I just want to reiterate that your Ministers are encouraged to connect with their stakeholders over the next couple of days individually. Please keep notes on those conversations. A reminder to hold off on any mass emails until the weekend or next week.

Donna, FYI we've had to make an abrupt change of plan and will be announcing a significant item concerning Pharmacare tomorrow morning @8:30 a.m.

This was necessitated as a consequence of an unfortunate release of some partial information on the Fair Pharmacare initiative that has made its way into the hands of an Opposition MLA. It has been decided that rather than wait for the budget, or depend upon the generosity of the MLA in question a NR from MAD will detail the new initiatives.

We will provide copies of the materials as soon as possible tomorrow.

Feel free to provide the context for this announcement should it be helpful in explaining the circumstances to your CASA clients.

Morning all,

Spoke with the speaker's office and they provided the following details:

- <!--[if !supportLists]-->1) <!--[endif]-->Invitations are handled through their office.
An email will go from them to all MLA's with the information that they will have 2 tickets each. The MLA's must respond with their guests names and email addresses by January 29th.
- <!--[if !supportLists]-->2) <!--[endif]-->Once we know how many guests the MLA's are bringing we can then send to the Speaker's office the list of guests the Premier would like to invite. This list MUST have email addresses as all invites are electronic. The list should be 50 people large (40 for Premier specifically and 10 for const office use)
- <!--[if !supportLists]-->3) <!--[endif]-->We should have a reserve of 20 extra invites ready to go in case we are short people
- <!--[if !supportLists]-->4) <!--[endif]-->The Gallery holds 150 guests and the floor has 28. Priority of floor seats are to previously elected. If there are other specific people we would like on the floor we must note that in the invite list we send to the Speaker.
- <!--[if !supportLists]-->5) <!--[endif]-->The post reception is hosted by the Speaker's office. They are responsible for tea, coffee and snacks all sourced from the Leg dining room.

Let me know if you have any questions.

Hi All,

I will inquire with the Luba at the Leg about the unveiling on the 14th. I assume that since this is one week before the actual date of Norouz that the video could be shot at or immediately before/after the unveiling to be released one week early.

Since it will be moved to the West Annex afterwards, can I assume that the unveiling event would take place in the hall of honour?

And do we know for sure yet where we would get the table from?

Thanks

Rick

Hi folks –

I'm writing to follow up on a conversation I had last week with the Premier about Norouz.

Roseanne looping you in because I know caucus members have questions about this. Chantille will be taking the lead from our office.

Norouz is on March 21.

The Persian community is interested in hosting a gathering in the Leg to unveil a Haft Sin table. They would like community members to come to Victoria to witness it. We have tentatively spoken about March 14th since we are not in session on March 21. Rick, can you please find out from Luba if this is possible. The Premier would then like the table moved to either the caucus room or the West Annex (West Annex is my preference).

The Premier is open to doing a video message. This would be the fourth year he's done one. The community suggests the video be shot in front of the Haft Sin table. It will ideally go to Persian media one week in advance of Norouz. Karl, Sage – can I leave this with you? I can confirm timing from the community.

There are additional community events (fire festival, etc). Chantille will send out a separate note on this.

Thanks, all.

I've CC'd Maura Parte, who is our HR manager within the Public Service Agency, who would have access to any policies available. She will also join the call to provide insight into what kind of training would work best for this group.

It would be great to set up a call to discuss the presentation. January 25th works well. Can we do 1PM then? I will send a calendar invite with a teleconference line once you confirm.

Do you know typically how long it takes for these types of presentations? It would be nice to send the invitation to those attending sooner rather than later. We could do February 6th from 1PM – 3PM?

Thanks for all your help in coordinating.

Hi Lisa. I gather that you are meeting with Maura on Monday. If the timing works I would love to join you, but will be in meetings until 5 that day. The sessions will be in our government caucus room in the Legislature – Room 223. For the Tuesday morning session, we have you starting at 9:30 until about 12 for the session with MLAs. You will go to the front entrance of the Legislature, and we have given them your name so they know you are coming. If you can arrive by about 9:15 – we will have someone there to meet you.

There is a white board in the room. And so you know – there are 41 MLAs – the Premier, 22 cabinet ministers and 18 private (non-cabinet) members. They won't all be at our session but most will be. Look forward to meeting you and once we have the material, we will get it prepared for the sessions. Thanks, Roseanne.

Good morning,

I'm hoping to have the materials to send out tomorrow for both presentations. As my work in Kamloops has adjourned, I'm able to fly to Victoria earlier on Monday and am on a 3pm helijet. If it was convenient to meet that afternoon, we could discuss the materials in person and I would be able to make any amendments that evening.

Can you let me know where I am conducting the training, and the start times for both? Also, I do like to use a white board for the brainstorming exercises if that is available.

Looking forward to meeting you in person,

Kind regards,

Lisa

Hi All,

Please see below key messages on the events of today:

KMs:

- We are disappointed by Alberta's decision to unfairly target BC wineries. Our government has every right to consult with British Columbians on the best possible measures to protect our lands and waters.
- If Alberta disagrees they can make that argument in the proper venue, in our court system.
- Our consultation hasn't even begun, but Alberta has seen fit to take measures to impact BC businesses.
- We are urging Alberta to step back from this threatening position and engage in constructive dialogue. Officials from both provinces and the Federal government will be meeting in the coming days to discuss the situation.
- We will stand with BC wine producers and will be working with them closely to respond to the unfair actions announced today.

Kate,

Further to our discussion, here is the link for the event. MLAs can register through [this web page](#). As mentioned, we have 20+ Liberal & Green MLAs attending this special event...and normally Minister Darcy is there with a good contingent of NDP MLAs. I have checked and there are no NDP MLAs registered [cut off is Wednesday at 5 pm] as of yet, beside Minister Dix who is the emcee for the event. If you can pass this to Judy...and see if she can drum up some interest that would be great. It might just be that a lot of the new MLAs are unaware of how much it means to the care aide award winners to have so many MLAs there in attendance.

Let me know if you have any questions.

PS The LG is making a special appearance this year as well!

NDP Oppose Pacific NorthWest LNG

By Greg Fry
Monday, April 4, 2016 @ 12:06 PM

Prince George, B.C. – The provincial NDP has officially expressed its opposition to the \$30 billion Pacific NorthWest LNG proposal.

It did so in a letter dated March 10, 2016 to the Canadian Environmental Assessment Agency.

In it, leader John Horgan and Environment critic George Heyman base the party’s opposition out of a “concern for First Nations objections based on the risk to the future of salmon in the area and the Skeena River salmon ecosystem.”

Horgan and Heyman add the proposal “also fails to meet the condition of air, land and water protection, with respect to both the threat to marine habitat and species as well as to climate through unacceptable high and inadequately regulated greenhouse gas emission.”

They continue “until and unless these deficiencies are addressed, we urge you to withhold final recommendation for approval.”

The federal government is expected to make its final decision within the next 90 days.

Pacific NorthWest LNG is proposing to construct and operate an LNG facility and marine terminal near Prince Rupert, within the District of Port Edward.

The facility would be located on Lelu Island and would convert natural gas to LNG for export to Pacific Rim markets in Asia.

If given the go ahead it could result in as many as 4,500 jobs during peak construction and another 330 long-term positions.

Subject: January 29- Anniversary of the Mosque Shooting

Hi folks,

I want to connect all the dots for the upcoming January 29 anniversary of the Quebec City mosque shooting. There are a few pieces happening in relation to that date. Below are the big lines, and attached are more fulsome documents with details.

Outline:

- 1) Friday, January 26: Community has asked that an elected official **attend Friday afternoon prayer at Al Jamia Masjid Vancouver** mosque at approximately 12:40-1:15. *Waiting on confirmation as to whether Minister George Heyman can attend, as Minister Bains is away in Toronto and P.S. Kahlon is currently busy.*
- 2) Saturday, January 27 in Vancouver (Victory Square)/ **Feb 3 in Surrey** (Holland Park), opportunity to attend community vigils—*MLA Kang attending Vancouver, and MLA Singh attending in Surrey*
- 3) Monday, January 29 **Statement from the Office of the Premier** expressing solidarity with the Muslim community and a commitment to fostering safe and inclusive communities
 - a. Digital asset will be a photo of the Minister and Parliamentary Secretary at the VCO meeting; this will be shared on Gov of BC Facebook and twitter, others are most welcome to have accompanying digital outreach or share this
- 4) Monday, January 29 **Minister Bains and Parliamentary Secretary Ravi Kahlon convene small group discussion** with community leaders at VCO in Executive Boardroom
- 5) Monday, January 29 **Changing lights at the Legislature** to commemorate massacre to Islamic Green

Action item:

- Mira and I would like to set up a briefing time with Minister Bains and P.S. Kahlon in advance of the 29th for a context briefing on what has been happening in relation to this anniversary, and who will be in attendance at

the meeting. Can you find time in MHB and PSRK calendars between Jan 24-26 for a briefing phone call? Half an hour should be plenty.

For review:

- Attached is the current draft invite list. If you have stakeholders who are community or faith leaders in the Muslim community who you would like invited, please let me know ASAP. We intend the invites to go very soon.
- Attached is the event draft plan, take a look at the meeting tick/tock to see if the rough division of sections (with Minister Bains offering a welcome and intros and PS Kahlon leading the section on current government initiatives) works for you. Feedback/additions/deletions/questions/concerns on this draft all very welcome!

Thanks,
Charlotte

Hi Charlotte,

Hope this finds you well. I'm getting in touch with an invitation for the Premier.

Next week, Megaphone will host two events for our third annual "Big Sell," and we'd be delighted if the Premier could join us at either the Vancouver or Victoria event.

Megaphone's Big Sell sees local celebrities, business leaders, influencers, and politicians spend an hour as Megaphone Guest Vendors, selling Megaphone Magazine alongside our homeless and low-income vendors to support them and raise the profile of poverty and homelessness in our communities.

Vancouver: February 6th, 10:30-11:30am outside the Vancouver Art Gallery

Victoria: February 8th, 10:30-11:30am at Douglas and Yates

We'd pair the Premier with one of our vendors, and he'd try his hand at selling Megaphone Magazine to passers-by for about 30 minutes, alongside other Special Guest Vendors like Comedian Charles Demers, CUPE BC President Paul Faoro, PHS Director Jennifer Breakspear, and Architect Gregory Henriquez.

I'd be happy to share more information and answer any questions you might have.

Thank you for considering!

Very best,

Jessica

Hi LAs and CAs (of Lower Mainland MLAs)

Please let me know as soon as possible if your MLA can attend the LNY brunch on Friday, Feb 16 --- it would be great if lots of MLA came out to be with the Premier.

I realize the MLAs will be in Victoria this week with session so it might make more sense for their LAs to canvass them about their availability for the Friday lunch.

Either way – let me know...☺

Also here is a list of LNY events.

Thank you!

Good morning,

10:30 is a bit of a soft start, with our MCs MLA Kang and PS Chen welcoming people to their seats around 10:35 or 10:40.

The Premier will arrive around 10:45.

In short, please drive safely! It will be fine for you to arrive whenever you can make it.

The speaking program ends at 11:15, and brunch is served then. The event ends at 12:30.

Thanks,
Charlotte

Hi Roseanne,

Yes, I shared this with PSRK's MA James Infante, and I have reached out to Kate to see if the Premier is available to take a quick selfie. I have also shared with the GCPE Digital Team, where Herman Thind is the lead.

Thanks,
Charlotte

Legislation coming tomorrow:

Employment Standards Act

Extend unpaid leave for compassionate care, enable unpaid leave for a missing child or death of a child.

Align BC's compassionate care leave provisions with new federal employment insurance benefit entitlements that took effect January 3, 2016. This will increase the maximum number of weeks for compassionate care benefits and extend the period within which benefits can be taken. Also enable leave of up to 52 weeks for a parent with a missing child whose disappearance is in relation to a crime; and enable leave up to 104 weeks for death of a child.

Karen – can you ensure Minister Bains speaks to this tomorrow morning at 9:45?

See two events below that commemorate the mosque shootings in Quebec. I thought caucus members may want to be present for them. Please let me know if people have questions.
