Hi Lori, no I have not entered the amendment to iPro as I never received it as our office has not been involved with Bob's contract. I only entered the original contract into iPro as Elizabeth hadn't been trained on using the system yet, but I believe she would need to enter the amendment as the EA and Contract Manager are in the Executive office?

Hi Alison,

Elizabeth Perkins has asked if Bob Dewar's contract amendment, the attached "**GSA MOD 1**", was entered to iPRO – could you check on it please? I think she was looking to pay an invoice but thinks there's not enough money on the contract.

Just to recap:

The attached "GSA MOD 1" both clarified expense language AND 'renewed' his term from March 31 2018 to March 31 2019. Additional money is available for the 'renewal' term. A new CHECKLIST was done at the time of the MOD 1 to document the additional money.

SEE:
SCHEDULE B of the initial agreement which is part of the attached MOD 1.
Item 1:
(c) \$120,000 fees
(d) \$30,000 expenses

Meeting Request for Week of 28 May 2018

Dear Mr. Yuma Morisho,

I am writing to request a follow-up meeting between yourself and Mr. Dave Butler, Director of Sustainability with Canadian Mountain Holidays (CMH) LP.

You previously spoke with Dave in late February regarding CMH's proposal into government about the new heli-ski lodge near McBride. I have attached both a "Facts and Key Messages" note that Dave previously circulated, as well as Briefing Note regarding an update on the project, for your reference.

Dave will be in **Victoria during the week of 28 May** and would greatly appreciate connecting with you again to discuss this proposed project and next steps.

I have been asked to help schedule and coordinate this discussion. If you could kindly let me know if a meeting can be accommodated, that would be greatly appreciated.

Thank you for your time in considering this request and I look forward to hearing from you.

Sincerely,

Nicole Johnson

Good morning Jackie,

I just wanted to provide a bit more information around the records that I sent for consultation. The 2 pages that I have sent are the entirety of the responsive records. Neither MAG nor IAO have identified any harms pending OOP's views. IAO intends to recommend full disclosure. I was hoping to get this out to the applicant by the due date of May 18, 2018.

Thank you,

Hello Alison

Thank you very much for your assistance. Any questions or concerns do not hesitate to contact me. We are in the process of working on a letter of invitation.

One quick request, do you happen to have a biography of Mr. Morisho? We are working on a participant's package and I have had no luck finding a biography on BC representative for this meeting. Your assistance on this matter would be greatly appreciated.

Note that all general FOI request records that are released to an applicant should be published on the Open Information website unless the exemption criteria apply. The exemption criteria can be found on page 11 of the [Open Information and Open Data Policy](#). Consultations from outside provincial public bodies are not published on the Open Information website.

Exercise of Discretion:

The *Freedom of Information and Protection of Privacy Act* (FOIPPA) contains both mandatory and discretionary exceptions to disclosure. Sections 13 to 20 are the discretionary exceptions. Where Information Access Operations (IAO) has advised the head that a discretionary exception may apply, it is important that the head consider the possibility of releasing the information despite the fact that an exception may apply.

Factors relevant to the exercise of discretion include:

- the general purposes of the legislation: public bodies should make information available to the public; individuals should have access to personal information about themselves;
- the wording of the discretionary exception and the interests which the section attempts to balance;
- whether the individual's request could be satisfied by severing the record and by providing the applicant with as much information as is reasonably practicable;
- the historical practice of the public body with respect to the release of similar types of documents;
- the nature of the record and the extent to which the document is significant and/or sensitive to the public body;
- whether the disclosure of the information will increase public confidence in the operation of the public body;
- the age of the record;
- whether there is a sympathetic or compelling need to release materials;
- whether previous orders of the Commissioner have ruled that similar types of records or information should or should not be subject to disclosure; and
- when the policy advice exception is claimed, whether the decision to which the advice or recommendations relates has already been made.

Note that all general FOI request records that are released to an applicant should be published on the Open Information website unless the exemption criteria apply. The exemption criteria can be found on page 11 of the Open Information and Open Data Policy. Consultations from outside provincial public bodies are not published on the Open Information website.

Exercise of Discretion:

The *Freedom of Information and Protection of Privacy Act* (FOIPPA) contains both mandatory and discretionary exceptions to disclosure. Sections 13 to 20 are the discretionary exceptions. Where Information Access Operations (IAO) has advised the head that a discretionary exception may apply, it is important that the head consider the possibility of releasing the information despite the fact that an exception may apply.

Factors relevant to the exercise of discretion include:

- the general purposes of the legislation: public bodies should make information available to the public; individuals should have access to personal information about themselves;
- the wording of the discretionary exception and the interests which the section attempts to balance;
- whether the individual's request could be satisfied by severing the record and by providing the applicant with as much information as is reasonably practicable;
- the historical practice of the public body with respect to the release of similar types of documents;
- the nature of the record and the extent to which the document is significant and/or sensitive to the public body;
- whether the disclosure of the information will increase public confidence in the operation of the public body;
- the age of the record;
- whether there is a sympathetic or compelling need to release materials;
- whether previous orders of the Commissioner have ruled that similar types of records or information should or should not be subject to disclosure; and
- when the policy advice exception is claimed, whether the decision to which the advice or recommendations relates has already been made.

Thank you,

Laura Cameron, FOI Analyst

Hi Christine,

Please see the below request and please provide responsive records by May 1st :

For email records:

- Go to Sent Items folder and scroll down to date range

- **Option3:** Drag all responsive emails onto a USB stick and provide the stick to me

For text message records:

- Take screenshots of all conversations containing responsive records. Please see attached instructions for this

If you have any issues with compiling these records, please let me know and I will be happy to help!

Records of any and all emails (excluding attachments), text messages, BBMs, slack messages, and WhatsApp messages – excluding attachments - sent from Christine Kennedy

*. (Date Range for Record Search: From **12/01/2017 To 12/31/2017**) Date Format is MM/DD/YYYY*

If you think that the search for records will take you over 3 hours and/or the total volume of records will exceed 200 pages, please let me know as soon as possible.

Hi Elizabeth,

Please see the below request and please provide responsive records by May 8th :

For email records:

- *Go to Sent Items folder and scroll down to date range*
- **Option 1:** *Drag and drop emails into a separate email to send to me. Depending on how many emails you have within this date range, you may need to break them up and send them in multiple parts*
- **Option 2:** *Highlight all emails, click on File – Save as Adobe PDF. The conversion can take a few minutes. I would recommend doing this in 2 or 3 sections*
- **Option3:** *Drag all responsive emails onto a USB stick and provide the stick to me*

For text message records:

- *Take screenshots of all conversations containing responsive records. Please see attached instructions for this*

If you have any issues with compiling these records, please let me know and I will be happy to help!

Records of any and all emails (excluding attachments), text messages, BBMs, slack messages, and WhatsApp messages sent from Elizabeth Parkinson.

*(Date Range for Record Search: From **03/01/2018 To 03/31/2018**) Date Format is MM/DD/YYYY*

If you think that the search for records will take you over 3 hours and/or the total volume of records will exceed 200 pages, please let me know as soon as possible.

Thank you for your assistance with this request!

Note that all general FOI request records that are released to an applicant should be published on the Open Information website unless the exemption criteria apply. The exemption criteria can be found on page 11 of the Open Information and Open Data Policy. Consultations from outside provincial public bodies are not published on the Open Information website.

Exercise of Discretion:

The *Freedom of Information and Protection of Privacy Act* (FOIPPA) contains both mandatory and discretionary exceptions to disclosure. Sections 13 to 20 are the discretionary exceptions. Where Information Access Operations (IAO) has advised the head that a discretionary exception may apply, it is important that the head consider the possibility of releasing the information despite the fact that an exception may apply.

Factors relevant to the exercise of discretion include:

- the general purposes of the legislation: public bodies should make information available to the public; individuals should have access to personal information about themselves;
- the wording of the discretionary exception and the interests which the section attempts to balance;
- whether the individual's request could be satisfied by severing the record and by providing the applicant with as much information as is reasonably practicable;
- the historical practice of the public body with respect to the release of similar types of documents;
- the nature of the record and the extent to which the document is significant and/or sensitive to the public body;
- whether the disclosure of the information will increase public confidence in the operation of the public body;
- the age of the record;
- whether there is a sympathetic or compelling need to release materials;
- whether previous orders of the Commissioner have ruled that similar types of records or information should or should not be subject to disclosure; and
- when the policy advice exception is claimed, whether the decision to which the advice or recommendations relates has already been made.

Subject: National Youth Policy Consultation Results / Politique jeunesse du Canada

Colleagues:

On February 13, 2018, I wrote to advise you that the Prime Minister had announced the launch of cross-Canada consultations to inform Canada's first-ever youth policy. As consultations wind down, I would like to re-engage with you and your colleagues to provide an update on what we are hearing, and to discuss with you our early plans for the next stages of policy development.

As you might expect, a number of the topics raised during the consultations fall within areas of provincial and territorial jurisdiction, and I believe that our continued collaboration on youth issues will be critical to ensuring that we are aligned and coordinated in our efforts.

I understand that responsibility for the youth file may vary among your governments. As we plan for a teleconference later this month, grateful if you could confirm with my office this week which Deputy Minister(s) should be invited to participate. The contact within my office would be Anne Wielinga at Anne.Wielinga@pco-bcp.gc.ca.

I look forward to our discussion.

Chers collègues,

Le 13 février 2018, je vous ai écrit pour vous informer que le premier ministre avait annoncé le lancement de consultations pancanadiennes afin d'orienter la toute première politique jeunesse du Canada. Les consultations tirent à leurs fins, et j'aimerais discuter de nouveau avec vos collègues et vous afin de faire le point sur les opinions que nous entendons et vous présenter nos plans préliminaires pour les prochaines étapes de l'élaboration de la politique.

Comme vous pouvez l'imaginer, un certain nombre des sujets soulevés au cours des consultations relèvent de la compétence des provinces et des territoires, et je crois que notre collaboration continue sur les questions touchant les jeunes sera essentielle pour assurer l'harmonisation et la coordination de nos efforts.

Je comprends que la responsabilité du dossier des jeunes peut varier d'un gouvernement à l'autre. Nous prévoyons une téléconférence plus tard ce mois-ci, et je vous serais reconnaissant de bien vouloir confirmer auprès de mon bureau cette semaine le ou les sous-ministres qui devraient être invités à participer. La personne-ressource à mon bureau serait Anne Wielinga, Anne.Wielinga@pco-bcp.gc.ca.

Au plaisir de discuter avec vous.

Christiane Fox
Deputy Minister of Intergovernmental Affairs and Youth /
Sous-ministre des Affaires intergouvernementales et de la jeunesse

Hi Sheena,

Please see the below request and please provide responsive records by May 2nd :

For email records:

- Go to Sent Items folder and scroll down to date range
- **Option 1:** Drag and drop emails into a separate email to send to me. Depending on how many emails you have within this date range, you may need to break them up and send them in multiple parts
- **Option 2:** Highlight all emails, click on File – Save as Adobe PDF. The conversion can take a few minutes. I would recommend doing this in 2 or 3 sections
- **Option3:** Drag all responsive emails onto a USB stick and provide the stick to me

For text message records:

- Take screenshots of all conversations containing responsive records. Please see attached instructions for this

If you have any issues with compiling these records, please let me know and I will be happy to help!

Records of any and all emails (excluding attachments), text messages, BBMs, slack messages, and WhatsApp messages – excluding attachments - sent from Sheena McConnell.

*(Date Range for Record Search: From **11/01/2017 To 11/30/2017**) Date Format is MM/DD/YYYY*

If you think that the search for records will take you over 3 hours and/or the total volume of records will exceed 200 pages, please let me know as soon as possible.

Subject: Consultation HTH-2018-80927 Due: May 30, 2018 (5 pages)

Hello

The Ministry of Health received this FOI request from a Political Party:

All emails, text messages, blackberry message, slack message, WhatsApp messages – excluding attachments – sent between all Assistant Deputy Ministers and their Executive/Administrative assistants (if those positions exist and were staffed at the time). (Date Range for Record Search: From 08/01/2017 To 08/31/2017)

They identified the attached document(s) as responsive records and wish to get your views on disclosure. If you need help determining harms, please see the attached harms assessment or contact me directly.

Your program area's response is due May 30, 2018
IAO may take one to two business days to apply any severing.
Your executive sign off response is due May 30, 2018.

If you are not able to respond by this date, we are required to continue processing this file without your recommendations.

1. Ministry Program Harms Assessment:

Please indicate which applies:

- 1. There are no harms in these records. They can be released in full.*
- 2. There are harms in releasing all of these records. They should be withheld in their entirety.*
- 3. There are harms in portions of the records. Please give details so that IAO can apply the appropriate sections of FOIPPA. Please feel free to write directly on the attached records and send back to IAO. If you are unsure of why it is harmful please call the IAO to discuss the appropriate severing.*

2. IAO's review of harms assessment and recommendations on release

3. Ministry Executive approval for release

3. *Not approved for release and why.*

Ministry Executive (Delegated Signoff):

Name, Title

Note that all general FOI request records that are released to an applicant should be published on the Open Information website unless the exemption criteria apply. The exemption criteria can be found on page 11 of the [Open Information and Open Data Policy](#). Consultations from outside provincial public bodies are not published on the Open Information website.

Exercise of Discretion:

The *Freedom of Information and Protection of Privacy Act* (FOIPPA) contains both mandatory and discretionary exceptions to disclosure. Sections 13 to 20 are the discretionary exceptions. Where Information Access Operations (IAO) has advised the head that a discretionary exception may apply, it is important that the head consider the possibility of releasing the information despite the fact that an exception may apply.

Factors relevant to the exercise of discretion include:

- the general purposes of the legislation: public bodies should make information available to the public; individuals should have access to personal information about themselves;
- the wording of the discretionary exception and the interests which the section attempts to balance;
- whether the individual's request could be satisfied by severing the record and by providing the applicant with as much information as is reasonably practicable;
- the historical practice of the public body with respect to the release of similar types of documents;
- the nature of the record and the extent to which the document is significant and/or sensitive to the public body;
- whether the disclosure of the information will increase public confidence in the operation of the public body;
- the age of the record;
- whether there is a sympathetic or compelling need to release materials;
- whether previous orders of the Commissioner have ruled that similar types of records or information should or should not be subject to disclosure; and
- when the policy advice exception is claimed, whether the decision to which the advice or recommendations relates has already been made.

Thank you,

This was a presentation that I authored for Don's technical briefing on natural gas. I have attached a copy for reference.

This note was soliciting final feedback on a draft version of the presentation, in order to produce the final version used by Don in his briefing for media.

The content that the presentation was based on came primarily from EMPR, with engagement from Finance and ENV. GCPE coordinated the event and related communications materials. If this is a request for the supporting analysis behind a presentation, we would need to know what is being asked for in order to direct it to the right place.

Are you able to let me know if the attached PowerPoint presentation was authored by the Premier's Office? IAO is just wondering if they should consult with FIN, GCPE, ENV or EMPR.

Thanks so much!

Subject: FLMM Input and Support for the 2030 Agenda For Sustainable Development

Dear Deputy Minister,

I am seeking your input and support as Canada prepares the implementation of the 2030 Agenda for Sustainable Development.

Partnerships play a pivotal role in the implementation of the 2030 Agenda. Provincial and Territorial governments have an important role in achieving the SDGs given exclusive or shared jurisdiction in several key policy areas that directly affect sustainable development, including poverty reduction, quality education, decent work and economic growth, and reduced inequalities. That is why I am seeking your input to Canada's Voluntary National Review so that it reflects the work underway in provinces and territories. As you may know, the Voluntary National Review is one of the primary review mechanisms for countries to show their progress on the 2030 Agenda and the SDGs. Canada is scheduled to present its Voluntary National Review at the United Nations High Level Political Forum on Sustainable Development being held in July 2018, in New York. I have attached a backgrounder with additional information on the 2030 Agenda to this email for more information.

I am seeking information on recent initiatives and program areas that advance progress towards the achievement of the 2030 Agenda, specifically in the areas related to SDG 1 – No Poverty; SDG 4 - Quality Education; SDG 8 - Decent Work and Economic Growth; and, SDG 10 - Reduce Inequality. For example, I invite you to provide a summary on any of the following, which will inform Canada's Voluntary National Review report and presentation to the UN:

- Overall sustainable development framework or strategy;
- Projects/Initiatives that advance the SDGs that you wish to profile, including innovative approaches related to sustainable development that are making a difference in communities in your province; or that support the Agenda 2030 objective to leave no one behind; and/or
- Any challenges that your province has faced, successes achieved and lessons learned in implementing the SDGs.

I would be grateful to receive your input for the Voluntary National Review by Monday, May 28, 2018. Please submit your input and direct any questions to:

Gail Mitchell

gail.mitchell@hrsdc-rhdcc.gc.ca
(819) 654-3512

The Government of Canada has recently launched the Voluntary National Review Web Portal inviting Canadians to provide input on how they are helping to advance the SDGs. I would encourage you to share the following link across your networks to reach more Canadians and to ensure that their efforts are reflected throughout the report and presentation: www.canada.ca/2030-Agenda-VNR.

In support of the preparations for the Voluntary National Review, Employment and Social Development Canada will also be reaching out to civil society, the private sector, Indigenous peoples, and other relevant stakeholders to ensure that their work and achievements are equally reflected throughout Canada's presentation and report. Employment and Social Development Canada officials will also reach out at the working level to facilitate the coordination of input to Canada's report.

I appreciate your support and I look forward to working more closely with you on the implementation of the 2030 Agenda moving forward.

Sincerely,

Louise Levonian
Deputy Minister
Employment and Social Development Canada

Cher collègue,

J'aimerais obtenir vos commentaires et votre soutien à l'aube de la mise en œuvre par le gouvernement du Canada du Programme de développement durable à l'horizon 2030.

Les partenariats jouent un rôle essentiel dans la mise en œuvre du Programme 2030. Les gouvernements provinciaux et territoriaux ont un rôle important à jouer dans l'atteinte des objectifs de développement durable, compte tenu de la compétence exclusive ou partagée associée à plusieurs secteurs de politique clés qui ont un effet direct sur le développement durable, comme la réduction de la pauvreté, l'éducation de qualité, le travail décent et la croissance économique ainsi que les inégalités réduites. Pour cette raison, j'aimerais obtenir vos commentaires dans le cadre de l'examen national volontaire du Canada pour que celui-ci reflète les travaux en cours dans les provinces et les territoires. Comme vous le savez peut-être, l'examen national volontaire est un des mécanismes d'examen principaux permettant aux pays de présenter leur progrès à l'égard du Programme 2030 et des objectifs de développement durable. Le Canada devrait présenter son examen national volontaire au Forum politique de haut niveau sur le développement durable de l'ONU qui aura lieu en juillet 2018 à New York. J'ai joint à ce courriel un document d'information contenant des renseignements supplémentaires sur le Programme 2030.

J'aimerais donc obtenir des renseignements sur les initiatives récentes et les secteurs de programme qui progressent vers l'atteinte des objectifs du Programme 2030, surtout dans les secteurs liés à l'objectif 1 – Pas de pauvreté, à l'objectif 4 – Éducation de qualité, à l'objectif 8 – Travail décent et croissance économique et à l'objectif 10 – Inégalités réduites. Par exemple, je vous invite à faire un résumé de l'un ou l'autre des éléments suivants, qui permettra d'éclairer l'élaboration du rapport et de la présentation de l'examen national volontaire du Canada pour l'ONU :

- cadre global ou stratégie générale de développement durable;
- projets ou initiatives qui font progresser les objectifs de développement durable dont vous voulez dresser le profil, comme les approches novatrices liées au développement durable qui aident à changer les choses dans les communautés de votre province ou territoire ou qui appuient l'objectif du Programme 2030 visant à ne laisser personne derrière;
- toute difficulté à laquelle votre province ou territoire a dû faire face, les réalisations et les leçons apprises dans le cadre de la mise en œuvre des objectifs.

Je souhaiterais recevoir vos commentaires pour l'examen national volontaire d'ici le lundi 28 mai, 2018. Veuillez envoyer votre réponse et poser vos questions à :

Gail Mitchell
gail.mitchell@hrsdcc-rhdcc.gc.ca
819-654-3512

Le gouvernement du Canada a récemment lancé un portail Web sur l'examen national volontaire qui invite les Canadiens à fournir des commentaires sur la façon dont ils aident à faire progresser les objectifs de développement durable. Je vous encourage à faire suivre le lien suivant à vos réseaux afin que nous puissions joindre plus de Canadiens et veiller à ce que leurs efforts soient reflétés dans le rapport et la présentation : www.canada.ca/programme-2030-ENV.

Pour aider à la préparation de l'examen national volontaire, Emploi et Développement social Canada nouera le dialogue avec la société civile, le secteur privé, les peuples autochtones et d'autres intervenants pertinents pour faire en sorte que leur travail et leurs réalisations soient également pris en compte dans la présentation et le rapport du Canada. Les responsables d'Emploi et Développement social Canada communiqueront également avec les employés pour faciliter la coordination de la rétroaction dans le rapport du Canada.

Je vous remercie de votre soutien et j'ai hâte de travailler en étroite collaboration avec vous à la mise en œuvre du Programme 2030.

Cordialement,

Louise Levonian
Sous-ministre
Emploi et Développement social Canada
