaisakhi parades.

The Vancouver tent is organized by George Chow's office.

The Surrey tent is being handled by Rachna Singh's office (location not finalized as yet.)

Also find the location and contact detail for the various media stages and tents at each parade.

The Premier and MLAs usually speak on stage at the Red FM Radio stage, so this is must for us. They also speak at the Vancouver Punjabi Market Association tent which is important as well.

All the others tents are just meet and greets, possible quick TV and Radio interviews and photo op occasions.

Usually due to the unpredictable nature of the parades, exact times for the speeches are not organized in advance. The Premier and MLAs usually turn up when they are able and make their presence known at the RED FM stage and Punjabi

Market stage with the organizers.

They don't have to wait too long to appear on stage and it all goes pretty smoothly.

Any questions please email me.

Good afternoon MLA Kang,

I'm happy to help with whatever I can. I just spoke briefly with Amanda Van Baarsen, and it sounds like you're looking for an opportunity for TCM practitioners to meet with MLAs at the Legislature, and perhaps put on a demonstration at some point during the day. Is that right? If so, that kind of day is organized by Teresa Scrambler in the Whip's Office, and is quite straight forward to organize.

If you're thinking about something else, perhaps we could arrange a time to chat soon about your vision. Let me know!

Hi Mira,

Happy Monday!

I'm writing to ask for your help with Tzu Chi Foundation's request to bring a TCM team to the legislature to provide a TCM/ Acupuncture experience. I've talked about this with Minister Dix already and he thinks it's a good idea. CEO of Tzu Chi, Gary Ho, is on a business trip in Taiwan right now and would return late May. Could we explore a day in the last week or last two weeks of May so that he can be part of this TCM Expo?

This is my first time putting such a request through. Can you help guide me through? Are there forms that the Tzu Chi Foundation need to fill out? Who should approach to get the process going?

Many thanks, Mira! I appreciate your help.

More importantly, I spoke to Mira. MLA Kang sent Mira the email below to which Mira responded "Charlotte can talk you through this". So that is how MLA Kang arrived at that impression.

Based on the conversation you and I just had, it seems like the only thing I will be doing is clarifying with MLA Kang what she is looking for. If it is a MLA Day at the Leg, I will just be passing her along to Teresa in the Whip's office to coordinate.

That's my plan. Let me know if that works for you, or if there is anything else you think I should know before proceeding.

Thanks for bringing it to my attention,

Do you have time on Friday after 11:30am? We are flexible in the afternoon. Danny, can you help us find a meeting room for this?

Hi Mira,

I am happy to connect with Anne, but this request from MLA Kang looks like it is coming from confusion around what our shop would provide support for. I spoke with Amanda Van Baarsen who is MLA Kang's staff support, and it sounds like MLA Kang wants to have TCM practitioners participate in an 'MLA Day' which is organized by Teresa in the Whip's office. Give me a call if there is something other than referring MLA Anne Kang to the Whip's office that you'd like me to do.

Hi Mira,

Happy Monday!

I'm writing to ask for your help with Tzu Chi Foundation's request to bring a TCM team to the legislature to provide a TCM/ Acupuncture experience. I've talked about this with Minister Dix already and he thinks it's a good idea. CEO of Tzu Chi, Gary Ho, is on a business trip in Taiwan right now and would return late May. Could we explore a day in the last week or last two weeks of May so that he can be part of this TCM Expo?

This is my first time putting such a request through. Can you help guide me through? Are there forms that the Tzu Chi Foundation need to fill out? Who should approach to get the process going?

Many thanks, Mira! I appreciate your help.

Hello again!

On a different note, would you be able to have some background materials prepared for me? Just let me know if this isn't the Secretariat's role.

I'm looking for:

- Some previous agendas for LIAC and the multicultural advisory committee- I'd like to get a sense of timing/background materials/format that previous committees have used.
- Outcomes from LIAC and outcomes related to the attached recommendations in this report from the 2014 apology that created LIAC
- Any thoughts you have on possible agenda topics, please send them my way! We're at the very beginning stage of starting to put the possible agenda items to paper for MGC and PJH feedback.

I just want to do some background reading and thinking, then I can pull together another meeting between Secretariat staff, JL and I to consider possible agenda items.

Thanks,  
Charlotte

Hi Charlotte,

As the House is not sitting week of May 21, are you alright with us canvassing the CCCAC members on the following dates? I'm cc-ing Jacqueline and Alyson as well for Min Chow. Should we also be including Minister Ralston's staff? Charlotte are you able to lead on coordinating Premier's, Min Ralston and Min Chow scheds. If we can't coordinate for this date, then I recommend that we send out a note giving two options of whether people prefer Friday mornings or Friday afternoons.

Date	AM	PM
Wednesday, May 23, 2018		
Thursday, May 24, 2018		
Friday, May 25, 2018		
Friday, April 1, 2018		

Also update on the CABRO process:

10 have been approved  
3 are pending - more info required  
5 to be processed

Let us know and we will start to shape things up for the next meeting.

Hi Kate and Amber,

Kate, further to our quick call this morning, I got a message from Rob Ashton inquiring about whether the Premier is able to attend the ILWU Convention from April 17-20. It seems like ILWU may have initially sent it to an old email and had defunct contact info, so the invite is attached here. Rob mentioned that he understands the house is sitting but they'd be very happy to move things around if he is able to attend.

His cell is s.22

I spoke with Rob a moment ago just to get the invite and let him know that I'd pass it along to scheduling.

Thanks! Hope you're all doing well today.
