Subject: Consultation GCP-2018-83204 Due: May 30

Hello OOP,

The GCP received this FOI request from a Political Party:

All emails sent and/or received by Tim Howlett referencing ICBC. (Date Range for Record Search: From 01/01/2018 To 04/23/2018)

They identified the attached document(s) as responsive records and wish to get your views on disclosure. If you need help determining harms, please see the attached harms assessment or contact me directly.

Your program area's response is due May 30, 2018.

IAO may take one to two business days to apply any severing.

If you are not able to respond by this date, we are required to continue processing this file without your recommendations.

1. Ministry Program Harms Assessment:

Please indicate which applies:

- 1. There are no harms in these records. They can be released in full.*
- 2. There are harms in releasing all of these records. They should be withheld in their entirety.*

3. *There are harms in portions of the records. Please give details so that IAO can apply the appropriate sections of FOIPPA. Please feel free to write directly on the attached records and send back to IAO. If you are unsure of why it is harmful please call the IAO to discuss the appropriate severing.*

Program Area Approval Authority:

Name, Title, Program

2. IAO's review of harms assessment and recommendations on release

Comments/Recommendations:

IAO will assess the program area's harms and recommend full release, withhold in its entirety or partial release.

3. Ministry Executive approval for release

Comments/Recommendations:

Please indicate which applies:

- 1. Approved for release with no changes.*
- 2. Approved for release with the following changes... (insert changes).*
- 3. Not approved for release and why.*

Ministry Executive (Delegated Signoff):

Name, Title

Note that all general FOI request records that are released to an applicant should be published on the Open Information website unless the exemption criteria apply. The exemption criteria can be found on page 11 of the [Open Information and Open Data Policy](#). Consultations from outside provincial public bodies are not published on the Open Information website.

Exercise of Discretion:

The *Freedom of Information and Protection of Privacy Act* (FOIPPA) contains both mandatory and discretionary exceptions to disclosure. Sections 13 to 20 are the discretionary exceptions. Where Information Access Operations (IAO) has advised the head that a discretionary exception may apply, it is important that the head consider the possibility of releasing the information despite the fact that an exception may apply.

Factors relevant to the exercise of discretion include:

- the general purposes of the legislation: public bodies should make information available to the public; individuals should have access to personal information about themselves;
- the wording of the discretionary exception and the interests which the section attempts to balance;
- whether the individual's request could be satisfied by severing the record and by providing the applicant with as much information as is reasonably practicable;
- the historical practice of the public body with respect to the release of similar types of documents;
- the nature of the record and the extent to which the document is significant and/or sensitive to the public body;
- whether the disclosure of the information will increase public confidence in the operation of the public body;
- the age of the record;
- whether there is a sympathetic or compelling need to release materials;
- whether previous orders of the Commissioner have ruled that similar types of records or information should or should not be subject to disclosure; and
- when the policy advice exception is claimed, whether the decision to which the advice or recommendations relates has already been made.

Thank you,

Subject: Council of Ministers of Education Canada Dinner | July 5, 2018

Good afternoon,

I am writing to invite you to a reception and dinner for the Council of Ministers of Education, Canada (CMEC) on July 5 at the Vancouver Convention Centre.

The event will be held as part of the CMEC annual ministers' meeting being held in Vancouver July 5 and 6, 2018. The Honourable Melanie Mark, BC Minister of Advanced Education, Skills and Training who is Chair of CMEC, will co-host the meeting as CMEC Chair along with the Honourable Rob Flemming, BC Minister of Education.

The themes ministers will address over the two days are Indigenous education, and student and teacher/faculty well-being. These themes reflect the government's priorities of a true and lasting reconciliation with the First Nations of British Columbia, and addressing the mental health of British Columbians.

As part of the dinner, Dr. Santa Ono, President of UBC, will give a keynote speech addressing well-being on campus, which will set the stage for the ministers' meeting on July 6.

The dinner and reception will be an opportunity for you to meet Minister Mark and her colleagues from across Canada, network with leaders from BC's Indigenous, postsecondary, and skills training sectors, and listen to Dr. Ono's speech and reflect on how we can address mental health issues.

Event details

- Date: July 5, 2018
- Location: Vancouver Convention Centre, West Level 2 Ocean Foyer at Canada Place
- Time: Reception begins at 6:30 p.m. with dinner served at approximately 7:15 p.m.

Please arrive no later than 7:10 p.m.

Please RSVP by June 28 to Heather Holmes at Heather.Holmes@gov.bc.ca. I look forward to seeing you there.
