

Cement Bns of Canada

- Out: aggregate standard (Canadian Standard) ; Envisat
- aggregate - Trade blend supplies all the way to Seattle
- specify recycled aggregate vs. virgin
- role of government for mandate + regulation
- Carbon Emissions Road Map (2050, 2055 targets)
- Strong supporter of carbon pricing
- business working actively
- carbon tax: reduce intensity (likes it)
- heavy barriers → 23% social justice, science, innovation
- Ottawa Climate Action Secretariat
- industry as validators
- clean technology solutions for industry

carbon tax: facts used, policies developed in BC

- 6-7; 45%
- consistent acceptance of carbon tax
- 1/2 time of cement for Asia
- International Bulk Cement plants
- level the playing field - trade interference in carbon tax

The LeSage - Climate Action Secretariat

- output based allocation system
- create a 2nd carbon tax → capture 42%
- input tax credit
- "Broad group" - Microsoft, Lululemon, etc
- CIBC, COT, TEL

- full eye exam for kindergarten students
 - glasses provided by visiting optometrists
 - through school districts

- Min of Health - No Ophthalmology

Brook → children

Brook → adults

- free glasses for children

- telehealth → routine check by tele for seniors

- legislative changes w/ ICBC

- used by ICBC in legislative

Page

Vietnamese Evacuation Day

- happened in Ottawa - federal law
- April 30 is the day → last day of war
- controversial part is that ppl who live here are opposed to current government
- Vietnam bureaucracy sent to re-education camps
- 52 mil ppl left Vietnam
- 230,000 died on route
- Canada welcomed 60,000 ppl (130k churches), 20k by govt of Canada
- community done well in Canada
- yellow & red → representative flag

In the year following the war, hundreds of thousands sent to forced re-education; refugee crisis known world wide

④ Yes Tew - Montreal; gold medalist
