Good morning Kate,

Thank you, that is as I expected and by noting that you will not be using the tool to collect and store personal information your use of Asana would not be covered under FOIPPA and therefore you have no barriers to using it. We kindly ask that you let anyone using the tool to be aware of this detail and past that I do not see any privacy reason to not proceed with use of the tool as of now.

For procurement:

<https://www2.gov.bc.ca/gov/content/governments/policies-for-government/core-policy/policies/procurement>

Any service or construction opportunity, or supply arrangement for the supply of service or construction, with an estimated value of less than \$25,000 should be competed to the extent reasonable and cost-effective.

If you are using the free version, this isn't a consideration. I think we can justify under \$10,000 as a situation not worth the effort to look further. Over \$10,000 we should have a discussion with a procurement expert to ensure that this doesn't come back and cause an impact if an FOI is requested around tools used in your office.

Thank you for contacting us, if any questions come our way we will be able to provide a clear answer.

Regards,

Gordon

Morning,

I am simply looking to use the Asana as a project management tool. I would be tracking major events such as UBCM, legislation coming forward, major announcements. I would also be using it to coordinate the Premier's office Director's work plans. So I do not foresee personal information stored but rather using it as a straight up management tool.

**Subject:** Office Tools within Government

Good afternoon Charlotte and Kate,

Kate: a quick introduction, I am the Client Business Manager for the Office of the Premier. My main client is Cabinet Operations where I have developed the tools used to manage Cabinet and Committee Forecasts, Legislative Proposals and the process of electronic distribution for iPads. I work closely with Prem Tech and have the strategic vision responsibility. Richard Barlow sent me your request regarding Asana and I have been working with Charlotte around other tools.

This note covers the general discussion of wanting to use tools that are not 100% hosted within Canada.

Richard, Pia Dewar and I met this afternoon and focussed on this section of FOIPPA:

### **Storage and access must be in Canada**

**30.1** A public body must ensure that personal information in its custody or under its control is stored only in Canada and accessed only in Canada, unless one of the following applies:

- (a) if the individual the information is about has identified the information and has consented, in the prescribed manner, to it being stored in or accessed from, as applicable, another jurisdiction;
- (b) if it is stored in or accessed from another jurisdiction for the purpose of disclosure allowed under this Act;
- (c) if it was disclosed under section 33.1 (1) (i.1).

Richard is going to have a discussion with Government Records around the phrase “in the prescribed manner” on point (a) to better understand what would need to be completed to use 30.1 (a), if needed.

The area where I am going to ask the both of you to put some thought is what kind of information you wish to capture and can we identify it as only business or is there actually personal information. To start the discussion, here is an example:

From the BC Cattleman’s website (<http://www.cattlemen.bc.ca/directors.htm>) I can see that Brian McKersie is the President of the association. It is reasonable to say that if Brian McKersie were to self-identify as the President of the Cattleman’s Association for the sole purpose of working with the Province for the benefit of the Cattleman’s association then all of the information is business related and is not covered by FOIPPA. If, however, there was an event of a more generic nature and the invitation was to Brian McKersie and spouse that information would be seen as personal and would be covered by FOIPPA.

If we are able to work together and define what is Business information and what is personal that gets us moving, if it is all Business then we can write up a simple PIA, just in case there are questions later, and we can move forward with using the tools.

If we can’t then the parallel conversation Richard is having may move us to the same place.

I am here to answer any further questions around this or any other ideas you may have.

Regards,

Gordon

Hi Kate,

So I tried stripping out all the sub-bullets and it started to look a bit 'thin' - which had me worried.

I don't want people to feel like a lot of good work was 'lost' in an oversimplification. ;)

So I'm giving you two things:

- one document labeled 'headers' with just the headers as we discussed today
- one document labeled 'questions' that has been revised from the original one I gave you to include:
  - the strategic directions
  - the goals (slightly revised from the original I sent)
  - a set of questions that emerged from the discussion at the meeting that could inform the work under that goal
  - some of these questions were in the original document and some I changed. Basically, I took anything that wasn't a question and reformulated it as a question and stripped out all the extraneous stuff.

I feel like including the questions in the report out to this group helps better reflect the work people put into the discussion we had that day, but it doesn't prescribe anything for the work ahead. That way, the questions just help guide people a bit more.

Does that make sense?

Have a look!

My recommendation would be to circulate the longer document, with the questions.

And if any of those questions don't match up with yours or Geoff's direction, they can just be removed from the equation as advice to the teams working on the different goals.

But it's totally your call!

Good luck with all this tomorrow!

Dear Geoff,

I write to express to you and the Premier the appreciation of Cynthia and I for your time in the meeting yesterday. It was valuable for us to directly hear the views of the Premier and government. We were pleased to learn that many of the concerns expressed by the Premier are being addressed by initiatives we already have underway. We also understand there is still much to do.

We were taken by the Premier's desire to know more about the specifics of why we do what we do, such as reservation check-in times, for example. We also noted his concerns about not being able to explain the "whats and whys" of the ferry service to those that ask him. We would like to ensure you and the Premier have the most complete information about the ferry system, although it is a challenge to cover a lot of complexity in a meeting. We would therefore like to invite the Premier and your team for an in-depth visit to BC Ferries.

Given the importance of ferry service to coastal communities, a comprehensive vessel and terminal tour is an effective way to show how we are moving to address the concerns of British Columbians. At the same time, it will provide you and the Premier the opportunity to challenge our thinking. It will also provide useful context for the coming Redlin Operational Review Report.

We realize there are many demands on your and the Premier's time. For efficiency the tour could be done in conjunction with the Premier's scheduled ferry travel on any of our routes. If schedules permit we could add a visit to our operations and security centre in Victoria. Minister Trevena has a standing invitation and is of course welcome.

Perhaps I could give you a call at a convenient time to get your thoughts on this?

Thank you again for your time yesterday and for that of the Premier.

Kind regards,

Mark

We would be very honoured to have Premier Horgan be a part of this special event. Could you please let me know if this is a possibility.

During the event, Minister Dix, as Minister responsible for the Francophone Affairs Program, will present a plaque to a Francophone individual or organization whose contribution related to the Journée's theme made a difference in the Francophone community.

Hello; Attached is an event plan for consideration.

It is for the official ground breaking of the new nursing and population health building at Thompson Rivers University in Kamloops.

TRU advise that earth will start being moved week of April 30.

Please advise if this is something you'd like to consider for the Premier.

Otherwise, we'd like to build it into some time during the break week for Minister Mark.

If we intend to invite medallist athletes to the PO, which I think is a great idea, it will need to be mid april at the earliest, because we need to give the Paralympians time to get back to the country and have enough notice to invite them and allow them to make plans to attend. We'll never get everyone, but that would increase the number we get.

I think that we could have TAC do the event to congratulate all athletes on the 17<sup>th</sup>, and the hook that actually makes it newsworthy on the 17<sup>th</sup> is that we announce that the medallists are invited to the Legislature on April XX day. If we are trying to mimic the invitation to the White House, that is something that is always done – there is an announcement, usually several weeks in advance, that the super bowl or Stanley cup winners will be visiting the white house.

Thanks  
Rick

TAC had begun making plans to showcase BC-based Olympic medalists on March 17 at the Olympic cauldron. They are definitely open to making adjustments given the interest in possibly doing something with the Premier.

Some options to consider in light of our discussion today about having athletes come to the legislature to meet the Premier:

1. Go ahead with the March 17 event and make it a Premier-led event
2. Go ahead with March 17 with Minister only, and do a visit to the Premier's office in addition, perhaps in early April

3. Cancel the March 17 event and replace it with a visit to the Premier's office event.

FYI I've attached the TAC release that went out a couple of days ago. Note the Paralympics run March 8-18 in Pyeongchang.

The house is sitting on the 14th and he will be doing the WA/OR/CA thing on the 16th.

Hi folks –

I quick note to follow up on IWD and the various conversations that have been happening.

- I have been in active discussion with Robyn Spilker about IWD and to a lesser degree Janet Rutledge (co-chair women's caucus), and Mitzi Dean through Kim Manton
- There are a number of events happening at the Leg on March 8<sup>th</sup> – many related to IWD, but none outward looking. Both my team and MCJ think it's important we do something outward focussed.
- We are exploring the idea of a IWD video that includes MCJ introducing PSMD and then featuring all the women of the Legislature naming a BC based female role-model (or something along these lines). MCJ really likes this idea. I have not yet spoken to Karl about it. **Sage, I'm particularly interested in your thinking on this.**
- My team is doing some research on what has happened in other jurisdictions and in BC in the past. This may factor into decision-making.
- Finance is looking at year-end requests to see if there is anything relevant to the discussion
- Based on questions that were coming in to both Robyn and I, PSA has developed a draft sexual harassment in the workplace document. This is great to have in process, but not something we will be highlighting as it truly a draft.
- Note: as it stands this plan does not include an public facing role for PJH. This is a consideration for us to discuss.

I welcome thoughts!

Thanks, all,

Hello,

I was just chatting with Brynn Bourke about this announcement.

An option I think we should consider is to have PJH preview the announcement in the speech, but immediately after have an event in front of the legislature with women in trades.

This way the convention could remain closed to media (as is their preference) and we could give the announcement a good visual and the attention it deserves.

Let me know what you think.

Thank you,  
Danielle

Can I confirm that we want to go ahead with option B as a stand-alone announcement at the legislature immediately following the speech on Thursday?

AEST folks need to start reaching out to participants.

The AEST MO, GCPE shop and program are all in favour of this.

SUMMARY OF ANNOUNCEMENT: We're announcing a \$1.7 million suite of pilot programs led by the BC Construction Association and BC Federation of Labour to address systemic issues facing women in the building trades.

Hello,

I was just chatting with Brynn Bourke about this announcement.

An option I think we should consider is to have PJH preview the announcement in the speech, but immediately after have an event in front of the legislature with women in trades.

This way the convention could remain closed to media (as is their preference) and we could give the announcement a good visual and the attention it deserves.

Let me know what you think.

Thank you,  
Danielle

Hi Rodney,

Danielle Dalzell has taken the lead on preparing the BC Building Trades speech. She will be able to confirm where the PO landed in terms of content/direction.

Hi Christine,

Thanks for your follow up. The 18<sup>th</sup> won't work – hoping we could look at the 15<sup>th</sup> or 17<sup>th</sup> of May. As for timing – Premier would be available between 12:15 – 1:15pm.

Hi Amber,

I just got off the phone with the Victoria Conference Centre. Carson Hall which is their biggest venue in Victoria is open for a lunch event on Friday, May 18<sup>th</sup> otherwise we would be looking at likely the Crystal Garden which would reduce our capacity for the event by about half.

I know the Premier is extremely busy so we will be happy to accommodate him on whichever date works best for him. Please let me know and we can go from there.

Cheers,

Christine

Good morning everyone,

We met with the Governor General this morning regarding the visit to BC in March.

I am writing to inform you that the visit dates have slightly changed, and we will now arrive in Victoria on March 20<sup>th</sup> and leave for Vancouver on March 21<sup>st</sup>.

We have tried to secure a venue in Vancouver for the Presentation of Canadian Honours, however we were not successful, given that it is the week prior to the Juno Awards.

Jeremy and team, that being said, we were wondering if we could host the event at Government House instead? I've cc'd Christine MacIntyre to this email, who can discuss the details of this request with you.

Furthermore, given our arrival on March 20<sup>th</sup>, below is a broad overview of the proposed program.

<u>March 20</u>	<u>March 21</u>
11:00 Arrival at Government House 11:30 Courtesy Call with the LG 12:00 Luncheon discussion hosted by the LG 14:00 Official Welcoming Ceremony at the Legislature 14:40 Meeting with the Premier 15:00 Private time 17:00 Reception co-hosted by the LG and Premier	8:00 Private Breakfast 9:00 CFB Esquimalt 12:30 Private Lunch 13:30 Presentation of Canadian Honours Ceremony 15:30 Town Hall with Students 17:30 Departure for Vancouver

If we are all in agreement, I will go ahead and revise the detailed program, which I will share with you.

Thank you all for your flexibility and support in planning this visit!

Hey Rick,

Just finished the call with the BC Building Trades. Apparently there's no way they can make 2:30pm work. Everyone is in meetings at that time.

Here are the options:

1:00pm – 1:15pm

Quick standup in front of the leg, 30 female trade workers standing on the steps.

We'd have to keep the speaker's list short

Challenges:

- they have meetings at 1:45 and need time to get through security, want to wrap by 1:15
- Caucus is at 1. We would have to see if PJH and Minister Mark can miss it
- Logistics of getting everyone from the laurel point after the Premier's speech to the steps would be tight

8:45am

At the tail end of the breakfast they're hosting at the BC Museum (breakfast is 7-9am)

They can walk over and do the event on the front steps

I think this makes the most sense – we'd still get the visual and it's less of a time crunch

Challenge:

- It's a bit early, but I think media would still show up.

**Thoughts? Who should I run this by in the PO?**

Thanks,

Hi Sage,  
I hope this email finds you well. I'm following up on the introduction that Brad provided for us on Monday.  
As he shared, the Institute of Corporate Directors is a not-for-profit organization for Canadian board of directors. Our community is 12,000+ with active chapters in both Victoria and Vancouver.

We are in the midst of planning a few late spring/early fall "Premiers" events at a selection of chapters across the country. The setting would be a sit down 'fireside' chat between the Premier and the business community. In terms of the audience, the majority would be ICD members who are board directors and CEOs within the not-for-profit, crown and for-profit sectors.

We're currently working out details with Premier Notley's office for a June appearance in Calgary. We would be honoured to have Premier Horgan at an ICD chapter event in Vancouver. I can provide you with more information to help with the decision making process. Can we schedule a call next week?

Thanks Sage.

A short introduction to the issue is below.

...I work with the Institute of Corporate Directors. Are you familiar with the organization? We provide a Directors Education Program (DEP) for directors of Crown, NFP and for-profit corporations. In addition to providing educational training, the ICD has 12,000+ members with 11 chapters across Canada, including Vancouver/Victoria and Edmonton/Calgary. The chapters host a number of annual events, many of which are set up as keynote or panellist formats.

The speaker list at ICD events ranges from leaders within the local political and business communities (from SMEs to large organizations), as well as leaders from bigger political backgrounds, such as Frank McKenna and Gary Filmon, both of whom ended the 2017 events calendar for our Calgary chapter. Finance Minister Bill Morneau recently addressed the ICD AGM in June, and despite the negative publicity his reputation was receiving in the news at that time, our members were respectable and forthcoming during his Q&A session.

Later this year, we're hoping to host a fireside chat with Premier Horgan in BC and Premier Notley in Alberta. Can you please introduce me to the Communications leader in both offices?

Thanks Brad. Much, much appreciated. Talk soon.

Hi All,

If I recall correctly, the Premier was open to a handful of events that we suggested. I understand we don't have time for any of them prior to the break week, but wanted to ask if we could look for days in early april when we might consider trying to do some of them after the legislature returns.

Namely, I am thinking of a visit to a high school, a visit to a childcare space, and a kitchen table talk in someone's home.

Let me know  
Thanks

**Subject:** Tuesday March 13 Kitchen Table Talk?

Hi Sage and Kate,

To cut to the chase: I'm wondering if we could have the Premier visit someone's home to talk about affordability on Tuesday March 13.

The rationale:

March 12-15 is kind of light on major events. Currently:

- Monday: Two new requests – TAC wants to do a special Olympics Kickoff and AEST a proclamation for Tech Skills Week.
- Tuesday March 13 – No events currently
- Wednesday – Nowruz Celebration
- Thursday – Dix Day of Francophonie event and TRAN Infrastructure signing

Also, I think this would be a great thing to do, get us a different visual, show the Premier genuinely connecting with people, and further the message of the budget. And the Premier is on board with the idea generally.

In short, we'd find someone who lives near the leg, who is open to having the premier visit, talk about affordability at their kitchen table or in their living room, with the media present. We'd find a house that was of a nice enough size to host the media.

Let me know what you think.

Thanks

Rick

**Subject:** Visit from Conrad Sauve, President and CEO of Canadian Red Cross

At the Canadian Red Cross, we have been privileged to manage the BC fire fund and have appreciated the opportunities to report back to the BC Government Task Force on the operations. There is no doubt of the positive impact on people and communities both socially and economically now and into the future. Thank you.

Our President and CEO of the Canadian Red Cross, Conrad Sauve, is in BC on March 26<sup>th</sup> and 27<sup>th</sup> and would certainly welcome an opportunity to update the Premier as well as outline Canadian Red Cross disaster operations nation-wide and around the world, particularly given our risk for catastrophic disasters. Conrad not only brings the experience as the head of the Canadian Red Cross, but as someone who has traveled widely to support Canadian Red Cross operations in Myanmar, the middle east, Haiti and many other areas.

It was suggested that I contact you directly to explore any availability for this or future dates.

Thank you for your consideration.

**Subject:** innovative wood building possible announcement

Hello,

I mentioned this in the 6-month planning session, as I think PJH would be very interested in announcing a groundbreaking engineered wood product 12-storey building. We made a strong push for this in the campaign and platform, so it fits very well with our new economy narrative. See info below – and update to below, I have now been told the project is scheduled to go to third reading and public hearing April 9. Fourth reading around May 9th. It would be safe to announce at 4th reading. Maybe at 3rd.

Project website here: <http://www.corvettelanding.com/>

Let me know if you'd like me to pursue further, gather more info, and if PJH is interested in an announcement.

Jon

-----

Minister Robinson wanted me to share with you a project that the Office of Housing and Construction Standards is working on.

We recently received support-in-principle from Minister Robinson to proceed with evaluating a developer's proposal for a tall (12-storey) wood residential building in the Township of Esquimalt. It's called Corvette Landing and there has been some minor media coverage recently.

For this proposal to proceed, a new provincial regulation specific to the site will need to be developed. The current BC Building Code only allows for up to 6-storey wood buildings, and the regulation will need to repeal elements of the Code and provide substitute requirements that ensure an adequate level of safety and building performance. The National Research Council of Canada has developed draft national building standards for 12-storey wood construction. These have been reviewed by experts across Canada and released for public review. It's anticipated that these will form the basis of the regulation. A site-specific regulation like this is a Minister's Regulation authorized by the Building Act and enacted by a Ministerial Order; Cabinet approval will not be required. This is similar to the process used to develop the site specific regulation that enable Brock Commons at UBC.

My office will accept the proposal for review, facilitate expert technical reviews and draft the regulation for the Minister's consideration. Her final decision on the regulation will be requested at a later date, following completion of the evaluation results.

The proposed timelines are very tight. The proponent's development permit application is scheduled to be heard by Council on January 22, 2018 and they plan to apply for a building permit before April 1, 2018. A regulation would need to be developed, approved and deposited before this date in order to meet this timeline. We've advised the proponent that multiple scenarios could delay this.

I'm pleased to share that this project will support the government's public commitment to establishing BC as a global leader in engineered wood products and further develop the value-added sector, and facilitate innovation in structural and architectural design. It will also demonstrate responsiveness to industry requests for regulatory support.

Turns out our local constituent has invited Harvey Andrusak, BCWF president, and Jesse Zeman, BCWF Director, Fish & Wildlife Restoration. (BC Wildlife Federation).

Just letting you know as this is the first time one of my local meetings has evolved into a meeting with Provincial reps.

I will be reminding them that my mandate is to listen and work locally on local issues and that they need to pursue the regional and provincial components of this issue with Minister/Staff at Forests and Lands. (They are aware of the meeting and providing background note.)

Dear Geoff,

I write to express to you and the Premier the appreciation of Cynthia and I for your time in the meeting yesterday. It was valuable for us to directly hear the views of the Premier and government. We were pleased to learn that many of the concerns expressed by the Premier are being addressed by initiatives we already have underway. We also understand there is still much to do.

We were taken by the Premier's desire to know more about the specifics of why we do what we do, such as reservation check-in times, for example. We also noted his concerns about not being able to explain the "whats and whys" of the ferry service to those that ask him. We would like to ensure you and the Premier have the most complete information about the ferry system, although it is a challenge to cover a lot of complexity in a meeting. We would therefore like to invite the Premier and your team for an in-depth visit to BC Ferries.

Given the importance of ferry service to coastal communities, a comprehensive vessel and terminal tour is an effective way to show how we are moving to address the concerns of British Columbians. At the same time, it will provide you and the Premier the opportunity to challenge our thinking. It will also provide useful context for the coming Redlin Operational Review Report.

We realize there are many demands on your and the Premier's time. For efficiency the tour could be done in conjunction with the Premier's scheduled ferry travel on any of our routes. If schedules permit we could add a visit to our operations and security centre in Victoria. Minister Trevena has a standing invitation and is of course welcome.

Perhaps I could give you a call at a convenient time to get your thoughts on this?

Thank you again for your time yesterday and for that of the Premier.

Kind regards,

Mark

Just bumping this so we can discuss it. There are flight options from the airport too, which would be perhaps better than the ferry.

Obviously the ferry isn't ideal at all, but I don't know how/who should make this decision. Perhaps Geoff should have input?

The Governor of Oregon is confirmed to participate by skype but can only do so from 830-900. So he would miss her entirely, and probably only get to the office for the last 15 minutes of the 4-state/province meeting.

Let me know what you think.

Wanted to let you know that leave was not approved to get PJH over the night before on the last available flight (leaving at 6pm). I'll ask Elizabeth to check flight times again – but it may be our only options are:

Keep him on the 8:40 and have him arrive at 9am  
Take the Ferry the night before.

Keep you posted.

Hi All

In our current tour plan, the Premier is planning to drive from Penticton down to Oliver on April 3<sup>rd</sup>, and tour a winery mid afternoon. On the same day and time, Minister Popham is planning to proclaim BC Wine Month in Kelowna. Kelowna is roughly the same distance away (however, in the opposite direction). It seems to make more sense for the Premier to join Minister Popham in Kelowna, doesn't it?

That said, I don't know about the winery in question in Oliver and how important it is that we visit it.

Let me know what you think.

Thanks

Mira,

We are moving closer to locking in the date for the seaplane announcement. We have some potential dates from Minister Goodale's office. We have also identified two potential windows when Brad Smith could attend in Vancouver, so I am reaching out to see if the Premier could attend on that date.

Please note that we are just floating these to see if the stars align and one of these might work.

April 9<sup>th</sup> - Vancouver - preferred

April 12<sup>th</sup> – Vancouver (Would be a Microsoft rep not Brad Smith)

April 13<sup>th</sup> – Vancouver (Would be a Microsoft rep not Brad Smith)

April 16<sup>th</sup> – Vancouver (Potential for Brad Smith to attend) – preferred. Question whether Minister Goodale could attend, as is a sitting day in Ottawa

Other dates. Just checking for reaction. Not ideal for a lot of reasons, but trying for options.

April 23 – Seattle

April 24<sup>th</sup> – Seattle

Thank you,

Hana

It has been suggested by a few of you that we should reconvene the Budget Activities Working Group to get a sense of what is already planned to promote what is in the budget, and what else we need to or should do in the break weeks and the rest of April and May. I don't know if this will work with everyone with the Legislature back in session, but I will suggest Wednesday at 3pm to have it come after question period.

Let me know if this could work, and I will put together an agenda.

Thanks

I spoke with Sage about BCH's proposed date and she suggested I send this to both of you to ensure you are aware. Attached are the IB's, background and Q&A's from BCH.

Thanks, and have a great weekend.

Kate, we had a thought...

Our newest vessel, *Northern Sea Wolf*, is currently at Esquimalt shipyard for an overhaul in preparation for its inaugural voyage on our newest route connecting Port Hardy and Bella Bella.

The ship is currently in pieces, and will be put back together in a few weeks for sea trials and crew familiarization in advance of its scheduled in service date of late June. It would be a great opportunity for Premier Horgan to see the investment required to set up a new route.

It would be 3 hours max to get to Esquimalt, enter the shipyard, tour around and be back at the office.

We wanted to offer this now as in a few weeks this particular opportunity won't exist as the ship will be moved from Esquimalt.

We appreciate the demands on the Premier's time, but thought this might be a fairly easy way for him to visit a BC Ferries vessel and an BC shipyard at the same time!

Thanks for considering.  
Kathy

Walnut Park Elementary School in Smithers (School District 54 Bulkley Valley).

The project is \$28.5 million which includes a \$2.9 million risk reserve and a \$0.9 million Board contribution (provincial funding of \$27.6 million). Here are some project details.

**Scope of Work:**

- Construct a new school, capacity of 40 Kindergarten/400 Elementary plus a StrongStart space and a Neighbourhood Learning Centre on the existing site.
- A Neighbourhood Learning Centre will be included as part of this project. The District has undertaken some preliminary consultations with the Town of Smithers and the two parties wish to pursue options for the NLC such as child care spaces, additional library space and an enhanced gymnasium to facilitate indoor sports in the winter months. This will be finalized during the design phase of the project.

Hi All

Just following up in this again for the just inslee/Premier high speed rail announcement and the idea of doing it in a video. John-Michael is asking if his Minister will have a role.

Do we want to do the video announcement? If so I would expect that it would be just the Premier and the Governor and that there will be no role for Minister Ralston, correct?

Let me know  
Thanks  
Rick

Hey Rick,

I hope you're well. I just wanted to connect with you to get the latest logistics on the high speed rail announcement at the GLOBE conference. Do you know if MBR is slated to have a speaking role at the event? In any event, I know he'll want to be there and I'm just trying to make some other scheduling decisions so if you have the latest info on the where / when that would be really helpful.

Geoff,

Hope all is well. The original letter to Premeir Horgan will be in the mail today. We had over 900 delegates this year, over 600 to the Premiers lunch and the Ministers Breakfast sold out two months before the event.

We look forward to a favorable response and a possible update of the Premier's welcome for 2019.

It was recommended to us by JTT that we schedule check-ins with the PO <sup>s.22</sup> This would cover things like emergencies, any emerging issues, media issues, and just a general update on how things are going. This could be daily, or at another frequency.

Is this something your office would be interested in?

Hi Sage and Kate,

As per our conversation at last week's events + PO meeting, I am pulling together a team of people to move forward all the Vaisakhi pieces and attempt to communicate out what is already happening to the other ministries. Hopefully (if it works!) it can be a model for these 'third type of events'.

Do either of you want to send someone from PO comms or operations? I think it would be useful, but I'm happy to loop someone in later once the plan is together if you'd prefer not to send someone for the visioning meeting.

**So far the coordinating core group looks like:**

- Premier's Office SR (Charlotte)
- TAC (Kelly Newhook)
- GCPE Digital (Herman Thind)
- GCPE Events (someone getting assigned)
- GCPE Comms (Shruti)

**Reporting out:**

I'm responsible for communicating out decisions to:

- PO
- Other ministries (via the Friday MA Comms Planning Meeting)

Thanks,

Charlotte

Hi Sage, not bugging at all!

I s.22 will ask a colleague to pull a list of BC based organizations that are members.

I can tell you that our BC Executive is run by directors who sit on the boards of Goldcorp, Ritchie Brothers, Potash, CIBC, RBC, Encana, Cameco, West Fraser, CP, CN, Simon Fraser, BC Ferry Authority, CANFOR, Teck, Precision Drilling, Canadian Western Bank, GMP Capital, Maple Leaf Foods, The Asia- Pacific Foundation of Canada, BC Cancer Foundation and many more.

Our membership in the province includes the boards or members of the boards of most significantly sized for profit and not for profit organization in BC (and as you can see some are on the boards of companies based elsewhere in Canada but reside in BC).

Our membership will also include major hospital boards but also smaller not for profits in the province.

We would have approximately 1500-2000 members in BC out of our 12500 members nationally.

I will get you a list of organizations that are members in BC.

Hope this helps for the moment. M

Hi Sage,

I just wanted to follow-up on our call from last week. We discussed a possible event with Premier Horgan in the Fall. Ideally, this would be a sit-down, "fireside chat" event to discuss the Premier's long term vision for BC and the role of business and other important institutions in helping to get the province there.

Please let me know if you need anything else from us at the moment and I hope we can build a great opportunity for the Premier and for our members in British Columbia.

Again happy to have a quick discussion.

He is a fan of the show and that will be the focus for sure!

Dear Evan,

The President of BCCA, Chris Atchison, had a meeting with Premier Horgan last night in which they discussed **Construction and Skilled Trades Month in BC** (coming this April).

The Premier expressed enthusiasm for this event and an interest in participating in some way.

We have an immediate opportunity that may be of interest:

Tomorrow at 11 am (following QP) we're filming Minister Mark outside the Legislature. The Minister will be reading a line of the official Construction Month proclamation into the camera, which will be edited with a series of similar short clips featuring construction workers all reading different parts of the proclamation. The final video will be shared on social media during April, played in all Marks Work Wearhouse stores in BC, and screened at the Construction Leadership Dinner at the Royal BC Museum on April 16.

Would the Premier be available to participate in the video shoot tomorrow outside the legislation after QP? He can choose any line of the proclamation to read on camera. It will only take a few minutes.

Read the proclamation here:

Hope you had a great weekend in the sunshine.

Here's the update on the announcement timing:

April 13th is a possibility but timing is a challenge. A few other options include:

- April 20th or 30th – 10am

- May 1st or 3rd – 10am

I've cc'd my colleague Kate who manages the Premier's schedule so we can move this along more efficiently. She can also fill you in on the timing for April 13th.

Thanks, Hana.

Mira,

We are moving closer to locking in the date for the seaplane announcement. We have some potential dates from Minister Goodale's office. We have also identified two potential windows when Brad Smith could attend in Vancouver, so I am reaching out to see if the Premier could attend on that date.

Please note that we are just floating these to see if the stars align and one of these might work.

April 9th - Vancouver - preferred

April 12th – Vancouver (Would be a Microsoft rep not Brad Smith) April 13th – Vancouver (Would be a Microsoft rep not Brad Smith) April 16th – Vancouver (Potential for Brad Smith to attend) – preferred. Question whether Minister Goodale could attend, as is a sitting day in Ottawa

Mira,

We are moving closer to locking in the date for the seaplane announcement. We have some potential dates from Minister Goodale's office. We have also identified two potential windows when Brad Smith could attend in Vancouver, so I am reaching out to see if the Premier could attend on that date.

Please note that we are just floating these to see if the stars align and one of these might work.

April 9<sup>th</sup> - Vancouver - preferred  
April 12<sup>th</sup> – Vancouver (Would be a Microsoft rep not Brad Smith)  
April 13<sup>th</sup> – Vancouver (Would be a Microsoft rep not Brad Smith)  
April 16<sup>th</sup> – Vancouver (Potential for Brad Smith to attend) – preferred. Question whether Minister Goodale could attend, as is a sitting day in Ottawa

Other dates. Just checking for reaction. Not ideal for a lot of reasons, but trying for options.

April 23 – Seattle  
April 24<sup>th</sup> – Seattle

Thank you,  
Hana

Hello Sandy & Jennifer,

Our schedule for March 19 is coming together. I have a couple of questions and maybe it makes sense for Jennifer and I to have a call at some point today? Specifically on any press coming along for the day, there are some restrictions with the ARROW set I can explain.

Here is the Agenda:

**10am – 11am**  
**SONY IMAGEWORKS**

*(30 minutes to travel from downtown to 12<sup>th</sup> and Grandview Hwy)*

**11:30-1pm**  
**ARROW set at Vancouver Film Studios**

*A one hour tour followed by a quick working lunch with the owners of Vancouver Film Studios (VFS), they will provide an overview of VFS, growth, etc.*

*(30 minutes to travel from VFS to Atomic office in Mount Pleasant)*

**1:30pm – 2:30pm**

**ATOMIC CARTOONS**

*Official office opening, draft agenda:*

*5 minutes - Greet and welcome to Premier Horgan and Minister Beare*

*15 Minutes - “Ribbon Cutting”, attendance by Atomic staff (~350 – 400), Media, select guests  
Welcome remarks by Jenn McCarron  
Response by Premier Horgan and Minister Beare  
Cut Ribbon*

*40 minutes Tour of facilities*

Note that the Atomic office is about a 10 minute drive to the Van Helsing location.

Jennifer, I have copied Anita on this email, she can help us find time to chat today. Once we connect we will provided details on logistics.

They also livestream the main field (where the robots compete).

**Subject:** FIRST Robotics Competition Premier Invite, additional information

Hi Mr. McLaren,

Lucy Mears asked me to provide some more information about the FIRST Robotics organization and the event at the Save- On- Foods Memorial Centre March 13th to 16th, 2018.

I have attached a few things that will give a better idea of what our organizational mission is and what the event is all about. Two being videos about FIRST Robotics and I have also attached our sponsorship package that explains more about who is involved and what they do.

<https://www.youtube.com/watch?v=i1QyM9WTF18&t=128s>

<https://www.youtube.com/watch?v=igR409sJly0&t=47s>

A few important numbers and information on the involvement in BC. At this event, we will have 20 teams from BC participating from across the province. They will be joined by 12 teams from across North America, specifically, Alberta, Quebec, Ontario, and California. This event is being supported by Companies in BC like Microsoft, who also sponsored every team in British Columbia, and GSL Group, who own the arena and the Victoria Royals.

As for the Premier's role. The ideal circumstance would be to have Premier Horgan speak at the event about the importance of these types of programs for the tech sector in BC and the important role our students will play in the future of the BC economy. We will also have Alumni of our program and other ambassadors to show Premier Horgan and any MLA's that come around the event and explain what is happening on the field, and what students have done in the pits.

If you require any additional information don't hesitate to ask. I can be reached anytime by email or by phone at (778)879-2875.

Thanks for considering our invitation and I hope to hear from you soon,

Ian Koscielski

They are looking for a go-ahead for Monday, March 19 but they need some lead time in order to make this date work for OIC purposes.

Let me know if you foresee any issues with this timing.

**Subject:** Two upcoming events

Hi Kate and Sage,

I just wanted to flag two upcoming events where PJH may want to participate. (Totally cool if he's not!)

- 1- **Introducing new conservation officers:** April 26, 2018, 11:45-12:45 BC Legislature – There are 20 new conservation officers that have been hired by the government from the recent budget. People are coming in from across Canada for their training and will be sworn in (possibly handed their uniforms) as part of the press event.
- 2- There's also plans for an event in the Merrit area soon related to an MOU that is happening with the 5 Nicola Bands.

I heard that PJH will be the area on April 4 and wanted to see if you would be interested in tying in this event to his visit to that area.

We're signing an Memorandum of Understanding with the Nicola Bands for a partnership around their watershed. It's essentially pilot testing watershed governance with first nations. It's a nice reconciliation story. This is a cross-ministry initiative with MIRR, ENV, FLNROD.

Thanks!  
Caelie

Hi Kate,

I received the attached information from HLTH today, regarding a possible visit by the Premier to the Nicola Valley Hospital in Merritt.

They've sent us images of the site, and a one-pager that describes the work underway.

I will leave it with your team for a final decision.

Hi Cara,

As discussed earlier in the week, here are some photos of the construction at Nicola Valley Hospital and Health Centre in Merritt. These show what things look like with construction. Hard hats and boots would be needed for a tour and they are happy to accommodate one if that works for the Premier. I have attached the last project update that was done on this project – from last July.

Any questions, please let us know,

Kate,

Geoff suggested I ask you to get the following draft be put in a letter to the PM. It is a request from Coastal First Nations, and we would like to support them on what they are requesting from the feds:

DRAFT  
Letter to Prime Minister Trudeau

Staff in my office recently met with representatives of the Coastal First Nations – Great Bear Initiative (CFN) to discuss the Fisheries Reconciliation Vision that CFN is proposing to Fisheries and Oceans Canada and Indigenous and Northern Affairs Canada.

Canada and British Columbia are strongly and mutually committed to reconciliation with Indigenous Peoples, including through adopting the United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP), implementing the Calls to Action of Canada's Truth and Reconciliation Commission and taking all possible steps to support indigenous Canadians in achieving lasting social and economic equality.

I am excited about the potential that the CFN Fisheries Reconciliation Vision offers to advance economic reconciliation with participating First Nations while growing British Columbia's marine economy. From our initial discussions, British Columbia views the CFN proposal as a well-considered approach to pursuing economic reconciliation in thoughtful balance with existing license holders.

British Columbia is enthusiastic about sustainable growth of our Pacific marine economy in collaboration with indigenous communities and the Government of Canada. We look forward to working with your agencies, CFN, coastal communities and other parts of the sector as this proposal moves forward.

Geoff,

Thank-you for the support of the 2018 15<sup>th</sup> Annual Natural Resources Forum, we had over 600 delegates attend the Premiers Lunch, and the Ministers Breakfast sold out 8 weeks before the event. We appreciated the kind letter from the Premeir recognizing the efforts to make the

Forum a success this year. We set a new attendance record with over 900 delegates at the Forum. The Forum is now the largest annual Conference in Northern, BC.

We would very much appreciate any possibility of getting even a tentative confirmation of the Premiers continued interest and support of the event – it would be a good news story for everyone if the Premeir Confirmed.

Please do not hesitate to call if you have questions.

Chris,

Quick update, we checked with Catalyst and now that the tariff rates have been announced they need a few days to run the numbers, see what the impacts are going to be. They tell us next week they will be better prepared to meet the Premier, so if the Premier is willing to meet them, I think that's the timeline that would be best for them.

Just wanted to let you know. Thanks for looking into this!

Hi Chris,

It's JM here – Minister Ralston's senior assistant.

You may remember this meeting from a few weeks back. At the time the meeting was referred, you mentioned that the Premier would be happy to meet with the CEO if Minister Ralston thought it was important.

New duties have just been levied against Catalyst and the Minister feels it's important for the Premier to take the meeting with the Catalyst's CEO soon as possible.

What's the best way for me to make this happen? Cc'ing Sheila from issues management to keep her in the loop.

Cheers,

Hi Kate and Mira,

Just closing the loop on the new names for the Chinese Canadian Advisory Committee because I think it has ended up on both of your plates.

Just let me know when I can approach <sup>s.22</sup> about joining the committee. From my perspective this is a separate consideration than about whether or not to add <sup>s.22</sup>  
<sup>s.22</sup>

In short, I'd like to let <sup>s.22</sup> know because the meeting is less than a week away and they haven't been invited to join the committee yet.

To me, their inclusion is not dependent on the other question, but I am waiting for the go-ahead from someone who has spoken with PJH.

Sorry to beat a dead horse! I just don't want the others to have a bad experience because of a consideration that is fairly separate from their addition to the committee.

Thanks,  
Charlotte

Hi Jen,

Sending this your way as a correspondence request if PJH can't make it to the event. Looping in Amber and Kate who will know if in fact he plans to attend.

Do I need to do anything else to get the correspondence piece handled? I am assuming that just getting it to Jen closes the loop there. Let me know if I'm wrong!

Hi Sage,

As I believe I mentioned, our National Conference is in Vancouver on May 31 and I wonder if Premier Horgan would be available/interested to offer a welcome to the 700 delegates that morning to kick off the programme?

As you will see from the attached agenda, this will be a day of high level discussion and learning, examining NAFTA and broader trade issues, leadership character, innovation and other critical issues. The delegates are some of the most senior chairs, directors, CEOs, and academics in the country.

This could give the Premier a bit of an introduction to the ICD and the leaders within our community and, hopefully, set up a more substantive discussion with him at an event in the fall.

I look forward to your thoughts and have a great weekend,

M

I can send this to the larger group too, but just wanted to float it to you first.

I spoke to Nathan Cullen, and his thoughts are:

- He spoke highly of the Kitsumkalum school in Kitimat that Colleen Austin leads, and said that would be a great place for a visit.
- He gave me the contact of a lead housing advocate in Terrace
- He recommended getting help from Mayor Brain in Prince Rupert, who I know we are already meeting with, and mentioned that funding for a study about Resource Benefits Alliances would be a key issue.
- He said that if we have time to meet with Harry Nyce of the Niska, who is chair of the hospital board, potentially with some nurses it would be a great signal to send about their new hospital (I think this is for PR, but I'm not sure, but I'm speaking to Nathan again in 15 minutes).
- Further, just FYI as I don't think we can get to either place but he said that the new arena is a huge deal in Hazelton and there is a great childcare development centre we could visit in Smithers with Mayor Bacrach – perhaps good to keep in mind for the future.

He said he is going to try to join us – so it would be good to know if there are things we don't want him at or if we are generally ok with him tagging along throughout. I will find out when we speak in a moment if he is planning to be there already or if he would be coming out specifically for the visit.

Thanks

**Subject:** Kids Help Phone's trends in BC

Hello Geoff,

My name is Trevor Zimmer and I am a Senior Development Officer at Kids Help Phone. I am reaching out in hopes of arranging a conversation with Premier Horgan. We have some alarming trends to share with him regarding the challenges young people in BC are facing and how they are utilizing our service. In particular, we found that BC youth had a higher than average proportion

of returning/repeat service users, at 40% of all counselling sessions in 2017. We also saw that older youth (aged 20+) received counselling second most frequently of any province in Canada.

Kids Help Phone has solutions to the complex issues facing youth in BC. Our CEO, Kathy Hay, and VP of Counselling, Alisa Simon, will be in Victoria on April 13th. Kathy and Alisa would be open to meeting with the Premier to discuss how we might work with the government on solutions to some of the youth mental health challenges in the province. For 29 years, young people have reached out to Kids Help Phone for professional counselling. We have deep and wide impact supporting youth and mental health 24/7, and a solution that works.

Please let me know when there might be some time in the Premier's schedule for a meeting.

Many thanks,

Trevor

Good Morning Geoff

As a follow up to my March 12<sup>th</sup> email, I was wondering if there is any word yet on a possible meeting date with the Premier? It is our understanding that the Premier will be visiting Prince Rupert Monday March 26<sup>th</sup>. The RBA Chairs would like to meet with Premier Horgan sometime this month and hopefully there is an opportunity during his visit to the North West to set aside an hour to meet with them. Looking forward to hearing back with a favorable response. Again thank you for your consideration and assistance with this request.

Good evening Geoff

Just checking whether you have had a chance to get a staff update yet and whether you have any potential meeting dates you can offer with the Premier. As mentioned the RBA Chairs would be prepared to meet in Victoria, Vancouver or somewhere in the North West. It is our understanding the Premier may be visiting Prince Rupert sometime within the next month, perhaps the Premier could set an hour aside during this upcoming trip to meet with the RBA Chairs. Your consideration and assistance in making these arrangements is most appreciated. Regards.

No we have not flipped the switch yet.....we are just putting the finishing touches on the line, but it's coming along very nicely.

Ideally I would suggest two weeks, just because we would like to get everything in ship-shape before flipping the switch, and because I am in Germany next week building BC's exports to Europe. Does anytime during the week of March 19th work for the Premier's schedule?

Dear Mr. Calitz

Please find attached a letter pertaining to the proposed LNG Canada project that I'm sending to you on behalf of the BC Green Caucus.

Prior to drafting this letter our caucus was briefed by the BC Government on their fiscal framework for a prospective LNG industry in British Columbia. As you will know, British Columbia presently has a minority government with the BC Green Party holding the balance of power. In order to give you and your industry the maximum level of certainty you require to make informed decisions, we felt it was prudent for you to receive detailed information from our caucus' perspective.

Please let me know if you would like to discuss anything further.

Sincerely,

Andrew Weaver

Hi Rick,

For your radar, we're awaiting confirmation on a Premier's event in Terrace on March 27 on new funding for the Export Navigator Program, held at a local business.

I reckon you may be already looped in on the Premier's tour calendar. We'll be sure to get you our EP as soon as we have something confirmed.

Sounds like it might not be workable specifically for Terrace.

I like the prospects of the AVED event – it is hands on, and will help give people more opportunities.

Okay here we go. Megan pitched this originally as a potential for us in Terrace. We held onto it until we had a full inventory of what we could possibly announce. I think we should allow Chow to make the Nelson announcement be the major announcement and proceed with PJH doing the Advanced Ed piece JJ sent to us all yesterday. Your thoughts?

Hey Sage and Kate,

We had a good call with ILWU this morning about the visit to PR Port. Rob Ashton has a meeting in Van that he can't move so won't make it, but Local 505 President Glen Edwards can be there and will bring a few people for the tour.

Proposed tour is below and that looks like a strong indication of what it will look like. I would plan to cut down the DP WORLD Boardroom briefing from 30 min to 15 min to bring the whole thing back to 1 hour.

If this looks right to you two, we'll proceed! Let me know if you suggest any changes.

Thanks,

Charlotte,

Thanks for your call earlier today. As a draft agenda for a visit/tour with the Port on Monday, March 26 I would suggest the following as a draft itinerary.

1 PM—Meeting in DP World boardroom at Fairview Container Terminal

Attendees:

Joe Rektor, Interim President & CEO, Port of Prince Rupert

Shaun Stevenson, VP, Trade Development & Public Affairs, Port of Prince Rupert

DP World representatives (TBC)

ILWU 505 representatives (TBC)

1 PM to 130 PM—Port of Prince Rupert Briefing (led by Port of Prince Rupert)

130 PM to 200 PM—Fairview Terminal on-dock tour (led by DP World)

200 PM to 215 PM—Media availability/photo opportunity in front of Fairview Terminal (this would also give us some flex time to eat into if briefing/tour runs long)

If this works, we can sort out the logistical details accordingly.

s.22 Irene Mills (c.c.'d above, Phone 250.627.2604) will be your Port contact. If needed, I will be available by email and mobile as per below, but will also be connecting with Irene consistently.

Thanks,

Good Morning Geoff

As a follow up to my March 12<sup>th</sup> email, I was wondering if there is any word yet on a possible meeting date with the Premier? It is our understanding that the Premier will be visiting Prince Rupert Monday March 26<sup>th</sup>. The RBA Chairs would like to meet with Premier Horgan sometime this month and hopefully there is an opportunity during his visit to the North West to set aside an hour to meet with them. Looking forward to hearing back with a favorable response. Again thank you for your consideration and assistance with this request.

Good evening Geoff

Just checking whether you have had a chance to get a staff update yet and whether you have any potential meeting dates you can offer with the Premier. As mentioned the RBA Chairs would be prepared to meet in Victoria, Vancouver or somewhere in the North West. It is our understanding the Premier may be visiting Prince Rupert sometime within the next month, perhaps the Premier could set an hour aside during this upcoming trip to meet with the RBA Chairs. Your consideration and assistance in making these arrangements is most appreciated.

I'm just following up on the attached request by the Chairs of the Northwest Resource Benefit Alliance for a meeting with Premier Horgan, at his convenience, sometime in March along with a follow up tour of the Northwest possibly during the spring recess in early April? The Chairs are flexible as to the location and timing of this meeting and wondering if you are able to provide any tentative dates. The Chairs were hoping that Minister Donaldson and Parliamentary Secretary Rice could also be in attendance, if possible. Your assistance in helping with these arrangements would be most appreciated.

Would you like us to do up some sort of acknowledgement for<sup>s.22</sup>  
that might take some research as it's not clear where he's from –s.22  
s.22

Or would it be more appropriate to see if his MLA would do something – although,

It's not something that we've done before.

Another option would be to suggest that they submit a nomination for a Medal of Good Citizenship (or we could acknowledge & refer the email to the Honours & Awards Secretariat):

**Subject:** Update: Catalyst call

Hi Amber,

Further to my call and email to Ned Dwyer confirming the conference call at 12:15 pm March 22, I have had a number of calls regarding this meeting.

I received a call from JM in MBR's office regarding this meeting and wondering if it was a face-to-face meeting as he had heard through various channels that it was recommended and desired by both Catalyst and the ministry. I indicated that I had not at that time had any response from Mr. Dwyer following my 10:40 am confirmation of the conference call. In our conversation I gave him the time of the conference call and did not receive another request for an in-person meeting. I was waiting to hear from him who would be attending from Catalyst.

Following that call I had a message from Jamie Hammond, ADM JTT who is the main person on the Catalyst file in the ministry, who indicated that the DM, Fazil recommended a face-to-face and was hoping that could be undertaken. I have not returned his call.

I also had a message from Graham Kissak, VP Corporate Social responsibility, who indicated that a face-to-face would be their preference and would prefer that the meeting take place next week as the Premier's schedule permitted. The reason for this request is that a full board meeting had just taken place and more meetings were being undertaken to have the most up to date information to provide to the Premier. They felt it would be more constructive. I did not commit or give any assurances. I did not indicate where the Premier was taking the call. Graham indicated that Ned would be in Crofton and could come to Victoria if that was preferable tomorrow.

Another note of interest is that Graham was assured through Michael Goring, their liaison, that the Premier would be able to meet face-to-face and he thought it came from Don Wright's office or someone in the Premier's office.

Let me know if you need more clarification on these developments.  
Chris

Hi Bruce,

We have heard rumors that the Premier is coming to Prince Rupert and Terrace, and wondering if he is also coming to Smithers and Hazelton. We would be happy to help out if he is coming our way.

Hi Sage and Kate,

What are your views on when we can/should be adding Premier's events into the Corporate Calendar?

The break weeks are starting to fill up with events and announcements. Typically we wait until a media advisory has been issued before confirming the premier's attendance at an event (or when the event is made public by a third-party) but I'm wondering if we want to put in placeholders further in advance, given there may be competition with events/announcements/releases in various regions.

Let me know when you can, thanks.

Hi all,

JJ and I just spoke to MAH's comms team. It sounds like a roundtable on SAFER is a bit too specific. They can't provide us with any names of seniors accessing the program due to privacy rules.

We recommend framing this as more of a seniors roundtable on affordability. We can certainly have the Premier mention the changes made to SAFER, but also comment on talk about the seniors package more broadly, including care homes and home care supports.

Would that work?

Thanks,

Good day. Just following up to see:

- Is anyone from Premier's office wanting to attend?
- Are any local MLA & their staff planning to attend?

I'm trying to get a handle on how many folk might want to attend so I can either coordinate buying tickets for everyone, or, if there is enough interest, purchase a table.

Cost info below.

If I don't hear back I will assume folk don't want to attend...which is fine...just let me know please and thanks.

Ooops missed the meeting this morning but....

Anyone down there in Premier's office interested in pitching in for a table or two for this? Tickets are \$110 each or table of 10 for \$1350 (sponsorship)

I've heard they serve a great lunch 😊

Think Mitzi, maybe a couple of her staff and a couple from the Langford office are in.

Any other EA's or/and your MLAs?

Let me know and I can front the cost and collect from you.

Kate, I know this is disruptive, but it is an important announcement. Can you follow up? Let me know your wishes, but I think we should encourage the ministers to make the change unless it's easy to have the Premier involved.

Hey Geoff – thanks again for taking the time to meet with us yesterday, Leslie and I both value the ability to speak honestly and openly with you and your team. As I'm sure you're aware we cancelled the announcement late last night as the Minister wasn't able to leave Ottawa. I've been emailing Derrick and Craig about doing the announcement on April 4<sup>th</sup>. Unfortunately both Ministers are in the interior and they tell me their schedules cannot be changed due to having public events already scheduled.

The challenge is that the last two weeks of April we are sitting and the Ministers schedule is pretty tight the week of April 9<sup>th</sup> and that week is a sitting week for your government. I have floated the idea of April 2<sup>nd</sup> as it is only a federal holiday but that isn't ideal as it is Easter Monday. For our Minister, April 4<sup>th</sup> is ideal as he has that day wide open at the moment.

Would you be interested in having the Premier sign the bilateral with Minister Sohi on April 4<sup>th</sup> in Vancouver? I know that it would be ideal to have Ministers Robinson and Trevana present but in the spirit of compromise and flexibility we would like for you to consider that the Premier make this announcement with Minister Sohi. Thanks Geoff.

Hi Mira,

The Premier will be in Haisla territory tomorrow. Their leadership hoped to go to the coffee shop to say hello, but have a full council meeting at that scheduled time.

I imagine the Premier's schedule is jammed during the day, but it would be helpful if he could schedule a hello call to Chief Counsellor Crystal Smith while he's on the road, or to say a quick hello if he's in Kitimat or Kitamaat Village (she can definitely come to where he will be). And if that's not possible, for someone from the office to call their ED, Jason Majore, as a courtesy call.

On question JM, has leave been approved, or is that yet to happen?

If I recall correctly this was to happen in Vancouver correct?

Yes, morning of the 13<sup>th</sup> works for us, however my colleague Meghan went to the MA scheduling meeting last week and tells me there is a housing announcement in Vancouver also scheduled for the 13<sup>th</sup> (Housing Hub?) that we were hoping to avoid stepping on. However, if you feel that on balance April 13<sup>th</sup> is the best day for STEMCELL let's go for it.

Hey folks,

I have updated the itin with the most current details of the tour in sharepoint. I've also added sections where I will ask you to fill out the purpose of the event, the message of the event and the materials required for the event. I hope this will allow us all to see and know if your team will be called upon to do work on a particular event. s.22

Hi folks,

Sorry for delay! I've created a folder on our sharepoint site and given everyone on this meeting permission to access it.

Here is the folder with the most recent tour document in it.

#### **What you need to know for this time:**

1. Sharepoint works best in Internet Explorer.
2. If you want to edit the document, hover over the document until you see the arrow dropdown, select 'edit in Microsoft word'
  - a. When the document opens you will notice green refresh arrows over the save button. Just click save and it will update it in sharepoint.
  - b. Close the document when you're done editing it otherwise others will only be able to open a 'read only' version
3. If you just want the latest version, just click on the document and you'll download a local version to your computer. This is now yours but it won't be saved back to sharepoint

#### **Other things you can do in future:**

1. Control permissions to each folder, and grant access to people in any ministry (or anyone with an EID)
2. Get Sharepoint mapped to Windows Explorer so you can add/move/delete things in sharepoint just like it was a regular file folder
3. Add an IE extension to Chrome so you can use Sharepoint in Chrome and never have to work in IE again

Hi Kate,

Please see the next round of the below request (**please note the different date range**), and please provide responsive records by March 20<sup>th</sup> :

**For email records:**

- Go to Sent Items folder and scroll down to date range
- **Option 1:** Drag and drop emails into a separate email to send to me. Depending on how many emails you have within this date range, you may need to break them up and send them in multiple parts
- **Option 2:** Highlight all emails, click on File – Save as Adobe PDF. The conversion can take a few minutes. I would recommend doing this in 2 or 3 sections
- **Option3:** Drag all responsive emails onto a USB stick and provide the stick to me

**For text message records:**

- Take screenshots of all conversations containing responsive records. Please see attached instructions for this

*If you have any issues with compiling these records, please let me know and I will be happy to help!*

---

*Records of any and all email (excluding attachments), text messages, BBMs, slack messages, and WhatsApp messages sent from Kate Van Meer Mass.*

Hi Jony, could you please forward this to the Premier's Office?

Thank you very much!

Dear Sir/Madam,

Canadian Community Services Association and Rainbow Sports Canada Inc., in partner with Vancouver International Marathon Society and Destination BC, are working together to host a sporting event named "Run to Beijing Olympics". This event will bring up to 500 runners from

China as well as from local Chinese community to participate in Vancouver Marathon as a group with uniform running shirts to cheer for upcoming 2022 Beijing Winter Olympics Games.

2018 is Canada China Year of Tourism. This event represents local Chinese community's effort to enhance sports and tourism exchange between Canada and China, between two Olympic host cities: Vancouver and Beijing. There will be a series of events associated with "Run to Beijing Olympics" during Canada China Sports Exchange Week in early May, including a welcome ceremony on May 4<sup>th</sup>, a Canada-China Sports Forum on May 5<sup>th</sup>, "Run to Beijing Olympics" groups running in Vancouver Marathon on May 6<sup>th</sup>, and a charity golf tournament on May 8<sup>th</sup>.

We sincerely hope "Run to Beijing Olympics" will have greeting from the Premier. Looking forward to your early reply!

Thank you very much!

**Sharing Our Stories on Climate Action and Just Transition – Greetings from Premier to be read at reception / panel**

April 5 (5:30-9pm)  
Creekside Community Centre

Event being held in partnership with the VDLC, NWDLC and the International Trade Union Council's Just Transition Centre. Minister Heyman is attending the event and/or the invite only conference the next day (I believe Minister Bains is not able to attend either). Approximately 100 expected for reception, primarily from labour, but also some engo and possibly business representatives.

The request is to send greetings from the Premier to be read out. The principle of Just Transition (or for some, more appropriately termed "nothing about us, without us") is an important one for the trade union movement, especially, but not only, in relation to the transition to low carbon economy. We can get background from the BCFL for the greetings as needed.

**Subject:** National Park stop

Hi,

I am really hoping to get some clarity on the vision for the national park event in Oliver next Tuesday. What would be helpful is some direction on what the purpose of the event is. Is it meant to be open to media? Is it outreach? Do we want stakeholders there? Knowing what outcome is desired would make planning this a lot easier.

As it is now, from what I've heard through Marlene, and I hope she will correct me if I'm off base here - we don't have anything new to say about what is going on with the proposed park.

We continue to be in negotiations with the federal government. This makes planning a bit more tricky – s.16  
s.16

I've spoken to Dick Cannings and he suggested a couple locations within a 15 minute drive from Oliver:

Vaseux (vah-sew) Lake. (15 minutes from Oliver) – owned by the federal government – s.16  
(spectacular view)

White Lake – (15 minutes from Oliver) – also owned by a federal agency – s.16

s.16

– Spotted Lake – 30 minutes drive towards Osoyoos.

However, Spotted Lake is right off the highway so it would not be a good place in terms of sound for video footage, according to Dick. It's also quite the drive – might make it difficult to get stakeholders (maybe not – as I believe a lot of them are in Osoyoos).

Dick gave us the number of a park advocate, Doreen Olsen s.22  
bet.

If we want stakeholders on hand she is likely our best

Any guidance folks could provide would be greatly appreciated.

Thanks,

JJ

I wanted to connect about the May 22 and 23 dates they work for Tl'azt'en for the 23 best so now we can figure out the 22nd day events probably event in Nak'azdli and the town of Fort St. James

There was a request to go to Takla, the best way would be by helicopter is that something the premier would be interested in, Takla is the home community of BCAFN regional Chief Terry Teegee

There are helicopter companies out of Fort St James that we could organize for that trip ?

It would be good to connect to plan the events and days

That makes sense to me. What ever is easier.

Hi Kate,

Joleen pointed out yesterday that the solar stop we are meaning to make is not the one connected to Peter Hilton (where we had the original request to stop and I have confirmed we are going). So I think we need to fit both in.

Peter has made regular contact with our office since last fall and we had agreed to the visit many months ago. He is eager to speak to someone to nail down the details for next wednesday – but I am mindful of time and how we can do this and the lower Nicola stop in the same day. I've looked at the map and it's only 30 mins up from lower Nicola solar farm in the direction we are headed (Kamloops).

Proposing the following:

8am – travel to Merritt

9am – arrival and stops at fire rescue/newspaper

10am travel to lower Nicola solar farm

10:45am – tour solar farm /school

11:45 – travel to upper Nicola FN

12:15pm - lunch and meeting with Upper Nicola FN

1:45pm – travel to Kamloops

3pm – interview with shane woodford

4pm – digital economy event

5pm – dinner/free

7pm – private event

How long do you think that will take? Seeing if that will eat up the time or if we should push for the fire stop.

Okay. Spoke with sheena and the Merritt paper will take 30 mins. Let's reach out to the training centre and see what the options are.

I'm talking to Peter and I think we can make this work.

One flag for the Fire and Rescue visit – they are not available that day for a meet and greet. Most of their staff will be out doing a homeless count that day. They suggested the wildfire training centre, but not sure if that's something we want to do? I can reach out to them, but I think it's like the PREOC where we aren't sure how many people will be there during slower times and it's more office style, not a fire hall. But if we're interested, I can look into it.

Let me know.
